A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF FATHER TO NO END! NOW, THE BATTLE TO DESTROY FATHER WAS ON!

Lincoln, Lola Loud, Flare Firestar, Kimi Lao, Nico, and I and the rest of us went after Father and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Father, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lola Loud, Flare Firestar, and Kimi Lao did the same by firing colored, white, golden yellow, and blue energy slashes from their gold-armored dragon claws and their massive greatswords, and Lincoln, Lola Loud, Flare Firestar, Kimi Lao, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Father even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Father and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Father and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

Firefly: Let's see who's hot. You or me?

Firefly fired his heat lasers at Father.

We fired massive laser and fire blasts.

Then, Lincoln made the symbol of The Nordic Order of Odin's Justice appear underneath the feet of Father, and he said a Nordic incantation as Nordic runes appeared, and they glowed. Suddenly, the fire surrounding Father began reacting and the intense flames along with Father's powers were being sucked out of Father and were entering our greatswords and all of us as we were growing much stronger.

Then, Lincoln fired beams of light that hit Father which destroyed that dark skinsuit of his, and he was forever back to being Benedict Uno and was forever stripped of all his fire powers and he was sent to The Moon Base Prison.

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer tail and horn, one-hundred massive and long colored wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, one-hundred large colored planets orbiting around the legs, one-hundred smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and ninety-nine sets of large colored angel wings underneath the massive colored angel wings of Lola Loud, Flare Firestar, and Kimi Lao are permanent.

Me: We did it! Father's reign of terror is done forever!

Nico: Good riddance! And what was that technique you used, Lincoln?

Lincoln: That was something I learned from The Nordic Order of Odin's Justice, it was a spell used to strip away the fire powers of a blackhearted monster like Father and give them to me and to us as well.

Me: That's still pretty awesome. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Odin, Lord of the Aesir, and Odin, King of The Norse Gods.

Lincoln: The Vegvisir and the Duel Monster, Odin, Lord of the Aesir, and Odin, King of The Norse Gods.

Astrid Michelsen: (Norwegian Accent) It's her. There's one person who fits that: the leader of our order, Helene Christiansen, Avatar and Gene-Slammer of Odin, Lord of The Aesir, and you guys are going to love meeting her, Helene Christiansen, Avatar and Gene-Slammer of Odin, Lord of The Aesir, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Odin. Helene Christiansen is the leader and the first of the three founding members of The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Caroline Arvesen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Odin, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Odin, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Sergio Casagrande, and she was so sick and tired of what that stupid repulsive colored rat with wings had done in the past and committed against Lincoln and his family, and she swore to make the streets run red with his blood and feathers.

Me: What?! So, we're not the only ones who hated that stupid repulsive rat with wings?!

Lincoln: Nope. She wanted him to pay for what he did, but we already did so when we went after him and Kurata.

Nico: Yep, we made sure Sergio paid for what he did along with Kurata.

Poromon: How dare that stupid greedy no good repulsive rat with wings threaten Manaphy, my future wife, like that!

Threaten her life like that and think you can get away with it, go to Hell, Sergio, you're a disgrace to all birds everywhere!

Me: Yeah!

We went back to Earth

Yusaku charged at Telesdon and kicked him and Lisa and the group fired lasers and energy blasts.

Yusaku: Take this!

The kicked him and knocked him out.

Pied Piper: And that's the end of Alien Rayblood.

David Cain: Now we're free to interrogate Father.

Father was back to his human form. He was really exhausted.

SkullMeramon: (to Yusaku and his friends) You guys helped too.

Yusaku: We sure did.

Me: We owe you big time Yusaku.

Rei: (to Yusaku) See on on June 7.

Yusaku: Looking forward to it.

Rei and Yusaku high fived each other.

Thundermon: What now?

Sportsmaster (to Numbuh 1): Let's celebrate at one of your bases

Numbuh 1: Good idea. You guys go on ahead. I'll be right there.

Me: He has to get some answers.

Nico: Understood. Great job today everyone.

Lola: (To the Viewers) This was an epic battle!

Me: Yeah!

We returned home and we helped June, Rei, and Io settle into their new home,

We went to the moonbase prison and found out that Benedict did all he did because He hated with the way that the kids treated him and his fellow adults and he came up with The Big Time Out so he can kill all the kids and adults can rule only! But his plan had a NASTY FATAL FLAW! By killing all the kids, he destroys all the Adults as well as well as the entire human race leading to our extinction!

WE WERE HORRIFIED THAT BENEDICT BECAME THIS WAY!

And hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: Whew, man, that was one awesome day.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there lying on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was Vinna Laval and she was posing seductively, and when

Lincoln saw her, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Vinna Laval: (Seductive Voice) Like what you see, wolf hunk?

Lincoln could only nod, and then, Vinna Laval went up to Lincoln, and she stripped him of his white and gold-trimmed shorts, gold-armored knee-high boots, and orange loincloth, and leaving him in his underwear, but she really aroused him.

Vinna Laval: (Rubs Lincoln's massive pecs) You're even more of an impressive hunk especially in your underwear, now I can see more of your built manly legs and the very thing that has gotten the girls in your harem pregnant with many children. (Seductive Voice) And satisfied them every single time and every night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Then, Lincoln wrapped his arms around Vinna Laval and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and Vinna had her hand on his underwear about to remove it and leave him in the nude, and his entire harem dressed only in strapless bras and panties also appeared as well.

Lincoln: (Seductive Voice) (Smirks) Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome fanfic done.

Alright, and now, for tomorrow, the match-up scene is for Tara Toonamine, Angel of Techwater, and she and Lincoln are going to destroy Nikolai Ondrushko, the vampire lord and archenemy of Abaddon Aeternus and his father

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Loch Loud, but we'll be heading deeper into the castle's underground floor and right into a hidden room that could be only be opened by the Reincarnation of Amaterasu and descendant of Lachlan McLoud, and inside that room were The Greatswords of The Celtic Gods and Goddesses and The Amulets of Celtic Pride, two powerful greatswords that were said to have been forged 7,700 years ago along with the amulets, and they were blessed with all the powers of the Celtic Gods and Goddesses, and they were created for Lachlan McLoud and Lincoln Loud, The Reincarnation of Amaterasu and Descendant of Lachlan McLoud, and they were kept locked away in that hidden room underneath the castle that only Lincoln can open. Once they get those, we're going after our main target: Isabella Abaddon, Lincoln's former Guardian Angel who's also going to be revealed as Dark

Chase Young's disciple and she was never loyal to Lincoln nor his Guardian Angels, she was only there to destroy Lincoln, his Guardian Angels, his family, and friends and prevent the prophecy from coming true. Once that comes out, that also is going to give us another reason to kill her, and then, she'll suffer the worst kind of punishment from God and The Archangels and Angels of Heaven: one far worse than getting sent to Hell long ago and infinitely worse than getting sent to The Black Gates.

And we're going to meet the last of the Nordic Avatar and Gene-Slammers, her name is Helene Christiansen, Avatar and Gene-Slammer of Odin, Lord of The Aesir, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Odin. Helene Christiansen is the leader and the first of the three founding members of The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Caroline Arvesen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Odin, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Odin, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Sergio Casagrande, and she was so sick and tired of what that stupid repulsive colored rat with wings had done in the past and committed against Lincoln and his family, and she swore to make the streets run red with his blood and feathers.

Next up is where we face David Banner on Red-She-Hulk's day to shine and we're going to make sure that monster pays for his crimes!

See you next time.

DAVID BANNER'S VENGEANCE

David Banner is back for revenge!

In the early morning hours at 12:15 AM, Lincoln had a dream, and he saw five figures hiding out and living in Philippines. But, this was no ordinary five figures, they were Sky Maizono, daughter of Lincoln's future wife, Sayaka Maizono. Celia / Cyrax II, daughter of Lincoln's future wife Fem Cyrax. Samamtha / Sektor II, daughter of Lincoln's future wife, Fem Sektor. Nina Harime, daughter of Lincoln's future wife, Nui Harime. and Alice Jr, daughter of Lincoln's future wife, Alice (ROTF). Lincoln woke up from the dream, but he wasn't the only one, Sayaka Maizono, Fem Cyrax, Fem Sektor, Nui Harime, Alice (ROTF), Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Sayaka Maizono: And it also means that we found out where our kids are at.

Me: They're at Philippines.

Nico: The Country in Asia? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Sayaka Maizono, Fem Cyrax, Fem Sektor, Nui Harime, Alice (ROTF), Black Alpha, Me, and Nico were heading to Philippines. Then, Lincoln saw a slim 12 years old girl who has pale skin, blue eyes, and long flowing waist length dark blue and white hair. She wears a white seifuku school uniform with orange sailor collar and sleeve cuffs, both striped with two white lines, light pink ribbon tied in a large bow at her collar, short pleated blue-green plaid skirt, navy thigh-high socks, and dark brown Mary Janes with silver buckles. A young and beautiful 16 years old who has dark skin, green eyes, and black and white dreadlock-like hair. She wears yellow and black sleeveless shirt, black and yellow jean pants, and high-tech yellow and black sneakers. She wields Saw blade Gauntlets. A tall and slim yet curved 16 years old who has fair skin, green eyes, and short black and white hair in a ponytail. wears red and black sleeveless shirt, black and red jean pants, and high-tech red and black rocket boots. She also has a jetpack with hidden conventional weaponry and flamethrower gauntlets. A 13 years old who has fair skin, sapphire blue eyes, and platinum blonde hair styled in drill-like twin-tails with a large pink hair bow. She wears pink richly adorned lolita-style dress, pink fingerless gloves, and pink boots with light pink bows. She wields a pink parasol-like sword-shotgun. And a 14 years old human-cybertronian hybrid who has fair skin, blue optic-like eyes, and long wavy platinum blonde hair with metallic tentacle-like dreadlocks. She also has a cybertronian-like stinging tail. She wears white lace dress, orange knee-high socks, and white flats. Lincoln saw who they were, they were Sky Maizono, Celia / Cyrax II, Samantha / Sektor II, Nina Harime, and Alice Jr.

Lincoln: Excuse me, are you Sky, Celia, Samantha, Nina and Alice Jr?

Sky Maizono: Of course we are. Who are you?

Then, Sayaka Maizono, Fem Cyrax, Fem Sektor, Nui Harime, and Alice (ROTF) came out, and when Sky Maizono, Celia / Cyrax II, Samantha / Sektor II, Nina Harime, and Alice Jr saw them, they were stunned.

Sky Maizono: Mother?

Sayaka Maizono: I'm here, sweetie.

Sky Maizono, Celia / Cyrax II, Samantha / Sektor II, Nina Harime, and Alice Jr ran up to Sayaka Maizono, Fem Cyrax, Fem Sektor, Nui Harime, and Alice (ROTF), and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Sayaka, Cyrax, Sektor, Nui, Alice, your mothers are one of my many future wives.

Sky Maizono, Celia / Cyrax II, Samantha / Sektor II, Nina Harime, and Alice Jr: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Sky Maizono, Celia / Cyrax II, Samantha / Sektor II, Nina Harime, and Alice Jr with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Sky Maizono, Celia / Cyrax II, Samantha / Sektor II, Nina Harime, and Alice Jr to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Sayaka Maizono, Fem Cyrax, Fem Sektor, Nui Harime, and Alice (ROTF) with their kids, and Sky Maizono, Celia / Cyrax II, Samantha / Sektor II, Nina Harime, and Alice Jr now has a loving, strong, brave, and caring father in their life. We went back to sleep.

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem, and he had a dream and it took him to Loch Loud, then, he walked down to the castle's underground, and it took him to a room where he saw something inside the room: The Greatswords of The Celtic Gods and Goddesses and The Amulets of Celtic Pride, two powerful greatswords that were said to have been forged 7,700 years ago along with the amulets, and they were blessed with all the powers of the Celtic Gods and Goddesses, and they were created for Lachlan McLoud and Lincoln Loud, The Reincarnation of Amaterasu and Descendant of Lachlan McLoud, and they were kept locked away in that hidden room underneath the castle that only Lincoln can open. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just saw something in Loch Loud.

Lincoln told them, and when he was done, they were stunned.

Arabella Anndrasden: (Scottish Accent) I'd recognize those objects you saw in the dream, they were The Greatswords of The Celtic Gods and Goddesses and The Amulets of Celtic Pride, two powerful greatswords that were said to have been forged 7,700 years ago along with the amulets, and they were blessed with all the powers of the Celtic Gods and

Goddesses, and they were both created for Lachlan McLoud and you, The Reincarnation of Amaterasu and Descendant of Lachlan McLoud, and they were kept locked away in that hidden room underneath the castle that only you can open.

Lincoln: Wow. Everyone's gonna hear about this tomorrow.

Suddenly, a massive tornado of souls appeared in Lincoln's room numbering in the quadrillions, and they took shape: they were the quadrillions of ancient male Scottish warriors, Celtic kings, and Celtic chieftains from ages past.

Lincoln: Whoa! Who are...?!

Arabella Anndrasden: (Scottish Accent) Bless my ancestors! Lincoln, those are the spirits of the quadrillions of ancient male Scottish warriors, Celtic kings, and Celtic chieftains from ages past. These ancient warriors were the many warriors who met Talia Houou Flameheart over 7,700 years ago, and many of them knew of the prophecy.

They gasped in awe.

Talia Houou Flameheart: (Irish Accent) That's amazing, and there's something you should know, these warriors were given incredible powers, immortality, and invincibility by the Celtic deities they've worshipped, and they fought against numerous ancient monsters and demons, and impressed many of the female warrior queens ages ago. I fought many of them in a duel which came to a draw, and they were also very honorable. But, if their spirits have appeared, that means...!

Suddenly, the quadrillions of spirits of ancient male Scottish warriors, Celtic kings, and Celtic chieftains from ages past suddenly began entering Lincoln's body and they began merging with him one by one and he gained their incredible powers, immortality, and invincibility by the Celtic deities and gained another astronomical power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue magic fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well and he let pounded his chest like a gorilla.

Lincoln: (GROWLS) Oh man, now that was really intense! (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

Their noses were gushing out blood like a fountain, and they dogpiled on Lincoln: they were in for yet another wild night. Then, morning came, Lincoln and his harem and kids were asleep. Then, he heard snickering, and he awoke, revealing me, Nico, and Eli under his blanket with a banner that read, "Happy Birthday, Lincoln". Eli blew a noisemaker.

Me, Nico, and Eli: Surprise! Happy birthday, Lincoln!

Lincoln: (Surprised) Oh wow! Guys, you...!

Me: Yep. Plus, your harem sent the signal out, so...

Lincoln smirked slyly.

Lincoln: (Smirks) You girls really are sly.

Girl Jordan: (Smirks) And you know it.

Nico: We made this just for you guys.

We brought in a feast fit for a king and queen and brought in breakfast in bed.

Lily the Mermaid: Wow.

Nebula Lanaia: Yep, we made breakfast in bed. I can't believe it, you're already turning 19 already! I'm so glad that I'm finally back home for this!

Lincoln: Yep, and I can guess we got a really fun day today.

Eli: You said it.

We went and got ready, and they had their breakfast in bed. Then, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Arabella Anndrasden explained it, and we were stunned.

Siobhan Wallace: (Scottish Accent) Wow, and I heard about them too, and they were really powerful warriors.

Lincoln: Yep. Oh, guys, there's something you should know. Last night, my dream took me to Loch Loud.

Then, as soon as Lincoln was done explaining, we were stunned.

Nicole: Oh man! I've heard about The Greatswords of The Celtic Gods and Goddesses and The Amulets of Celtic Pride, two powerful greatswords and amulets that were said to have been forged 7,700 years ago, and they were blessed with all the powers of the Celtic Gods and Goddesses, and they were created for Lachlan McLoud and The Reincarnation of Amaterasu and Descendant of Lachlan McLoud, and they were kept locked away in that hidden room underneath the castle that only you can open, Lincoln.

Natilee: But, I never read about them before.

Nicole: It was kept a secret for over seven-thousand years, and now, all those years later, now they're made public to Lincoln.

Lachlan McLoud: (Scottish Accent) This also means the prophecy is about to come into full swing very soon.

Lori: That's right. Soon, we'll get that monster, Dark Chase Young.

Luan: And make him pay.

Lincoln: That's for sure. Alright, now let's finish breakfast.

Me: Hope you got room for more, Lincoln, we're going to a macaroni and cheese bites planet for Nico's next rescue.

Lincoln: (GASPS) Did you say...macaroni and cheese planet?! (DROOLS)

Nico: Wow, you love mac and cheese bites as much as I love chicken wings.

Lincoln: I love all kinds of food, Nico. But, mac and cheese bites, oh man!

Luna: Oh man, and when he catches the smell of them, he turns into a mac and cheese bite zombie.

Lily: And it's a bad idea to get in his way for them.

Nico: I can already guess it, you get in his way, he'll probably put the guy's head under his left arm and pop his head off with a flexing of his left bicep.

Drakus: Y'know J.D., did I ever tell you about how me and the X-Squad sent a man through date hell?

Me: No, not particularly.

Hibiki Otonokoji (X-Squad): Oh ho ho, have we got a story for you. If you ever played Persona 4, you would know about Mitsuo Kubo, the creepy guy who has a rather... let's just say, notorious reputation for wasting his time with an scary amount of video games and internet usage, thus wreaking havoc on his self-esteem, constantly throwing stupid temper tantrums over such random shit as tripping over freakin' garbage bags, of all things, excessively stalking Yukiko, who's a teenager, mind you, and taking creepy photos of her, threatening to hurt Nanako, the freakin' adorable 7 year old cousin, for reasons unexplained, and pathetically attempting to garner a desperate amount of attention, just by stealing the credit of a wanted serial killer, goes by the name Tohru Adachi, and, most notorious of them all, he straight out murdered Kinshiro Morooka, one of the most...well, uh...strictest teachers of Yasogami... well, okay, he just murdered King mothafuckin' Moron, that one jackass NOBODY CARES ABOUT, MOVING ON!

Me: What the fuck?! What did you do to him?

Drakus: Anyway, he eventually got apprehended by the investigation team and was last known to be spending time in the loony bin. But we realized he might still harbor creepy feelings towards Yukiko, even AFTER he gets out, and as such, we made sure that he won't, and I mean NEVER AGAIN, be anywhere near her! And as his ULTIMATE punishment, he was FORCED to date, and indeed have a brief romance with these lovely "ladies," in...wait for it, THE SEVEN LAYERS OF DATING HELL!

Me: Pretty cheesy name.

Zap (X-Squad): Best we could cook up on such short notice.

Kanade Otonokoji (X-Squad): We picked the ladies.

Drakus handed me a list with the girls Mitsuo had to date.

Drakus: First up was layer 1, Noriko Kashiwagi, picked by Kanade.

Kanade Otonokoji (X-Squad): Yep, we started off by making him first go out on a date with the replacement teacher who's on the wrong side of 40. They took a nice, LONG bath together at her place.

Drakus: Next was layer 2, Hanako Ohtani, picked by Hibiki.

Hibiki Otonokoji (X-Squad): A lovely candlelight Mystery Food X dinner did the trick, plus another bath. And some bed time "cuddling" as well!

Drakus: Layer 3 is a doozy, Miki Shiba from The Devil is a Part-Timer. Picked by Ridley.

Ridley (X-Squad): And just when you were thinking that BOTH Kashiwagi the granny and Hanako the lardbucket were bad enough individuals already, imagine trying to deal with BOTH in one person! And lucky, or rather, unlucky Mitsuo got to spend some passionate beach time with her.

Drakus: Layer 4 was Crazy Cat Lady, picked by me. Well, just because. Mitsuo got turned into a scratching post for the kitties. Layer 5 was Carol Miller, also known as Mom, picked by Zap, Neo and Julie.

Zap (X-Squad): It was a vote by the three of us. Same as above...We got nothing. But Mitsuo did get turned into a cyborg hot mess.

Drakus: Layer 6 was Strongine and Amue Armstrong, picked by Cyclonis and Sapphire.

Sapphire Ink: Yep, we made him have to deal two, count 'em, TWO dominatrixes! Things were extra "spanky" for Mitsuo!

Cyclonis (X-Squad): And yes, Alex did confirm that spanking what could be considered "wimpy little sissy "lover" boys" has been a sacred technique that has been handed down throughout the Armstrong family for generations.

Me: What's the 7th layer?

Suddenly, the X-Squad's had a haunted and a bit awkward look on their face.

Garie Tuman (X-Squad Universe): To this day, I think we probably made a wrong call. Just a side note, we felt like Mitsuo was lucky that he wasn't allowed to have sexual relationships with the previous folks.

Drakus: But to be fair, seeing the previous girls naked bodies enough just made him want to upchuck his entrails and skewer out his eyeballs ...because we saved THAT for when he established his relationship WITH...wait for it... J.D., get that barf bag out.

I got my barf bag out.

Me: Why?

Drakus: Cause what we condemned Mitsuo to is so vile, so disgusting, so OUTRAGEOUSLY sickening, that we hurl at the thought of having to use it again! Layer 7 is Pico, Chico and Coco, from the notoriously bad hentai Boku no Pico, picked by J, N, V and Uzi.

The X-Squad and me hurled into barf bags and trash cans at the thought.

Kanade Otonokoji (X-Squad): Oh lord, why did we put him through that?!

J (Murder Drones) (X-Squad Universe): Because, back then, we thought it seemed like a fitting end! Oh fourth quarter profits, my lunch's comin' back up again!

Me: You put him through THAT?!

N (Murder Drones) (X-Squad Universe): Yep, that lovey-dovey yaoi hentai truly is HELL! And Mitsuo was damned to be trapped with them, having yaoi foursomes, FOR ALL ETERNITY!

Uzi Doorman: I provided crotch cloth. And besides that, J originally suggested pairing him with Ayano "Yandere-chan" Aishi, which would be WAY too cruel...for Ayano, at least...

Me: YIKES! That is crazy!

Drakus: I know right?

Suddenly, the phone rang.

Nicholette Torrington: TLPS World Tree Estate, Nicholette Torrington speaking.

Suddenly...!

Nicholette Torrington: (GASPS) SWEET CISTERNS OF THE UNDERWORLD! Lincoln, we got a big emergency! Sally Verras has escaped!

The Louds gasped!

Lincoln: What?!

Me: Whoa, who's Sally Verras?!

Lori: She's a literally nasty bully that really hates Lincoln's guts and she hates Lincoln and all of us with a passion.

Nebula Lanaia: But she's worse than anyone thought: this bitch is also a notoriously monstrous and dangerous criminal who terrorized all of Royal Woods for years: destroying cars and property, using explosives to blow up historical landmarks, assaulting people left and right, and worst of all, trying to kill Lincoln and all of us in the past.

WE GASPED IN HORROR!

I took a look at her criminal history, and it matched what Lanaia said about her: she was pure evil to the core.

Lynn Sr.: Also Rita got word of how she treated Lincoln and our kids, and she REALLY RIPPED her apart, and boy, was she sore at her!

Rita: I don't believe it, that monster's broken out, and on my son's birthday to get revenge?! That's it, she's going down!

Lincoln: We'll show her what happens when she tries to destroy our family just because she hated my guts and my family.

Betty woke up to see Hitmonlee staring at her.

Hitmonlee: Morning Betty!

Betty: Morning!

She got up and went She Hulk and she got dressed.

Hitmonlee: Time for breakfast!

She went to the table.

Me: Morning Betty!

Red She-Hulk: Morning guys.

We gave her a hearty huge breakfast and she was hungry.

We finished breakfast and we headed out to the macaroni and cheese bite planet to help Sour Sweet unlock her Rainbow Power and send Sally Verras to The Black Abyss forever.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 13092.4: The U.S.S. Valorous Phoenix is en route to a special food planet for Lincoln's birthday and we're going to have an awesome time. Our mission there is to stop one of Lincoln's old enemies there.

Bonnie: We sure are.

Ymir: Arthur how did that happen to you?

Gorilla Man: I wasn't always like this. You see I was a surgeon that wanted to help people. I would transplant organs from gorillas into people to help them. But the Gorillas turned on me and took my head and transplanted it on to a gorilla body. Hence why I became Gorilla Man.

Me: That is nuts!

Ymir: It sure is.

Gorilla Man: Yeah you could say it was karma for me. I then turned to a life of crime because of it.

Lola: That is rough!

Qin: Yeah.

Me: Wow.

Nico: Bonnie, are you happy you and Kim made up?

Bonnie: I sure am. Me and Kim were terrible enemies before. Now we're best friends.

Kim Possible: We sure are.

Me: Yeah that is cool.

Star Butterfly: I'm just really happy that we helped you make up with your family too.

Bonnie: And I'm always grateful for that.

Me: Yeah that was fun.

Horsea: I had a shotgun ready!

Me: Horsea!

Horsea: Okay okay sorry.

Bonnie: I'm just glad I got to make up with my family after 5 years.

Ymir: Wow! Karma really bit you hard back then.

Bonnie: It sure did.

Me: Yeah.

Eddy: (LAUGHS) I got to pound their door with a shovel.

Me: (LAUGHS) That always is funny.

Renee Ankylo: It sure is. Oh Nico, tomorrow I want you guys to come with me to my house to straighten things out with my parents.

Nico: Um...come again?

Renee Ankylo: We're going to my parents house. I want to correct what went down on our date.

Nico: (GULP) Oh boy.

Me: Nico it's time for you to stop being a fearful guy and stand up for yourself! You need to be a Saiyan! You are a Saiyan and you are also a Man! It's time for you to stop being afraid of a shotgun and people threatening to blow your brains out if you hurt their kids! I for one did it! And you can too! They know you would never do anything like that to their kids and I wouldn't either! And neither will Lincoln. So you can too!

Nico: But Renee is an ex girlfriend!

Me: So what! You are always available on the market so there is no harm in having her back and she forgave you.

Renee Ankylo: It's true Nico. After J.D. showed me what went down back then I realized how stupid I was letting anger rule me. So I sought help and advice from Ino and she helped me out.

Ino: It's true.

Me: Yep. So Nico, Renee, I think...

I put their hand theirs.

Me: It's time for you to bury the hatchet and be back together again like you were before you broke up.

Nico: Okay. You have a point

Poromon: We have a shirt for you to wear

Nico: Really?

Poromon got out a funny shirt! It was a black shirt that said I'm a Stupid Moron with a Big Butt and My Butt Smells and I like to kiss my own butt!

EVERYONE LAUGHED HYSTERICALLY!

Nico: Oh VERY Funny!

Poromon: Wait! Wrong shirt! I was saving that one for another time.

He pulled out a different one and it was a shirt that said Nico and Renee forgiven and in love.

Everyone:AWWW!

Me: Adorable!

Poromon: I was saving that for later. But oh well.

Poliwag: There were a lot of shirts in the wash!

Me: We do have a lot of clothes.

Nico: True but that is a great shirt.

Qin: It sure is.

Nico: Yep. And you're right J.D.! It's time for me to stop being afraid and stand up for myself! I'm a Saiyan and we are fearless warriors!

Vegeta: That is the spirit Bokrua!

Goku: YEAH! You can do it!

Nico: You're right! Thanks guys.

Renee Ankylo: Awesome!

Me: No problem.

Nico: Yep. Oh right. Yesterday's mission was awesome!

Lola: It sure was! We had fun!

Me: We sure did! Wow! And we stopped both Father and Alien Rayblood.

Nico: We sure did. And Nigel what did you find out about your uncle?

Numbuh 1: Well it's not good. We found out that found out that Benedict did all he did because He hated with the way that the kids treated him and his fellow adults and he came up with The Big Time Out so he can kill all the kids and adults can rule only! But his plan had a NASTY FATAL FLAW! By killing all the kids, he destroys all the Adults as well as well as the entire human race leading to our extinction!

WE WERE HORRIFIED THAT BENEDICT BECAME THIS WAY!

Qin: Man what a jerk!

Xenia: YEAH!

Ymir: That would result in the extinction of the entire human race!

Iormu: Of course we already have known all about that.

Xenia: That is for sure!

Camie: Yeah!

Me: But the good news is we severed the evil bloodlines of the Uno Family.

Nico: That's no excuse for genocide!

Me: That's what we told him but he was stubborn as a mule! (To Eeyore) No offense Eeyore.

Eeyore: None taken but yeah he was.

Nico: Yeah!

Camie: I can't believe he wanted to kill all kids like that!

Eli: YEAH!

Ymir: We should have just killed him and sent him to the Black Abyss.

Me: He's not worth it anymore. Now Grandfather is the bigger threat.

Ymir: Grandfather?

Me: Nigel's father and uncle's father.

Numbuh 1: MY Grandfather.

Me: Long nasty story.

Nico: We'll face him on a future rescue

Me: Okay. But Lola, Flare and Kimi you all did an amazing job.

Kimi Lao: It sure was fun!

Flare Firestar: Yeah.

Lola: Yeah!

Erica Tala: That was really cool!

Me: Yep. Also tomorrow we close out Hitch, Shanan and Deborah's missions. So lets close that one out with a bang.

Hitch Trailblazer: That we can do.

Nico: Are you ready for your birthday party?

Lincoln: You bet I am!

Lisa: We have arrived at our destination.

Nico: On screen.

We saw that we were at a golden yellow and brown planet.

Me: This must be it.

We got to landing and got out and saw that it was a MAC AND CHEESE BITE PLANET! AND THE RIVERS WERE CHEESE SAUCE!

Lincoln: (GASP) (DROOLS) (CRAZY) MAC AND CHEESE BITES!

Lincoln dove into a bunch of bites and ate them!

Me: WHOA!

Nico: Lincoln sure loves Mac and Cheese bites huh?

Me: Oh he loves them just as much as you love chicken wings!

Nico: I can see that.

Lynn Sr.: Lincoln loves all of my food because I make all my food with love. And I make a secret ingredient to make my food great. (Whispers to Nico) I always put in a dash of caramel to make it delicious and mix it with love.

Nico: (Whispers) Wow Mr. Lynn that is amazing.

Me: Yep. Lisa said it and it was fun. Remember when Leni accidentally took Mr. Lynn's Book of Recipes? We learned about that.

Leni: That was an accident.

Nico: Oops.

Poromon: Me and the others invited guests.

Me: Really?

Poromon: Yep.

Poliwag: Including some annoying ones.

Me: Uh oh.

Poliwag pointed to them and we saw THE CRACKHOUSE DISNEY CLUB!

Me: OH SHIT!

Crackhouse Disney Club: (TO ME) YOU SON OF A BITCH!

Sally Stomach got in front of them as they came at me and then...

LOUD NASTY HORRIBLE SMELLING LONG FART!

THE FART REALLY MADE THEM GAG AND VOMIT!

Crackhouse Goofy walked up to me.

Me: What are you looking at you cow?

Crackhouse Goofy: I'm looking at you bitch!

Me: If you got something to say to me let me know!

Poromon: (sheepishly) Sorry…

Qin: We could always use a little pre-dinner humor.

HONK!

I bit him on his nose!

Crackhouse Goofy screamed in pain!

Nico: Now that's funny!

Me: I'm just getting started.

I gave Crackhouse Goofy a wedgie!

HOING!

I pulled his underwear up and over his face and down his butt!

I then shoved his face in my butt and then...

LOUD NASTY HORRIBLE LONG FART!

EVERYONE LAUGHED HYSTERICALLY AT THAT!

Crackhouse Goofy: Oh Hell no! NOBODY MESSES WITH GOOFY!

Me: Except for me buttface!

I trapped him in medieval stocks made of cheese and then formed a HUGE PADDLE!

Me: BATTER UP!

I then slapped him hard on his butt!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

HIS BUTT WAS GLOWING NEON RED!

OUCH!

Me: Had enough?

Crackhouse Goofy: I will not stop until you are through! Ahyuck! I run this bitch!

Me: In your fucking dreams!

Poromon chuckled nervously

Poliwag: Come on Poromon lets have some fun!

Poromon: Okay! HEY DUCKFACED MAMMA'S BOY!

Crackhouse Donald: WHAT!?

Poromon: SNIFF ON THIS!

He shoved a bunch of FERMENTED HERRING DOWN HIS THROAT!

HE GAGGED AND COUGHED AND VOMITED FROM THE TASTE AND SMELL!

Poromon: Like that?!

Tayuya: You want some of that motherfucker!?

Crackhouse Donald: YOU SHUT THE FUCK UP!

Tayuya: NO YOU SHUT THE FUCK UP FUCKFACE!

Crackhouse Donald: YOU SHUT THE FUCK UP!

Tayuya: I SAID YOU SHUT THE FUCK UP FUCKFACE!

Tayuya then fired a blast of fire and burned all his feathers off!

Crackhouse Mickey laughed at him!

Crackhouse Mickey: (LAUGHS) YOU ARE A NAKED DUCK!

Crackhouse Donald then bashed and pulverized Crackhouse Mickey!

Crackhouse Mickey screamed like a little girl!

Crackhouse Donald: SHUT UP!

WE LAUGHED HYSTERICALLY!

Me: YEAH!

Then the mascots tied them all together and shoved gasoline, nitroglycerin, gunpowder, uranium-238 and kerosene.

Poromon: Now to strike a match. Stand back.

They made them swallow the matches and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

THEY EXPLODED!

They were burned to a crisp!

Horsea: Toasty!

Me: Too bad you can only do it once.

Nico: Yeah!

Daffy: That was funny though!

Me: Yep. Had enough comedy hasbeens?

Poromon: Or do you want some more?

They were really mangled up!

WILHEIM SCREAM!

Crackhouse Donald: Okay we surrender!

Crackhouse Goofy: Yeah! You win!

Crackhouse Mickey: We give up!

Me: Good.

Lincoln: (LAUGHS) That was funny! (LOUD BELCH)

Poromon then ate some of the Mac and Cheese bites.

Poromon: MMM! Delicious!

Nico: Yeah!

Me: Lincoln care to send these goons on a one way trip to be humiliation fodder at Lynn's Table and M.O.E. HQ?

Lincoln: You bet! (Elemental Forces Swirled behind him) I am The Reincarnation of Amaterasu, The Champion of The Iroquois God of Thunder and The Gods and Goddesses, and The Champion of Friendship and Protector of Earth and loved by all that can lift a frown. When my Cutie Mark comes to life, the elemental storms of justice will strike evil down!

Lincoln fired waves of the elements and trapped the Crackhouse Disney club members in a bubble and then teleported them to Lynn's Table and they were tied up and cursed with the Gessius Florus Curse!

Me: Nice one!

Qin: YEAH!

Me: Poromon you may have invited them but to be honest we all could use a really good laugh! Thanks.

Mascots: Huh?

Me: We haven't had that much fun in a while.

Poromon sighed in relief.

Nico: Yeah that was fun!

Me: Just tell us next time who you invited.

Poromon: Okay.

We got to eating.

Me: (Eating) MMM! Delicious! Man Lincoln I can see why you love these so much!

Camie: I'll say! (Eating) Yummy!

Poliwag ate some.

Poliwag: (Eating) MMM! Delicious!

Nico: They sure are!

May: Yep.

Qin: Yeah!

Lincoln: Okay, guys, we're in for one intense battle, we're here on The Mac and Cheese Bites Planet, and we're here to help Sour Sweet unlock her Rainbow Power, and just as we heard this morning, we're here to battle my old enemy, Sally Verras, and send that nasty bully to The Black Abyss where she belongs.

Me: I can't believe just how vile and cruel Sally Verras truly is.

Nico: And she hated Lincoln's guts and his sisters. Reminds me of that fucking bitch, Dark Lori, Audrey Madison, and every other blackhearted bitch who crossed us.

Selene Emperyous: Lincoln sent her to prison forever, but how did she break out?

Michelle Emperyous: We'll get the answer if Lincoln sucks the brains of her thugs.

Lincoln: Good idea, but I think I have a good idea of who was behind this.

Nico: Yeah!

Qin: I agree!

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that

Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Sally Verras) AHA! There you are, you no good bully! I just spotted Sally Verras, she's 20 yards away, but she's now heading right for us!

Nebula Lanaia: Let's tear her apart.

Aerrow heard a Pokemon cry.

Aerrow: Look guys!

We saw a Pidgeotto!

Me: Cool a Pidgeotto!

Ash: Just like the one I had before.

Me: Wow!

Aerrow: Oh and the poor thing is hungry.

Pidgeotto: I sure am. Got any food?

Aerrow gave it apples.

Pidgeotto: Thanks.

It ate them up.

Me: Cool.

Poromon: Wanna come with us?

Pidgeotto: I would be honored.

Me: Awesome.

Qin: Yeah!

Lola: Whoa look!

We saw an Arbok.

Me: WHOA! An Arbok!

Nico: How did that get here?

Me: I think it's one of Dark Gale's work.

Cobra Cadabra: I think it is. Lets see.

He used telepathy and gasped!

Cobra Cadabra: Oh my! It's Emullia!

Miia: Emullia!? Oh man!

Me: We better go help her!

Cobra Cadabra: CHARMED AND READY!

We went over.

Cobra Cadabra: Emullia it's me Cobra Cadabra!

Miia: And Miia too! Remember?

She slithered and tried using wrap on us

We dodged it.

Jessie: Wow! She reminds me of my Arbok.

Me: Wow! Okay then.

I fired waves of magic and Cobra Cadabra and Miia fired energy blasts and knocked her down. I snapped my fingers and she reverted back. She was a girl with purple hair and blue eyes and had purple angel wings and had a purple snake half body and had a cobra cutie mark on her arm and had Arbok in the middle of her forehead.

We wrapped her in a blanket and brought her over.

Me: Go ahead SSSnake my day!

Rattle Shake: Well sssaid J.D.

She woke up.

Emullia: (Groans) What hit me?

Cobra Cadabra: Are you okay Emullia?

Emullia: Cobra Cadabra? Miia? (GASP) It is you!

She hugged them.

Miia: We're glad you're okay. Guys Emullia is Naga and she and I are good friends.

Me: WHOA! The snake women of Chinese Folklore. That is awesome!

Emullia: It sure is.

Me: You were turned into an Arbok by Dark Gale.

Emullia: (GASP) I remember! But I took one of their members with me earlier.

She was in a purple suit and just as she was injected she busted out of her restraints and bit a man and he turned into solid stone! She sealed him into her arm as she turned into Arbok and slithered out.

FLASHBACK ENDS

Emullia: It was awful.

Me: Wait who did you take with you?

Nico: And you have a bite that can turn people into stone!? That is cool!

Emullia: It sure is. Look.

She unsealed the man and to our shock it was Dr. Camilo Fesstertox!

WE GASPED!

Me: I don't believe it! It's Dr. Camilo Fesstertox!

Nico: He was in Dark Gale!? How crazy!

Ymir: Who was he?

Me: He was a mad scientist that wanted to make the perfect gene-slammer! He wanted to make one that was a combination of all 13,000+ Duel Monsters, All MTG Cards, all Pokemon, All Digimon, All Monster Rancher Monsters, the Shadow Dragons, Z-Fighters, all of our enemies and friends, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, Their enemies, and Animals and Aliens And so much more! At the beginning of the year the mascots, myself and Eli went out and stopped him. He was in a massive castle tower over in Slaughter Swamp next to the abandoned lair of the Legion Of Doom.

Poromon: It's true.

Qin: WOW!

Camie: I heard all about that back then. It was crazy!

Emullia: WOW! Wait you guys have a history with him?

Me: Well Nico mostly. He stopped his insane research and experiments years ago and he brought him to justice. But years ago he was kicked out of the scientific community because of his insane ideals. They called him a fucked up lunatic and cut off all his funding and had him commited to a maximum security insane asylum.

Nico: And I am the one that brought him to that nuthouse after he escaped before I joined the team.

Me: Yep.

Poromon: Yeah that was crazy!

Me: I had no idea he was recruited into Dark Gale.

Nico: Me neither.

Emullia: Wow!

Me: Yep. We have to tell you what happened.

I told everyone what happened. It was during January before the 20 Days of Darkness Anniversary 2024.

We see Poromon sleeping on my bed

He was sleeping.

Poromon: (SNORING) Beer. (SNORING) Look at it

The door opened

Nico walked in and snuck up to him.

Nico stuck his butt to him and then...

LOUD FART!

Poromon woke up!

Poromon: (COUGHS) HEY!

Nico: Morning! Time for breakfast!

Poromon: (Looks at the time) Oh missed it!

And went to the table.

Poliwag: Morning, Poromon!

Poromon: Morning!

Manaphy: Morning!

I came in with the mascots favorites.

Me: I made your favorites. Steak and eggs and chicken and eggs.

I gave them their favorites.

They got to eating.

Poromon: Life's been great since we killed Xehanort, huh?

Nico: That is for sure.

Me: Yeah no kidding.

Eli: The universe has now been rid of him forever.

Lincoln: Yeah.

Poromon: And now, crime's at an all time low

Me: Good lets hope it stays that way.

Camie: I agree there.

Poromon: With that being said, can me and the others have a day to ourselves?

Me: I don't see why not. You more than earned a shot to have an adventure of your own. what do you think Nico?

Nico: Alright. But you're on your own if you get into legal trouble.

Poromon: Okay. How about J.D. and Eli comes with us as a precaution.

Me: Good idea.

Eli: I don't mind.

Nico: Have fun

Me: We will.

Eli: Yeah!

Poromon: After we finish our breakfast.

Me: Okay.

We got to eating.

Poromon ate his breakfast

Manaphy too.

Same with all the mascots.

Later we were full.

Poromon burped

Manaphy too.

Poliwag: (BELCH)

Nico: Whoa excuse you.

Me: Yep.

Poromon: Yeah excuse us.

Me: Good you done?

They nodded.

Me: Okay.

Nico: Have fun, guys.

Me: See you later.

Qin: Okay.

We went down to the planet surface.

Manaphy: Mama's actually thinking of us retiring. But we all know that isn't possible

Me: No evil is always coming out so it's eternal.

Eli: Yep.

Poromon: That's right.

Horsea: Things are peaceful now. But that can change.

Me: Yep.

Mugger: Speaking of change... GIVE ME ALL YOUR MONEY!

A mugger came out!

POW!

I punched him hard and sent him crashing into a police car.

Horsea: See what I mean?

Me: Yep.

Poromon: Yep.

Me: When will these blockheads ever learn that crime doesn't pay?

Eli: Probably never.

Poliwag: Other then that, it's a beautiful day

Me: It sure is.

Manaphy: Yeah.

Then Poromon saw a newspaper and gasped.

Me: What's wrong!?

Poromon: Um...nothing!

Me: Hmm.

I looked at a newspaper.

Me: (Reading) "Dr. Camilo Fesstertox Vows Revenge on World for Experiments. Infamous mad scientist plans to unleash a new gene-slammer to destroy the world?!" Wait

I've heard of him! He was a mad scientist that wanted to make the perfect gene-slammer! He wanted to make one that was a combination of all 13,000+ Duel Monsters, All MTG Cards, all Pokemon, All Digimon, All Monster Rancher Monsters, the Shadow Dragons, Z-Fighters, all of our enemies and friends, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, Their enemies, and Animals and Aliens And so much more.

Eli: WHOA MAN!

Me: Yeah but he was kicked out of the scientific community because of his insane ideals. They called him a fucked up lunatic and cut off all his funding and had him commited to a maximum security insane asylum. But rumors have been flying around that he escaped years ago.

Poromon was shaking.

Me: Poromon what's wrong? You look like you saw a ghost.

Poromon: It's nothing!

Eli: Poromon I sense you had a run in with him.

Me: No use hiding it

Poromon: (SIGHS) Okay okay. I'll tell you

Poliwag: I'll tell it with him!

Me: Okay.

Poromon: He was an enemy me and Poliwag busted for his inhumane experiments. Rumors flew around that he perfected his experiment.

Horsea: Really?

Poromon: Yes. He kidnapped these girls.

He pulled out 60 photos of girls. Many of them were young babies.

Poromon: Orochimaru did this experiment.

Me: Yeah.

Eli: I remember.

Poromon: He injected the genetic components of ALL those powers into them. But their bodies violently rejected the treatment and they died. but 2 of them survived. It was these two.

He showed me 2 photos. They were those of a girl with black hair and purple eyes and had blue clothes and the other was a girl with blue hair and had blue hair and blue clothes.

Me: Amanda Galacta and Veronica Ashbrook. I heard they were kidnapped as babies under mysterious circumstances.

Poromon: Yep. They were artificially engrafted with all those powers. Dr. Fessterex made them like that.

Me: Whoa!

Eli: Scary! So out of 60 people only 2 of them lived! Now they have all those powers?

Me: This guy is just like Orochimaru.

Poromon: Yep. Me and Poliwag stopped him years ago and rescued those two girls and brought him to justice.

Poliwag: Or so we thought.

Me: And now he is back for revenge. Now it's clear that we have to kill him.

Eli: Yeah.

Poromon: Yeah.

Me: First we got to find these two girls. They could be a great help to all of us.

Poromon: Good idea.

Me: I better call Nico and tell him what we found out.

Manaphy: We can do that tomorrow. For now, let's enjoy the day while we still can

Me: Okay then. But after that we go after him.

Eli: We'll keep the team being called as an available option.

Me: Right. But you guys did amazingly well standing up to a mad scientist like him. He's fucked up to the Nth Degree.

Poromon: He sure is.

Manaphy: I can't wait to take him down!

Horsea: Me too!

Me: Same here. What he did is nothing short of pure evil.

Poromon: What was he planning with inhumane experiments like that?

Me: World domination probably.

Eli: Yeah usually all mad scientists want that.

Poliwag: I agree

Manaphy: Yeah.

Poromon: He lived in a huge castle on top of a huge hill.

Me: Lets see.

I used my device and looked it up.

Me: Hmm.

I saw that it was on top of a tree shaped mountain 1,000 yards away from the abandoned Legion Of Doom HQ in Slaughter Swamp!

Me: Whoa it's in Slaughter Swamp!

Eli: We didn't know that was there.

Me: I guess we were too preoccupied with stuff that we didn't notice. Wow and a short walk away from Legion Of Doom HQ.

Eli: Weird.

Me: Hmm. I wonder if they saw his lair from there.

Poromon: I'm wondering that too

Me: Lets see.

I decided to call Grodd at M.O.E. Base.

Grodd: Hello?

Me: Hey Grodd, J.D.

Grodd: Hello J.D. what's up?

Me: We got a question to ask.

Grodd: You want to know if we saw Dr. Fessterex's lair from our old base right?

Me: No escaping your psychic powers. Yes that's right.

Grodd: Actually we were too busy trying to destroy you and the Justice League that we didn't notice it was there ourselves.

Me: Wow! Totally oblivious to knowing that an infamous mad scientist was right across the street from you guys.

Grodd: I know. Crazy huh.

Me: It sure is. The mascots took him down years ago and he is back for revenge.

Grodd: Oh no. We'll be on standby just in case you need help.

Me: Great Grodd. See ya.

I hung up.

Horsea: He had no idea, did he?

Me: No he and the other Legion members were too busy to even notice back then.

Eli: Wow.

Horsea: Yikes.

Me: Yeah they were too busy trying to come up with ways to kill us. But that was before the battle with Thanos.

Eli: Yeah.

Poromon: I see. Well we need to come up with a plan.

Me: Later. Lets just enjoy this.

Poliwag: We'll have time tomorrow

Me: Yep.

We walked around.

We enjoyed the sites of the city.

Poromon: What time is it right now?

I looked at my watch.

Me: 4:27 PM.

Poromon: Should we head back?

Me: We should. We got to report what we found out anyway.

Eli: Good idea.

Me: And guys, me and Eli will go with you if you sneak out.

Poromon: Thanks.

They teleported back

We came in.

Me: Ahh.

Nico: Have fun guys?

Me: We sure did. But Nico we have some really bad news.

Poromon: You remember Dr. Camilo Fessterex?

Nico: (GASP) Oh no don't tell me.

I showed a paper.

Me: He's back for revenge.

Nico: Oh fuck.

Eli: Yeah.

Me: We called Grodd and asked him and asked about it and he said that he and the other members of the Legion were too oblivious to notice his lair in Slaughter Swamp.

Nico: Oh man!

Poromon: We need to stop him!

Me: I agree.

Nico: I'm glad you guys told me about this. Alright I have a mission for you guys. Your mission is to kill him.

Me: You got it.

Poromon: Yeah!

Nico: But we'll get on that tomorrow.

Me: Right!

Poromon: Okay.

Eli: Okay then.

Nico: For now, let's have dinner

Me: What are we having?

Nico: Something you'll love.

We were having FLAMING CHEETOS MACARONI AND CHEESE!

Poromon: That's hot!

Me: But it's awesome.

Lincoln: You said it!

Bart: I love it!

Me: (BURPS) Oh pardon me.

We had a really awesome meal and then later went to sleep.

It seemed Poromon was asleep. But then, he woke up, quietly got out of bed, and left a Dummy of him in his place

Same with the mascots, me and Eli.

We were ready.

we went to the front door.

we went down to the surface.

Me: Okay we got everything?

Poromon: Yeah we do.

Me: Great.

Poliwag: J.D., you and Eli need to stay here. We don't want Nico getting mad at you

Me: That's a risk we're willing to take.

Eli: Yeah. Besides we're with you all the way guys to watch out for you guys to make sure you don't get hurt.

Me: Nico, May and Maria will never forgive themselves if something happened to you guys.

Horsea: I hope they don't find out about the dummies

Me: Same here. Lets go.

We were off.

They were going on foot

Poromon: Why are we walking?

Me: Wait yeah. What are we doing?

We got to flying.

We were off.

Poliwag: The first thought was to take it slow

Me: It would take days to get there on foot.

Eli: You're right.

Poromon: We're ready.

Me: My plan is to get it done before sunrise. We got 8 hours.

Eli: Plenty of time.

Manaphy: Yeah.

Horsea: Look! A restaurant!

Me: Horsea focus.

Horsea: Sorry.

We were flying fast.

we later arrived at Slaughter Swamp.

Me: Here we are.

* * *

Back home…

May touched what she thought was Manaphy in her arms

She fell back to sleep.

But then, she realized something

May: Huh?

She saw a stuffed animal of May with her!

May: What the? Oh no!

May sensed for the mascots and found them with me and Eli and she knew they were gonna be Safe.

Nico: May, why are you up?

May: Nothing.

Nico: Tell me the truth

May: Okay.

She did so and Nico gasped. But knew the mascots are safe with me and Eli

Nico: Should we go after them just in case?

May: We should.

Nico: Okay.

UH OH!

Nico: I'll wake Maria up

Maria: I heard.

They saw her.

Maria: Horsea is gone too.

Nico: I figured.

Nico: Let's go after them. I have the map

They nodded.

Nico: I'm proud of J.D. and Eli for watching out for the mascots. But when they get home it's a paddling.

They went outside and they were off.

Later with me, Eli and the mascots we were in Slaughter Swamp.

We were in a bush and we saw the lair.

Me: There it is.

It was a terrifying castle lair.

Poromon: Should we knock?

Me: That's what he wants. We do it with the entrance.

Poromon: I like it.

Eli: Lets do it.

We went at the castle.

Dr. Fessterex was laughing maniacallly. Then the spirits of everything he slammed appeared and swirled around him and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion blasted through the wall and a phoenix cry was heard and we landed.

I punched the good doctor and knocked him down.

Me: Dr. Camilo Fessterex you are under arrest!

Eli: Prepare to die!

Poromon: Remember me?!

Dr. Fessterex: (LAUGHS MANIACALLY) I remember you and Poliwag! Now I can get revenge!

POW!

I punched him in his face and sent him crashing into an electric generator.

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him all over with more lightning and electricity!

Me: I'm going to fucking dismember you alive!

Horsea squirted ink And it blinded him!

Grodd, Seadramon, Gazimon, Butch & Cassidy and Yokai came

Grodd: Lets rip him apart!

Me: YEAH!

I fired waves of energy and blasted his equipment all over.

Seadramon: Hope you don't mind us helping out!

Poromon: Not at all!

Seadramon: (Echoing) ICE BLAST!

He fired an ice wave from his mouth and froze him to the ground.

Gazimon: (Echoing) ELECTRIC STUN BLAST!

He fired waves of lightning and electrocuted him.

Eli fired waves of Force Lightning and electrocuted Dr. Fessterex all over.

Flying over Slaughter Swamp, Nico, May and Maria saw explosions coming from the castle.

Nico: WHOA! Looks like the fight started without us!

Maria: Let's go!

May: YEAH!

They flew at the castle and bsted in.

Me: WHOA!

Nico, May and Maria came.

Manaphy: MAMA!

Nico: Thought you guys could use a hand.

Me: Thanks! And Nico I take full responsibility for all this.

Nico: I know but we'll talk about that later. Lets get him!

Nico and me punched and kicked Dr. Fessterex.

Nico: Remember me motherfucker!?

Horsea: You found our dummies, didn't you?

Nico: Yeah and they were well made.

Manaphy: Yeah we learned how to make them in sewing class at school.

Me: I thought that was cute.

Poromon: Yep.

Nico: Impressive.

I punched Dr. Fessterex.

Nico punched him.

Dr. Fessterex: (LAUGHING MANIACALLY) I WILL KILL YOU NICO!

POW!

Nico punched him in the stomach.

Poromon pecked him

POINK POINK POINK POINK POINK POINK POINK!

Poromon: You will not touch him!

I punched Dr. Fessterex.

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Me: The others are still asleep

Nico: I know.

Poliwag slapped him with his tail.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Me: Doesn't mean I can still use the full package by techniques! NIGHTMARE STYLE NINJA ART: MASSACRE OF THE HUNDRED ACRE WOOD!

Poromon: Always is!

Me: Yep. Always got to find a way to improvise whenever some of us aren't present.

Grodd: Too true.

Me: (Echoing) PHOENIX FIRE!

I fired a blast of fire from my hand and it hit Dr. Fessterex and burned him!

Poliwag: Take that!

Me: Yeah! Nico shall we finish him?

Nico: Sure!

Me, Eli, NIco, May, Maria, the Mascots, Grodd, Seadramon, Gazimon, Butch & Cassidy and Yokai: LOOK AT IT ULTRA MASCOT KAMEHAMEHA!

We fired a powerful Kamehameha Wave and it slammed into him and then...

EXTREMELY MASSIVE AND DEVASTATINGLY POWERFUL FIERY EXPLOSION!

The explosion completely obliterated him and banished him to the Black Gates!

It was done. He was dead and the terror of Dr. Fessterex was ended forever!

Poromon: Yay! He's dead!

Me: Good riddance.

Nico: Well done guys!

Me: Yep and Nico...

Nico: I know J.D. But you and Eli did very well in looking out for the mascots. Good job there.

Me: Thanks and I'll accept any punishment coming. Even if I have to humiliate myself in being in a maid outfit.

Nico: Whoa whoa whoa. I am not gonna go that far.

Nico: Besides, I knew the mascots dragged you 2 along for the ride

Me: Really?

Nico: Yeah call it a prediction and intuition.

Me: Oh.

I then looked at the mascots

Poromon: (GULP)

Me: Nico please don't be too hard on them. I am mostly to blame for all this.

Eli: Me too.

Nico: Ok. Everyone's off the hook

Me: Really?

Nico: Yeah besides we got to get home anyway.

Me: You're right.

Seadramon: But it was awesome doing this.

Me: It sure was.

Poromon: Yeah!

Nico: Lets go home.

We went back home.

Poromon and Poliwag went on Nico's bed

We went to our beds.

Me: (Sighs)

We went to sleep.

When I was finished, EVERYONE WAS SHOCKED AND HORRIFIED!

Qin: OH MAN!

Camie: That is crazy!

Ymir: No kidding!

Horsea: I wanted to eat at that restaurant!

Maria: We know that. Horsea calm down.

Horsea: Sorry.

Emullia: Wow! But thank goodness I caught him for you.

Me: You sure did Emullia. Thanks. Now we can extract all his knowledge out of him and find his creations.

Qin: Yep and then put him in our garden as an ornament.

Me: Yep.

Emullia: Oh also I'm the mage and snake master of Sonya's team and outside the team I like putting on dances. I'm a dancer.

Me: Ooh! Awesome.

Rarity: Lets get you some clothes darling.

The Fashion brigade gave her new blue clothes and awesome jewelry.

Emullia: I look amazing.

Me: You sure do.

Poliwag: Thank God we didn't have to fight him again!

Me: Thank goodness.

Qin: Yeah.

Emullia: I know.

Me: We're here on a mission though.

Emullia: Okay.

She put the statue of Dr. Camilo Fesstertox in the seal.

We then took off into the air to help Sour Sweet unlock her Rainbow Power and send Sally Verras to The Black Abyss forever.

We were flying in the air, and then, we saw our target: Sally Verras, she was a girl with black hair, red eyes full of hate and destruction, and dressed in a red prison jumpsuit.

Me: Is that her?

Lincoln: Yep, it's Sally Verras. It's time to make her pay.

Suddenly, the spirits of The Loud Family appeared and they attacked Sally Verras, and then, the spirits converged, and a massive explosion erupted, and a Thunderbird Screech, Phoenix Cry, and Wolf Howl were heard as we appeared, and Sally Verras was pissed when she saw Lincoln and his family.

Lincoln: You got some nerve to break out of prison, Sally Verras. I thought I made sure you were locked up in prison forever.

Nebula Lanaia: After what you did all those years ago, I thought we wouldn't have to see your face here again.

Rita: And now, here you are years later. You know, I held back years ago because I believe the law would punish you, but it's clear you had no remorse, and you never will.

Sally Verras: SHUT UP! SHUT THE FUCK UP, YOU OLD COW AND DIE!

Sally Verras went berserk and took out a knife to stab Rita, but Lincoln grabbed her arm and he'd applied a lot force and broke her wrist and he kicked her hard and sent her flying into a mac and cheese bite wall. She got back out, and she was absolutely pissed!

Lincoln: I was always right about you, you were never going to change at all, you're still the same filthy animal and nasty bully from long ago.

Me: So you are Sally Verras! I can't believe that Lincoln has a terrible history with you!

Sally Verras: BECAUSE I HATE THAT WHITE HAIR FREAK!

POW!

I punched her in the face!

Me: NO ONE TALKS THAT WAY TO MY FRIEND!

Pidgeotto charged at her and blasted her with intense wind and smashed her into a wall of Mac and Cheese Bites!

Emullia: Watch this.

She dance and Sally was HYPNOTIZED by it!

She came over to her and Emullia blasted her with blue fire!

Me: WHOA!

Nico: WOW!

Me: I always thought that snakes hypnotizing their prey was proven to be just a myth. But not for legendary creatures like Lamias and Nagas.

Me: Holy shit! He's going wild on her!

Luna: That's for sure!

Then, Lincoln took the air and he snapped his left hand's fingers and five massive orbiting balls of fire appeared orbiting around Sally Verras, and then, they collided and they exploded as they hit her, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Inside a rainbow sphere with intense flames and elemental forces, Sour Sweet then underwent an intense and amazing transformation! Sour Sweet had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow fruits on her forearms, she also got light blue lines on her hair and tail. She then had her Cutie Mark change into many rainbow fruits, and her massive angel wings had intense rainbow fire on them.

RAGE OF THE SUN! 太陽の怒り！

Lincoln swung his massive greatsword and fired a massive vortex of intense light that Sally Verras, and she got burned.

Then, Lincoln spread his massive angel wings and 104 sets of large white angel wings underneath and they fired a massive barrage of suns which hit Sally Verras.

Me: Whoa, he seriously burned her with the power of The Sun!

Then, Lincoln fired blasts of intense fire with the scorching heat of the deserts, and they hit Sally Verras, and she got burned badly.

Nico: And he burned her with intense fire with the scorching heat of the deserts. Man, that is really brutal.

Suddenly, Caleb spotted a wolf with ancient Cimmerian runes on Sally Verras' stomach that was burned into her.

Caleb Maxwell: Oh no. That mark...of the wolf with ancient Cimmerian runes on it...! That's The Mark of Crom, the mark of eternal doom and damnation!

WE GASPED!

Nico: Caleb, how'd you know about it?

?: I can provide you with that answer, before this creature of darkness can do so.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark brown hair, dark blue eyes, tanned skin, orange clothes, black knee-high boots, she has the logo of Conan the Barbarian on her forehead, right arm, and skirt, fire-colored angel wings, and she has a barbarian sword in hand.

Anna Anyanova: (GASPS) Akanna, Avatar and Embodiment of Conan the Barbarian.

Me: Whoa, the Avatar and Embodiment of Conan the Barbarian, so awesome! And you all know her along with Lincoln?

Anna Anyanova: We do. This is Akanna, Avatar and Embodiment of Conan the Barbarian, she's Lincoln's Guardian Angel from Cimmeria, the world of Conan the Barbarian, and she's a powerful master of swords, shields, axes, spears, daggers, fire, flames, and she was born with superhuman strength, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, and she's also the Avatar of Crom, the chief god of the Cimmerians, and she's also a skilled climber and natural born fighter and no one was able to defeat her in battle. She's also the descendant of Conan the Barbarian and also has all of his skills and abilities as well. She's part of The Avatars of Fantasy, a group of Guardian Angels who embody the worlds of fantasy and movies, and she met Lincoln long ago, and she taught him how to master swords, shields, spears, axes, and daggers and the powers of fire, flames, superhuman strength, the powers of Crom, and the powers of Conan the Barbarian, and over time, Lincoln became a master of swords, shields, spears, axes, and daggers, and he also gained the powers of fire, flames, superhuman strength, omnipotent power, Omnipotence, Omniscience the powers of Crom, and the powers of Conan the Barbarian, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also taught him how to climb and navigate hills and cliffs, along with tons of fighting techniques and how to speak in the native languages of his ancestor and those whom he'd met in his adventures. Lincoln made her a powerful greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, and she swore to kill all of Lincoln's most dangerous enemies and send them to face the judgement of Crom in the afterlife.

Me: Unreal, and that mark Lincoln put on her, you also taught Lincoln how to also use magic from Cimmeria.

Akanna: That is correct, J.D., Lincoln proved to not only be a powerful and superhumanly strong warrior, but also a powerful master of magic. (To Caleb Maxwell) Looks like I stopped you from telling.

Caleb Maxwell: You didn't have to be blunt in calling me a creature of darkness.

Akanna then got something out: it was a large book ancient Cimmerian in appearance and inside it were pages of powerful spells and incantations written in ancient Cimmerian and the ancient languages of the western lands of the Hyborian Age from Nordheim in the North, Khoraja in the South, Pictland in the West, and Zamora in the East.

Nicole: Oh, no way, that book, that's The Book of Cimmeria, it's a spellbook that contains pages of powerful spells and incantations written in ancient Cimmerian and the ancient languages of the western lands of the Hyborian Age from Nordheim in the North, Khoraja in the South, Pictland in the West, and Zamora in the East along with a compendium of volumes of records of the western lands. I thought this ancient book was lost.

Lincoln got out 900 SEPTILLION massive industrial-sized cans of spinach, and he opened them up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CANS OF SPINACH!

Me: OH CRAP! ONE MASSIVE INDUSTRIAL-SIZED CAN OF SPINACH WAS ENOUGH TO MAKE LINCOLN STRONGER THAN EVER, BUT DEVOURING 900 SEPTILLION MASSIVE INDUSTRIAL-SIZED CANS OF SPINACH, THAT MEANS...!

Nico: OH CRUD, THIS IS WHERE IT GETS REALLY UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar and he pounded his chest like a gorilla.

Akanna: That'll teach you, you spawn from Hell.

Suddenly, we heard a roar, and we saw a massive army of behemoths coming at us.

Me: What the?

Nico: Uh oh.

Nicole: Behemoths?! Oh boy.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of Behemoths, and he began absorbing them into his body and he assimilated the Behemoths' massive muscle mass, brute superhuman strength, magical attacks, primal instincts, and horns, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Sally Verras, and a cluster of rainbow, white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Sally Verras hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Sally Verras was on her last legs and she was really really mangled.

Suddenly, The Mark of Crom on Sally Verras' stomach began to glow, and Sally Verras convulsed in a lot of pain: this was the final stage of the curse. Finally, Sally Verras' eyes turned black and she burst into flames and as her spirit was sent to The Black Abyss, her ashes were blown away in the winds.

We cheered as we holstered our weapons and powered down.

Nico: Okay, that was really intense! That curse Lincoln put on her turned her to ashes.

Me: That was one powerful and deadly curse.

Lincoln: It was. Akanna taught me a lot in that field as well.

Suddenly, Akanna had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Akanna was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) Well..., that was something I hadn't forgotten.

Akanna: Consider it my way of saying it's good to see you again, Lincoln. Besides, you always liked it when I did a more...direct approach.

Lincoln wrapped his abnormally massive and muscular arms around Akanna's waist and hugged her, and Akanna is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Akanna: You have indeed, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew.

Me: Anna already handled your introduction already.

Akanna: I knew she would.

Lincoln: Yep, and now that you're here, Akanna.

Suddenly, Lincoln pinned Akanna down to the floor with him on top of her, and with his massive muscular arms still wrapped around her waist, he leaned his head down her face and he kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, he leaned his head to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Akanna with orange gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Akanna: Well, I'll be, the sweet little boy has indeed grown up to be quite the tough, strong, and rugged manly warrior. (Rubs Lincoln's massive pecs) And you're still quite the charmer as always, and I wonder, if you're also a dominant alpha male in the bedroom.

Lincoln: (Thinking) Akanna, better be careful what you wish for.

Nico: I hope you're enjoying your birthday so far, Lincoln.

Lincoln: Oh I am! It's awesome!

Me: Yeah!

Nico: And J.D. you let the prison system use this!?

Me: Well I wanted to come up with a perfect scared straight program. You remember seeing that right?

Nico: Yeah?

Me: Well this is a nightmarish way to scare the living crap out of people by using the Blood and Honey movie as a tool of torture on Inmates while they are incarcerated in prison to scare the evil out of them by making them go through hell with Blood and Honey.

Nico: Oh wow! I think I get what you mean on that. Scare them with the movies that destroy your childhood.

Me: Bingo. I got the idea for it from when Lisa made that Virtual Hell Helmet to implement in place of Capital Punishment.

Nico: I think I understand what you mean.

Me: Yep.

Lisa Loud: Very ingenious.

Me: Yep and for juvenile offenders its produced intensely amazing good results.

I showed juvenile offenders that did terrible things and they were changed tremendously as a result from it.

Nico: WHOA! Now they can be good people instead of heartless assholes.

Me: Yep.

Nico: WOW! Well done J.D.

Poromon: That is harsh but it really works.

Me: I know.

Nico: Nice job, Pidgeotto.

Pidgeotto: Thanks! Got any beer?

Poromon: YAY! Here you go?

He gave him one.

Pidgeotto: Thanks!

He drank it down.

Pidgeotto: Ah! (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

Pidgeotto got drunk.

Poliwag: SING THE ABC'S!

Pidgeotto: (BURPING AND FARTING!) ABCJSHHTNWMWHDINJJJAGNTNNWIWIRR!

WE LAUGHED HYSTERICALLY!

I reverted him back.

Poromon: Can we go to the park later?

Me: Sure.

Lola: Just be careful.

Poromon: We will.

Soldier Stonekong: This will be fun.

Nico: Oh, Soldier Stonekong, what do you like to do in your free time?

Soldier Stonekong: Oh I work at a boot camp and get soldiers in shape like me.

Me: Wow! Private HIVE would love being under your training.

Soldier Stonekong: Indeed.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Red She-Hulk.

Red She-Hulk: Whoa, awesome.

Me: WOW!

Lincoln: (Thinking) If today's Red She-Hulk's day to shine, then, that means the villain we're going after is none other than David Banner.

Me: So that means we have Another Gorilla Man (Marvel), Dr. Animo (Future), Hargut, Lego Grodd, Giant Gorilla (CTCD), and Gorimondo and Soldier Stonekong, Bonnie (Kim Possible), Hayley Honeybee, Blizzard (Primal Rage), Zina Zombie and Cleo Hatshepsut XL are up.

Qin: Yep.

Xenia: This is gonna be awesome.

Nico: There they are!

We saw Another Dr. Animo (Future), Hargut, Lego Grodd, Giant Gorilla (CTCD), and Gorimondo!

Me: WHOA!

Qin:Awesome!

Another Dr. Animo: (In a girls voice) (Scottish Accent) It sure is laddies!

They reverted back and were the gene-slammers of Danger! Nessie, Bigfoot, Thunderbird, Tsuchinoko, Jackalope and Ogopego.

Nico: (GASP) Siobhan McClearran, Montana Michelle Devvon, Sequoia Bear Lewis, Sakura Tachikawa, Wendy Greene and Harriet Francious!

Siobhan McClearran: Aye good to see you Nico.

Montana Michelle: Same here.

Me: WOW! The gene-slammers of the Danger! Monsters! Those are all monsters based on legendary creatures of Cryptozoology!

Zak Saturday: Yeah! I know which ones they are too.

Siobhan McClearran: Aye. The Loch Ness Monster of Scotland.

Montana Michelle Devvon: The Legendary Bigfoot.

Sequoia Bear Lewis: The Indian Legend of the Thunderbird.

Sakura Tachikawa: The legendary Tsuchinoko, or the Dirt Child of Japanese Folklore.

Wendy Greene: The Legendary Jackalope.

Harriet Francious: And the legendary Ogopogo the Okanagan Lake Monster eh.

Me: That's right. Wow! We actually know all those legendary creatures.

Zak Saturday: And me and my family have seen them too.

Me: Yeah. By the way girls are the rest of the Anothers friendly or hostile?

Sakura Tachikawa: Friendly and awesome.

Me: Cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Siobhan McClearran: That was fun now!

Montana Michelle Devvon: Did you all really meet creatures like that?

Nico: It's true.

Me: Yep.

Qin: Yeah!

Sequoia Bear Lewis: That is cool!

Me: Yeah it is. And we also saw many creatures like the Jersey Devil, Mongolian Death Worm, Atmospheric Jellyfish and many more.

Poromon: Nice!

Me: Yep.

Zak: And don't forget Fisk here. He is the Fiskerton Phantom.

Me: Yep the Legendary Fiskerton Phantom.

Montana Michelle Devvon: That is amazing!

Me: It sure is.

Nico: Yep. Now we wait.

Poromon ate more mac and cheese.

Me: Believe me girls. We've met all kinds of legendary creatures. Not just on Earth but all over Equestria too.

Sakura Tachikawa: Really?

Me: Yep. It's really amazing.

May: And Nico? (Slyly) I have something to show you.

May showed Nico a Pregnancy test and it had 2 stripes on it which meant only one thing!

NICO GASPED AND WAS IN ABSOLUTE HAPPINESS!

Me: I don't believe it!

Nico: You're pregnant again?!

May: I SURE AM!

WE GASPED AND NICO CHEERED AND HUGGED HER AND WE CHEERED TOO!

Me: All right May!

Qin: YEAH!

Videl Chan: ALL RIGHT MOM!

Manaphy: OH MAMA!

Qin: Awesome!

Horsea and the other mascots tried to jump on May's stomach but Manaphy, Poromon, and Poliwag stepped in front of them.

Manaphy: No! These are our siblings!

Jirachi: Oh right.

Horsea: Tartarsauce!

Me: Nice try guys. Manaphy try to understand why May is going through this. Remember it's natural. If she gets mad at you like this, it's not on purpose. She can't help herself.

Manaphy: I'll remember that.

Manaphy just hugged May's stomach.

Me: After the mission we'll go to the doctor.

May: Okay.

Me: Good. Oh they are here!

We saw Another Gorilla Man and Another Red She-Hulk!

Me: Awesome!

Another Gorilla Man: (In a girls voice) It sure is!

She reverted back and was the gene-slammer for Danger! Mothman!

Nico: (GASP) Hayley Urania!

Me: WHOA! Danger! Mothman's gene-slammer! That is a scary one. The Legendary Mothman of Point Pleasant, West Virginia is a terrifying ghostly humanoid moth creature with piercing red eyes and stalks the night like a malevolent spirit.

Hayley Urania: That's right! It's really cool and scary as well.

Me: It sure is and it was also the creature where we met Zak and his family.

Zak: It's true. And we met Team Loud Phoenix Storm on that day.

Nico: I remember that!

Qin: Wow!

Hayley Urania: Yeah. Also I have all of Gorilla Man's strength and powers. Minus the gorilla body. No offense.

Gorilla Man: None taken but yeah.

Me: Wow!

Nico: And your friend?

Another Red-She-Hulk: Someone who loves her sister and wants her to marry Bruce.

Red She-Hulk gasped and reverted back to Betty.

Another Red-She-Hulk reverted back and was a little girl with blue hair and blue eyes and had green stretchy leather clothes.

Betty Ross: (GASP) Leia!

She went and hugged her!

Leia Ross: Hey sis!

Betty Ross: I'm happy to see you!

Me: Your little sister no doubt.

Betty Ross: And also she is the Blue Angel Hulk. She is a Blue She-Hulk and can sprout angel wings!

WE GASPED!

Me: WHOA! That is cool!

Kaito: (gets out Bioman gear) Did Swartz promise you anything?

Zocks: (gets out Dynaman gear) Because we can grant it instead.

They got weapons from said teams.

Hayley Urania: No he didn't. But on Leia here yes.

Leia: I was offered revenge on Dr. Doom for all the pain and suffering he caused to Bruce and Betty.

Me: Well I'm afraid you're going to have to get in line. I already called dibs on Dr. Doom because I have some unfinished business with him as well as to settle an old score with him.

Nico: It's true.

Sougo (gets out Bioman Ridewatch): How did you become a Hulk?

Geiz (gets out Dynaman Ridewatch): Did it involve radiation?

Sougo got Red1Armor while Geiz got DynaRedArmor

Hayley Urania: Actually like Jen she needed a blood transfusion and it made her into a Blue She-Hulk.

Me: WHOA! But how did she get wings?

Angel (X-Men): That may have been my doing. I gave her some of my blood as well.

Me: WHOA! She got a combination of both Hulk's and Angel's powers. How awesome is that!

Leia: It sure is. I can fly with angel wings at will and can turn into a Hulk and use both powers.

Me: WOW! The Flying Sapphire Hulkess.

Nico: Ooh not bad.

Me: It was the First name that came to me but yeah.

Lincoln: Lets separate you first.

We did so.

Me: Lets dance!

Nico: (Gets out Gorilla Man's Ridewatch) (GRUNTS AND POUNDS CHEST LIKE A GORILLA)

Me: WHOA Take it easy Tarzan!

I pulled out a bunch of bananas.

May: (Gets out Hargut's ridewatch) Lets make this fun!

Universe 666 May: (Gets out Lego Grod's ridewatch) Lets bring the pain!

Maria: (Gets out Giant Gorilla's ridewatch) I'll make you a banana split!

They used the powers of Gorilla Man (Marvel), Hargut, Lego Grodd, Giant Gorilla (CTCD), and Gorimondo! And smashed the Anothers!

Bonnie: Watch this! (Gets out Dr. Animo's ridewatch) Here's a treat for you.

She summoned NUMEROUS Heatblast Bats and they fired blasts of fire and blasted the Anothers!

Me: WHOA!

Shanan: Pyronite Bats!? Those are cool!

Kimi Lao: I think they are neat.

She had one land on her finger.

Kimi Lao: These are the kinds of bats I can get along with.

Bonnie: Call them Heatbats

Me: Good name.

Kimi Lao: Dr. Animo may have made them but they are really amazing creatures.

Ben: Only because he messed around with nature to make them.

Me: Yeah we know.

Kimi Lao: They are really amazing when you get to know them.

Me: Only you would like them Kimi because you are Heatblast's gene-slammer.

Then out came Demon-Fist Master Jin Matoba, The Owl (One Night at Flumpty's) (X-Squad Universe), Wolfy Kids (X-Squad Universe), Kohrak, Belowski and Sun Dragon Inti.

Me: WHOA!

Eli: Wait you're Demon-Fist Master Jin Matoba! From Dairangers! I remember you! You're the gentleman assassin from the Dairangers! You went to kill all the Ninja Masters to get revenge!

Ryo: Been a long time Jin

Jin Matoba: It has been a while Ryo. I thought you were retired.

Ryo: Got reinstated a while back.

Me: Long story. But you were from the Super Sentai series back 30 years ago in 1994. That means Gravity Antonion and his team are up next.

Gravity Antonion: That's right.

Mallow Mokey: So you are the Mokey Mokey duelist I heard about.

Belowski: That's right Pleasure to meet you Mallow.

Mallow Mokey: Same here and that is so cool that you have some of the cutest Duel Monsters ever.

Belowski: They sure are cute.

Me: Mokey Mokey does have that kind of effect on people. (LAUGHS) Makes them experience Cuteness Overload Syndrome.

THEY LAUGHED!

Nico: He's not kidding on that.

Kirby: Mokey Mokey is just as cute as me and the mascots all together.

Poromon: You got that right.

Me: You know what you should do? Challenge each other to a cute off and use your cuteness on the jerks to make them explode from cuteness!

Then swirls of gold bricks and swords appeared and then Number 56: Gold Rat and Number 55: Gogogo Goliath came!

Nico: WHOA!

Me: Number 56: Gold Rat and Number 55: Gogogo Goliath!

Number 56: (In a girls voice) (Posh Accent) Indeed it is darling!

Number 55: (In a girls voice) (Japanese Accent) And it is awesome.

Nico: (GASP) Catherine Vexxora and Sakuya Takanaka!? Wow!

They reverted back. Catherine was a girl with gold hair, red eyes and gold clothes and gold and blue wings and had

Number 56: Gold Rat on her forehead, skirt and shirt and had gold bars and diamonds on her arm as a cutie mark and had a jewel sword. Sakuya was a girl with black hair and blue yes and had a green kimono on and had green angel wings and she had Number 55: Gogogo Goliath on her forehead and on her Kimono Sleeve and she had a cutie mark that looked like a battleship. She had a red energy sword too.

Catherine Vexxora: Good to see you Nico darling.

Sakuya Takanaka: Same here. We got this.

Catherine Vexxora: 56 GOLD BARS OF FURY!

Sakuya Takanaka: 55 BATTLE BLASTS!

They fired waves of gold and energy and blasted the Anothers and I caught the ridewatches and purified them!

Nico: Nice job!

Me: Yeah! Hey wait! Catherine I thought you looked familiar! You're the richest girl in the world!

Catherine Vexxora: That is correct.

Qin: You wouldn't believe how much she is worth! She is as much as you J.D.

Me: WHOA! That is amazing!

Catherine Vexxora: Yes it is. But I am like you J.D. I don't let money go to my head like certain people.

Me: That's a relief.

Nico: It sure is.

Bonnie: Yep. Also do you girls have favorite memories of Nico?

Catherine Vexxora: We sure do. Mine is where me and Nico toured my mansion and we drank all the flavors of soda from my soda room.

Nico: She has a room with a soda machine that has over 76,000 flavors of soda.

Me: HOLY COW! That is a lot of soda.

Nico: Yep.

Sakuya: Mine is where me and Nico practiced in my family's temple and we mastered thousands of techniques in hours.

Me: WHOA! That is impressive.

Xenia: It sure is.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Catherine Vexxora: We did too darling.

We went back home.

And inside that room were The Greatswords of The Celtic Gods and Goddesses and The Amulets of Celtic Pride, two powerful greatswords that were said to have been forged 7,700 years ago along with the amulets, and they were blessed with all the powers of the Celtic Gods and Goddesses, and they were created for Lachlan McLoud and Lincoln Loud, The Reincarnation of Amaterasu and Descendant of Lachlan McLoud, and they were kept locked away in that hidden room underneath the castle that only Lincoln can open.

Once they get those, we're going after our main target: Isabella Abaddon, Lincoln's former Guardian Angel who's also going to be revealed as Dark Chase Young's disciple and she was never loyal to Lincoln nor his Guardian Angels, she was only there to destroy Lincoln, his Guardian Angels, his family, and friends and prevent the prophecy from coming true. Once that comes out, that also gives us another reason to remove the darkness inside her, and then, we kill her and make her suffer the worst kind of punishment from God and The Archangels and Angels of Heaven: one far worse than getting sent to Hell long ago and infinitely worse than getting sent to The Black Gates.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Loch Loud, and I know what we're going to do here, not only am I going to rescue the sixteen girls here, but we'll be heading deeper into the castle's underground and into a hidden room that could be only be opened by the Reincarnation of Amaterasu and descendant of Lachlan McLoud.

Arabella Anndrasden: (Scottish Accent) Aye, and inside that room are The Greatswords of The Celtic Gods and Goddesses and The Amulets of Celtic Pride, two powerful greatswords that were said to have been forged 7,700 years ago along with the amulets, and they were blessed with all the powers of the Celtic Gods and Goddesses, and they were created for Lachlan McLoud and The Reincarnation of Amaterasu and Descendant of Lachlan McLoud, and they were kept locked away in that hidden room underneath the castle that only you can open, Lincoln.

We got deep into the castle's underground.

Nico: Wow.

Me: So cool.

Suddenly, we came across a stone door, and it had the crest of The McLoud Clan and the symbol of Amaterasu etched on the door.

Soldier Stonekong: There's the door, but how do we open it?

Lachlan McLoud: (Scottish Accent) Only Lincoln can open it.

Lincoln: Right.

Suddenly, Lincoln placed his hand on the crest and his deep sapphire eyes glowed, and the crest had responded and the stone door lifted, and we went inside, and we saw our quarry: The Greatswords of The Celtic Gods and Goddesses, two massive greatswords with embedded green gems and a Celtic Triquetra and Celtic Tree etched on the 12'9" massive, wide, double-edged hulking silver blades, large silver wolf heads with emerald green gems for eyes for the crossguards, large white angel faces built into both sides of the crossguard with large emerald green gems in the foreheads, long 9'11" midnight black handles, four silver wolf heads with emerald green gems for eyes and large silver wolf heads with emerald green gems for eyes and in their mouths on the bottom for the pommels.

And along with them are The Amulets of Celtic Pride, gold necklaces with large emerald green gems for the pendant with a gold Celtic Triquetra embedded in them.

Natilee: Wow.

Melanie McPherson: (Scottish Accent) There they are.

Then, Lincoln and Lachlan McLoud went up to The Greatswords of The Celtic Gods and Goddesses and pulled them out and they also put on The Amulets of Celtic Pride.

Lachlan McLoud: (Scottish Accent) I had no idea they were underneath the castle this whole time. (GROWLS) Wait, I feel something about to happen to me.

Lincoln: (GROWLS) Me too.

Suddenly, their bodies were literally being flooded with incredible power as Lincoln gained another astronomical power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

Then, all of a sudden, Lachlan McLoud grew from 12'6" to 12'9" in height, his abnormally massive and powerful upper and lower body muscles covered in white fur grew much larger for his new body and he still has twelve-pack abs covered in tan fur and the pronounced crimson red markings covering his face, tan muzzle, and body became even more pronounced on the hulking wolf hunk and he now has 105 large planets orbiting around his legs and 105 smaller planets orbiting around his waist.

Lucille: (Scottish Accent) He's also going through the same thing as Lincoln.

Then, Lachlan McLoud felt a sharp pain on his even more wider and even more muscular back, and then, his massive white angel wings with orange, golden yellow, and aurora tips on the large white feathers grew larger with a wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999'0" and his ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings grew even larger and longer with massive wingspans of 899,999,999,999,999,999'0", 799,999,999,999,999,999'0", 699,999,999,999,999,999'0", 599,999,999,999,999,999'0", 499,999,999,999,999,999'0", 399,999,999,999,999,999'0", 299,999,999,999,999,999'0", 199,999,999,999,999,999'0", 9,999,999,999,999,999'0", 8,999,999,999,999,999'0", 7,999,999,999,999,999'0", 6,999,999,999,999,999,999'0", 5,999,999,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999,999,999'0", 2,999,999,999,999,999'0", 1,999,999,999,999,999'0", 999,999,999,999,999'0", 899,999,999,999,999'0", 799,999,999,999,999'0", 699,999,999,999,999'0", 599,999,999,999,999'0", 499,999,999,999,999'0", 399,999,999,999,999'0", 299,999,999,999,999'0", 199,999,999,999,999'0", 99,999,999,999,999'0", 89,999,999,999,999'0", 79,999,999,999,999'0", 69,999,999,999,999,999'0", 59,999,999,999,999'0", 49,999,999,999,999'0", 39,999,999,999,999'0", 29,999,999,999,999'0", 19,999,999,999,999'0", 9,999,999,999,999'0", 8,999,999,999,999'0", 7,999,999,999,999,999'0", 6,999,999,999,999'0", 5,999,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999'0", 2,999,999,999,999'0", 199,999,999,999'0", 9,999,999,999'0", 8,999,999,999'0", 7,999,999,999'0", 6,999,999,999'0", 5,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999'0", 2,999,999,999'0", 1,999,999,999'0", 999,999,999'0", 899,999,999'0", 799,999,999'0", 699,999,999'0", 599,999,999'0", 499,999,999'0", 399,999,999'0", 299,999,999'0", 199,999,999'0", 99,999,999'0", 89,999,999'0", 79,999,999'0", 69,999,999'0", 59,999,999'0", 49,999,999'0", 39,999,999'0", 29,999,999'0", 19,999,999'0", 9,999,999'0", 8,999,999'0", 7,999,999'0", 6,999,999'0", 5,999,999'0", 4,999,999'0", 3,999,999'0", 2,999,999'0", 1,999,999'0", 999'0", 899'0", 799'0", 699'0", 599'0", 499'0", 399'0", 299'0", 199'0", 99'0", 89'0", 79'0", 69'0", 59'0", 49'0", 39'0", 29'0", 19'0", 9'9", 8'9", 7'9", 6'9", 5'9", 4'9", 3'9", and 2'9" and the shoulder blades of his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings still have eyes with rainbow irises and his one-hundred massive and long white wolf tails with rainbow tips and rainbow markings and phoenix feathers grew larger and longer and five more massive and long white wolf tails with rainbow tips and rainbow markings and phoenix feathers suddenly grew and sprouted out, and now, Lachlan McLoud has 105 massive and long white wolf tails with rainbow tips and rainbow markings with phoenix feathers on them.

(Flexes his massive left arm muscles) And I'm now just as big and muscular as you are, Lincoln.

Lincoln: Awesome, now my greatsword has evolved even more.

But, that wasn't it, their Amulets of Celtic Pride also glowed, and they merged with Lincoln's Elemental Thunderbird Necklace of Eternal Love and Lachlan McLoud's Crystal Necklace of The Buddha, and we saw the green gems embedded in the gold buffalo head pendant of Lincoln's Elemental Thunderbird Necklace of Eternal Love and the Celtic Dragon pendant of Lachlan McLoud's Crystal Necklace of The Buddha and Lachlan McLoud also has gold magatama beads orbiting around his neck.

Then, we exited the underground room.

Lincoln: Alright, now that we got what we came for, it's time to move onto our next target, and the bad news, it's Isabella Abaddon, my former Guardian Angel.

WE GASPED!

Anna Anyanova: I knew that traitorous bitch would be on the move!

Jin Kazama: Anna, if I may ask, is Isabella just like all of you? An Angel from Heaven?

That made them become surprised big time.

Eman Reynolds: You know, we never bothered to ask. A Guardian Angel of Lincoln Loud has angel wings and incredible heavenly powers along with elemental powers and got Gene-Slammed by Team Rocket. But, Isabella Abaddon, she didn't have any of those things. (Realizes something) Wait, does that mean...?

Lincoln: She was a regular human girl who passed herself off as a Guardian Angel, and I sensed there was a dark presence in her. (GASPS) Oh God, it's worse than I thought, Isabella Abaddon is more than just a false Guardian Angel, she's actually a disciple of Dark Chase Young who's been poisoned by his darkness!

WE GASPED IN HORROR!

Lincoln's Guardian Angels: SAY WHAT!

Me: Oh God! Can we free her?

Lincoln: We can, we'll use the same purification technique we used to free Sebastian from The Black Ooze of The Eldritch.

Me: The Holy Hands of Virtue, right. But, we'll need to concentrate it into an energy beam.

Lincoln: Right. Now, let's go, we got a disciple of Dark Chase Young to slay.

We took off and we set out to free Isabella Abaddon and destroy her Dark Side and send it to The Black Abyss, and now, we knew the truth: Isabella Abaddon wasn't a Guardian Angel of Lincoln's, she was just a regular human girl who got poisoned by Dark Chase Young and became his disciple and had been committing crimes in his name and was never loyal to Lincoln nor his Guardian Angels, she was only there to destroy Lincoln, his Guardian Angels, his family, and friends and prevent the prophecy from coming true. Well, we'll end that Dark Side of hers and piss off that draconic son of a bitch even more!

We then spotted Isabella Abaddon, and she was causing havoc blasting the fleeing public and she was cackling malevolently.

Lincoln: Take this, you spawn of evil!

Lincoln blasted Isabella Abaddon and sent her crashing down to Earth and we landed, and she was pissed off!

Isabella Abaddon: (Demonic Voice) YOU!

Anna Anyanova: That's right, us, traitorous Guardian Angel! Or should we say human disciple of Dark Chase Young! Yeah, we knew the truth when Jin Kazama pointed out everything that made you not like us!

Isabella Abaddon: (Demonic Voice) So, you knew the truth! Fine, I admit it, I wasn't an Angel of Heaven, I'm a human who got poisoned by Dark Chase Young and I became his disciple, and I don't care! He promised me everything: Death, Destruction, and Chaos, and I was never ever loyal to Lincoln nor you Guardian Angel bitches, I was only there to destroy Lincoln, his Guardian Angels, his family, and friends and prevent the prophecy from coming true! And I will fulfill my master's wish! YOU WILL ALL DIE! (CACKLING INSANELY)

Caleb Maxwell: You goddamn bitch! This time, you die forever!

Anna Anyanova: Lincoln, J.D., hurry and purify her before Caleb tries to kill her!

Lincoln: On it.

Suddenly, Lincoln's hands and my hands glowed with rainbow fire and energy and heavenly light, and we fired two concentrated beams of purifying energy that hit Isabella Abaddon, and separated her from her Dark Side and purified her: she was a girl with blue hair and blue clothes.

Isabella Abaddon: (Groans) I'm...! (Suddenly realizes what she'd done) W-what have I done?! I...!

She then broke down and cried, and Varie got her away from here.

Anna Anyanova: She's freed, but now, we got another problem...(Points to the mass of darkness) That!

Then, the mass of darkness transformed into Dark Isabella Abaddon, the disciple of Dark Chase Young!

Dark Isabella Abaddon: YOU GODDAMN ASSHOLES! I WILL STILL DESTROY ALL OF YOU AND PREVENT THE PROPHECY TO DESTROY MY MASTER FROM COMING TRUE!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Dark Isabella Abaddon, and he proceeded to brutally smash her hard into the ground with his massive godly superhuman strength, slashed at her with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON DARK ISABELLA ABADDON! HE WAS REALLY GOING APESHIT ON HER!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT DARK ISABELLA ABADDON WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED BLASTS OF

HEAVENLY LIGHT THAT HIT HER!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of the pain you're going to experience before we kill you!

Then, Andre Lupeau went after Dark Isabella Abaddon and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit her, and Andre Lupescu slashed at her with his massive greatsword and shot at her with his silver-plated guns.

Then, Abaddon Aeternus went after Dark Isabella Abaddon and he fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, demons, dragons, vampire bats, wolves, phoenixes, and angels at her, and he even slashed at her with his massive greatsword which really hurt like Hell!

Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and massive balls of light formed in front of his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he fired them at Dark Isabella Abaddon, and suddenly, she burst into flames, and not only was she sent to The Black Abyss, but we felt it: Dark Chase Young also had more of his dark power stripped from him. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate.

Me: And to this we say, good riddance, you fucked-up demon psycho bitch!

Nico: That's for sure. And all this time, she wasn't a Guardian Angel, but a human poisoned by Dark Chase

Young who became his disciple in another scheme to prevent the prophecy from coming true.

Lincoln: He destroyed an innocent girl's life in his scheme, and there's no telling if she's going to recover from that. He made her do all sorts of atrocities and tried to destroy us long ago, there's no telling if she'll recover from it. But, we did get rid of her Dark Side, and that's important.

?: (Norwegian Accent) Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair with purple streaks and ice blue flower in her hair, blue eyes, massive blue angel wings, she has a Vegvisir and Odin, Father of the Aesir on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Odin, Father of the Aesir, she has an ice greatsword in her right hand, and with her are the sixteen girls and a wolf was also with her.

Lincoln: (GASPS) Helene Christiansen, Avatar and Gene-Slammer of Odin, Father of The Aesir and Halen.

Helene Christiansen: (Norwegian Accent) That's right, and I got the girls away, and I heard what you said, I knew Isabella Abaddon wasn't an Angel of Heaven, but a normal girl who got poisoned by that bastard.

Me: We were stunned ourselves.

Nico: This just proves that snake enjoys pissing us off even more.

Lincoln: He won't be able to get away with it any longer, soon, the day will come, and he will pay for all of his crimes. (To Helene Christiansen) And it's so good to see you again, Helene.

Helene Christiansen: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Helene Christiansen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Helene Christiansen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Helene Christiansen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Helene Christiansen's waist and hugged her, and Helene Christiansen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Helene Christiansen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Helene Christiansen, Avatar and Gene-Slammer of Odin, Father of

The Aesir, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Odin. The wolf with her is her friend and pet Halen. Helene Christiansen is the leader and the first of the three founding members of The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Caroline Arvesen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Odin, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Odin, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Sergio Casagrande, and she was so sick and tired of what that stupid repulsive colored rat with wings had done in the past and committed against Lincoln and his family, and she swore to make the streets run red with his blood and feathers.

Me: You have no idea how much trouble that stupid rat with wings caused us in the past.

Nico: Even after the trials we had, he still decided to cause trouble by breaking out the Anti-Mascots and that's what got him kicked out, and even after we threw his butt in prison, he tried to kill us with hired thugs, but when Kurata broke him out and turned him into a cyber bird, that did it.

Lincoln: Yep, and in the end, Sergio paid the price with his life, and now that you're here, Helene.

Lincoln with his massive muscular arms still wrapped around Helene Christiansen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Helene Christiansen: (Norwegian Accent)(Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Helene Christiansen with red gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Helene Christiansen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Helene Christiansen.

Helene Christiansen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Helene Christiansen's waist, and he leaned down to her face and kissed her on the lips, and with Helene Christiansen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Helene Christiansen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Helene Christiansen: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The sixteen girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the six girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the sixteen girls are Azumi Marihara, Chiho Marihara, Ichigo, Karin Mizuhara, Shuuka Tachibana, Soara Takahata, Sumomo Okuhara, and Takami Nonomura from Over The Rainbow and Haruko Tanigawa, Hinata Kasuga, Kanako Takahashi, Kaoru Azumaki, Mirai Tachibana, Miu Nishina, Nao Harada, and Yukari from Princess of Star.

Lincoln: Oh wow, it's Azumi Marihara, Chiho Marihara, Ichigo, Karin Mizuhara, Shuuka Tachibana, Soara Takahata, Sumomo Okuhara, and Takami Nonomura from Over The Rainbow and Haruko Tanigawa, Hinata Kasuga, Kanako Takahashi, Kaoru Azumaki, Mirai Tachibana, Miu Nishina, Nao Harada, and Yukari from Princess of Star.

Nicole: So, those were the girls Helene saved, and these girls are really cute.

Lincoln: Dark Isabella tried to kill them and offer them as a sacrifice to her master, thank goodness we got rid of her for good. Are you girls okay?

Azumi Marihara: Yes, we're okay, thanks to youAzumi Marihara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Chiho Marihara: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Azumi Marihara, Chiho Marihara, Ichigo, Karin Mizuhara, Shuuka Tachibana, Soara Takahata, Sumomo Okuhara, Takami Nonomura, Haruko Tanigawa, Hinata Kasuga, Kanako Takahashi, Kaoru Azumaki, Mirai Tachibana, Miu Nishina, Nao Harada, and Yukari with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that is that for another of Dark Chase Young's schemes to destroy us.

May: But, he also left another destroyed person in his wake.

Lincoln: He forced her into committing atrocities in his name and tried to destroy me and all of us to prevent the prophecy from coming true. He really is an unhinged monster.

Nico: And he still pisses us off to no end.

Me: (GROWLS) He makes me so fucking angry.

Eli: Me too.

Lincoln: We just need to be patient for a while longer, guys. One day, we're going to destroy him for good. It's only a matter of time.

Me: You still remain calm despite everything that monster's thrown at us.

Lincoln: Trust me, I am completely enraged.

Lincoln wasn't lying, he's remaining cool, but inside, we saw it: he's angry and really really pissed off, and...!

FWOMP!

I FAINTED!

Nico woke me up with smelling salts.

Me: Thanks.

Nico: You're welcome, but what the heck was that?

Lincoln: J.D. fainted when he saw that I was super angry and really pissed off on the inside, but I remained cool, because when the day comes, then, I'm gonna let loose on him. Plus, my kids are also asleep.

Nico: Oh.

Me: That's right, you put them in their room for a nap.

After Lincoln and Lachlan McLoud acquired The Greatswords of The Celtic Gods and Goddesses and The Amulets of Celtic Pride and and all of us freed Isabella Abaddon and sent her Dark Side to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Helene Christiansen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel

wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Helene Christiansen: (Norwegian Accent) My God, I was right that Lincoln's really grown into a 19-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Helene, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Helene Christiansen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Helene Christiansen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Anna Anyanova: We've also been preparing for next week when you compete in the bodybuilding competition on June 5th, Lincoln.

Lincoln: Awesome.

Eli: And Lincoln's won every competition for the past eight, soon to be, nine years.

Kiara Kessler: That's right.

Kiara Kessler got out her photo scrapbook, and in every page, we saw photos of Lincoln doing tons of awesome bodybuilding poses and flexing his massive muscles, and he was in an orange speedo, and he also has the trophies and medals from the past eight years in his hand.

Nico: Wow, that was awesome that you put together quite a scrapbook.

Anna Anyanova: We tried to get a lot of photos, but many of us almost fainted when Lincoln was doing tons of bodybuilding poses.

Eman Reynolds: Well, can we help it: Lincoln's constant bodybuilding and working out along with the combination of his diet plan we gave him along with his hyperpuberty and genes turned him from a small boy into a 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman with abnormally massive and powerful upper and lower body muscles and twelve-pack abs.

Girl Jordan: Along with being an attractive male model for clothing and fitness magazines.

Lance Loud: What the? You're also on...!

Lynn: Yep, he's also on the cover of many fitness magazines, and even I was impressed, but that evil draconic nightmare made me a monster.

Lori: That's for sure. Plus, Leni and I also helped in his modeling, and he used his bodybuilding poses to really please the crowd, the men were impressed, but when the females saw him, especially Becky, Whitney, Jackie, Fiona, and Mandee, along with some of our friends from high school, they had hearts over their heads and they got launched out of the building via a Nosebleed rocket launch.

Mandee: (Embarrassed) Lori...!

Lori: Don't try to talk your way out of it, Mandee. You, Becky, Whitney, Jackie, Fiona, and many of our friends from high school were literally drooling over our little bro.

Luna: Same with you, Tabby, and our friends too, Mazzy. You were drooling when you saw Lincoln doing his poses in one photoshoot.

Lynn: Same with Margo, Paula, Polly, and some of my other friends.

The girls got red blushes of embarrassment on their faces.

Lori: But, what pissed me off was that Scoots tried to pay some of our friends to rape Lincoln, that stupid old goat!

Jackie: But, we refused, we fell in love with him naturally, and she's been nothing but a pain in the butt to us as well for years. Glad she got what she deserved.

Mandee: Good riddance to her forever.

We got a shower, and then, Lincoln and Tsumugi Shirogane are heading to Shangri-Spa, and while they're gone, we'll be planning Lincoln's birthday party at Lynn's Table.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tsumugi Shirogane was dressed in a black two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Tsumugi Shirogane had feelings for Lincoln, and he also had feelings for her, and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Tsumugi Shirogane: Wow, so this is Shangri-Spa, it sure is beautiful.

Lincoln: It sure is, Tsumugi, and it's perfect for our first date. Shall we?

Lincoln and Tsumugi Shirogane went inside, and they went first to The Spring of Purification, then, they went to The Spring of Bliss, then to The Spring of Sanctuary, then to The Spring of Jungle Mist, and finally, to The Spring of Rainbows, and they were taking a dip into the hot soothing waters of the springs, and Tsumugi Shirogane also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving Tsumugi Shirogane a deep tissue massage, and when he was done with that, Tsumugi Shirogane was relaxed. Then, they went to a workout area Lincoln created, and Tsumugi Shirogane got an extremely massive and deep atomic red blush on her face when they saw Lincoln lift 107 massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Tsumugi Shirogane: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Tsumugi Shirogane and he hugged her in his abnormally massive and powerful muscular arms, and Tsumugi Shirogane placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her lying down on a flat marble surface with him on top of her.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Tsumugi Shirogane with blue gems on the gold lightning bolt links and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Then, Tsumugi Shirogane was contacted, and she was told to bring Lincoln back home: we just got done decorating Lynn's Table for his party, and we were ready.

While Lincoln and Tsumugi Shirogane were coming back home, back at Lynn's Table, we had finished up decorating the whole place for Lincoln's birthday, and we really went all out for him.

Me: Nice work, gang, Lincoln's going to be so surprised when he and his dates come back.

Lori: He literally will be. Our little brother's turning nineteen!

Nico: He sure has. This is literally going to be so awesome!

Luna: Plus, you should see what we got planned for June 5th A.K.A. Lincoln Loud Day, dude!

Me: To all of us, it's a full day dedicated to Lincoln for everything that he's done for everyone around him.

Nico: That's really awesome!

Just then, Poromon and the other Mascots saw Lincoln.

Poromon: Guys, Lincoln's back!

Me: And not a moment too soon!

Nico: Places everyone! Our guest of honor has arrived!

We turned out the lights, and we hid in our hiding places. Then, Lincoln and Tsumugi Shirogane came to Lynn's Table only to see the lights were out.

Lincoln: Hey, why are the lights out?

Then, as soon as Lincoln turned on the lights, suddenly, cannons fired and sprayed confetti in the air and orange and white balloons flew up into the air, and then, a massive orange and white banner had unfurled with balloons coming out and written on the banner in rainbow letters were the words, "HAPPY BIRTHDAY, LINCOLN LOUD!"

Then, we jumped out of our hiding places and surprised Lincoln.

Everyone: SURPRISE! HAPPY BIRTHDAY, LINCOLN!

Lincoln: (Really Surprised) (GASPS) WOW! You guys did all this for me?!

Nico: Yep, we went all out for your birthday today, and we're having it here at Lynn's Table.

Me: And you know what that means.

Lincoln: Oh yeah, humiliating the jerks. Thanks, guys.

Just then, The Masters of Evil have arrived.

Vypra: We're here, and happy birthday, Lincoln.

Lincoln: Thanks, Vypra. Alright, what are we doing standing around for? LET'S PARTY!

We immediately got the party started, and then, we started giving out our presents to Lincoln: I built him some awesome handguns that also create elemental bullets and Nico also got him an awesome spellbook on light and dark magic, and Eli got him an awesome lightsaber and it was imbued with the powers of The Light and Dark Sides of The Force.

Eli: And I had help from the Jedi with creating that lightsaber.

Lori got him an awesome David Steele-themed Swiss Army Watch with 150,000 functions Lisa made, but it had his favorite colors: orange and white.

Luan: When you use those on the jerks, oh man, are you going to make them cry like babies!

Lynn got him some weighted training bracers which had merged with his large gold Bracers of The Champions of The Universe.

Lincoln: Thanks, Lynn.

Lynn: You're welcome, Lincoln, and those weighted bracers will also give you an even more intense work-out when you do your work-outs and also battle. Plus, these things also increase your muscle strength infinite-fold.

Lucy got him a large grimoire and in it are some even more powerful curses that he can use on villains.

Lincoln: Wow, this is awesome! Thanks, Lucy.

Lucy Loud: You're welcome, Lincoln.

Laney got him a specially made Celtic spellbook and paint kit.

Lincoln: Awesome. Thanks, Laney!

Laney: You're welcome, Lincoln.

Lana got Lincoln an awesome belt known which merged with his large gold Belt of Elemental Bravery. Then, the belt activated, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and we saw his rainbow aura flare up as he gained a massive power boost. We were amazed.

Lincoln: Whoa, what is this, Lana?!

Lana: It's my brand-new Strength of The Gods belt, like the new bracers Lynn gave you, this baby also increases your muscle strength infinite-fold and really builds up your muscles even more.

Me: That's...so...AWESOME!

Nico: No fooling, oh man, with that baby activated, the villains are literally in a shit ton of trouble!

Lola gave Lincoln a pair of crystal bracelets with crystals of many shimmering colors.

Lincoln: Wow, these are so awesome!

Lola: Try them on, and see what happens.

The crystal bracelets merged with his large gold Bracers of The Champions of The Universe, and then, suddenly, Lincoln had formed a MASSIVE SWORD OF DIAMOND HARD RAINBOW CRYSTAL ABLAZE WITH FIRE!

Lincoln: WHOA!

Lola: What you have are The Diamond Bracelets of Apollo, according to Nicole, these bracelets allow the person to create weapons of any kind and infuse them with intense fire equal to the intensity of The Sun.

Nicole: Lola and I found it in a cave in Greece.

Rarity: They were inside a diamond cave, and they shined with amazing colors.

Nicole: And if you use these in combination with The Diamond Armor of Eden, evil will have no place to hide!

Lincoln: So awesome!

Lincoln willed the sword back.

Lisa got Lincoln an atomic blaster and it was imbued with the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions.

Lincoln: Whoa, awesome blaster, Lisa.

Lisa: I suggest you try it out on our resident jerks, elder brother.

Lincoln aimed the new blaster Lisa got him, he took aim at the jerks, and he fired powerful blasts of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions which hit the jerks and exploded as more gold, jewels, gems, and many currencies exploded out of them, and the jerks screamed and ranted in anger.

Nico: (WHISTLES) Man, that's powerful!

Me: Awesome.

Lincoln holstered it, and Lily got him an awesome photo album and inside it are the photos taken of his many rescues and dates with his harem.

Lincoln: This is awesome! Thanks, Lily.

Lily: You're welcome, and you can add more photos to the album, big bro.

Anna Anyanova: We also got something else for you too, Linky.

Lincoln's Guardian Angels got out a large circular gold Chinese mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems with four large orbiting circular gold Chinese mirrors with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols on each corner of the large gold mirror with gold sun-shaped frames around them with embedded gems.

Lincoln: Oh whoa, what are they?

Anna Anyanova: These are The Mirrors of The Chinese Gods and Immortals, five Chinese mirrors that were created 4,000 years ago and blessed with the powers of the Chinese

Gods, Goddesses, and Immortals, The Four Symbols, The Four Holy Beasts, and the many legendary creatures of Chinese myth, and these were hidden away for a reason: Dark Chase Young was out to destroy them because these mirrors also have the power to purify those cursed by his darkness.

Nico: That bastard...!

Me: What a monster!

Nicole: And I had also helped in getting them: these mirrors were hidden away in a cave deep in the icy plains of the northern part of China.

Eman Reynolds: We had to dress warm to go to the icy plains of the north.

Suddenly, Lincoln's large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed along with The Mirrors of The Chinese Gods and Immortals, and they merged together.

Then, as the bright light fades, Lincoln's large gold Yata no Kagami mirror behind the large gold halo behind his head have The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems and the four large orbiting gold Yata no Kagami mirrors behind the four orbiting large gold rings on each corner have The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frames around them with embedded gems.

Lincoln: Whoa, so awesome! (Sees the Flip clone snoring) Hey, is that mutant snoring and ignoring us?!

Caleb Maxwell: I'll wake him up.

Caleb Maxwell approached the Flip clone, and then,...!

Caleb Maxwell returned home and the jerks were pissed off!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts,, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

The mascots were heading to the door.

Poromon: We're off to the park!

Me: Okay guys.

Ymir: Have fun, you guys!

Poliwag: We will.

They were off.

In the park, the mascots were walking.

Poromon: Such a nice day

Poliwag: It sure is.

Horsea: I think it's gorgeous.

Then they saw a bunch of pigeons eating.

Poromon: A Bunch of Rats with wings!

Horsea: Pigeons!

Manaphy: Those are disgusting birds! The Goodfeathers are an exception.

But the pigeons did not like the way the mascots talked about them and then a BUNCH OF THEM APPEARED AND GLARED ANGRILY AT THEM!

Mascots: Agh! Stop!

[The pigeons poop on the Mascots!]

LOUD FARTS AND MORE!

THE MASCOTS CAME BACK ALL COVERED IN POOP AND IT SMELLED HORRIBLE!

Me: WHAT THE FUCK HAPPENED!?

Nico: Oh my god! A bunch of pigeons poop on you!?

Betty: You guys okay?

Manaphy: WE WERE VIOLATED!

THEY WENT RIGHT INTO THE TUB!

Mascots: (Bawling) WE'LL NEVER BE CLEAN AGAIN!

Squidward: GEEZ! That is as bad as what happened to me when I got pooped on by clams.

Lily: I remember that Squidward! Also guys... I ABSOLUTELY FUCKING HATE PIGEONS! (GROWLS IN ABSOLUTE RAGE)

Me: WHOA!

Nico: Lily!

Lily: Sorry. I hate pigeons. Absolutely despise them with every fiber of my being! They ruined my second ice cream back when I was a baby and ever since then, I'VE HATED ALL pigeons in general. Except the Goodfeathers.

G1 Slipstream: We can't let this go unpunished!

Lily: DARN TOOTIN!

Pesto: Lets go show those pigeon bozos what for!

Lily and the Goodfeathers went down to the planet and then suddenly...

FEROCIOUS SOUNDS OF POWERFUL FIGHTING AND BLASTING!

Me: HOLY CRUD! Fluttershy, Lilja you may not want to see what Lily is going to come home with.

Fluttershy: Oh thank you.

She looked away.

Lily and the Goodfeathers came back with a bunch of pigeons she is going to eat.

Me: Lily is going to have pigeons for lunch.

Erica Tala: Let me cook them for you Lily.

Lily: Okay.

Later the mascots came back clean. Lily had a really delicious and awesome luxurious meal.

Erica Tala: Pigeon Chicken Wellington a la flambe.

Lily: Boy this looks really delicious!

She blew out the fire and ate it.

Lily: MMM! (Eating) MMM! Delicious! Boy how did you learn how to make this?

Erica Tala: When I was in the orphanage I made all kinds of great luxurious foods for lunch and dinner. Before I got sick that is. My asparation was to be a world famous gourmet chef.

Lily: Wow! That is awesome!

Me: It sure is.

Mary Knudson: You would make a great apprentice for me Erica.

Rarity: Indeed.

Erica Tala: It's a talent I have and it's awesome.

But then, several other pigeons came in.

Air Raid: Well, here's your chance for payback!

Mascots: YEAH! CUTIE BERSERKER!

THEN FEROCIOUS SOUNDS OF FIGHTING AND FIRE BLASTS WERE HEARD! MORE AND MORE PIGEONS WERE TURNED INTO ROASTS!

Me: The Gangsters of the Sky are no match for us!

Qin: YEAH!

But there was one big fat pigeon left.

Me: WHOA! That is a big fat one.

Nico: Yep.

But then...

CHOMP!

We saw the pigeon get devoured by a Noctowl!

Me: Whoa a Noctowl!

It ate the pigeon.

Horsea: That was our kill!

Me: Wait I think that's one of Dark Gale's work.

Hoot Loop: (British Accent) Let me see here.

He used telepathy and gasped!

Hoot Loop: Oh my it's Sakura Fukurō! She is one of my close friends and helped the Swap Force a lot on the Cloudbreak Islands.

Me: WOW! Lets go help her!

Hoot Loop: LETS RUFFLE SOME FEATHERS!

We went over to her.

Hoot Loop: Sakura it's okay. It's me Hoot Loop.

She tried pecking Horsea but she put her clone in front of her

POINK!

Horsea: HA!

Hoot Loop: Okay then!

We fired energy blasts and knocked her out and I snapped my fingers and she reverted back and was a girl with magenta hair and pink eyes and had dark pink wings and had Noctowl on her forehead and had a full moon with an owl shadow in front of it on her arm as a cutie mark.

We wrapped her in a blanket and brought her to the sofa.

Me: There.

Hoot Loop: You should have seen what she did for us on Mount Cloudbreak. We had the Cloudbreak Islands ritual and she and I stopped Kaos and the magic was replenished from the ritual.

Tessa: You see, every 100 years in Skylands at the Cloudbreak Islands, we have a festival to watch the 4 elementals replenish the magic of Skylands. Mount Cloudbreak is more than just a volcano. It's a magical volcano that is the source of all of Skylands magic.

Spyro: It's true and it's really something.

Me: WHOA! Nico after the Ambassador Missions are finished we should go on simulator adventures where we see the Skylanders adventures.

Nico: Good idea.

She woke up to see Horsea's smiling face.

Sakura Fukurō: (Groans) Huh a Horsea?

Horsea: You only hit my clone!

Maria picked her up.

Hoot Loop: I'm glad you're okay Sakura.

Sakura Fukurō: Hoot Loop!

She hugged him.

Sakura Fukurō: I'm glad you're here! Where am I?

Me: You are at Team Loud Phoenix Storm World Tree Estate. You were turned into a Noctowl by Dark Gale.

Sakura Fukurō: (GASP) I Remember!

She was in a purple suit and injected and turned into a Noctowl!

She flew out.

FLASHBACK ENDS

Sakura Fukurō: It was awful.

Me: I know but we destroyed Dark Gale forever.

Nico: Yep.

Sakura Fukurō: Good.

Twilight Sparkle: It's amazing how you helped the Skylanders and the Swap Force during the Mount Cloudbreak ritual. That was amazing.

Sakura Fukurō: It sure is and I heard about Kaos being your archenemy Twilight Sparkle. That is cool!

Twilight Sparkle: It sure is.

Sakura Fukurō: Yep. I am the Magic Star Mage of Sonya's team and use stars to defeat our enemies. Outside the team I am a Skylander that helps protect the Skylands from Kaos, The Darkness and Kaos' mom and their forces.

Me: That is cool!

The mascots hugged Pesto

Pesto: Hey hey hey easy on the sappy stuff.

Squit: That just shows that they are grateful to you Pesto.

Pesto: What's that supposed to mean?

Squit: I said they are grateful. It means they are happy you helped them out.

Pesto: Are you saying I'm a cheese grater here to sprinkle cheese on your sandwich that I'm a metal box here to shred your cheese on your sandwich to nourish you!? Is that what you're saying!?

Squit: No no I'm not saying that I'm just saying that the mascots are grateful to you.

Pesto: You're saying they are grateful?

Squit: Yeah that's what I'm saying.

Pesto: THAT'S IT!

THEY GOT INTO A BRUTAL FIGHT CLOUD!

Pesto: I'LL GIVE YOU GRATEFUL! HERE'S YOUR GRATEFUL! I'LL MAKE YOU CHEESE OUT OF YOUR FEATHERS YOU SACK OF ROTTEN SALAMI!

WE LAUGHED HYSTERICALLY!

BOBBY LAUGHED!

The fight cloud stopped with Squit brutally mangled and The mascots were still hugging Pesto.

Me: Okay guys you can let go of him now.

Poromon: Sorry.

They did so.

Me: Good.

I then saw Brandish looking really sad.

Me: Brandish are you okay?

Brandish: I miss my mama. For most of my life I only wanted revenge on the Heartfilia family because of killing her. Now after finding out that Zoldeo killed her I feel empty.

Lincoln hugged Brandish.

Me: I think I have a solution.

Brandish: You do?

Me: Yep. Starting with this. (SNAPS FINGERS)

I snapped my fingers and then a massive blast of light shined down from the heavens and the divine singing of angels was heard and a figure came down and we saw that it was Grammi! Back from the dead! She was a woman with emerald green hair and brown eyes and had brown and white clothes.

Brandish: (IN SHOCK) Mama!?

Grammi: Hello my sweet Brandish.

She went and hugged her mom for the first time in a long time and cried hard.

Grammi: I missed you so much Brandish. My look at you. You have grown into an amazing woman.

Brandish: (Crying) I'm sorry mom! I thought Lucy killed you!

Grammi: It's okay Brandish. It's okay.

Brandish hugged her again.

Horsea cried tears of joy.

Me: Aww. Grammi we saw what went down with you and we promise that we're going to kill Zoldeo for killing you.

Grammi: Thank you J.D. and Lincoln thank you for taking care of my daughter.

Lincoln: You're welcome Grammi.

Me: Lincoln is an amazing man of his word.

Ymir: He sure is.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, David Banner, and he was back once again for revenge! When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: OH HELL NO! YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, David Banner, and he was back once again for revenge!

EVERYONE GASPED!

Betty Ross: I can't believe him! That monster!

Rebecca Banner: I should've known that monster would show up.

Hulk: Hulk ready to smash puny Banner once again.

Betty Ross transformed into Red She-Hulk.

Red She-Hulk: Same here.

She-Hulk: Same with me. Should we do the same tactic when Lincoln and Yuanji fought against him two years ago?

Lincoln: No, Jen, I have a better idea, I'm going to absorb his powers using my Cell Stingers, and I also have a special Gamma bullet I put into the handguns J.D. got me.

Nico: Ooh, death by Gamma Radiation poisoning, I like it.

Me: Me too. I've had it up to hear with that fucked-up psychopath to last a lifetime. This time, David Banner dies here and now.

Nico: And we'll make sure of it.

General Ross: I made the mistake of sparing him as well, I'm also to blame for it. But, this time, we're gonna make this right.

General Ross transformed into Red Hulk.

Red Hulk: If he wants war, we'll give him war.

Nico: But, this time, he's gonna lose again. Alright, team, let's go, it's time we put an end to David Banner once and for all.

Lincoln: This time, he's never coming back.

Nico: Oh, but let's take our time with him before draining his powers. It'll make it even more fun.

Me: Yes it will. I want to savor killing him.

Ymir: Who is David Banner?

She-Hulk: He is my uncle and Bruce's father and he is a REALLY NASTY nutjob.

Me: He's also very fucked up in the head. He also RIPS OFF Absorbing Man.

I went over his history

Dr. David "Dave" Banner, also called the Absorbing Man is the main antagonist of the 2003 Marvel film Hulk, based on the Marvel Comics character of the same name. He is a genius scientist and the estranged father of Bruce Banner, a.k.a. the Hulk, who later transformed himself into a powerful energy being.

Years after being separated from his son, David returns to Bruce's life and discovers his powers, leading him to devise a way to get them for himself, thus he is also the reason why Bruce became the Hulk in the first place. He is loosely based on Brian Banner and Absorbing Man from the original comics.

He was portrayed by Nick Nolte, who also played Wade Whitehouse in Affliction, Burt Johnson in Arthur, Frank Stockburn in The Ridiculous 6, Mulgarath in The Spiderwick Chronicles and Inspector Thomas Cray in Nightwatch, and voiced Vincent in Over the Hedge; while Paul Kersey portrayed his younger self. and portrayed by Christien Anholt, who also played Eon in Ben 10 Race Against Time.

David Banner was once a young and promising genetics researcher who, in his quest to improve on humanity, experimented on himself; later on, after his wife Edith Banner gave birth to Bruce, David, seeing that Bruce was abnormal, barely showing emotion and gaining patches of green skin when he did, felt that he was responsible, realizing that his experiments on himself had massively affected Bruce. Trying to find a cure for Bruce's condition, David had his research shut down by Thaddeus "Thunderbolt" Ross; going into a rage over the loss of his work and the hopelessness of Bruce's situation, David accidentally destroyed his laboratory and tried to kill Bruce to show mercy towards his horrible situation, only to accidentally stab Edith fatally, before being arrested and confined to a mental institution. Blocking his memories of David killing Edith, which haunt his nightmares and afflicting him with PTSD, Bruce was taken into foster care by Ms. Krenzler.

Thirty years later, David was released from a mental hospital and got a job as a janitor from Benny (after supposedly killing him for the job) at the research institute Bruce worked at, in the same field as his father. Confronting Bruce on the night after he was blasted with radiation and nanomeds, David revealed his relationship to him (Bruce doesn't recognize David because he previously thought his biological father was dead) and stole some of his mutated DNA. Experimenting with Bruce's DNA on animals, David also saw his son's first transformation into the Hulk, which he soon became obsessed with copying that power.

Releasing three dogs he had mutated to kill Betty Ross, who had confronted him over what has happened with Bruce, David called Bruce and told him of this. Defeating the mutant dogs and saving Betty, Bruce was tranquilized and taken to a military facility, which David followed him to. As Bruce was held captive, David subjected himself to the same devices that gave Bruce the ability to change into the Hulk, giving himself the ability to absorb the properties of everything he touched and uses his newfound powers to crush a security guard to death with a steel table. Finding Betty, David told her that he will turn himself in if he was allowed to see Bruce one last time, also revealing to her that he had intended to murder Bruce (believing he would become the Hulk and making him to lose control) when his research was originally shut down and that instead he ended up killing Edith when she tried to stop him.

Taken to Bruce, David was placed in a room with him, where they were placed between two electrical generators that would kill both of them if things went out of hand. Bruce began to reflect on the memory of his mother and cried. His father attempted to comfort him over Edith's death, but Bruce angrily refused, saying that maybe he was his father back then, but he no longer was now. Having descended into megalomania, David ranted to Bruce about how the military has ruined their lives, also stating that the

Hulk was his true son, and Bruce was just a tool for him. Biting some electrical wires, David became a being of pure electricity while Bruce, upon seeing this, becomes the Hulk. Breaking out of the military facility and engaging each other, both father and son crash into a lake, where David, becoming a being of stone and water, tried to absorb all the Hulk's energy, which the Hulk aggressively allowed. Unable to contain the Hulk's energy, David transformed into a gigantic energy sphere, much to his prolonged dismay. General Ross then ordered the launch of a Gamma Charge Bomb, whose detonation killed David, but Hulk survives the explosion. With David's death, Edith is avenged, leaving Bruce with no parents left, thus making Bruce himself an orphan.

Later, after his father's death, Bruce remembers David tucking him into bed as a kid saying "sweet dreams", which probably means that his father still loved and cared about his son as there is still good inside David.

When it was done everyone was shocked and horrified!

Ymir: My god! He gives all fathers everywhere a bad name!

Red Hulk: Letting that monster live was a mistake back then.

Me: I know General. Now we're going to rectify that mistake PERMANENTLY!

Qin: We're going to banish him to the Black Abyss.

Nico: Yep,

Me: Hulk, you deserve a much better father than him big guy.

Hulk: That is something Hulk can agree on.

The previous group came.

Seadramon: Can me, Red X, Doctor Octopus, Pied Piper, Gramma Stuffum, David Cain, SkullMeramon, Zavok, Thundermon and Sportsmaster go with you guys?

Nico: Yes you all can.

Me: We're going up against David Banner, Bruce Banner's dad.

THEY GASPED!

Red X: That Absorbing Man ripoff!? Oh man!

Me: I know. Oh speaking of which, I have an idea.

Thundermon: You want the real Absorbing Man to accompany you to show him the real thing.

Me: Bingo!

Thundermon: This is gonna be good!

Red X: Yep and May we heard you're pregnant again! Congratulations!

May: Thanks guys!

Me: We're going to the doctor after this is done.

Ratbat: Boss, which Gene Slammers do you think you'll meet next?

Nico: Number 54: Lion Heart, Number 53: Heart-eartH and Number 106: Giant Hand next.

Me: WHOA! This will be cool.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Nikolai Ondrushko, the vampire lord and archenemy of Abaddon Aeternus and his father, Leon Aeternus, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Nikolai Ondrushko, the vampire lord and archenemy of Abaddon Aeternus and his father, Leon Aeternus, and he's coming here to destroy us. Looks like his plans have been foiled.

Abaddon Aeternus: That bastard's finally on the move, now we can kill him.

Tara Toonamine: That'll be left to me and Linky.

Lincoln: Right, Tara.

Nico: We'll make sure your archenemy dies for good, Abaddon. Alright, team, let's go, the time to destroy David Banner has finally come.

Lincoln: That stain on the Banner family will die here and now, and once we get done with him, you're finished, Nikolai Ondrushko.

Tara Toonamine: You've lived for too long, you undead scumbag, we got a stake with your name on it.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Nevada to put a permanent end to David Banner forever, and once we get done with him, Tara Toonamine and Lincoln are going to destroy Nikolai Ondrushko and send him to The Black Abyss.

We were off to Nevada.

We arrived at the Banner Residence. It was an abandoned and dilapidated house outside of the Nevada Nuclear testing site.

Me: Wow.

Rebecca Banner: Never thought I would see his place again.

Hulk: Home for the Banners. Lots of bad memories here.

Me: I know and it's right outside of the old Nevada Nuclear Testing Site.

Ymir: What was this site known for?

Me: It was a big testing ground for the United States to test nuclear bombs during the Cold War. From 1951 to 1962 we tested all kinds of nuclear bombs here.

Nico: It's true.

Ymir: Oh man.

Pied Piper: Let's call Black Knight Ghost

Me: Good idea and we'll call Absorbing Man too like we said.

We did so.

Absorbing Man: I'm ready guys.

Black Knight Ghost: Same here!

Me: Cool!

Tornado Man: We can always kill David with a Gamma Blade

Me: We got plenty of Gamma Radiation weapons ready.

Nico: I don't think I ever fought David Banner before.

Me: Right you weren't with us when we battled him the first time. It was back in 2018.

I went over what happened back in Chapter 361 of Loud House Revamped.

When it was done Nico was shocked and horrified!

Nico: WHOA MAN! David Banner is ONE NASTY NUTJOB!

David Cain: And you married him why?

Rebecca Banner: Because I loved him. I wanted him to be happy.

Me: You never realized how insane he was.

Rebecca Banner: Yeah.

She took off her wedding ring and gave it to me.

Me: What's this for?

Rebecca Banner: Give it to Ymir. She deserves it more than me.

Me: I will. And I promised I would get married in 2025.

Nico: Yes you did.

Me: Yep.

Ymir was happy to hear about that.

I put the ring on her finger.

Pounce: Congrats!

Ymir: Thank you.

Me: It's not for another year though.

Nico: Yeah.

She-Hulk: Uncle David has always been a monster. He only cares about killing people.

Nico: Yes he has.

Xenia: We're not going to let him get away with this.

Me: Yeah.

Absorbing Man: And he has the audacity to rip off my character!

Aang: Also, I was thinking about my upcoming battle with the Fire Lord.

Zavok: Ozai? I hope you're not having second thoughts about him dying.

Aang: Of course not! But I'm thinking we should have that battle on a specific day.

Nico: Any reason why?

Aang: The next Day of the Black Sun.

Me: That's October 2nd.

I pulled up a holographic star map of the moon, Earth and Sun.

Me: According to the star charts, the next Total Solar Eclipse is on October 2nd. That is the perfect opportunity to launch an ambush attack.

Ymir: Why?

Me: Well when there's a Total Solar Eclipse all Firebenders lose their bending.

Zuko: We call it the Day of The Black Sun.

Me: But for only a period of 8 minutes we have to make it very quick.

Nico: But we'll have to make the eclipse last longer so we can get the usual battles done and strike at Ozai when he is most vulnerable.

Sokka: Okay, this time, he's going down on that day for real!

Me: The last Day of the Black Sun ended in a total failure. But time we're going to be ready. We wipe out all of his forces hard and leave NONE of them alive!

Cindersaur: Maybe we can hit him with all we've got. That way, even if he DOES get his Firebending back, it won't do him any good.

Me: That's just what I was thinking Cindersaur. But we're gonna need a MASSIVE PLAN of attack. But we've got 4 months until that day so we need to devise a strategy for that day.

Sportsmaster: Okay, Aang. We'll keep that day open. But if Ozai tries something before that day, we'll have to take him down early.

Aang: I understand.

Me: We had a very NARROW window of opportunity to take him down. But they had a lot of underground passages that made it look like we were hunting for rats in a maze which made it virtually impossible to attack. And their speed was preposterously fast too.

Shikamaru: We'll have to block off all those all those underground passages and steal their weapons before the eclipse begins and launch a full scale attack ambush from all sides on them.

Me: That's just what I was thinking Shikamaru!

Nico: (to Aang) Hey, if it makes you feel any better, the bastard won't have a chance against us with or without his powers.

Aang: That's right! There's many more of us than there were back then when we last fought him.

Me: That's right we grew a lot in numbers since then.

Nico: Yep.

Me: And we've grown in strength and power since.

Nico: And also, you should really get some sleep.

Toph: I do not have a tiny bladder!

Me: Okay we do not need to know about that Toph.

Toph: Sorry.

Me: But like I said we have plenty of time to devise a plan of attack. Also Clyde, Luxord, we'll need your help on this one too. Your time powers will be perfect for this too.

Clyde: Got it.

Me: I have a feeling he'll have an evil version of Azula too.

Katara: I'll take that one on. I want to do something I should have done to her long ago. Kill her myself.

Me: WHOA! Okay we won't stop you Katara.

Aang: I won't take his life. I'll just let Cluemaster do it

Me: Okay then.

Horsea: We got plenty of time

Me: Yeah 4 months is more than enough time.

But then we heard a REALLY LOUD COW MOO!

Me: Okay who let a cow loose here?

Lincoln: WHOA! Okay, we got a problem, I just found the next hypothetical Akuma, her name is EL TORO DEL FUEGO, the Hypothetical Akuma of Red She Hulk and she is a Bull of Fire! She is a deadly force of strength and rage and she attacks anyone in sight! She has INTENSELY DEADLY STRENGTH and intense fire powers too! She was made because of the pain David Banner caused to Hulk and vowed to destroy him with the fury of a thousand stampeding cows!

Lincoln got out his sketchbook and we saw it: she's a angry fiery red bull!

Me: Holy moly!

Nico: Yikes!

Eli: That is one REALLY PISSED OFF Bull!

Red She-Hulk: Uh oh, we'll need to take her down before we get after David Banner.

Me: Leave it to me and Lincoln. I'll use Bugs' bullfighting methods when he dealt with Toro, and once she's dazed, Lincoln, you suck out her intensely deadly strength, rage, and intense fire powers too.

Lincoln: Good idea.

Nico: This is gonna be fun!

Majar: But where is she?

Borth: Probably closer then we think

I then felt something steaming on my butt.

Me: Huh?

I saw a HUGE FLAMING BULL BLOWING ON MY BUTT!

Me: HEY! Stop steaming up my butt!

I slapped it on the nose and it went back and then went at me and then...

WHAM!

I was rammed and sent flying!

Me: Of course you realize this means war!

I flew back and landed in front of the bull and spun around and dressed in a matador outfit!

Me: (Spanish Accent) Time for El Toro Loco to be turned into chorizo!

I held out my red cape and the bull went at me and then...

KRABLANG!

IT HIT AN ANVIL BEHIND THE CAPE!

Nico: OLE!

Thundermon: Betty? Is that you?

She only mooed in anger!

Me: Pardon me mac?

I put a rubber band on her horns and pulled it back and put a rock in it and launched it and then...

KRASMASH!

IT SMASHED HER RIGHT IN HER FACE!

OOH! THAT IS GONNA LEAVE A MARK!

And that made her really, AND I MEAN, SUPER ANGRY! She kept charging at me, but I kept on using more of Bugs Bunny's bullfighting methods on her, and when I was done, she was beyond SUPER ANGRY, AND WE FELT HER GET EVEN STRONGER!

Buster Bunny: What the? Oh no! J.D., the more angrier she gets, the stronger she becomes!

Me: I'm counting on it!

She charged at me not knowing that I put axle grease, a ramp, and some platforms on her path. The grease and ramp sent her airborne over some glue, a sheet of sandpaper, a protruding matchstick, and a barrel of TNT which explodes when she flew.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Still in the air and dazed, she finally crashes into a wooden bull shield.

KRASMASH!

Nico: OLE!

Eli: (LAUGHS) THAT WAS FUNNY!

Nico: YEAH!

Black Knight Ghost: You need to calm down!

BUT SHE MOOED IN ANGER!

Me: Okay then! Just like Hulk. LINCOLN, NOW!

Lincoln jumped onto El Toro Del Fuego, and she tried to buck him off, but he kept on her riding her like a bucking bronco!

Applejack: YEEHAW! Ride 'em, cowboy!

Lynn: He's not letting go! Awesome!

Nico: YEEHAW!

I fired waves of lightning and blasted her and Lincoln and Black Knight Ghost slashed and blasted her. But it made her angrier!

Black Knight Ghost swung his sword. And slashed her.

Me: YEAH!

Lincoln: Okay, you! Time to put you to sleep!

Lincoln bit her hard on the neck and he sucked out her blood and assimilated her intense deadly strength, rage, and intense fire powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and 105 massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He kept on feeding on her, and then, when Lincoln was done, El Toro Del Fuego was knocked out, and Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well and he pounded his chest like a gorilla.

Lincoln: (GROWLS) Oh man, now that was really intense! (Flexes his massive arms and his massive biceps bulged even more with more veins forming on them and his pecs) (Smirks) Like what you see, ladies?

Their noses were gushing out blood like a fountain!

Girl Jordan: (Swooning) So manly...!

Lincoln: Okay, ladies, I think we need to stay focused, we got a madman to kill.

They snapped out of it, but they had red blushes on their faces.

Lily the Mermaid: Oh...right.

She-Hulk: (Snickers) He's right, we got a madman to kill along with an undead vampire lord later on.

Girl Jordan: Right. (Thinking) Of course, later on tonight, we'll be having fun with our beefy husband.

Me: Lets go get him.

Nico: YEAH!

Hulk: YEAH!

RD Girl Jordan: (to Girl Jordan) You'll have time to have fun with Lincoln later.

We then took off to take down and destroy David Banner for good.

We were flying in the air, and then, we saw a figure right near the lake: it was David Banner.

Nico: Just like from years ago.

Me: That's a familiar case of Deja Vu.

Lincoln: Yep.

Caleb Maxwell: He can absorb elements and energy, right? Then, let me take care of this by giving him a warning shot.

Caleb Maxwell had his guns in hand and he took aim at David Banner, and then...!

BANG!

Caleb fired and one bullet hit David Banner right in the arm and went out of his arm.

Suddenly, the spirits of The Hulk and The Avengers appeared and they attacked David Banner and they really thrashed him all over the place showing him no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive explosion erupted as a Thunderbird Screech, Wolf Howl, and Phoenix Cry was heard and we appeared, and that pissed him off.

David Banner: YOU!

Me: That's right, us. You got some fucking nerve returning, David Banner.

Nico: I thought we were finally rid of you for good, but we were wrong.

Lincoln: Anti-Monitor made a mistake bringing a powerhungry abusive monster like you back from the dead. Now, we're gonna correct that mistake and send you somewhere far worse than The Black Gates.

David Banner: We'll see about that!

Me: Been a long time David Banner!

I punched him down!

Me: You make me fucking sick! You give all fathers everywhere a REALLY BAD NAME!

Xenia: YEAH!

I punched him in his face and kicked him down!

Rebecca went over to hiim.

Rebecca Banner: Hello David!

David gasped seeing Rebecca!

Rebecca punched him in his face!

SkullMeramon shot fire at him while Elena fired lightning.

SkullMeramon: Like that?! (ECHOING) METAL FIREBALL!

He fired a blast of blue fire and blasted him.

I kicked him in his face and knocked him down!

Absorbing Man: You like being called Absorbing Man? How about facing me!?

Me: Here Carl!

I gave him fire and he turned into Pure Fire!

Absorbing Man: I forgot I can turn into pure fire.

He fired waves of fire and blasted David all over!

Absorbing Man: Me and all my fellow villains that were enemies of Hulk hated your guts!

SkullMeramon and Elena's attacks left fire and lightning on the ground. David touched the fire and became pure fire.

Anastasia (Cinderella): Oh dear.

Me: That is really amazing he can do that!

Kevin 11: But he is not the only one.

He went and grabbed David and absorbed his fire and turned into pure fire!

Nico: Nice one Kevin!

David Banner: I'm really hot now!

Gramma Stuffum: Then you won't mind this food!

She fired CURRIED RAT AND DRENCHED HIM ALL OVER!

YUCK!

Me: Nice one!

I fired waves of energy and blasted him.

Me: Lets see you turn into pure lightning!

I fired waves of pure lightning and it hit him and he turned into PURE LIGHTNING!

Me: ELECTRIFYING!

I went at him and we grabbed hands and then...

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

LIGHTNING SURGED ALL OVER THE PLACE AND STORM CLOUDS FORMED AND LIGHTNING STRUCK ALL OVER!

David Banner: Shocking, isn't it? I was going to absorb the lightning on the ground but you just saved me the trouble!

Bounce Man: Still won't save you!

Me: That's right!

POW!

I punched him and Kevin sucked out all his power over lightning.

Me: That was awesome. Can you turn into Solid Crystal?

I formed crystal clusters and he touched them and he turned into SOLID CRYSTAL!

Me: Guess you can.

Doctor Octopus: And I never did like you!

He bashed him all over and shattered him.

Camie: And this!

She fired aurora blasts and smashed him.

He then absorbed the leftover fire and electricity on the ground

Tae Kwon Crow: Well, fuck.

Me: You sure are a persistant one!

I fired waves of energy and blasted him!

Red X: You're going down!

David Banner (laughs): Do you really believe that I am separate from you?

Me: You may have all that power but you will never be good at the one thing that Bruce Banner needed from you!

David Banner: And what is that!?

Me: Being a good father!

David Banner: Is that piece of shit supposed to mean something to me?

POW!

I punched him in his face!

Me: YOU HAVE NO RIGHT TO TALK TO BRUCE LIKE THAT! HE IS YOUR SON AND YOU SHOULD HAVE TREATED HIM WITH LOVE AND RESPECT LIKE A LOVING FATHER SHOULD HAVE!

David Banner: First, I'll have the honor of killing the one you love! Any last words?!

Red She Hulk: (grins) Just a few. She Hulk...smash!

She smashed him all over!

Red She Hulk and She Hulk bashed and smashed and pulverized him ferociously!

Hitmonlee charged at him and bashed him all over with a flurry of deadly kicks.

Sakura Fukurō: Lets get him!

Hoot Loop and Sakura: LETS RUFFLE SOME FEATHERS!

They fired waves of magic and blasted him.

Me: Take that!

But, before David Banner could touch the ground to absorb the minerals into him, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into David Banner's chest and he began sucking out and absorbing David Banner's Exceptional Intelligence, Scientific and technological knowledge, Manipulation, Gamma radiation physiology, Superhuman strength, Superhuman speed, Superhuman agility, Superhuman reflexes, Superhuman stamina, Superhuman durability, Accelerated healing factor, Shapeshifting, Energy absorption, and Matter control and absorption, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When it was done and the stingers changed back, David Banner was now powerless and weakened, and Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well and he let out a loud and massive roar of dominance and power and he pounded his chest like a gorilla.

David Banner: (Weakened) W-what did you to me?!

Red She-Hulk: He sucked out all your powers, and now, you're powerless and weakened. But, this also means we're still killing you.

David Banner: YOU BASTARDS! I WILL DESTROY YOU ALL!

Then...!

POW!

Lincoln punched David Banner hard in the face and slashed him in the chest with his gold-armored dragon claws, and he used telekinesis to grab David Banner's hair and made him look him in the eyes, and he saw the anger in his eyes: he was pissed, he was out for blood.

Lincoln: You're such a disgrace, David Banner, your wanton desire to kill your own son at any cost by absorbing his energy and becoming the most powerful being the world has ever known and kill anyone who stands in your path has completely driven you mad, but you're too insane to even listen to reason, and look at where it got you: killed three times in the past, and now, you're about to be killed for the final time. And let me tell you this: I'm a far better father than you ever were, you piece of shit, same with a lot of us who are also far better fathers than you.

Then, Lincoln punched David Banner hard in the stomach and made him cough up blood.

Me: Wow...!

Nico: Now, that was awesome.

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at David Banner with silver bullets from his guns, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at David Banner as he got hit and we all heard Caleb's wicked and insane laughter as he shot at David Banner with darkness and malice. Caleb landed as the barrier came down.

Lincoln, Red She-Hulk, Nico, and I and the rest of us went after David Banner and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at David Banner, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Red She-Hulk, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making David Banner even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit David Banner and we all found ourselves not only in Heaven, but also, in space.

Same with Emullia!

Emullia: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Arbok and Noctowl and transformed and blasted him all over.

Qin: Take that!

Hulk: HULK SMASH BAD DAD!

Edzilla: ED SMASH BAD DAD!

They smashed and pulverized David all over!

Then Ebon, U-Foes, Vortex, Black Spider, Cluemaster, Gator Ghoul, Oculous, Amora the Enchantress, Vanitas and Trumbipular came.

Nico: Ebon, U-Foes, Vortex, Black Spider, Cluemaster, Gator Ghoul, Oculous, Amora the Enchantress, Vanitas and Trumbipular.

Trumbipular smashed him in his face with a powerful punch before he could say anything!

Me: I don't blame you guys.

Trumbipular: (to She Hulk and Spiderman) Hope you liked that I punched him. But I know you guys are going to enjoy putting him in the ground.

Vanitas: I think you're about to have a lot of fun.

Me: Oh he is.

Ebon: (to Nico) Heard you fought an old enemy of Lincoln's

Nico: We sure did.

Absorbing Man: You bet I am!

Nico: Awesome!

Ebon was first.

Ebon (to Lily): NIco's rescue was Lincoln's birthday party. He battled an old enemy of Lincoln's on a Mac and Cheese Bite planet

Lily: They sure did! And wow! You should have seen this planet and it was awesome! Mac and Cheese bites are my brothers favorite! He loves those just as much as Nico loves chicken wings.

Ebon: I can see that!

Lily: Yeah! Also the enemy we faced was Sally Verras.

Ebon: WHOA MAN! I've heard of her! She was very dangerous!

Nina (Camp Lazlo): She sure was!

Nightshade: We were shocked about hearing about her.

Twilight Sparkle: Yeah she was a nightmare! She was pure evil to the core! She was a notoriously monstrous and dangerous criminal who terrorized all of Royal Woods for years: destroying cars and property, using explosives to blow up historical landmarks, assaulting people left and right, and worst of all, trying to kill Lincoln and all of us in the past.

Stellar Sparkle: That was sick!

Harmony Sparkle: We banished her to the Black Abyss and also Sour Sweet Unlocked her rainbow power!

Starshine Sparkle: That was awesome!

Vector: WOW! That is awesome!

Lime: It sure is! Before she was turned into an Arbok, she bit one of the men of Dark Gale and poisoned him and turned him to stone and sealed her into her arm. She showed us that it was one of Nico's old enemies Dr. Camilo Fesstertox!

Ironclad: Oh man! I know him! Grodd told us all about him earlier this year! He was a mad scientist that wanted to make the perfect gene-slammer! He wanted to make one that was a combination of all 13,000+ Duel Monsters, All MTG Cards, all Pokemon, All Digimon, All Monster Rancher Monsters, the Shadow Dragons, Z-Fighters, all of our enemies and friends, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, Their enemies, and Animals and Aliens And so much more!

Vortex: WHOA! That is amazing!

Selene Sly Cooper: Boy it sure was! We then battled our former Guardian Angel, Isabella Abaddon! She was revealed to be Dark Chase Young's disciple and she was never loyal to Lincoln nor his Guardian Angels, she was only there to destroy Lincoln, his Guardian Angels, his family, and friends and prevent the prophecy from coming true!

We found out that because of an incident that happened when Lily got her first ice cream, Lily developed a MASSIVE HATRED for pigeons! She doesn't hate the Goodfeathers thankfully.

Rarity: Yeah those pigeons got turned into roast chicken for her. We made them into a delicious gourmet meal for her darlings.

Tara Toonamine: You've caused us enough trouble, and now, we're ending it.

Suddenly, Tara Toonamine's blue eyes turned neon blue, and she was surrounded by a blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, phoenixes, and angels, and as she approached Nikolai Ondrushko, she left blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, phoenixes, and angels with every step.

Tara Toonamine: I don't blame Abaddon Aeternus for being that pissed off at you, you've caused him and his dad a mess of trouble in ages past, and you're also a threat to mankind, this is unforgiveable. Lincoln did one final powerful energy slash that hit Nikolai Ondrushko hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Nikolai Ondrushko was on his last legs.

Finally, Tara Toonamine and Lincoln fired a massive rainbow energy beam with elements at Nikolai Ondrushko, and the blasts sent him flying out into space, and...!

KRABOOM!

THE BEAM EXPLODED OUT INTO SPACE AND NIKOLAI ONDRUSHKO WAS KILLED IN THE EXPLOSION AND HE WAS SENT TO THE BLACK ABYSS!

We cheered wildly as we holstered our weapons and powered down and Tara Toonamine's new body, clothes, weapons, jewelry, Third Eye, one-hundred massive and long blue wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded blue gems behind the gold rings behind her head, one-hundred large blue planets orbiting around her legs, one-hundred smaller blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized blue planets orbiting around her wrists and ankles, and massive red angel wings and ninety-nine sets of large blue angel wings underneath her massive blue angel wings are permanent.

Tara Toonamine: It's over for you, you monstrous vampire, now don't you dare come back. Thanks for helping me get rid of Nikolai Ondrushko, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Tara.

Me and Nico: Our pleasure, Tara.

Suddenly, Tara Toonamine wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Tara Toonamine's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Tara Toonamine sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Abaddon Aeternus: It's finally over. Our family's hated enemy is finally gone.

Andre Lupescu: We'll make sure to call your father and tell him the news. He will be glad to hear that Nikolai Ondrushko is finally gone forever.

Me: That's for sure. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Mayakashi Duel Monsters appear in the sky with a Nine-Tailed Kitsune.

Lincoln: Oh man, the symbol of The Mayakashi Duel Monsters appear in the sky with a Nine-Tailed Kitsune. It's them.

Anna Anyanova: I knew it, it's them: Japan's Defenders of The Sun Goddess.

Me: Whoa, who are they?

Peppermint Bladefighter: They're a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror.

Nico: Whoa, so just like you were appointed by God, they were appointed by the Japanese Gods and Goddesses to protect Lincoln. Awesome.

Anna Anyanova: And they also despised Dark Chase Young, because years ago, he desecrated the sacred Shinto temples with his minions and destroyed them and murdered their parents as well.

WE WERE PISSED!

Me: WHAT?! (GROWLS) THAT IS REALLY CROSSING THE LINE! Is there no end to the atrocities he has done!?

Lincoln: Those atrocities will end on Kimiko's big day when we finally put a permanent end to his 1,500-year reign of terror when we fulfill the important part of The Prophecy of The Reincarnation of Amaterasu: killing Dark Chase Young forever.

Me: Right. So, who's the first one we're meeting tomorrow.

Anna Anyanova: Based on the sign we saw in the sky: it's Akane Minazuki, Avatar and Gene-Slammer of Yoko, The Graceful Mayakashi, and you guys are going to love meeting her, Akane Minazuki, Avatar and Gene-Slammer of Yoko, The Graceful Mayakashi, is Lincoln's Guardian Angel from Japan and she's a Nine-Tailed Kitsune Angel and a powerful master of Cosmic Pyrokinesis, fire, flames, fox fire, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the kitsune and Yoko, The Graceful Mayakashi. She's the leader of a group called Japan's Defenders of The Sun Goddess, they're a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Akane Minazuki came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, fox fire, fire, flames, and the powers of the kitsune and Yoko, The Graceful Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Pyrokinesis, Omnipotence, Omniscience, Cosmic Awareness, fox fire, and the powers of the kitsune, and Yoko, The Graceful Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful kimono, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion, and she swore to burn that control freak witch alive.

Nico: For shame, Lori!

Me: I do not want to know what Lori did to piss off a Kitsune Angel.

Lincoln: Best you don't.

Black Spider: I hope you enjoyed your birthday.

Lincoln: You bet I did!

Gator Ghoul: And as a bonus, one of the worst fathers in the world is dead.

Amora: I never did like him.

Lincoln: That is for sure!

Hulk: Hulk want to celebrate with burgers!

Trumbipular: You better not eat them all!

Nico: Now now we'll have more than enough.

Cluemaster (To Aang): While we're there, I'll gladly discuss how we're taking down Ozai

Aang: Good idea.

Nico: Yep. Great job today everyone!

May: And I am pregnant again.

Me: You sure are!

Qin: Yep.

Me: Boy this was fun.

Big Mac: Eeyup!

Applejack: YEEHAW! This was awesome!

Lincoln: (To the viewers) Boy this was a fun adventure for me too.

Me: It sure was!

We went to the doctor and we found out that May was expecting 4 baby girls! NICO FAINTED HEARING THAT! We then went to Lynn's Table for an awesome meal.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to Lincoln's room.

Lily the Mermaid: Now, that was so much fun. Linky not only had fun on his birthday, but we also got rid of David Banner for good.

Girl Jordan: And we also humiliated the jerks as well.

Anna Anyanova: And we also pardoned Isabella Abaddon as well after we freed her from her Dark Side put in her by Dark Chase Young.

Eman Reynolds: She's gonna be in therapy for a very long time though.

Nicholette Torrington: That's for sure. After what that draconic son of a bitch did to her, he ruined her normal life, and she basically went to Hell and The Black Gates, those were reserved for the guilty. True she did all that to us, but it was that draconic nightmare's fault.

Michelle Emperyous: When Kimiko's big day comes, he's done for.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there lying on top of the massive extra-extra-extra large never-ending expanding bed for Lincoln and his expanding harem was Lincoln in his underwear and lying on the bed in a seductive pose, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln who then stripped them of their clothes leaving them in their bras and panties and Lily the Mermaid was on top of Lincoln as they kissed passionately, and he did the same with his entire harem.

Lily the Mermaid: (Rubs Lincoln's massive pecs) You've really grown up a lot from the 11-year-old boy we met long ago, and you've grown into quite the man, the brave warrior, hero, and father that you are now while still being the kind sweet hearted gentleman and brother everyone has known. (Seductive Voice) And you're also quite the satisfier of every girl around you every single time and every night. You ready for your second gift, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his underwear about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome fanfic done.

The Undead Darkness of Tartaros

Tartaros Guild is Going to Be Put Through Hell on Erza's Big day!

In the early morning hours at 12:15 AM, Lincoln had a dream, and he saw five figures hiding out and living in Manila. But, this was no ordinary five figures, they were Maria Robotnik Jr, daughter of Lincoln's future wife, Maria Robotnik. 8-Bit and Tari Jr, children of Lincoln's future wife, Tari (Meta Runner. Echo Claythorne, daughter of Lincoln's future wife, Evelyn Claythorne. and Charlotte Nanami, daughter of Lincoln's future wife, Chiaki Nanami. Lincoln woke up from the dream, but he wasn't the only one, Maria Robotnik, Tari (Meta Runner), Evelyn Claythorne, Chiaki Nanami, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Maria Robotnik: And it also means that we found out where our kids are at.

Me: They're at Manila.

Nico: The Capital of the Philippines? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Maria Robotnik, Tari (Meta Runner), Evelyn Claythorne, Chiaki Nanami, Black Alpha, Me, and Nico were heading to Manila. Then, Lincoln saw a beautiful yet frail young 14 years old girl who has pale peach skin, blue eyes, and wavy shoulder-length platinum blonde hair with blue headband. She wears a dark blue puffy-sleeved t-shirt with orange trims, orange knee-length dress with long sleeves, and dark blue ballet flats. A 14 years old boy who has fair skin, blue eyes, and short blue hair with white stripes. He wears blue armor suit with black stripes and has fifteen blue removable speaker-like components attached to his body and a black marking on his back. A 12 years old who has fair skin, blue eyes, and short white hair with blue stripes. She also has a left mechanical arm. She wears a blue and white hooded jacket over a blue turtleneck shirt, brown khaki pants, white and blue socks, and blue and white sneakers. A 13 years old who has fair skin, green eyes, and long pink and white hair. She also has a right mechanical arm. She wears black and grey overall dress, gray stockings, and white mary jane flats. And a 13 years old young girl who has fair skin, blossom pink eyes, and short dusty pink and white hair. She wears white button-up shirt with light pink ribbon tied around her neck in a bow, dark teal-gray hooded cardigan with pointed ears on the top and two pink eye-like markings on the front resembling a cat, pale beige pleated skirt, black thigh-high socks, and light pink Mary-Jane flat shoes with white soles. Lincoln saw who they were, they were Maria Robotnik Jr, 8-Bit, Tari Jr, Echo Claythorne, and Charlotte Nanami.

Lincoln: Excuse me, are you Maria Jr, 8-Bit, Tari Jr, Echo and Charlotte?

8-Bit: (Robotic Tone) Indeed. Identify yourselves?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Maria Robotnik, Tari (Meta Runner), Evelyn Claythorne, and Chiaki Nanami came out, and when Maria Robotnik Jr, 8-Bit, Tari Jr, Echo Claythorne, and Charlotte Nanami saw them, they were stunned.

Charlotte Nanami: Mother?

Chiaki Nanami: I'm here, sweetie.

Maria Robotnik Jr, 8-Bit, Tari Jr, Echo Claythorne, and Charlotte Nanami ran up to Maria Robotnik, Tari (Meta Runner), Evelyn Claythorne, and Chiaki Nanami, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Maria, Tari, Evelyn, Chiaki, your mothers are one of my many future wives.

Maria Robotnik Jr, 8-Bit, Tari Jr, Echo Claythorne, and Chiaki Nanami: Does that mean...you're our father?

Lincoln: (smiled) What else I wouldn't be?

That filled Maria Robotnik Jr, Tari Jr, Echo Claythorne, and Charlotte Nanami with joy, while 8-Bit remain emotionless, but he glad to hear it, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Maria Robotnik Jr, 8-Bit, Tari Jr, Echo Claythorne, and Charlotte Nanami to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Maria Robotnik, Tari (Meta Runner), Evelyn Claythorne, and Chiaki Nanami with their kids, and Maria Robotnik Jr, 8-Bit, Tari Jr, Echo Claythorne, and Charlotte Nanami now has a loving, strong, brave, and caring father in their life. We went back to sleep.

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem, and he had a dream and it took him to New York, but as he was flying, he saw what looked like Andre Lupescu, but he was dressed in a black shirt, white jacket, black jeans, and black knee-high boots, and he saw him heading to an old mansion in Brooklyn: he found out this was a memory of his.

Lincoln: A memory of Andre Lupescu's? Hmm.

Lincoln followed, and he saw Andre Lupescu about to head in.

Past Andre Lupescu: Sam..., Max..., just what were you two investigating here?

Lincoln saw Andre Lupescu step into the mansion with a flashlight in hand, and he looked around at the empty mansion.

Past Andre Lupescu: They were here in the old Rochester Mansion?! This place is a death trap and it has a haunted reputation.

Suddenly, behind him, a girl around twelve years old and was dressed in fancy clothes from the 1920s appeared behind him out of nowhere, but as he turned, nothing was there: he knew from his family's bloodline that he'd seen a ghost. Lincoln saw that Andre Lupescu travelled through every room of the mansion, and he had the Camera Obscura, the ones we'd gotten last year, and everywhere Andre Lupescu went, he was looking for clues, and throughout his journey, he also began finding out about the mansion's past, and he'd also encountered the violent ghosts of the mansion's past and he used the Camera to capture the violent spirits, and then, he encountered the powerful hostile spirit of a girl around his age dressed in a fancy dress and dress shoes from the 1920s, but he saw a very dark presence around her: it was The Malice, the dark force that dwelled in The Hell Gate at Himuro Mansion.

The girl's name was Rochelle Rochester, the daughter of a wealthy tycoon with businesses all over the city and a successful nurse and she's the heiress of the family's vast fortune. But, the family had a dark secret: the mansion was built was over a gate to the depths of Hell, and they'd angered the dark spirits by doing so, and some of the members sought to placate them...with human sacrifice. On the night of October 24th, 1929, around the time of The Stock Market Crash and the beginning of The Great Depression, the members of the family murdered Rochelle's parents and they sacrificed Rochelle in a sacrificial ritual. But, it failed as the darkness was unleashed on the mansion, and 1,347 souls, all of them members of The Rochester family were lost, the surviving members went mad and killed those who also survived before killing themselves, and Rochelle's spirit was possessed by The Malice and she transformed into a vengeful spirit, and that darkness also brought back the souls of the dead and turned them into vengeful spirits.

Andre also found out that any who step foot into the mansion are murdered in the same way she was and they too are also brought back as vengeful spirits and the mansion remained abandoned for decades. He used the Camera Obscura on the violent spirit of Rochelle Rochester, but she was able to survive its exorcism powers, but then, the ghost of the little girl appeared who gave him a mirror.

Past Andre Lupescu: It's the mirror, the family's mirror!

Andre Lupescu grabbed the mirror and placed it in the pedestal and it glowed with bright light, but as the violent spirit of Rochelle Rochester got close, the mirror fires a blast of holy light that hits her, and she was purified completely, and Sam and Max were alright.

Past Sam (Sam & Max): (Harvey Atkin Voice) I think we're gonna have nightmares for a week.

Past Max (Sam & Max): (Robert Tinkler Voice) Same here, but worth it.

Past Andre Lupescu: Sam, Max, thank goodness.

Rochelle Rochester looked at her hands, realizing what she did. Then, the ghost of the little girl appeared: Andre saw she was dressed in the same clothes as Rochelle, this was her humanity, her desire to protect everyone from the evil. Then, her child self merged with her, and she closed the gates.

Rochelle Rochester: My family made the mistake of building the mansion on top of the gate, and we paid a heavy price for it. Leave the gate to me, the rest of you, hurry and escape.

Past Max (Sam & Max): (Robert Tinkler Voice) Don't got to tell us twice!

Past Andre Lupescu: But, what about you?

Rochelle Rochester: I have to stay, the gate cannot be allowed to open again. Don't worry about me, you must go.

Suddenly, the place felt like it was gonna collapse.

Past Andre Lupescu: We need to go, if we don't get out, the place is gonna collapse.

Past Sam (Sam & Max): (Harvey Atkin Voice) Right.

Andre Lupescu, Sam, and Max escaped the mansion, and the underground chamber collapsed, and they got out of the mansion in time, and were walking home. But then, they saw lights coming out of the building.

Past Andre Lupescu: Look, the souls of the rest of the family and the modern day victims are going back to where they belong.

Past Sam (Sam & Max): (Harvey Atkin Voice) It needed to be done. Rochelle wanted to live her life, but that life was cut short because of what the other relatives did during the Stock Market Crash of 1929. Now, her soul must remain there keeping the gate sealed for eternity, she had to sacrifice all of her dreams.

Past Max (Sam & Max): (Robert Tinkler Voice) While all these souls may rest in peace, her soul will always suffer.

Past Andre Lupescu: The dead may have been given the eternal rest they deserve, but Rochelle's soul will suffer forever...and ever.

They continued to watch the souls of the dead return to the beyond to rest eternally, and Lincoln saw everything. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just saw a memory of Andre's past.

Lincoln told them, and when he was done, they were stunned.

Camie Nicholetta: The old Rochester Mansion, I knew that place was haunted, but still.

Darcy Westbrook: Andre ended the mansion's curse, but Rochelle's suffering would last forever.

Lincoln: Andre's gonna notice I saw his dream, and the others are gonna ask about it in the morning, but we got be careful. This is very sensitive to Andre, he still carries the nightmares of that night long ago.

Lincoln and his harem and kids went back to sleep. Then, morning came,

Me and Sunset Shimmer went down to the surface to get some groceries for breakfast. It was REALLY RAINING outside. I was dressed in my rain gear and had my rain coat and galoshes on.

Me: Boy it sure is raining cats and dogs isn't it?

Sunset Shimmer: You said it.

Me: At least it's not like when you ran to school and everyone had the Monday blues.

Sunset laughed.

Sunset Shimmer: That is true.

We heard a scream followed by baby crying!

Me: Whoa!

We went over and saw 3 people. One was a girl with blond hair and had bandages on her eyes and had torn up blue clothes and there was a little girl with blond hair and had torn up green clothes and the last one was a little baby. We saw that the older girl fell through a manhole cover and was holding on!

We helped the girl out and saw that they were seriously hurt and starving.

Me: Oh you poor girls!

Sunset Shimmer: You must've gone through a nightmare! Lets get you to our infirmary to help you.

Older girl: (Weakly) Thank you.

Me: What happened?

Older Girl: (Crying) Our mother kicked us out!

Me: What!? Why?

Older Girl: Because she is insane! She kicked us out and told us to die in the streets!

Me: Oh man! We'll get you to the estate. But what are your names?

Natalia: I'm Natalia and these are my sisters Vicky and Lori.

Me: Pleasure. J.D. Knudson.

Sunset Shimmer: Sunset Shimmer.

Vicky: Oh wow! You're our heroes!

Me: Lets get you to the estate.

We went home.

Nico and everyone got up!

We came in.

Me: GUYS! CODE BLUE!

Varie: (GASP) Oh my god! Lets get them help!

We got them to the Infirmary. We found out that they were close to death and Natalia's mother slashed out Natalia's eyes and destroyed them in a schizophrenic episode and blinded her forever. But they are gonna be fine. They got good food.

Nico: Ok, what the Hell is going on right now?!

Me: Ugly story! We were walking back with the groceries.

I told them everything and it was crazy!

NICO GASPED!

Varie: That insane woman! I'll have the asylum get her.

Nico: Okay.

Qin: Yeah!

Varie: They will be okay thankfully.

Sunset Shimmer: And I decided I'm going to adopt all three of them.

Me: WHOA! That's really noble of you Sunset.

Xenia: I agree.

Natalia and Vicky hugged her and cried.

Erza woke up to see Mega Aegislash staring at her

Mega Aegislash: Morning Erza!

Erza: Morning Mega Aegislash.

She got up and was naked as a jaybird.

Mega Aegislash: (Blushes) Uh you sleep naked?

Erza: I do. Don't tell anyone in Fairy Tail.

Mega Aegislash: I won't. Time for breakfast.

She went and got dressed and went to the table.

And Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something you should know. Last night, I had a dream and it took me to one of Andre's dreams in New York.

Then, after Lincoln got done explaining, we were stunned, and Sam, Max, The Geek, and Andre Lupescu were shocked.

Andre Lupescu: I never thought that one of my memories of the past would be found out that easily. But, you guys deserve to know what happened. A few years ago, Sam and Max heard about the dark happenings at Rochester Mansion, and they went there to investigate the mansion, but then, they suddenly went missing. Two weeks had passed since I'd last heard from them, and The Geek told me they were at Rochester Mansion, and I knew about the dark legends about the old mansion. So, I had to go to the mansion and get them out. While there, I began finding out more about the mansion's dark past and found the diaries and journals belonging to the Rochester family, and I found out more about the mansion's construction, and it was over a gate to the Netherworld.

Sam (Sam & Max): (Harvey Atkin Voice) And the mansion's construction caused the dark spirits to be disturbed, and that's what led to this whole nightmare.

Max (Sam & Max): (Robert Tinkler Voice) Yep, and Rochelle wound up becoming a vengeful ghost who wanted to make others suffer her same pain. Andre put an end to the curse and purified Rochelle Rochester and freed the spirits of the other dead members.

Andre Lupescu: But, Rochelle stayed behind to keep the gate closed forever.

Lincoln: Just like with the case of Kirie Himuro in Himuro Mansion.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Don Armage from Kyurangers.

Eli: Oh, you've got to be kidding me! Don Armage is back?!

Lincoln: Anti-Monitor's sent him, no doubt. Well, it's time we got rid of him once and for all. Alright, now let's finish breakfast so we can meet with Renee Ankylo's parents, and get rid of Don Armage for good.

Nico: Right.

We finished breakfast and we headed out to meet Renee Ankylo's parents and help Sonata Dusk, Aria Blaze, and

Poliwag: Aw man! I wanted to see Nico's brains get blown out!

Me: Poliwag!

Poliwag: Sorry.

Renee Ankylo: You guys are going to love meeting my parents.

Me: Cool.

Nico: Gravity Antonion, I want to thank you, Jin, and your teams for coming.

Gravity Antonioon: No problem Nico. This is gonna be so fun and cool.

Renee Ankylo: I'm glad I can be included in a group for this.

Me: We are too.

Qin: Yeah this is gonna be fun.

Nico: Okay. I'm just going to see your parents. No pressure. Right?

Renee Ankylo: Yep. Don't worry I told my mom and dad about what went down and we just need to confirm it.

Me: Okay we'll tell them.

Qin: Yep.

Lola: Yeah.

Nicole: Also you guys are going to love meeting them. Renee's parents are also colleagues of mine and are also paleontologists and geologists. They found all kinds of amazing dinosaurs and minerals and rocks for museums all over the world.

Nico: Wow! I didn't know that.

Me: Me neither.

Qin: That is cool!

Poromon: You'll need to wear this for confidence.

Poromon helped Nico put on a shirt with the Target Logo.

Nico: Thanks.

Poromon: No problem.

Me: Nico that's a Target Shirt. Poromon what are you trying to do? Have Nico killed for real? Not cool!

Poromon: He can heal. And he has to face this like a man

Me: Yes you're right I did say that.

Nico: Also yes I'm going to face this.

Me: Good.

Nico: Yep.

Me: But man yesterday was awesome.

Nico: It sure was! Wow!

Maria: Hulk and She-Hulk and Betty are now rid of David Banner for good.

Qin: They sure are.

Me: That fucked up lunatic had it coming!

Hulk: Hulk is happy.

Me: We are too big guy.

Qin: Yep.

Lola: Also J.D. that was REALLY FUNNY how you fought Betty's Akuma!

Qin: (LAUGHS) Yeah that was awesome!

Me: Yeah it was! I've been wanting to do all that for a while as a matador!

Nico: Yeah! OLE!

Me: That was funny!

Betty: My Akuma sure was angry

Me: That is an understatement! She was INTENSELY PISSED!

Nico: No kidding!

Lori: Yeah and also we literally saw that May is pregnant.

May is in the hoverchair with Pickle and Barley Barrel by her.

May: Yeah I sure am.

Manaphy: Yay mama!

Xenia: Awesome.

Me: We'll have a baby shower tomorrow for the next rescue.

Nico: Good idea.

May: Yeah!

Qin: Yep.

Renee Ankylo: We're here.

We arrived at Renee's mansion and it was amazing!

Me: WHOA!

We saw that it was a huge and beautiful mansion and the garden was magnificent!

Me: WHOA! Renee our house is amazing!

Lola: It sure is!

Renee Ankylo: Yeah my family is rich and famous too.

Camie: It sure is something.

Ymir: I agree.

We walked up to the door.

Horsea: Ready, Nico?

Nico: Can J.D.'s farts kill me?

Me: (Offended) HEY!

Nico: Sorry.

Horsea: But okay then.

Eddy pummeled the door with a shovel.

WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM!

DING DONG! DING DONG! AIR HORN HONK! DING DONG! DING DONG! DING DONG!

Answering the door was the butler.

Butler: Yes?

Renee Ankylo: Hello Jenkins.

Jenkins: Ah why Ms. Ankylo. Welcome home.

Renee Ankylo: Are mom and dad home?

Jenkins: Right this way everyone.

We went in and the house was amazing!

Me: Wow! Renee your house is beautiful.

Renee Ankylo: It sure is.

In the living room we saw Renee's parents and her three little brothers.

Jenkins: Renee is home and Team Loud Phoenix Storm is with her.

Renee Ankylo: Hello mom and dad and hey bros.

Gideon Ankylo: Well hello princess!

Irena Ankylo: Welcome home!

Renee Ankylo: Glad to be here. Guys this is my mom and dad Gideon and Irena and these are my three little brothers Edmund, Nate and Noah.

Edmund Ankylo: It's awesome to meet you all.

Me: Pleasure is ours.

Poromon: Here's the man of the hour!

Nico: Hello again Mr. And Mrs. Ankylo.

Nicole: And it's good to see you both again.

Irena: You too Nicole.

We got to sitting down and told them everything.

Me: Yes Nico's date with Renee went wrong because of this.

I showed them the operation on a holographic article.

Irena: Oh my.

Edmund: Wow! That was intense.

Me: It was.

Gideon: That operation was crazy.

Me: I know. We were amazed ourselves too. It lasted well into the night hence why Nico wasn't there for her.

Poromon: Your target is on the center of Nico's shirt

Me: Poromon!

Poromon: Sorry.

Me: That's not necessary.

Gideon: Besides after seeing what went down back then we forgave Nico.

Me: Good.

Edmund: But how about this then?

KRASMASH!

They punched Nico in the target!

Poliwag: That works!

Me: Ouch.

Nico: (Groans) Ouch okay I deserve that. I'm glad that we settled that.

Me: Yeah.

Renee Ankylo: Thanks guys.

We had a nice talk.

Lincoln: Okay, guys, we're in for one intense battle, we're here to help Sonata Dusk, Aria Blaze, and Adagio Dazzle unlock their Rainbow Powers, and just as we saw this morning, we're here to battle and destroy Don Armage and send him to The Black Abyss forever.

The rest of the team's with us.

Me: I can't believe that monster's back.

Nico: It's been years since we sent him to The Warp, and now, we can see to it he gets sent to The Black Abyss forever.

Lincoln: That's for sure, we'll make sure he never rises again to hurt another innocent soul, his time here is up.

Eli: He's gonna regret coming back from the dead.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold

rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold

Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Don Armage) AHA! There you are, you bastard! I just spotted Don Armage, he's 20 yards away, but he's got his troops mobilized and they're coming for us.

Nico: Let's tear them apart!

Me: Along with his grunts!

We went outside of Renee's house.

Captain America hard a Pokemon Cry.

Captain America: Look guys.

We saw a Braviary.

Me: Cool! A Braviary.

Nico: Perfect for you.

Me: I was about to say the same thing Steve,

Captain America: Yeah.

Braviary: I agree, I'm starving.

Captain America gave her apples.

Braviary: Ooh thanks.

She ate them.

Braviary: Ahh.

Me: Want to come with us?

Braviary: I would be honored.

Me: Awesome.

Poromon: Great!

Me: Yeah!

Maria: Awesome!

But then...

HOING!

Maria got her underwear pulled up and over her head!

Maria: HEY!

Horsea: Maria!

Maria pulled her underwear off her.

Maria: Whew. OKAY WHO DID THAT!?

Me: Wasn't me!

Nico: Me neither!

Qin: Yeah!

Me: OKAY WHO IS THE WISEASS!?

Lola: LOOK!

We saw a Mismagius!

Me: WHOA! A Mismagius!

And it was laughing.

Nico: You think you're funny?!

Maria: Give me a wedgie will ya!?

Star Strike: I wonder.

She used Telepathy and gasped!

Star Strike: It's my friend Sapphire Starstrike! She's an amazing master of the fan and the scythe and stars.

Me: WHOA! Cool!

Horsea then threw a bunch of beer bottles and smashed Mismagius all over!

SMASH SMASH SMASH SMASH SMASH SMASH!

Mismagius was really dizzy from that.

Star Strike: SHOOT FOR THE STARS!

Me and Star Strike went over.

Star Strike: Sapphire it's me Star Strike!

She used Dark Pulse on Horsea but she put her clone in front of her

KRABBBBBBBBOOOOOOOOOOOOMMM!

The Clone really felt that!

Me: Ouch! Okay then.

I fired waves of stars and blasted her and Star Strike did the same!

We blasted her down.

I snapped my fingers and she reverted back and was a girl with purple hair and had dark green blue eyes and had blue and pinkish purple wings and had Mismagius on her forehead and had a cutie mark that looked like a star and phoenix on her arm.

We wrapped her in a blanket and brought her over.

Me: There.

She woke up to see Horsea's smiling face but also Maria's stern face.

Sapphire Starstrike: (Groans) Huh? A Horsea?

Horsea: You hit my clone.

Maria: But you gave me a wedgie!

Nico: Easy guys.

Star Strike: It's okay guys.

Sapphire Starstrike: Star Strike!

She hugged her.

Sapphire Starstrike: I'm glad to see you.

Star Strike: Same here.

Me: You were turned into a Mismagius by Dark Gale.

Sapphire Starstrike: (GASP) I remember!

She was in a purple suit and injected and then turned into Mismagius! She blasted the base and flew out.

FLASHBACK ENDS

Sapphire Starstrike: That was awful.

Me: I know but we destroyed Dark Gale forever.

Sapphire Starstrike: Good.

Star Strike: Me and Sapphire were a very amazing team. We battled a lot of Kaos's forces to protect all of the Cloudbreak Islands and the 4 elementals from him.

Me: That is cool!

Qin: It sure is.

Sapphire Starstrike: Yeah. I am the fan master and star mage of Sonya's team and outside the team I work to protect Skylands from Kaos.

Me: Wow that is awesome.

Nico: It sure is.

Sapphire Starstrike: Yeah.

Horsea: Don't hit Maria again.

Sapphire Starstrike: I won't.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her an amazing purple dress and a phoenix flame fan and a star scythe.

Sapphire Starstrike: I look amazing.

Me: You sure do.

Camie: Yeah.

Ymir: Cool.

Horsea: I'm just glad I wasn't given a wedgie

Nico: No kidding. Now to go after Don Armage

We then took off into the air to help Sonata Dusk, Aria Blaze, and Adagio Dazzle unlock their Rainbow Powers, and destroy Don Armage and send him to The Black Abyss forever.

We were flying in the air, and then, we saw our target: Don Armage, and he has a massive army of Indavers and Tsuyoindavers.

Nico: There he is!

But, then we spotted a clone of Don Armage himself, along with clones of Don Arkage, Tecchu, Akyanba, Kukuruga, Eriedrone, Scorpio, Magera, Thunderbird, Wunjet, Jumotsu, Desgon, Madakko, Gloven, Southern King, Gyabler, Dogyun, Dr. Anton (evil), Gamettsui, Moretsuyoindaver, Yumepakkun, Denvil, Toome, Mamoritsuyoindaver, Megatsuyoindaver, Meshiubaindaver, Metchatsuyoindaver, Mutchatsuyoindaver, Mothma, Mondomuyoindaver, Yuterujan, Goneshi, Shaidos, Olmega, Manavil, Mediatsuyoindaver, Microtsuyoindaver, Mika Retsu, Seitokaichoindaver, Kyotoindaver,Kochoindaver, Geth Indaver, Ommo Indaver, Kaal Indaver, Ikargen, Deathworm, Metal Deathworm, Bossworm, Jark Sentai GoIndaver, Cow-Type All-Purpose Weapon Zero, Aslan (impostor), and Quervo.

Me: What the?!

Lincoln: Clones of the Jark Matter organization?! It's been a while since I've absorbed clones. Time for the feast to begin.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers, and he stabbed them into the chests of the clones of Don Armage, Don Arkage, Tecchu, Akyanba, Kukuruga, Eriedrone, Scorpio, Magera, Thunderbird, Wunjet, Jumotsu, Desgon, Madakko, Gloven, Southern King, Gyabler, Dogyun, Dr. Anton (evil), Gamettsui, Moretsuyoindaver, Yumepakkun, Denvil, Toome, Mamoritsuyoindaver, Megatsuyoindaver, Meshiubaindaver, Metchatsuyoindaver, Mutchatsuyoindaver, Mothma, Mondomuyoindaver, Yuterujan, Goneshi, Shaidos, Olmega, Manavil, Mediatsuyoindaver, Microtsuyoindaver, Mika Retsu, Seitokaichoindaver, Kyotoindaver,Kochoindaver, Geth Indaver, Ommo Indaver, Kaal Indaver, Ikargen, Deathworm, Metal Deathworm, Bossworm, Jark Sentai GoIndaver, Cow-Type All-Purpose Weapon Zero, Aslan (impostor), and Quervo, and one by one, he began absorbing them and assimilating all their powers, strengths, skills, abilities, and weapons, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of them and Lincoln drained their souls of energy and sent them to The Black Abyss and he pounded his chest like a gorilla.

Nico: Been a while since you absorbed clones of our enemies. Now, then, let the show begin.

Suddenly, the spirits of The Kyurangers appeared and they attacked Don Armage and his massive army of Indavers and Tsuyoindavers which got destroyed, and then, the spirits converged, and a massive explosion erupted, and a Thunderbird Screech, Phoenix Cry, and Wolf Howl were heard as we appeared, and that pissed Don Armage off.

Me: Been a while, Don Armage.

Nico: You got some nerve showing up once again, I thought we were done with you for good, and since you have no

Monitor Orb in your forehead, I can guess Anti-Monitor didn't bring you back.

Don Armage: He saw me as a nuisance, but a man brought me back from the dead, he promised me the entire galaxy if I destroyed you all.

Lincoln: (GROWLS) Dark Chase Young! Damn him, he just pissed me off for the last time!

Me: Damn that monster! He just can't stop pissing us off!

I teleported and punched Don Armage and he was knocked to the ground and holding his face in pain!

Me: And Don Armage, your luck has FINALLY RUN OUT!

Don Armage: Come at me!

Me: With pleasure!

I teleported and kicked him in his stomach and punched him in his face and knocked him down!

Braviary charged at him and blasted him with energy.

Me: Is for turning Naga into an Emotion Filled maniac that almost got him killed!

Naga punched him!

POW!

Naga: (Monotonously) You almost got me killed.

Me: YEAH!

Qin: But you don't care!

Me: You just want to see people suffer! So many people died because of you!

I fired a massive energy blast and blasted him intensely!

Crash Bandicoot went after Don Armage, Neo Cortex (Crash Bandicoot), along with N. Gin, N. Brio, Dingodile, Tiny Tiger, Koala Kong, and Pinstripe Potoroo, and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels which hit them and exploded with such incredible power as they hit her, and he slashed at them with his massive greatsword leaving scars on them and they also got hit hard as Crash Bandicoot fired blasts of fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit on them. Then, he struck them with some hard punches and kicks, and he even used some wrestling moves on them, and they were pretty beaten up and banged up bad.

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Inside a rainbow sphere with intense flames and elemental forces, Adagio Dazzle, Sonata Dusk, and Aria Blaze then underwent an intense and amazing transformation! Lincoln got out 900 SEPTILLION massive industrial-sized cans of spinach, and he opened them up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CANS OF SPINACH!

Me: OH CRAP! ONE MASSIVE INDUSTRIAL-SIZED CAN OF SPINACH WAS ENOUGH TO MAKE LINCOLN STRONGER THAN EVER, BUT DEVOURING 900 SEPTILLION MASSIVE INDUSTRIAL-SIZED CANS OF SPINACH, THAT MEANS...!

Nico: OH CRUD, THIS IS WHERE IT GETS REALLY UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar and he pounded his chest like a gorilla.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Don Armage even angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed

with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Don Armage, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Don Armage, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Don Armage hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Don Armage was on his last legs and he was really really mangled.

Suddenly, The Mark of Crom on Don Armage's stomach began to glow, and he convulsed in a lot of pain: this was the final stage of the curse. Finally, Don Armage's eyes turned black and he burst into flames and as his spirit was sent to The Black Abyss, his ashes were blown away in the winds.

We cheered as we holstered our weapons and powered down, and Crash Bandicoot's new body, clothes, weapons, jewelry, accessories, Third Eye, long orange tail with phoenix feathers on it, 28th Century backpack, large gold halo and large gold Yata no Kagami mirror behind the large gold halo behind his head and four large orbiting gold rings on each corner and four large gold Yata no Kagami mirrors behind the four large orbiting gold rings, large 105 colored planets orbiting around his legs, 105 smaller colored planets orbiting around his waist, smaller planets orbiting his fingers, medium sized colored planets orbiting around his wrists and ankles, and massive red angel wings and 104 sets of large red angel wings underneath his massive red angel wings are permanent.

Nico: And that is that for Don Armage for good!

Me: Good riddance! But, you know what this means: the main villains we'd fought against long ago when Mr. Mind was recruiting members for Team Dark Phoenix Storm minus Kurata who's been sent to The Black Abyss along with Sergio are being freed one by one by Dark Chase Young from The Warp and they all want revenge on us.

Eli: That goddamn draconic son of a bitch!

Lincoln: He's gonna regret this big time.

?: That's for sure.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair, green eyes, tanned skin, orange clothes, black knee-high boots, she has the logo of Beastmaster on her forehead, right arm, and skirt, green angel wings, and she has a nature greatsword in hand.

Lincoln: (GASPS) Dara, Avatar and Embodiment of Beastmaster.

Me: Whoa, the Avatar and Embodiment of Beastmaster from 1982, so awesome, and you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do all of us. Everyone, this is Dara, Avatar and Embodiment of Beastmaster, she's Lincoln's Guardian Angel from the world of Beastmaster, and she's a powerful master of the sword, animals, nature, plants, and leaves, and she was born with green angel wings, superhuman strength, omnipotent power, immortality, Omnipotence, and Omniscience, and she's also a natural born fighter and no one was able to defeat her in battle and she's a master of the jungle and all the animals of the Animal Kingdom. She's also the descendant of Dar and also has all of his skills and abilities as well. She's part of The Avatars of Fantasy, a group of Guardian Angels who embody the worlds of fantasy and movies, and she met Lincoln long ago, and she taught him how to master the sword, animals, nature, plants, leaves, superhuman strength, omnipotent power, immortality, Omnipotence, Omniscience, and the powers of Dar, and over time, Lincoln became a master of the swords, and he also gained the powers of nature, plants, leaves, animals, superhuman strength, omnipotent power, Omnipotence, Omniscience, and the powers of Dar, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also taught him how to care for animals of all kinds and how to take advantage of the jungle's natural resources, along with tons of powerful fighting techniques. Lincoln made her a powerful greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, and she swore to kill all of Lincoln's most dangerous enemies by throwing them into a pit of tigers to be ripped apart.

Me: So awesome. Your ancestor is a known animal tamer and a master of the jungle, and he also fought against the underlings of the evil wizard, Maax.

Dara: That's right, and I hated that evil wizard and his underlings for what they've done.

Fluttershy: You also have the power to care for animals as well, that's amazing.

Lincoln: Yep, she's an animal charmer and she taught me everything she knew about how to care for animals and how to take advantage of the jungle's natural environment and resources when it comes to dealing with villains.

Dara: Yep, and it's good to see you again, Lincoln, and wow, you've really grown.

Suddenly, Dara had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Dara was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) Now..., that was something I hadn't forgotten.

Dara: Same here.

Lincoln wrapped his abnormally massive and muscular arms around Dara's waist and hugged her, and Dara is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Dara: You have indeed, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no

Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew.

Lincoln: Yep, and now that you're here, Dara.

Suddenly, Lincoln pinned Dara down to the floor with him on top of her, and with his massive muscular arms still wrapped around her waist, he leaned his head down her face and he kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, he leaned his head to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins

formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Dara with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Dara: Well, I'll be, the sweet little boy has indeed grown up to be quite the tough, strong, and rugged manly warrior. (Rubs Lincoln's massive pecs) And you're still quite the charmer as always, and I wonder, if you're also a dominant alpha male in the bedroom.

Lincoln: (Thinking) Dara, better be careful what you wish for.

Nico: Don Armage and Jark Matter you have failed this entire universe!

Lucky: We will take back the Galaxy!

Me: And we just did!

The Kyurangers cheered wildly!

Me: Noe we've seen the last of your big baddy Lucky!

Lucky: LUCKY! Yeah we did!

Nico: Nice job, Braviary!

Braviary: Thanks Nico! That was fun!

Me: It sure was!

Poromon: Want some beer?

Braviary: Oh no thanks. Got any whiskey?

Me: Ooh like it strong.

I gave her a glass of whiskey.

Poromon: Whiskey is just as good.

She drank it and got drunk.

Poliwag: Sing the ABC's!

Braviary: (Drunk and burping) BAHDJWMQLHORENWWKHFEBYNAHAUD!

WE LAUGHED HYSTERICALLY!

Me: YEAH!

I reverted her back.

Me: Funny!

Izzy Moonbow: How about I treat all of you guys to the Bridlewood Spog later today?

NIco: Sure.

Me: I could use some R&R there.

Qin: Me too.

Camie: Yeah.

Nico: Oh, Gravity Antonion, what do you like to do in your free time?

Gravity Antonion: Oh I like giving skydiving lessons. I'm an indoor skydiving instructor.

Me: COOL! Love skydiving.

Tommy Oliver: Me too! That was so fun doing that!

Kimberly: It sure was!

Me: I'll never forget seeing you guys skydive like that. That was awesome!

Billy Cranston: It sure was.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Erza Scarlet.

Lincoln: Today's Erza's big day, and I wonder who we're going to face on Fiore.

Me: That is a good question.

Erza: Another me? This will be interesting.

Nicole: I have a feeling a Certain Super Pervert is going to be watching this.

Nico: What makes you say that?

Nicole: Call it instinct or intuition.

Nico: There they are!

Me: Wait! We haven't said who is up first.

Nico: Oops sorry.

Me: So we got Another Demon-Fist Master Jin Matoba, The Owl (One Night at Flumpty's) (X-Squad Universe), Wolfy Kids (X-Squad Universe), Kohrak, Belowski and Sun Dragon Inti.

Nico: Yep.

Me: That means Gravity Antonion, Renee Ankylo, Jiadha Silphy, Gia Gusto, Iris Kaze and Vicki Ann Vermilli are up.

Qin: That's right.

Nico: Yep. Okay now they are here!

We saw Another The Owl (One Night at Flumpty's) (X-Squad Universe), Wolfy Kids (X-Squad Universe), Kohrak, Belowski and Sun Dragon Inti!

Me: WHOA! This is gonna be good

They reverted back and we saw that they were all girls with black hair and grey clothes and were the gene-slammers of all the Cyber Dragon Monsters!

Nico: (GASP) The Cybera Sisters!

Callie Cybera: Good to see you Nico.

Me: HOLY COW!

Nico introduced us to Callie the Cyber Dragon gene-slammer and her many sisters.

Me: WHOA! Awesome to meet you girls and the gene-slammers of all the Cyber Dragon Monsters! That is amazing!

Xenia: That is awesome!

Qin: Yeah!

Me: By the way girls are the rest of the Anothers friendly or hostile?

Brenda Cybera: Friendly and the Another Erza is gonna send you guys nosebleed rocket launch style.

Me: Uh oh! Don't tell me, she's naked as a jaybird.

Brenda Cybera: Yep!

Nicole: Oh boy. Jiraiya better not be watching in the trees or else.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

Raise the rock

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: Time for Backup! (TURNS DIAL) GORILLA MAYHEM 6!

She summoned Gorilla Man (Marvel), Dr. Animo (Future), Hargut, Lego Grodd, Giant Gorilla (CTCD), and Gorimondo!

Nico: And now we wait.

I put on my blind man glasses.

Me: Just in case.

Then out came Another Demon-Fist Master Jin Matoba and Erza Scarlet!

The boys put on their blind man glasses too.

Me: There they are.

Nico: Yep.

Another Jin: (In a girls voice) This will be fun.

She reverted back and was the gene-slammer of Cyber End Dragon!

Nico: Alice Cybera!

Alice Cybera: Good to see you Nico.

Me: Cyber End Dragon's gene-slammer! Cool!

Alice Cybera: Yep and you guys met my sisters too.

Me: We sure did.

Alice Cybera: Cool and also I have all of Jin's moves and powers.

Jin Matoba: Amazing!

Nico: Who's your friend?

Another Erza: Someone who loves her sister.

Erza gasped and she reverted back and it was a blue hair version of her but she was naked and had Blue angel wings and had the symbol of the Alvarez Empire guild on her leg.

Erza: Sapphra!

Erza went and hugged her.

But then we heard pervert laughter and Nicole saw Jiraiya in a tree!

Nicole: You motherfucker sneak!

She fired an energy blast and it hit the tree and exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

It blasted him back to the Leaf!

TING!

Nico: You know you're naked, right?

Sapphra: Yes because my clothes were destroyed when I turned into Another Erza.

Sakura Knudson: That is unusual.

Erza wrapped her in a blanket.

Erza: Sapphra is my sister and I thought she was dead when I was captured.

Me: Oh man!

Kaito: (gets out Boonboomger gear) Did Swartz promise you anything?

Zocks: (Gets out King Ohger gear) Because we can grant it instead,

They got weapons from said teams.

Alice Cybera: No he didn't because Sapphra sent him flying with a massive nosebleed after shoving his face between her breasts and he crashed into the wall and we ran.

Me: That is silly!

Xenia: Yeah!

Sakura Knudson: Swartz had a NASTY habit of being a pervert too.

Nicole: Thank goodness we killed him or I would have done the deed myself back then.

Sakura Knudson: Yeah. Also I found a bunch of bikini girl magazines under his mattress and saw it myself.

Me: Thank goodness Swartz is dead.

Sougo: (gets out Boonboomger Ridewatch) You need to put on clothes

Geiz: (Gets out King Ohger Ridewatch) Or Nicole will be pissed

Sougo got BunRedArmor while Geiz got KuwagataOhgerArmor

Nicole: I'm already pissed at Swartz but he is dead.

Me: Good.

Rarity: Let us get you some new clothes darling.

The Fashion Brigade gave her clothes like Erza's casual clothes except they were green.

Sapphra: I look awesome.

Me: You sure do.

Qin: Yep.

Nico: Lets separate you girls.

We did .

Me: Yeah! Now for the fun!

Nico: (Gets out Jin Matoba's ridewatch) I will have my revenge!

May: I may be pregnant but I can still do this. (Gets out Wolfy Kids ridewatch) AWWWWOOOOOOOO!

Universe 666 May: (Gets out Kohrak's ridewatch) Time to freeze!

Maria: (Gets out Belowski's ridewatch) Time for some pain!

Renee Ankylo: (Gets out The Owl's ridewatch) (OWL HOOTS)

They used the powers of Demon-Fist Master Jin Matoba, The Owl (One Night at Flumpty's) (X-Squad Universe), Wolfy Kids (X-Squad Universe), Kohrak, Belowski and Sun Dragon Inti and blasted the Anothers.

Nico: Take that!

Then Zutho (Tarzan), Sayu, Lightning Fist, McWolf (Tex Avery Northwest Hounded Police), Dark Tara and Bone Killer came.

Me: WHOA!

Tarzan: Zutho!

Zutho: Nice to see you again King of the Apes.

Tarzan: No surprises you would be in the M.O.E.

Nico: Nice team Zutho!

Zutho: Thanks Nico.

Me: Awesome!

Spark Mandrill: My team's next

Me: Yep.

Then swirls of darkness, fire and light appeared and out came Numbers 106, 54 and 53!

Me: WHOA! Number 106: Giant Hand, Number 54: Lionheart and Number 53: Heart-eartH!

Nico: WOW!

Number 106: (In a girls voice) This is gonna be fun.

Number 54: (In a girls voice) I agree there!

Number 53: (In a girls voice) Same here.

Nico: Hammie Rhodda, Xinnia McLintock Kora and Alice Heart!

They reverted back. Hammie was a girl with brown hair and brown eyes and black clothes and wings and had Number 106: Giant Hand on her forehead, shirt and skirt and had a flaming hand on her arm as a cutie mark.

Xinnia was a girl with red hair and brown eyes and had red clothes and red angel wings and had Number 54: Lionheart on her forehead, skirt and shirt and had a Lion Sun Cutie Mark and lion sword.

Alice was a girl with pink hair and blue eyes and had pink and blue clothes and pink angel wings and had Number 53: Heart-eartH on her forehead, skirt and shirt and had a heart dragon on her arm as a cutie mark and had a heart scythe.

Xinnia: Good to see you Nico. (To Jeri) And hey cousin its been a while.

Jeri: It has been a while.

Alice Heart: We got this.

Hammie: Lets dance. 106 HANDS OF FURY!

Xinnia: 54 LIONS OF FIRE!

Alice: 53 HEARTBREAKS!

They fired waves of energy and elements and blasted the Anothers and I caught the Ridewatches and purified them.

Me: Nice!

Nico: Nice job!

Xinnia: Thanks!

Hammie: That was fun!

Alice: Yeah!

Me: Do you girls have any good memories of Nico?

Hammie: We sure do. Mine is where me and Nico killed Professor Pyg the first time and he was dismembering a bunch of people alive.

Me: That fucked up psycho!

Xenia: Yeah!

Me: Wonder why he didn't remember Nico before?

Nico: Probably because I grew since then.

Me: Yeah.

Xinnia: Mine is where we threw a bunch of death row criminals to a pride of lions.

Me: Nice! They were turned into mincemeat.

Alice: Yep. And mine is where me and Nico had an awesome date under the stars and saw the red aurora.

Me: Pretty.

May: That sure is.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Alice: We did too.

We went back home.

We're going to bring them back from the dead, and after that, we're going after our main target: Anton Arcane, the mad scientist and archenemy of Swamp Thing, and we're going to destroy him and send him to The Black Abyss forever.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Paris, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but there is a reason.

Universe 666 Me: Yep. According to Lincoln and the others of Universe 666 Earth, the spirits of the Universe 666 versions of The Cooper Gang were sighted there, and they were among those who turned against Universe 666 Nico and tried to warn TLPS about that snake, but before they could contact us, they too were killed and their spirits were trapped there.

WE GASPED!

And Sly Cooper clenched his left hand so tightly, he drew blood from his palm, and when a drop of it hit the ground, it sizzled.

Sly Cooper: Why, that dishonorable...! Are the Universe 666 Cooper Clan also among his victims too?

Universe 666 Lincoln: Yes. I'm sorry, Sly. They tried to warn all of TLPS, and they...!

Sly Cooper went up to and placed his left hand on top of Universe 666 Lincoln's shoulder to calm him.

Sly Cooper: You saw them get killed and you couldn't do anything about it. I understand, and this wasn't your fault, the deaths of all those around you, their murders were never your fault. They never were.

Inspector Fox: Sly...

Nicole: He calmed Universe 666 Lincoln. (Realizes something) Sly, you also saw what'd happened to Lincoln when Lori, Lynn, Lola, Lisa, and Luan tried to...?

Sly Cooper: Yes, I did, and I told it to Selena and the others, and needless to say, word spread, and my cousins got pissed off and they wanted to take everything from them and throw them to the cops themselves.

Gravity Antonion: Now, we got to find them and fast.

Lincoln: Right.

?: Actually, you don't have to look that far.

Suddenly, we saw the spirits of the Universe 666 Cooper Gang and Cooper Clan appear before us.

Universe 666 Lincoln: Sly, everyone...!

Universe 666 Sly Cooper: It's okay, Lincoln, remember what my Prime Universe counterpart told you.

Universe 666 Lincoln: You're right.

Universe 666 Murray: When we find that snake, The Murray's gonna skin him alive and use his spine for a back scratcher.

Nico: We'll help too by breaking his arms and legs.

Lincoln: That'll be in the future. Now, to get you guys back.

SNAPS FINGERS!

Lincoln snapped his fingers and heavenly lights shined down, and the Universe 666 Cooper Gang and Cooper Clan were brought back from the dead restored to life.

Universe 666 Bentley: We've been restored to life at last.

Lincoln: Yep. Now, that the first part has been taken care of, now we move on to the next part, we're going after our main target: Anton Arcane, the mad scientist and archenemy of Swamp Thing, and we're going to destroy him and send him to The Black Abyss forever.

Me: Should've known Anton Arcane would be back for more.

Nico: This is the final time we deal with him. Lincoln, you gonna drain him of his powers before we kill him?

Lincoln: Yep. Let's go.

We then got a move on to go after our main target: Anton Arcane, and this time, we're going to send that insane necromancer and mad scientist to The Black Abyss forever.

We then spotted Anton Arcane rotting everything in his path and causing absolute fucking havoc in Paris as he was laughing malevolently.

Lincoln: Your days of causing destruction end here, Anton Arcane!

Lincoln blasted Anton Arcane and he got burned badly and we landed, and he was pissed off!

Anton Arcane: YOU!

Me: That's right, us!

Nico: You got some damn nerve showing your rotten ugly face here again, Anton Arcane.

Lincoln: But, this time, this is where it all ends for you. But, first things first.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into Anton Arcane's chest and he began sucking out and absorbing Anton Arcane's Superhuman strength, Superhuman speed, Superhuman durability, Superhuman agility, Shapeshifting, Magic, Pollukinesis, Chlorokinesis, and Necrokinesis, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and 105 massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When it was done and the stingers changed back, Anton Arcane was now powerless and weakened, and Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well and he let out a loud and massive roar of dominance and power and he pounded his chest like a gorilla.

Anton Arcane: (Weakened) W-what did you to me?!

Cage Blunt: He sucked out all your powers and abilities, now you're completely powerless.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Anton Arcane, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON ANTON ARCANE! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

* * *

LINCOLN SLASHED AT ANTON ARCANE WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED BLASTS OF HEAVENLY LIGHT THAT HIT HIM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of the pain you're going to experience before we kill you!

Then, Andre Lupeau went after Anton Arcane and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Abaddon Aeternus went after Anton Arcane and he fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, demons, dragons, vampire bats, wolves, phoenixes, and angels at him, and he even slashed at him with his massive greatsword which really hurt like Hell!

Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and massive balls of light formed in front of his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he fired them at Anton Arcane, and suddenly, he burst into flames, and he was sent to The Black Abyss. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate.

Me: And to this we say, good riddance, you fucked-up psycho.

Nico: Anton Arcane deserves to be gone forever.

Lincoln: That's for sure. He was a monster who messed with nature, and now, he paid the price for it with his life.

?: (Japanese Accent) Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair and red flower in her hair, yellow eyes, massive fire-colored angel wings, she has the Mayakashi symbol on her forehead, beautiful kimono, white gloves, sandals, long white long-sleeved trenchcoat with stars, fire, flames, nine-tailed foxes, phoenixes, and angels on the coattails, and on the back is Yoko, The Graceful Mayakashi, and with her are the twelve girls.

Lincoln: (GASPS) Akane Minazuki, Avatar and Gene-Slammer of Yoko, The Graceful Mayakashi.

Akane Minazuki: (Japanese Accent) That's right, and I got the girls away from that twisted monster. He tried to rape them too!

Me: WHAT?! As if trying to molest and rape his sister wasn't enough, now this!

Nico: That disgusting freak! Now, I'm really glad we sent him to The Black Abyss, serves him right!

Lincoln: That's for sure. That monster deserved it. (To Akane Minazuki) And it's so good to see you again, Akane.

Akane Minazuki: (Japanese Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Akane Minazuki had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Akane Minazuki was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Akane Minazuki: (Japanese Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Akane Minazuki's waist and hugged her, and Akane Minazuki is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Akane Minazuki: (Japanese Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Akane Minazuki, Avatar and Gene-Slammer of Yoko, The Graceful Mayakashi, she's Lincoln's Guardian Angel from Japan and she's a Nine-Tailed Kitsune Angel and a powerful master of Cosmic Pyrokinesis, fire, flames, fox fire, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the kitsune and Yoko, The Graceful Mayakashi. She's the leader of a group called Japan's Defenders of The Sun Goddess, they're a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Akane Minazuki came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, fox fire, fire, flames, and the powers of the kitsune and Yoko, The Graceful Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Pyrokinesis, Omnipotence, Omniscience, Cosmic Awareness, fox fire, and the powers of the kitsune, and Yoko, The Graceful Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful kimono, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion, and she swore to burn that control freak witch alive.

Me: Lincoln told us everything. What Dark Chase Young did was an utter blasphemy, and we swore we are going to help Lincoln fulfill the final part of the prophecy and end him forever.

Akane Minazuki: (Japanese Accent) That's right, you fulfilled the first part when you took down Morag and got 403 years of divine retribution and justice for your ancestors.

Lincoln: Yep, and now, all that's left is to destroy the bastard responsible for that and 1,500 years of pain and suffering, and now that you're here, Akane.

Lincoln with his massive muscular arms still wrapped around Akane Minazuki's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Akane Minazuki: (Japanese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Akane Minazuki with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Akane Minazuki: (Japanese Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Akane Minazuki.

Akane Minazuki had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Akane Minazuki's waist, and he leaned down to her face and kissed her on the lips, and with Akane Minazuki's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Helene Christiansen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Akane Minazuki: (Japanese Accent)(In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The twelve girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twelve girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twelve girls are Rena Tomoe, Tsukasa Hayama, Alicia Elliones, Erica La Etienne, General Cocuitos, Kula, Rena Lucifer, and Miki Sakashita from Sin Kourin Tenshi En Ciel Rena FD -FACE THE DESTINY- and Rena Ayase, Akiha Kurumi, Rin Shishiou, and Frederica Ahlqvist from Bakappuru Supplement.

Lincoln: Oh whoa, it's Rena Tomoe, Tsukasa Hayama, Alicia Elliones, Erica La Etienne, General Cocuitos, Kula, Rena Lucifer, and Miki Sakashita from Sin Kourin Tenshi En Ciel Rena FD -FACE THE DESTINY- and Rena Ayase, Akiha Kurumi, Rin Shishiou, and Frederica Ahlqvist from Bakappuru Supplement.

Nicole: So, those were the girls Akane saved, and these girls are really cute and beautiful.

Lincoln: Akane did the right thing getting them away from that monster, and I was right to have killed him for good. Are you girls okay?

Rena Tomoe: Yes, we're okay thanks to you.

Then, when Rena Tomoe and the other eleven girls saw who it was that saved them from Anton Arcane, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with The Vermillion

Rena Tomoe: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Tsukasa Hayama: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rena Tomoe, Tsukasa Hayama, Alicia Elliones, Erica La Etienne, General Cocuitos, Kula, Rena Lucifer, Miki Sakashita, Rena Ayase, Akiha Kurumi, Rin Shishiou, and Frederica Ahlqvist with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental

Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's another of Universe 666 Nico's victims brought back.

May: And we also got rid of Anton Arcane.

Lincoln: That's for sure, that guy was an absolute monster.

Nico: He got what he deserved for messing with nature and forces beyond his understanding.

Me: You said a mouthful. But, how did he break out of The Black Gates? I know Anti-Monitor wouldn't recruit him and Dark Chase Young is in The Warp.

Lincoln: Remember our fights with the resurrected villains we'd killed last year and the year before that?

Nico: Morgana Midnight Sparkle, right, I hadn't forgotten.

Catherine Fontaine: Even after we got rid of her, her dark shadow still looms over the world and it's in the form of the resurrected Queen Opaline and the villains who got killed years ago. But, we're more than ready for them, and we're not the same as before.

Lincoln: That's right, Catherine.

After Lincoln resurrected the Universe 666 Cooper Gang and Cooper Clan and he and all of us killed Anton Arcane and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Akane Minazuki saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Akane Minazuki: (Japanese Accent) My God, I was right that Lincoln's really grown into a 19-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Akane, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Akane Minazuki: (Japanese Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Akane Minazuki: (Japanese Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, James Blunt got out a videotape.

James Blunt: Now, this video I have here, this was from October 31th, 1995, ten years after The Hallowshade Bloodbath, around the time Cage and Travis had returned, Caleb wound up getting haunted by nightmares of that night. I knew of Caleb's nightmares getting much stronger on that day because that was the very trauma responsible for his broken heart and his wrathful desire for revenge.

Cage Blunt: That night, Caleb made me do something: he let me feed on his blood, and in turn, I let him feed on my blood. I didn't want to, but when I looked him in the eyes, I saw the tired broken darkness he had in his eyes, I knew his life was ruined forever by his younger brother, and when he came back, that broken side of him had been let out.

James Blunt put the tape in, and it showed West Virginia at night on October 31th, 1995, it had been ten years after The Hallowshade Bloodbath and the night Caleb was killed. Caleb Maxwell was asleep, but as he slept, in the Dream World, he found himself back in New York ten years ago to the very night he was killed when The Hallowshade Bloodbath occurred. Caleb walked towards the bar, and as he opened the door, he saw the dead bodies of Mabel Jensen and Junie, the two workers at the bar and the patrons just like on the night it happened ten years ago.

Caleb saw everything again: the dead bodies, the blood spilled, and the dread in the air, and this hadn't been the first time, it'd occurred in the past two years in 1993 when he returned from the dead and 1994. Then, the memory of Cage Blunt and Travis Tackett drunk on demon blood hungry for blood and wanting to kill also hit him hard, and the thought of him dying for good, and finally, him getting shot multiple times, and letting out a scream that echoed throughout New York, and him breaking down and crying as he was dying.

Distant Voice: Caleb? Caleb!

Finally back in the real world, Caleb Maxwell opened his eyes, but tears were coming out of his eyes, and the voice he heard was Cage Blunt who was on top of him and dressed only in blue jeans.

Past Cage Blunt: Caleb, are you alright?

Past Caleb Maxwell: W-what?

Cage Blunt got up but still stayed on Caleb's bed as Caleb got up.

Past Cage Blunt: I saw you writhing in your sleep, and then, I saw tears coming out of your eyes. You look like you've been having a really bad nightmare. Are you...?

Past Caleb Maxwell: No..., I'm not. That nightmare I had, it's been ten years...since that night back in 1985. The night of...! (About to cry) I know you see me as a mess, but this is who I am, this...this is the real me. The Caleb Maxwell you saw back in 1984 and 1985, it was nothing more than a pathetic façade, this is who I am, a broken man who'd been betrayed, beaten, and murdered by his younger brother, betrayed by and made a damn fool of by false friends, and traumatized and haunted by the murders of his own friends who truly stayed with him.

Caleb was about to cry yet again, but then, he felt Cage Blunt's left arm around him and his left hand on Caleb's left shoulder.

Past Cage Blunt: Even after ten years had passed since then, those memories still haunt you.

Past Caleb Maxwell: Cage...

Cage Blunt turned Caleb Maxwell around to look him in the eyes, and Caleb saw the understanding and compassion in his eyes.

Past Cage Blunt: And I already knew the person Travis and I saw back in 1984 and 1985 was a façade, but now, years later, I now know how much of a broken man you truly are: you've been betrayed, beaten, and murdered by your younger brother, betrayed by and made a damn fool of by false friends, and traumatized and haunted by the murders of your own friends who truly stayed with you, and what Travis and I did..., it made things worse for you when you were already suffering big time. That's why I'm going to find redemption, and it's going to start with you.

Past Caleb Maxwell: If you want that kind of start, then I know how you can do it.

Suddenly, Caleb Maxwell pulled his right sleeve of his shirt down to expose his right trapezius.

Past Cage Blunt: Caleb, are you sure about this? Once you agree, there is no turning back.

Caleb knew what Cage said, but he knew he had nothing left to lose.

Past Caleb Maxwell: Yes..., do it.

Cage Blunt saw the tired broken darkness Caleb Maxwell had in his eyes, and he agreed. Suddenly, Cage Blunt leaned his face down to Caleb's right trapezius, and he bit him and began drinking his blood.

Past Cage Blunt: (Thinking) Dad may have done this to save his life, but with how Caleb approached this with me, he wanted to give me a start towards redemption.

He also felt that Caleb Maxwell was hugging him. Then, he slowly removed his fangs from Caleb's right trapezius, and then, he bit his right arm allowing blood to be drawn and he offered it to Caleb as he slowly bit into it, and he began feeding. Cage just kept his left hand on Caleb's head.

Past Cage Blunt: Caleb, I may be a mischievous, selfish, quick to anger vampire with dark and violent tendencies, but I'm not that much of a jerk. I just hope this is a good start to repair your heart.

Caleb stopped feeding having had his fill of blood, and he hugged Cage Blunt, he was crying, but he had a smile on his face, and Cage returned it. James Blunt saw the whole thing as he stood in the doorway with a smirk on his face.

Past James Blunt: (Smirks) Well, well, looks like someone got that bold enough to ask Cage to feed on you especially after all the times you'd gotten bitten by him.

Past Caleb Maxwell: Yes, I asked Cage to do it, Mr. Blunt, as part of a fresh start, and it's also to mend some of the deep wounds on my heart.

Past James Blunt: I understand that all too well, Caleb. But, there are some deep wounds that were not caused from being chased by Cage and Travis, and you already know who's to blame for that.

Caleb's guns manifested from darkness that appeared in his hands.

Past Caleb Maxwell: I know, Mr. Blunt. Even though I want to stay here, I know that soon, I've got to return home, and end the source of my nightmares forever. But, you helped me to open my heart once more and let in only the people I trust into my heart once again. By closing my heart, it proved to also be a fatal blow that sealed my fate in 1985.

Past James Blunt: I didn't do anything, you opened your heart once more when you talked to me, Caleb. Perhaps, your trust issues have been resolved.

Past Caleb Maxwell: Perhaps...

The video ends, but we were really touched.

Peace Salyers: Now, that was really sweet of you, Cage.

Peace kissed Cage on the cheek.

Travis Tackett: Even I got to admit, you really did a nice thing for Caleb.

Marlene Maxwell had tears in her eyes and a smile on her face, and she hugged Cage Blunt.

James Blunt: We both helped Caleb, it's true, but he needed the right kind of push to let go of some of the pain he harbored. Caleb told me of his early childhood, but those memories were ruined when darkness had creeped into the family: the darkness of his dad's relatives.

Lincoln: He saw you as the only one he could trust when he came back from the dead, and despite he lost his memories, he feared that if his mom and sister saw him back from the dead, there would be dire consequences for him.

Allie Maxwell: That's not...!

Mad Cat Max: He's right, Allie.

Marlene Maxwell: I have to agree. Even if Caleb returned from the dead, the memories of what he'd gone through would've broken him once more if it were even possible.

Nico: Just how long has he been tormented?

Travis Tackett: Perhaps, it's best not to find out.

Me: Good idea.

We got a shower, and then, Marucho Marukura and Strawberry Sunrise are heading to Lake Lamode.

Strawberry Sunrise: Wow, we're in Lake Lamode.

Marucho: We sure are. Lincoln's right, this place is truly amazing.

Marucho Marukura and Strawberry Sunrise were swimming in the water, and they saw all kinds of marine life here, and they even went inside the domes and saw the places that were inside the domes. But, their fun wound up getting rudely interrupted when they saw an army of Weretitans heading for them.

Preyas: What the? Okay, now they're gonna get it! Let me at them!

Suddenly, Lincoln appeared and he morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of Weretitans and he began absorbing them and assimilating their Shapeshifting, Transformation Control, Endless Growth, Superhuman Strength, Superhuman Speed, Superhuman Durability, Healing Factor, Immortality, Self-Sustenance, Superhuman Senses, Superhuman Agility, Inner Kaiju, Infectious Bite, Radiation Absorption, Radiation Containment, Radiation Conversion, Radiation Generation, Flight, Explosive Rage, Fertilizing Blood, Environmental Cleansing, and Environmental Unity, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with

gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When it was done and the stingers changed back, the Weretitans were absorbed into Lincoln, and his rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well and he drained all their souls of energy and assimilated them and he let out a loud and massive roar of dominance and power and he pounded his chest like a gorilla.

Marucho: Thanks, Lincoln.

Lincoln: You're welcome.

Lincoln headed back home. A few minutes later, Marucho and Strawberry Sunrise returned home.

Nico: Are you and Strawberry Sunrise okay, Marucho? Lincoln told us of what happened.

Marucho: We're okay, thanks to Lincoln saving us.

Strawberry Sunrise: Yep.

Sunset Shimmer: I did some reading on these Weretitans, and man, they're just as powerful as the Kaiju. Weretitans, also called Werekaiju, Giant Wereape, or Tranju, are a race of giant therianthropic shapeshifters that can transform from human form to giant monstrous ape form. They're a natural evolutionary crossbreed between Humans and Titanwere, thus while they're able to retain their human form, they can not only harness the strength and power of the Titans but transform into Titans as well. Due to the Titans and Titanweres being eternally youthful and agelessly immortal, Weretitans are naturally immortal especially upon reaching their 20s at a normal rate. All Weretitans have retractable fangs that are infectious to humans, thus a single bite can turn a human being into a Weretitan.

Me: We were stunned too. But, Lincoln really did an awesome job absorbing them.

Nico: That's for sure. But, when I catch the dumbass responsible for that, he is dead worse than dead.

Lincoln: Save seconds for me, Nico, along with all of us too.

Me: That's for sure, when we catch the guy, he's getting his balls stomped on and run over with a steamroller.

Luna: Or we could ask Lincoln to tear him apart. He treaded into his territory by messing with not only his friends, but of course, Mana's little brother, and he doesn't take kindly to that.

Mana Marukura: That's for sure, trying to kill my brother and his girlfriend like that for no reason. That filthy pig is making me sick.

Lincoln: I'll do just what Luna said, I'll tear the idiot apart once we find said numbskull.

Later it was time for Hitch, Shanan and Deborah's final mission as well as the last mission of the year.

Nico: This is it. The last Ambassador mission of the year. Anyone else want to go with Hitch, Shanan, and Deborah. Besides Natalia Somonmenchikov, Shu, and Kit?

Pinkie Pie: I'll go!

Cantwell: So will I.

Twilight Sparkle: And me and friends too.

Sunny Starscout: Same with me and my friends.

Me: Okay.

Kit: And all my friends will go as well.

Me: Good idea Kit.

Xenia: Cool!

Nico: All right anyone else?

No one raised their hands.

Me: Okay lets go.

We were off.

We arrived.

Dan Kouzo: Hey guys!

Hitch: Guys, meet Natalia Somonmenchikov, Shu, and Kit

Natalia: (Russian Accent) Pleasure. I'm Natalia Somonmenchikov.

Shu: I'm Shu.

Kit: And my name is Kit Taylor and these are the Dragon Knight Riders.

They introduced themselves.

Lia: WOW! It's an honor! You guys are the American version of the Ryuki team.

Kase: That's right.

Pryce: Yep it's true.

Me: Me and the Dragon Knight Riders go way back.

Dan Kouzo: Really?

Me: Yep. 16 years ago I helped them kill their big baddie Xaviax the first time.

Lia: WHOA! That is cool!

Me: It sure is.

Cantwell: Yep. And my name is Cantwell. I'm one of the former teachers of Springfield elementary.

Eli: Long story on that.

Lia: Pleasure to meet you.

Me: This is gonna be awesome.

Eli: It sure is.

Me: Also back when I faced Xaviax the first time, I wasn't nearly as powerful back then as I am now.

Lia: No you've gotten so much stronger and bigger too.

Me: In evolution, power and stature.

Nic: He sure has.

Erza: Today's also my big day

Lia: Really?

Erza: Yep.

Me: We don't know who we are up against for Erza but it's going to be fun.

Eli: It sure is.

Dan: Today might be the last Ambassador mission for the year. But you can always find other fun stuff to do

Me: That is true and we already have something fun planned. We're going to live the Skylanders adventures.

Dan: WOW! That is gonna be fun!

Kit Taylor: It sure is.

Lia: I don't get it. What is the difference with Kamen Rider Ryuki and Dragon Knight?

Kit Taylor: Well our story in America is a much better version than the Japanese version.

Me: The Japanese version has a much darker story behind it.

Dan: Oh man. What happened?

Me: Well lets just say that it ended in a terrible tragedy.

Lia: Oh man! That is crazy!

Me: It was. But we dodged a massive bullet. Ryuki is the darkest series of Kamen Riders in the 21st Century and we didn't want to go through all that pain.

Nico: Yeah no kidding.

Me: We lost a bunch of people in the last 7 years and it shook us up bad.

Lia: I'm sorry guys.

Me: But we got them back thankfully. We'll tell you all about it later.

Lia: Okay.

Dan: Shanan, what's your background story?

Shanan: Well I am the youngest of my siblings but I am very gifted when it comes to knowing all about the life of the universe. I know all about the alien creatures that exist all over the universe.

Lia: Wow! That is incredible!

Me: We saw this amazing gift when she was identifying many of the alien monsters Sailor Moon was facing.

Dan: That is cool!

Shanan: It sure is. Look.

She showed a lot of creatures that we saw.

She showed the creatures we saw when we met the Animorphs and even creatures we saw from Ben 10 and beyond.

Dan: WHOA! Those are scary creatures!

Shanan: I know. But not only that, I'm also a talented artist.

She showed some of her paintings and they were those of alien landscapes.

Dan: WHOA! Those are amazing paintings.

Shanan: Yep. Art is my favorite thing to do.

Nico: We might face the Xenomorph Queen on Shanan's Big Day.

Shanan: Which I think is for you guys.

Lia: Uh oh.

Eli: I know.

Dan: It's actually funny you should mention Xaviax

Me: Oh no. Don't tell me. He's here?

Dan: He sure is.

Me: Oh crude.

Eli: This is gonna be brutal!

Lia: What is Xaviax like?

Kit Taylor: He is a monster!

Me: He is someone you don't want to cross paths with.

I went over his history

General Xaviax is the main antagonist of the TV series Kamen Rider: Dragon Knight.

He is an alien warrior who conquered the planet Ventara and enslaved its people after defeating their primary heroes, the Kamen Riders. Turning his attention to Earth, Xaviax used his mirror monsters to set up his master plan of abducting all humans on Earth to be his slaves in rebuilding his home world. Xaviax also tricked multiple humans into becoming Kamen Riders themselves so they could get rid of Wing Knight, the only surviving Rider from Ventara.

He is portrayed by William O'Leary, who also portrayed Frank Morgan in L.A. Noire.

General Xaviax is an alien from planet Karsh. His world was destroyed by a civil war, between the planet's north (led by Xaviax) and its south. Though the north won, they left the planet in ruins. Under Xaviax's orders, Eubulon created teleportation beacons and went to the planet of Ventara to place them and abduct the populace. However, Eubulon, after falling ill and recovering with help from a Ventaran family tried to convince Xaviax that they'd have to find another way to save Karsh. Xaviax however thought that Eubulon had committed treason and decided to enslave the Ventarans himself. Eubulon warned the leaders of Ventara and created the Kamen Riders to defend the planet, becoming the Advent Master. Eventually Eubulon and Xaviax fought and their battle ended in a stalemate as both were disabled. Eubulon had been vented and sent to Earth - Xaviax was able to recover more quickly and by unknown reasons, he lived through the fight.

Some time afterwords, during the time Adam, the original Kamen Rider Dragon Knight, was assigned to patrol Ventara while the others were in a state of suspended animation, he had approached Adam under the guise of 'Paragon' another Karsh refugee and a supposed friend of Eubulon and convinced Adam that he could unlink the Riders from their decks. Adam took Xaviax to the base to wake up the other Riders in order to give them the good news.

But 'Paragon' turned on them and vented all of the Riders except Len and Kase who woke up in time and escaped, though he thought Kase had been vented. With the Riders out of the way, Xaviax successfully abducted all of Ventara.

Regretting his actions Adam secluded himself in an illusion Xaviax created and left him there with a Ventaran girl named Sarah. Thus he begins his hunt to eliminate Len, the only Kamen Rider that stood in his way for global domination.

To that end, he uses his shape-shifting powers to find ideal pawns to aid him as his Kamen Riders, tricking some of them into believing they are doing the greater good or offering them something they desire. He has currently displayed only one human form thus far in the series, but takes on different aliases to suit his needs and recruit Riders to his cause.

The first of his disguises is a Preston Family attorney named Walter Conners which he uses to announce Richie Preston's severance from the family fortune.

He later appeared as a mercenary captain named Race Mattock to entice Grant Staley with the idea of being a great fighter of two worlds.

Then, he appeared as a Battle Club tournament official named Charlie Feathers to blackmail Brad Barrett with evidence that clears him of a cheating scandal. During that time, "Charlie" revealed to Brad that he is Xaviax and gives Brad the option to vent or be vented as Xaviax still has the proof of Brad's innocence.

He later appeared as a government agent named Special Agent Simons, giving an asthmatic Chris Ramirez a rare opportunity to serve the United States, albeit in secrecy.

He then appeared before the Cho Brothers with a large sum of cash and the chance to pull off the biggest heist of their careers. When Danny goes rogue after Albert is vented, he wanted Strike to vent him. However, upon news of Kamen Rider Siren's return, he feels uneasy discovering an even bigger threat than Wing Knight. Even when Strike came back with Danny still alive, he doesn't act against JTC as he knew that he would be outnumbered and decides to leave Danny's fate up to Strike's judgement in which Strike vents him.

While he has been offering some of the other Riders what they desire for the elimination of Len, one of his primary targets seems to be Kit Taylor, as many recent plans involve getting Kit to defect to his side and betray Wing Knight.

So far he has been unsuccessful, even losing his main bait, Frank Taylor. But soon he decides to take a more direct approach after Siren appears and directly reveal himself and three of his aliases to Kit. He reveals that he kidnapped his father, framed him for his arrests and then manipulated his father to bring him to the Advent Deck and Dragreder. He states that Kit was the hardest one to recruit as, unlike the other Riders, he had no vice (like Richie's greed) or ambition (like Chris's desire to be a hero). With the training received by Wing Knight as well as fighting his own Riders and gaining Wing Knight's trust, he believes that it's the best time to recruit Kit. With that, he decides to finally make his offer to Kit: vent Wing Knight and Siren and he will revive Frank Taylor, manipulating Kit's love for his father.

However when Xaviax realizes that Kit can no longer be swayed, he abandons his plans for him meaning that Kit must now be vented. And to help JTC, he reveals a secret Kamen Rider in emergencies, Kamen Rider Wrath. He reveals that the body is in a coma and physically merges with Wrath's body in order to fight the three Riders who stand in his way. While fused with the body, he takes the appearance of Vic Frasier, Wrath's counterpart, instead of his normal form when removing the Rider armor. Xaviax later gives JTC's Advent Deck more power by allowing him to capture two more Advent Beasts and use their former master's abilities as well as fuse them together.

After Strike is vented, Xaviax in Wrath's body manages to attack Dragon Knight and Wing Knight and overpowers both Riders, even in their Survive Modes. He manages to vent Kit, but bails from Vic's body before it disappears to the Advent Void.

Xaviax then snatches Kit's Advent Deck and plans to use it against Wing Knight, the last Kamen Rider standing in his way. His master plan in the series is to kidnap and conquer all of Earth. However, Earth is a Mirror World to Ventara and kidnapping humans one by one is time consuming. So instead, Xaviax has a machine where he can transport a mass amount of humans from Earth to Ventara and use them all as his slaves. But this machine requires specific humans with matching DNA to power this machine. To that end he sends his minions in to kidnap just those people. With Wing Knight, Dragon Knight and other Kamen Riders fighting against him, however, he has to focus on the war against them as well, which delays his plans. But when all but Wing Knight is vented, he returns to his original plan. By planting special devices across the world, it will enable Xaviax to transport all of Earths population to Ventara. But after hearing disturbing news of Eubulon's return, he decides to send Adam, the original Dragon Knight, to spy on Len threatening Adam with revealing to Sarah that Adam had betrayed the Riders.

Upon discovering the virus in the system, Xaviax tells Adam to send him a copy of the virus so he could decode it and create a vaccine. However, Adam has continuously failed to infiltrate the Riders, angering Xaviax. He sends monsters to attack Maya to allow Adam the chance to save her as another opportunity to ingratiate himself with the good guys. When Adam manages to gain their trust and acquires the virus for him, he shuts down a transmitter to make it look like Adam was successful and begins to decode the virus. While he was successful, he feels that Adam may turn his back on him, so he disguises himself as Eubulon and fights Adam and berates him during the fight, swaying Adam to betray the other Riders once more, this time out of his own free will. He was able to decode the virus and create a vaccine, with which he reactivates all the transmitters and begins a countdown to its activation.

Before he uses it, he's confronted by Eubulon. He berates him for abandoning his people on Karsh, But Eubulon justifies it by saying that Xaviax turned the planet into a wasteland through war and he couldn't let him destroy another. He also adds while their time of existence is done, humans still have a chance of survival. Xaviax becomes even angrier at this and says that Karsh and its people are superior above all others and won't let anything, including him cause their race to die out. As a result the two begin to fight. Xaviax appears to have the upper hand, but is stopped by Kit, Adam, Len and Kase who he refocuses his attention on. When he attempts to finish them off, the other nine Riders arrive. Instead of escaping, he tells them that he could have been able to give them anything they wanted, but instead they choose to fight against him. Soon all 13 Riders used their Link Vents to destroy General Xaviax forever.

When I was done everyone was shocked!

Me: Yeah. We killed him last year.

Natalia: It's true.

Me: And he tried to offer Nico a chance to travel back in time to when Frieza destroyed the Planet Vegeta and save his race. But Nico told him to, pardon my language, fuck off!

Lia: Good!

Me: He offered me something but I don't remember what it was and I told him no fricking way!

Dan Kouzo: WHOA! That is nuts! But that is good.

Me: Yep.

Nico: Where is he?

Eli: (Concentrates) He's sitting in the park behind the school!

Me: Oh boy. We're going to take the fight to Glaren because this is gonna be brutal. Oh right.

I looked at how much of the antidote I have left for the Blackwing Eatos 12 Carriers.

Me: Only enough for one more cure.

Nico: That means they are almost done.

Me: And we'll have Powell's mess all cleaned up.

Nico: We sure will.

Me: Lets go!

Kit and the Dragon Knight Riders: KAMEN RIDER!

BOOM!

They transformed!

Me: Oh guys! The Advent Decks are from Ryuki and Dragon Knight. And here are yours.

I gave them their own legend items.

Dan: Wow! Thanks guys!

Shun (BP): This will be cool!

Me: Yep.

We went to the park

We arrived and saw Xaviax waiting.

Xaviax: Ah, J.D. and Kit. My old friends

Me: We were never friends at all Xaviax! And we killed you almost a year ago!

Xaviax: I will never forget that!

Me: The scars we inflicted upon you are still there. Including the X Shaped Scar on your chest that I left 16 years ago.

Xaviax: And I will never forget that. You have grown a bit haven't you.

Me: Yes I have and not just in size but in power as well! I'm stronger than ever since we last fought.

Xaviax: There's still a chance for us, you know.

Nico: What are you talking about?

Xaviax: We're the superior ones, you and I. We should be ruling the Multiverse together. If you join me, I can even make you leader again. I know we had a rough start but I'm willing to let bygones be bygones. I mean, surely, you must be getting tired of Nico's leadership by now. So what do you say?

Kit: You know J.D.'s answer to that by now, Xaviax!

Xaviax:...I suppose I do. (to me) Well, if you want to stay in Nico's shadow, who am I to stop you? It only means you're going to die alongside him right here.

Me: SHUT YOUR FUCKING MOUTH XAVIAX! You can take your offer and shove it up your fucking ass! You are just Like that cueball Idiot, Lex Luthor! Lex Luthor tried to tempt me before. But we are not going to be tempted like a bunch of simple minded imbeciles that will give into what you want! Now we're going to end you forever!

Xaviax was blown back by the sheer force and strength of my power!

Xaviax: WHAT THE FUCK IS HE!?

FORSAKEN BY WITHIN TEMPTATION PLAYS!

I teleported and kicked Xaviax in his stomach and bashed him in his face and kicked him in his neck, chest and head!

I then went at Xaviax with extreme force and punched him all over the place with extreme savagery!

I fired a massive barrage of energy balls and had them scatter and then had them converge on him and then they hit Xaviax all over and explode!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

I blasted Xaviax all over with energy blasts and I kicked him in his face and headbutt him and then punched him in his stomach hard and kneed him in the neck!

I kicked Xaviax in his face and teleported and punched him in his back and teleported and punched Xaviax in his face and kicked him in his eyes and I kneed him in his mouth and knocked out some of his teeth!

Nico then fired waves of energy and blasted Xaviax all over!

KRABBBBBBOOOOOOOOOOMMMM! KRABBBBBBBOOOOOOOOOOOOOMMMMMMM! KRABBBBBOOOOOOOOOOOOMMMM! KRABBBOOOOMM!

Nico fired psychic energy waves and blasted Xaviax all over.

Me: KAAAAAA MEEEEEEE HAAAAAAA MEEEEEEEE HAAAAAAAAAAAAAAAAAA!

I fired a Rainbow Energy Kamehameha Wave and it hit Xaviax and exploded with incredible force!

EXTREMELY MASSIVE AND POWER FIERY EXPLOSION!

Xaviax flew into the air and I teleported into the sky after him and I fired a massive barrage of energy blasts and he fired energy blasts and the blasts all hit each other and then…

EXTREMELY MASSIVE AN POWERFUL UNBELIEVABLE FIERY EXPLOSION!

Nico: WHOA!

Dan: WHOA! What Power!

Me: TAKE THIS!

I smashed him into the ground and flew into the air and I fired a massive and powerful volley of energy blasts and they hit Xaviax all over and blasted him all over the place with indiscriminate fury and force and power. Then they pinned him down in a powerful dome of energy and then I charged up a powerful energy blast and it was incredible!

Me: TAKE THIS YOU FIEND! MASENKO-HA!

I fired the energy ball and the dome turned red and then…

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

The explosion was so powerful and so devastating that it rocked the area!

Xaviax: I HATE YOU MORE THAN LIFE ITSELF YOU MOTHERFUCKING CUR!

I got a massive power boost from it!

My aura exploded out with incredibly unbelievable and powerful force as I got a massive power increase unlike anything before!

Me: Thanks for the power increase and that's EVIL SASUKE'S line you turd!

I teleported and we clashed and lightning struck all over.

I slashed him across his stomach!

I punched Xaviax in his face and dodged a punch and then kicked him in the chest and knocked him down. I jumped as he came at me and I kicked him in the back.

LIGHTNING STRUCK ALL OVER THE PLACE AS WE WERE FIGHTING AND THE FIRES OF HELL RAGED ON AROUND US AS WE WERE FIGHTING! The fight was so extremely ferocious that it was unbelievable. Massive Fiery Explosions and thunderous shockwaves from our punches destroyed much of the landscape and engulfed it in a massive raging inferno. Lightning intensified in the skies above to an extremely ferocious level and the fires of the Netherworld and Hell raged on at an extremely vicious level to an amazing degree. The fight was so vicious, ferocious, brutal and savage that it was shaking the entire Universe to an incredible level at an intense level. We were gonna make sure that Xaviax suffers for an infinite number of lifetimes for his crimes. Fiery embers and lava bombs rained down onto the battle and exploded with incredible power. I then punched Xaviax in the face and sent him crashing into the ground and he got up and then they charged toward each other and I punched him in the stomach and they clasped hands. Our auras flared up to such an extreme intensity and our power was so strong and powerful that it was making the entire planet of Glaren shake extremely violently. Pebbles, rocks and boulders lifted off the ground and the lightning and fire tornadoes intensified even more. Massive fiery explosions blasted off everywhere from the fight and I punched Xaviax in the face again and fired a blast of fire and burned a chunk of his face off.

Lia: HOLY COW!

Dan: WHAT POWER!

Natalia got out Advent Card and fired waves of lava and blasted Xaviax all over!

Shu got out his Advent Card and blasted him with magic.

Kit and the Dragon Knight Riders got out their Advent Cards and blasted him all over.

I kicked Xaviax and blasted him all over.

Dan: Let's see what this does!

He got out his card for Armageddon Knight and fired a bunch of blades of energy and slashed Xaviax!

Lia: Lets see what mine can do.

She used her Advent Card for Thunder Queen Kaminaria and fired a blast of lightning and electrocuted Xaviax!

Lia: WHOA! Thunder Queen Kaminaria?

Shanan: She's the Hypothetical Akuma of Kyoko.

Lia: Oh! Wow!

SURVIVE MODE!

Kit went into Survive Mode!

Kit: Lets dance!

We kicked and bashed and pulverized Xaviax all over the place.

Me: You have survived for the last time Xaviax!

I fired waves of energy and blasted him.

But then massive showers of skulls bashed Xaviax all over!

BASH BASH BASH BASH BASH BASH!

Nico: What the?

KRASMASH!

Nico got hit on the head with a huge skull!

Nico: OW!

Me: What the?

I picked up a skull.

Me: Skulls? Where did these come from?

Eli: I think from that!

We saw a Gothitelle!

Me: WHOA! Gothitelle!

Nico: Where did that come from?

Eli: Must be one of Dark Gale's work.

Xaviax burst out as Another Onyx.

Another Onyx: Forgot about this form, didn't you?!

Me: No I didn't!

I teleported and kicked him down!

Lia: An elephant never forgets!

Eli: Lets see.

Eli concentrated and gasped!

Eli: Oh man! It's Hex's friend Necrolai Skulldoom!

Rarity: Oh my! Hex of the Skylanders?

Eli: That's right! I'll go face her. You guys hold off Xaviax.

Nico: Okay Eli!

Eli went over to her.

Eli: Necrolai calm down! It's okay.

She fired more skulls at us

We dodged them and they hit Xaviax!

SMASH SMASH SMASH SMASH SMASH!

Nico: (Imitating Patrick) DAHAHAHA! That guy got hit in the head with a bunch of coconuts!

Me: Skulls Nico.

Nico: Sorry.

Eli: Okay then.

Eli fired Force Lightning and blasted the Gothitelle.

I then snapped my fingers and she reverted back and was a girl with black hair and dark purple eyes and had black angel wings and had Gothitelle in the middle of her forehead and she had a Fanged Skull in front of the Star of Satan on her arm with scary demonic bats around it as a cutie mark.

Eli went and wrapped her in a blanket.

Necrolai Skulldoom: (Groans) What hit me?

Eli: Ugly story.

Necrolai Skulldoom: Wait Eli? What happened? Where am I?

Eli: We're on Glaren and we're in the middle of a battle. Also you were turned into a Gothitelle by Dark Gale.

Necrolai Skulldoom: Oh man! I remember!

She was in a black suit and injected and then turned into Gothitelle!

She flew out.

FLASHBACK ENDS

Necrolai Skulldoom: It was awful.

Eli: I know but we destroyed Dark Gale.

Necrolai Skulldoom: Good. I work for Sonya's team as the Dark Mage of the group and outside the team I train hard with Hex of the Skylanders to bring down the forces of Kaos.

Eli: Wow!

Rarity: Lets get you some clothes darling.

Rarity and Pipp gave her new black clothes and a hellfire scythe.

Necrolai Skulldoom: I look great!

Nico: You sure do.

Nico picked up a skull and threw it at Xaviax

It hit him!

SMASH!

Nico: YEAH!

Me: Lets dance!

I powered down and held my hands up into the air!

Me: Time for the Spirit Bomb! SHARE YOUR ENERGY WITH ME!

(GOKU'S SPIRIT BOMB THEME PLAYS)

I formed a massive ball of intense energy as big as the moon!

Dan: WHOA! WHAT IS THAT!?

Nico: The Spirit Bomb!

Lia: UNBELIEVABLE!

Xaviax gasped in shock!

Me: XAVIAX! This ball of energy is all the energy of all the people who suffered at the hands of evil monsters like you!

Kit: Let's add the Link Vent to the mix!

Xaviax: THIS CAN'T BE HAPPENING!

Me: (LAUGHS TRIUMPHANTLY)

But then a figure came and smashed Xaviax! It was a girl with pink hair and had red eyes and black clothes and wings and Slapback on a tiara.

Me: (GASP) Selma Slapback!

Selma Slapback: Finish him J.D.! Hurry!

Me: Right! Take this!

I threw the huge ball of energy and Xaviax was holding it back!

I then went Super Angel!

Me: You have been a very formidable opponent Xaviax! But it's a darn shame it has to end this way. When I first battled you back in 2008, you were quite the adversary and you gave me one helluva battle and really gave me and Kit and team a challenge! You were determined to destroy us no matter what. My mark on you served as a huge and bitter reminder for when we destroyed you. Then back in 2023 on Natalia's big day we fought again for the first time in 15 years and you put up as big a fight like you did before. But emerged victorious. You were a ruthless nightmare and you poisoned lots of people with your lies and deceit and manipulation! You didn't show a single shred of compassion and remorse for your crimes that you did! That's why it has to end like this for you Xaviax! You are going to learn the hard way and know what it feels like to have your life taken away against your will! It's wrong! Maybe you have family relatives in Dark Gale that are not like you! We would like to have them put into the team. I would like that! Now you die Xaviax!

WHOOSH!

The energy ball flared up intensely!

Nico: J.D.!

Kit: J.D.!

Eli: BRO!

Twilight Sparkle: J.D.!

Dan: J.D.!

All: DO IT!

Me: (YELLING INTENSELY)

The ball flared up intensely with incredible force and then it completely obliterated Xaviax and reduced him to nothing instantly and he was banished to the Black Abyss forever! Then...

EXTREMELY MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSION!

The Spirit Bomb exploded!

I landed.

Me: Xaviax is gone for good!

Nico: HOLY COW!

Eli: That was epic!

Lia: YEAH!

Selma Slapback: YEAH!

Selma lost control nade a clone of herself and sent it after Cantwell

She dodged them.

I fired the antidote and injected it. It was empty.

Me: That's it.

The ray sputtered.

SPUTTERING! FARTS!

Me: Bone dry empty!

Cantwell fired energy blasts and blasted Selma.

Pinkie Pie: PARTY TIME!

She blasted Selma with her cannon!

POP!

Pinkie Pie then got out her Advent Card and blasted Selma with a bigger party cannon!

Necrolai: Time for this! Wish Hex was here to have some fun.

POOF!

Hex (Skylanders): FEAR THE DARK! Someone call?

Necrolai: Hex!

Hex: Necrolai!

They hugged.

Hex: Good to see you again!

Necrolai: Same here! Shall we do one?

Hex: You know it.

Hex and Necrolai: (CHANTING INCANTATION) SKULLSTORM SMASHBURST!

They fired waves of skulls and bashed her all over! Selma was back to normal as the antidote took effect and her eyes were back to Pink.

Selma Slapback: (Groans) What OW! My head! What hit me?

Nico: We did it. Powell's mess is finally cleaned up!

Me: That is a big relief.

Eli: No kidding!

Dan: WOW! No kidding! That was epic!

Me: Yeah it was!

Hex: I agree there!

Starlight Glimmer: Boy that was an epic way to close out the missions with a bang!

Eli: Yeah it was!

Lia: That Spirit Bomb was intense!

Me: Yep. That's the very technique I used on many of our most dangerous enemies.

Shanan: It's true. And it was awesome!

Natalia: And we've seen the last of Xaviax too.

Kit: Good riddance.

Me: Yep. Just like old times huh Kit?

Kit: You said it!

Dan: Hitch, ever since I met you, Deborah, and Shanan, I've seen you as siblings

Hitch Trailblaze: Oh Dan!

They hugged him and Lia and friends.

Me: Guess that makes Dan and friends part of our family too.

Nico: Yep.

Fluttershy: It's so adorable.

Pinkie Pie: (CRYING IN HAPPINESS)

Rainbow Dash: (Crying)

Rarity: Why whatever is the matter Rainbow Dash?

Rainbow Dash: (Crying) I'm just so happy for them all.

Me: We are too R.D. We are too.

We went back home.

We arrived.

May: Hey guys!

We saw May eating a brussels sprouts and salmon covered ice cream sundae with ketchup! YUCK!

Me: May that is gross! But it's part of the natural process.

May: I know. But how did it go?

Me: REALLY EPIC!

We told everyone about it.

May: WHOA! Xaviax returned!?

Lola: I had a feeling he was going to come back!

Qin: But man that was an epic way to close out the missions with a bang!

Laney: And we finally cleaned up Powell's mess! That's great news!

Me: It sure is!

Nico: I want to thank you guys for helping out in these Ambassador Missions. It's been a wild ride

Me: Aww it was nothing.

Eli: That is for sure! We all had so much fun!

Jared: Yeah! This was awesome!

Varie: Now all we have to do is finish up everyone's big days coming up.

Nico: Yep.

Me: Well I'm going to Bridlewood guys. See you there.

Nico: Will do.

I was off with Izzy, Sunset and Misty.

At Bridlewood Spog, me, Misty, Izzy, and Sunset are relaxing in a mud puddle while Izzy is sipping on some refreshments as the two mares sigh fondly. I had my feet in the mud and it was relaxing.

Sunset Shimmer: "Now this is a great time to take a break from my research and just relax in a nature-like spa with two of my best friends."

Misty Brightdawn: "You said it, Sunset. Bridlewood Spog is such a relaxing place. Glad you guys could show it to me."

Izzy Moonbow: "Anytime. We wanted you to experience it after years of isolation from Opaline. And to get your worries out."

Me: I knew nothing about it but this is really cool. Now I'm not afraid to take off my shoes.

Misty Brightdawn: "I can tell. And Well, it's working."

But then they heard a rumbling sound, which got Misty's attention as she turned to see a bright glow.

Me: Uh oh.

Misty Brightdawn: "Izzy? Sunset?"

She saw a rainbow light heading towards us, which made Misty nervous.

Misty Brightdawn: "Izzy! Sunset! J.D.!"

Sunset Shimmer: "Huh? What?"

Izzy Moonbow: "Yeah, mm-hmm?"

Me: HIT THE DIRT!

Misty Brightdawn:"Get down!"

The three ponies took a closer look and saw many Breezies flying towards us.

I ducked!

Sunset Shimmer: "Ah! Breezie herd! Under the mud!"

I dove aside and Sunset, Izzy, and Misty ducked underneath the mud puddle as the Breezies flew over them at high speed and into the forest as the three ponies looked up from the mud bath in confusion.

Me: WHOA! The Breezies are in a hurry about something.

Sunset Shimmer: "What got those Breezies flying in a hurry?"

A certain Unicorn Filly, Violette Rainbow, came rushing by panting as she stopped to take a breath.

Me: Whoa! Hey Violette!

The three ponies turned to her and saw her as Izzy gave a cheerful smile.

Izzy Moonbow: "Hi, Violette"

Sunset Shimmer: What are you doing here?"

Violette: "You're gonna miss it, ponies! Come on!"

She rushed off and Izzy jumped out of the mud and followed her.

Me: Lets go see what it is.

Sunset Shimmer: "Well, if the Breezies got Violette excited, might as well see what it's about."

She jumped off with Misty as the two followed after the two Unicorns while following the Breezies.

We followed.

The four and me followed the Breezies further into the forest as they made it to a pond with a big lily pad in the middle as the Breezies then circled it.

Mw: WHOA! What's going on?

Violette: "Wow! It's really happening!"

She had an exciting smile and sparkles in her eyes.

Misty Brightdawn: "What is?"

Sunset Shimmer: "Yeah, what's going on?"

Izzy Moonbow: "And where?"

They turned and saw her still having mud over her that covered her eyes as Izzy shook herself to get it off and turned to the pond with a wide smile.

Izzy Moonbow: "Oh! There!"

Me: Something big is going on!

Sunset Shimmer: "Uh, what are you two excited about? And why are the Breezies circling the pond? I never saw them do that before."

She had never seen the Breezies do anything like this.

Me: We never saw the Breezies do something like this.

Misty Brightdawn: "Yeah, I'm drawing a blank here too."

Violette: "This is the Swirlpool Starlight! Every ten years, all the Breezies gather and combine their magic in a special ceremony. Anypony who witnesses it is forever changed when the Breezies' magic looks into their hearts!"

Me: WHOA! So basically the magic calls upon the secrets of the universe to show them.

Violette: That's right!

She circled the three ponies as a magical rainbow orb appeared at the center of where the Breezies were circling as it created a bright flash that blinded the four ponies as it hit the big lily pad and the pond glowed a bit.

Me: WOW!

Sunset Shimmer: "Wow, that's an interesting magic there. I should take notes. Sunny would flip since she's missing this while she's on her date with Linky."

Me: Good idea! She sure would, Sunset.

Izzy Moonbow: Sunny would be jealous to miss this.

Misty Brightdawn: "Yeah, that's true. So what happens now?"

Mysterious Voice: "Violette Rainbow. Step forth and look into your future."

The rocks glowed in a path pattern before heading towards the lily pad as it glowed brightly.

Sunset Shimmer: "Okay, that happened. Freaky."

Izzy, Misty, and Violette were surprised by that as well.

Me: Wonder what that voice was?

Violette: "And it knows my name!"

Sparkles in her eyes as she shook it off and hopped onto the rocks, which glowed as she landed on the lily pad before the water started circling around her before it launched in the air in a swirling water tornado.

Me: WHOA!

Misty Brightdawn: "Violette!"

Sunset Shimmer: "Is she okay?!"

Izzy gave a scoff and a smile.

Izzy Moonbow: "She's fine. Maybe it's giving her a makeover. Or superpowers! Or eating her brains!"

Sunset Shimmer: "Izzy!"

Izzy realized what she did when she saw Misty's nervous look.

Izzy Moonbow: "Sorry. Ooh, or a friendship bracelet."

Me: Maybe.

The water then ceased as they saw Violette at the center.

Sunset Shimmer: "Or maybe keep her the same?"

Me: Maybe we'll find out when she comes back

Misty Brightdawn: "Violette, you okay?"

Violette: "Okay?"

She then had teary eyes of joy, and her Cutie Mark glowed.

Violette: "I'm hoof-tacular! The Spog! The magic!"

She cheered as she hopped back to us.

Violette: "It looked in my heart!"

She had sparkles in her eyes as she walked around us.

Violette: "It said my heart was kind and that Bridlewood would grow green and lush with me as its gardener!"

Me: WOW! That is an amazing future!

Misty Brightdawn: "Wait. Did you say it looked into your heart?"

Sunset Shimmer: "And it shows the future of what you may become someday? Wow, that pond is full of surprises to help us find what our hearts desire."

Me: That is amazing!

Myserious Voice: "Izzy Moonbow."

The mares turned to the pond again as it glowed.

Mysterious Voice: "Step forth and look—"

Izzy Moonbow: "Look out, universe! Izzy's coming!"

She hopped onto the rocks before jumping high.

Izzy Moonbow: "Whoo!"

She landed on the lily pad and the water burst up again, which made Sunset look in surprise and Misty look on in worry.

Me: I think she knows the drill.

Sunset Shimmer: "I wonder what Izzy's gonna see."

Misty Brightdawn: "I hope nothing bad."

Sunset noticed her expression and gave a concerned look.

Inside the water sprout, Izzy opened her eyes to see she was in the eye of the water.

Izzy Moonbow: "Ooh!"

She touched the water, which then showed her in some kind of void as she saw visions of her past.

Izzy Moonbow: "Hey, that's me!

Projection: "It's beautiful. And it's alive!"

It showed the time when she created Sinor Butterscotch sometime after T.U.E.S. Day to keep her company when her friends were busy.

Projection 2: "T-R-A-S-H! Doesn't mean it's waste!~"

Another screen showed when Izzy was singing her trash song while looking for a ring for Sunny's Lantern in the garbage chute.

Projection 3: "Your heart glows with the creative gifts you share with the world."

The voice spoke up as Izzy looked up and saw the stars twinkling.

Mysterious Voice: "But your most magical creations are still ahead of you."

It showed a slide and heart shape formation.

Izzy Moonbow: "Whoooaaaa!"

She reached over to touch them, but she fell to the lily pad and the water sprout stopped.

Misty Brightdawn: "Izzy!"

Sunset Shimmer: "Looks like she must've seen something that made her fall to the floor."

Me: Yeah!

Violette: "What did it say?"

Me: Izzy what happened?

Izzy Moonbow: "Magical... creations? Whoo-hoo!"

Her Cutie Mark started glowing.

Izzy Moonbow: Do I have some magical ideas to explore! I actually had this one idea for a jello-cuzzi! Oh! Or macaroni mini-golf! And I've been putting off the Glitter Fountain 5000 for—"

I laughed!

Mysterious Voice: "Sunset Shimmer. Step forth and look into your future."

Me: WHOA!

Sunset Shimer: "Well, I guess it's my turn. Time to see what my future holds."

Misty Brightdawn: "Uh, Sunset, you know you could just fly over, right?"

Sunset Shimmer: I know I can fly, but it only feels right to walk the steps."

She stepped on the lily pad and the watersprout came again.

Sunset Shimmer: "Whoa! This is amazing."

She then saw her memories of her time with Celestia, at CHS, the Rainbooms, and even with us and when she first met Sunny and the others of their adventures in another universe.

Mysterious Voice: "Your heart is as pure as the sun shines as you carry on the legacy of a friend and continue to spread the magic of friendship to all."

A star of her Cutie Mark and Twilight's appeared as they sparkled.

Mysterious Voice: "But you're most important friendship is near, and you have a goal to complete with your friends before and after"

Sunset watched on with a wide smile before she started to tear up in joy.

Sunset Shimmer: "I think I have a feeling what that is. And I will keep going to see it through, for my friends and family."

The water stopped and her friends saw her.

Me: Whoa! Sunset?

Misty Brightdawn: "Sunset? Are you okay?"

Me: Are you okay?

Izzy Moonbow: "What did your future hold?"

Sunset turned to us with tears of joy and a smile.

Sunset Shimmer: "Hehe, let's just say that friendship will be even stronger as it was before with all of us."

She flew over us before the pond glowed up again.

Mysterious Voice: "Misty Brightdawn. Step forth and look into your future."

Misty was nervous.

Misty Brightdawn: "Uh… Uh…"

Me, Sunset, Izzy, and Violette placed assuring hooves and hands on her with smiles as Misty stepped forward and onto the ond as the water circled her.

Misty opened her eyes and saw that she was in the void as the voice spoke up.

Mysterious Voice: "Misty Brightdawn…"

It then showed bad memories of her and Opaline.

Projection: "Come on, Misty! You get Opaline that dragon, you get a cutie mark!"

It was during Winter Wishday, which made Misty feel uncomfortable.

Misty Brightdawn: "Uh…"

Projection: "Those silly ponies have the dragon with them."

Opaline spoke during one of the screens.

Voice: "I see you as you really are…"

The voice tried to say but Opaline's voice cut it off.

Projection: "Now get him for me, Misty."

Opaline spoke as Misty looked around in dread.

Opaline: "Can't you do anything right?!"

Voice: "The deeds of your past are…"

The voice tried to say, but was cut off.

Opaline: "Fetch me that dragon!"

Opaline ordered as a figure of Misty appeared, glowing red with red eyes.

Misty Brightdawn: "NO!"

Misty cried out with her eyes shut as she rushed out of the water sprout as the others saw her in surprise as Izzy gasped.

Me: Misty!

Izzy Moonbow: "Misty!"

Sunset Shimmer: "What's wrong?!"

Me: Misty?

Misty Brightdawn: "I know I've done bad stuff! I don't need to be reminded of that!"

Misty cried out as tears started falling from her cheeks as Sunset and Violette looked at her in sympathy.

Me: Misty come on. You are not like that anymore.

Sunset Shimmer: "Oh, Misty. There's nothing to be ashamed about."

Violette: "Yeah. Everypony does bad things sometimes. It doesn't make you bad.

Izzy Moonbow: "Misty, you're the goodest pony we know."

Sunset Shimmer: "And I'm a reformed villain too. I know what it's like to do things that you aren't proud of. But I learned from my mistakes, as you learned from yours. As everybody, human, pony, dragon, or otherwise, learns from their mistakes. So, if you want to go back in there, you have our support. But if you don't, I'll completely understand that too."

Mr: That's right! I've learned from my mistakes when I was leader and I promoted Nico. Nico earned it and he is doing a much better job than I did. I made mistakes myself but I learned from them.

Izzy Moonbow: "Yeah. We respect your choice. The universe will see that. Or else! (Giggles) Kidding.

Misty wiped her tears as she stood up as the path opened up for Misty again as she gave a determined smile and walked back into the void as the memories started playing.

Voice: "Misty Brightdawn…

Misty had her eyes closed before she talked to herself.

Misty Brightdawn: "I might seem a little quiet, but my strength is very real."

Good visions of her spending time with her friends appeared.

Voice: "...the deeds of your past…"

Misty Brightdawn: "When my cutie mark comes to life…"

She began to glow and her Cutie Mark glowed brightly.

Voice: "...are nothing compared to the wonders of your future!"

The good memories of her friends and how happy and how much fun she had with them appeared around her.

Misty Brightdawn: "...my heart helps me feel!"

Misty finished as she twirled around and magical butterflies appeared around as they flew and the bad memories she had had while with Opaline vanished as the good moires combined into her with the entire Mane 7 and all of us as she smiled happily with tears of joy and sparkles in her eyes as the water sprout stopped and Misty was float as the Breezies stopped circling and vocalized in harmony as Misty lowered herself back down to the lily pad.

Sunset Shimmer: "Wow. Misty, you're getting good at that."

Me she, Izzy, and Violette rushed up to her while in awe at what they just saw.

Misty: "Yes, I guess I am."

Violette: "How was it, Misty?" Violette asked in curiosity.

Sunset Shimmer: "Did it say you're future is bright and filled with joy?"

Izzy Moonbow: "Do I need to give the universe a talking-to?"

She was Shaking her hoof in the air as the 4 of us gave amusing smiles

Izzy Moonbow: "Just kidding." She said.

Misty Brightdawn: "It was amazing."

She had sparkles in her eyes and a smile as the four got into a group hug with her as the four stood that way while the Breezies watched them.

Voice: J.D. Knudson, Step forward and see your future.

Me: It's my turn.

I went and I was in the waterspout.

Me: Wow!

Suddenly, I saw screens of my past achievements.

Voice: J.D. Knudson, your heart is as pure as they come and the deeds you have done will take you far...

Me: Wow!

I even saw me and us destroying Anti-Monitor and restoring Twilight Sparkle from Sunny's World and us destroying Dark Chase Young. Then, I knew what I had to do.

Me: (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When my Cutie Mark Comes to life, Fire and Justice brings evil to a fall!

Voice: You are a force of good that will bring peace to all and your future is eternally bright.

I then was enveloped in a massive ball of light and rainbow energy!

MY POWER WAS RISING FAST AT AN ASTRONOMICAL LEVEL AND THEN A MASSIVE BLAST OF RAINBOW FIRE EXPLODED OUT AND WENT REALLY HIGH INTO THE SKY AND ENVELOPED THE EARTH AND THE EARTH GREW IN INCREDIBLE SIZE! I WAS IN MY MOST POWERFUL TRANSFORMATION AND HAD AMAZING RAINBOW AND WHITE FIRE CLOTHES AND I WAS STRONGER AND MORE POWERFUL THAN EVER BEFORE!

Everyone saw me!

Nico: OH MY GOD! WOW!

Xenia: Amazing!

Camie: OH MY GOD! J.D. is that really you!?

Ymir: WOW! J.D. you look incredible!

Eli: WOW! Bro... How do you feel?

Me: I feel absolutely incredible!

Qin: WOW! You sure do!

Laney: J.D. you look amazing!

Lincoln: I'll say!

Me: WOW! No kidding! This is amazing power! This power is more than enough to destroy all of our dangerous enemies and Anti-Monitor times infinity!

Nico: WOW!

Iormu: That is amazing!

Me: WOW! We have a lot to tell you guys!

At the mud pools we were relaxing.

Camie: This is so amazing!

Me: It sure is!

Ymir: I'll say!

Nico: WHOA! So the Breezies do a ritual like that once every 10 years? How amazing is that?

Sunny Starscout: That is really cool!

Erza: This should've happened earlier today.

Me: I know.

Horsea came.

Horsea: Hey guys. How are things here?

Me: Amazing than ever.

Lola: Yeah. J.D. just got a whole new level of power.

Nico: Yep. Also J.D. what did the Breezies magic show you?

Me: It showed me destroying Anti-Monitor and helping Lincoln kill Dark Chase Young and many things in the future.

Laney: Wow!

Nicole then came and she was panting hard like she as frantic!

Me: Nicole what's wrong?

Nicole: Guys! You are not going to believe what happened to the Earth!

Skywarp: What happened?

Nicole showed us that Earth not only has a Ring System but also IS NOW THE LARGEST EVER PLANET IN THE SOLAR SYSTEM!

Nicole: My scans show that dad's power caused Earth to grow from 7,000 miles in diameter to over 130,000 miles in diameter and it now is bigger than Jupiter!

We gasped!

Me: WHOA! So Earth is now the largest planet ever!? That's incredible!

Camie: WOW!

Laney: So Earth now is the biggest ever planet!?

Lisa Loud: That is inconceivable! How in the world did this happen!?

Me: I have no idea! But Earth is now a much bigger home planet for all of us!

Skydive: Maybe it had something to do with what happened to you

Me: Yeah that could be it. Wow!

Nico: This is amazing!

Qin: Now Earth really is better than ever!

Me: Earth Omega is born.

Nico: Earth Omega?

Me: I thought it sounds fitting. Also the ring system around the Earth is amazing and beautiful.

Lola: Boy it sure is.

We came back home. We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts,, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: That was intense!

Xenia: It sure was.

Chop Shop: With that out of the way, which Trap Team villain should we go after first?

Me: Hmm.

Nicole: Well if I remember right, Gulper was the first one to be caught.

Nico: That's right and he was after a lot of Soda.

Me: Yep.

Nico: We'll decide who helps to fight him when the times comes

Me: Okay. But it should be one of each member of the Trap Team that corresponds to the element of said villain.

Lob-Star: Like me and Gulper. We're water so that means one of my Water Skylander friends will go with.

Nico: Oh okay! I get it.

Me: Cool.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's

Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Mard Geer Tartaros and the Tartaros Guild members, and he and the undead dark mages are causing havoc in Fiore. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: Oh crud, we got big trouble.

Eli: A new enemy?

Lincoln: For us, yep, but this one is familiar to Erza and the Fairy Tail Guild.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today, and Erza, you and the others aren't going to like it: it's Mard Geer Tartaros and the Tartaros Guild members, and he and the undead dark mages are causing havoc in Fiore.

EVERYONE GASPED, AND THE FAIRY TAIL GUILD ALSO GASPED IN SHOCK!

Erza: Oh God, that's not good. Tartaros is one of the three dangerous dark guilds that make up the Belam Alliance. They're all undead mages that were responsible for assassinating the entire Magic Council except for Doranbolt. They also want to resurrect E.N.D. Or Etherious Natsu Dragneel to incinerate and destroy the entire world!

WE GASPED IN SHOCK!

Nico: Oh damn...!

Me: Geez!

Natsu: And we dealt with them before, and they're no laughing matter. Their leader is Mard Geer Tartaros, and their members are Kyôka, Silver Fullbuster, Jackal, Keyes, Seilah, Tempester, Ezel, Torafuzar, and Franmalth. They are dangerous as all get out!

Lincoln: We'll capture Kyôka, Silver Fullbuster, Jackal, Keyes, Seilah, Tempester, Ezel, Torafuzar, and Franmalth and send them to The M.O.E., but Mard Geer Tartaros, he's going to The Black Abyss.

Me: You said it, and I can also test out my newly acquired power.

Nico: That demon's gonna regret making his move. Alright, team, let's get to Fiore, we got a dangerous dark guild to destroy.

Lincoln: And a demon to destroy. Plus, I can also try these out.

Lincoln got out his own Twelve Celestial Spirit Gate Keys, Silver Keys, Black Key, but we also saw he got out Four Keys that were based on The Four Symbols of Chinese Myth.

Me: Whoa!

Lincoln: Lucy Heartfilia gave me my own set of Twelve Celestial Spirit Gate Keys, Silver Keys, Black Key, yesterday as a gift, and the four Gold Keys you also see here were also included as well: they're The Phoenix Key, Dragon Key, Turtle Key, and Tiger Key.

Eli: Based on The Four Symbols of Chinese myth, wow.

Nico: This should be good.

Me: Yep. But Erza what is the Tartaros Guild?

Erza: They are one of the 3 dark guilds. And they are extremely dangerous!

Nico: Also, it won't just be a Water Skylander. It should also be some of us that are similar to a said villain

Qin: Okay.

Me: How dangerous are we talking?

Lucy Heartfilia: They are responsible for assassinating most of the entire Magic Council except for a member named Doranbolt!

WE GASPED!

Me: WHOA MAN!

Lucy and Erza went over their history

Tartaros was a powerful dark guild and served as the titular main antagonists of the arc of the same name from the anime/manga series, Fairy Tail.

Tartaros was founded by Mard Geer Tartaros and was one of the three major guilds that made up the Balem Alliance, alongside Grimoire Heart and the Oración Seis. The guild was exclusively made up of Etherious demons and were known as Zeref's "bookshelf".

The origins of Tartaros itself date back centuries before the current timeline where the Etherious demon Mard Geer Tartaros located the tome of E.N.D., a famous demon and creation of Zeref himself. Mard Geer would then assemble many of Zeref's other creations and form Tartaros with E.N.D. as its guild master, though Mard Geer took over as substitute leader in his absence. Mard Geer would then dedicate himself to reviving E.N.D. not knowing that he was alive and was known as Natsu Dragneel. The guild was formed to fufill the wishes of Zeref and help aid him in his goal of dying as per their genetic code.

By the year X791, Tartaros is a powerful dark guild and is one of the guilds that made up the Ballem Alliance, but by the current year, it's the only surviving major member guild as the other two were defeated by Fairy Tail. As part of their plan, Tartaros begins targeting former members of the Magic Council and this attracts the attention of Fairy Tail, the latter of which engages the dark guild in a guild war. In the ensuing conflict, Fairy Tail was able to defeat Tartaros, but not before going through several battles and the guild was ultimately disbanded by Makarov after Tartaros was defeated

---

When it was done everyone was shocked!

Me: WHOA MAN! And what about their leader?

Erza: You will not like this guy.

Erza went over Mard's history

Mard Geer Tartaros is the titular main antagonist of the Tartaros arc in the anime/manga series, Fairy Tail.

He was an Etherious and founder of the Dark Guild Tartaros (which he apparently named after himself). He was known as the Underworld King, having placed himself in charge of the guild in E.N.D.'s absence. He's also the arch-nemesis of the Celestial Spirit King, having previous battle him some time ago.

He was voiced by Toshiyuki Morikawa (who also voiced Naraku, Yoshikage Kira, Lord Boros, Sephiroth and Griffith) in Japanese and Vic Mignogna (who also voiced Rohan Kishibe, Melzargard, Broly, and Malzahar) in English.

Like the other Etherious, Mard Geer was created by Zeref as a way for the man to die and had upon his genes inscribed an inherent desire to "return to Zeref" and fulfill the man's wish. To accomplish the means to this end, Mard created the Curse Memento Mori to destroy the barriers between life and death, as Zeref is immortal and cannot die by conventional means, and simply erase his existence from this world.

At some point following his creation, Mard Geer came into contact with the Celestial Spirit King, sparking a rivalry of sorts between the two. Additionally, he came to know of Acnologia and Igneel.

Sometime following E.N.D.'s departure for the future, Mard Geer, unaware of what happened to E.N.D. and not knowing what he looked like, stumbled across his seemingly sealed tome and used it to rally and unify the other Etherious together under "E.N.D.'s will", and thus formed Tartaros (which he apparently named after himself), resolving to act as its leader until they "revived" E.N.D., proclaiming the Etherious to be their Guild Master. At some point after this, the Demons of Tartaros made contracts with the Underworld King, enabling them to be reborn upon death at Hell's Core.

According to Keyes, Mard Geer acknowledged Silver Fullbuster's power (sometime after his "revival") as a Devil Slayer and granted him the title as one of the Nine Demon Gates either by his whim or that the Exorcist Mage act as a deterrent for the Demons of Tartaros.

Mard Geer appears for the first time inside of Tartaros' HQ. Sitting on a throne in his room and holding a book with the letters "E N D" written on the cover, Mard Geer talks about Zeref's Demons, the Etherious: beings superior to humans. Seemingly reassuring the Master, Mard Geer states that the darkness of Hell's gate will soon appear and eat up the world's light.

Shortly after, Mard Geer is approached by Kyôka, who informs him that the plan to activate Face failed, and that the resurrection of Franmalth and Ezel was halted by members of Fairy Tail. Seemingly bemused, Mard Geer tells Kyôka that Seilah too was only just defeated, causing the Demon woman to ask for E.N.D. to be summoned to assist them; however, Mard Geer informs her that there is too much Magic Power present in the world for E.N.D. to properly resuscitate, and, though Kyôka reminds him that that was the entire point of using Face, he states that their plans will still come to fruition. Asking Kyôka about their goals as a guild, Mard Geer proceeds to attack the woman when he finds out that she was "playing with humans", a punishment he states she deserves for daring to interact with them too much. As Kyôka tries to thank him for righting her wrong ways, Mard Geer decides that he may have to use Alegria given the current situation. Making his move, Mard Geer hijacks Warren Rocko's Telepathy, and uses it to introduce himself to the Fairy Tail Guild. Bidding them farewell, the man makes use of Alegria, which proceeds to warp and deform Cube, swallowing everything and everyone present inside. Kyôka warns the Demon that he is sacrificing their own troops, though Mard Geer seems not to care, berating the human race as he waits for his command to finish. However, as the morphing of Cube comes to an end, Mard Geer senses that one of the Fairy Tail Mages managed to avoid being captured, laughing as he debates whether or not Lucy Heartfilia has good or bad luck for being able to slip free from Alegria's grasp.

Mard Geer then uses Telepathy one more time, informing the members of Tartaros that Alegria has gotten rid of the intruders so the Face project can continue. However, he also reveals that Lucy has escaped the effects of Alegria and promises that if any of the soldiers kills her, they will receive the title of Nine Demon Gates, or in the case of the current Nine Demon Gates, a prize; this prompts the entirety of Tartaros to chase after the Mage. Mard Geer later stands before the Celestial Spirit King, after the latter appears thanks to Lucy's sacrifice and destroys the transformed Cube.

He expresses his surprise that someone was able to summon the Celestial Spirit King and then explains to him that the book he's carrying is the soul of E.N.D. The Celestial Spirit King then asks about their motive and Mard Geer reveals to him that they are trying to revive their Master and reunite with Zeref. The Celestial Spirit King then questions if this is the reason for Lucy's wounds and sorrow, and when Mard Geer confirms it, he is attacked by the spirit's sword. Mard Geer envelops himself in a sphere of Curse Power and strikes the Celestial Spirit King, however, the latter counters it with ease. Wasting no time, Mard Geer summons thorns to pierce through the spirit's body, claiming this to be the end, but the Celestial Spirit King cuts through them and replies with an attack of his own: Meteor Blade. The technique causes great destruction, although it misses its target, Mard Geer, who commends the king for his efforts. Mard Geer and the Celestial Spirit King continue clashing as the latter lends Aquarius' power to Lucy Heartfilia.

Mard Geer and the Celestial Spirit King continue the battle, with the former noting that the latter is becoming slower. Mard Geer attacks with his Curse one more time, claiming that this is the end, however, the Celestial Spirit King defends himself and proceeds casting Galaxia Blade. While shielding himself, Mard Geer smirks, asking whether the Celestial Spirit King is willing to sacrifice Lucy, however, it soon turns out that this spell instead cancelled Alegria. As the Celestial Spirit King begins vanishing, Mard Geer starts turning into stone, due to the former placing a spell on him before his departure. As he gives a warning that this won't hold him and the malice for humankind won't be forgotten, Mard Geer ends up being fully petrified. After it is revealed that there are several more Face devices, Mard Geer, albeit still petrified, smirks that this is the true appearance of the continent's Magic Pulse Weapon.

Having been completely freed from his petrification, Mard Geer walks back into the ruined Cube, stumbling across Erza and Minerva just as the former has seemingly ruined the latter's resolve to fight. Hearing them speak about life and death, Mard Geer interrupts, calling the two women garbage and vowing to clean them out. He blasts Erza away seconds later, and, after flinging Minerva into the air with his Curse, moves to blow her up as well; however, the woman is saved from his attack by Sting and Rogue, who arrive just in time to protect her.

With Mard Geer watching on, Sting and Rogue vow to return Minerva to their guild and ask Erza to take her, Lector and Frosch to safety, preparing to stay and fight on their own. Seemingly letting them do as they please, Mard Geer calmly states that their actions mean nothing, as the Magic world will be destroyed in under an hour when the 3,000 continent-wide Face devices are fired. Minerva tries to calm the group by reminding them that Face weapons need to be activated manually and that such a feat can't be achieved, though Mard Geer interrupts and explains that through Keyes' necromancy and Crawford Seam, Tartaros have the capacity to remotely set all of the weapons off at the same time. Believing him, Sting and Rogue tell Erza to go and stop the plan, and together they rush Mard Geer and engage him in battle. Whipping around the Tartaros Demon, the Dragon Slayers try to attack from both sides, though Mard Geer continuously evades their assaults with carefully timed maneuvers and parries. Flinging Rogue backwards into Sting, Mard Geer powers up an explosive spell and attempts to blow the duo away, commenting that he hates that Dragon Slayer Magic is used by such petty humans. Sting and Rogue—albeit taking the blow—both continue to stand, angry in return that Mard Geer hurt their friends.

Mard Geer is then quickly subjected to more attacks from the Dragon Slayer duo that, like before, leave him less than phased. As he takes the hits, Mard Geer states that he understands why Kyôka enjoyed playing with humans so much: it is because they do not see their demises, they act out of emotion, and are oblivious to how frail and weak they truly are; all things Mard Geer finds blissfully ignorant. As the fight continues, Mard Geer does eventually give Sting and Rogue credit for being at least competent in their Dragon Slayer Magic, as few match him in battle. However, he follows this up by gloatingly remarking that he can see why the two would be so wrongly full of themselves and confident.

Some time later, Mard Geer temporarily interrupts the battle to comment on Acnologia's sudden arrival. Noting that it exceeds his wildest imagination, Mard Geer wonders what exactly lured the Dragon King, Demons or even Zeref himself. Mard Geer notes that even he can't tell what will happen now that Acnologia has appeared. He then realizes that he wishes to destroy E.N.D. before its resurrection and ponders whether it is because he fears E.N.D.

Shortly after, Igneel emerges from Natsu's body and engages the black Dragon over the Tartaros ruins. Watching the two fight, Mard Geer vows to let neither get in the way of his plans, and remarks that he has made slight alterations so that both Dragons will be erased from history. However, as he watches the spectacle above, Igneel too notices him in return, and asks Natsu to retrieve the book of E.N.D. from Mard Geer's possession. With a smile on his face, Mard Geer then watches as Natsu launches himself towards him, ready to fight.

Mard Geer is swiftly attacked by the Dragon Slayer, and is shocked to hear that Igneel is Natsu's father. Pushed back, the Demon King retaliates with his thorns, but these are evaded by Natsu, who proceeds to punch him in the face as he demands the Book of E.N.D. be handed over. Grounded, Mard Geer telepathically contacts Kyôka and tells her to form an Organic Link with the Face controls in order to speed up the firing of Face with her body; this will wipe the abilities of both the Dragons and Mages faster, and give them the edge in their fight. Kyôka questions the plan, as to fuse with Face will forfeit her life, though Mard Geer disregards this, smiling as Kyôka complies with his demands.

With Face seemingly sorted, Mard Geer continues his fight against Natsu, and, calling the Dragon Slayer a false Dragon, pushes the Fairy Tail Mage down into the ruins of Cube. Leaping after him, Mard Geer tries to finish the falling

Dragon Slayer off, though is stopped by Sting and Rogue, who rush in to protect Natsu. Waiting as the three converse, Mard Geer is then attacked simultaneously by the three men, who decide to take him on together. To begin with, the Underworld King manages to hold them back, but, after some skilled teamwork between the three, is eventually beaten back. Pulling himself from the ruins, Mard Geer smiles sadistically at the trio as he declares that he is finally mad.

Mard Geer nearly loses control of himself, but sits on his throne to calm himself down while apologizing to Master E.N.D. as he puts down the book he has been carrying all this time, citing that he doesn't like to let his emotions run wild. He then attacks from his chair with a surprising increase of power. Natsu manages to get close a few times but none of his attacks even phase Mard Geer. Even after being launched from his throne by Natsu to give Sting and Rogue an opening for a combined attack, Mard Geer simply diffuses the attack and subsequently shrugs off Natsu's Lightning Fire Dragon Mode spell before pushing the Fire Dragon Slayer back, and sitting on his throne again as if nothing happened. As the three Dragon Slayers reel from his power, Mard Geer comments he hasn't even gotten serious yet.

Mard Geer then attempts to contact Kyôka, but finds that she is too engrossed in her battle with Erza. Deciding to leave her be, he answers Sting's question regarding the extinction of Magic, which he explains they're doing so that they'll be able to destroy the seal placed on E.N.D.'s book, which is composed of Magic Power, and return to Zeref's side. Inquired as to what that means, Mard Geer explains that written in their genetic code is the desire to reunite with Zeref, which he reveals is Zeref's way to finally die: he created the Etherious so that they could ultimately kill him.

Adding that when E.N.D. is revived they can kill Zeref, Mard Geer responds to Sting's complaint of human endangerment by calling humanity weeds in their path to their creator. Mard Geer then whips his opponents away with his Prison Flower, but it, along with his arm, is frozen by Gray's Ice Devil Slayer Magic. Stunned, Mard Geer asks exactly who Gray is and is shocked to learn that he's a Devil Slayer.

Mard Geer is then attacked by Gray and recognizes Silver's Magic, stating that he always knew the man would betray him, but remarks that the way in which he was betrayed is fascinating. Attacking Gray, Mard Geer's thorns are frozen almost immediately and he hit with a blast of ice. Subject to Gray's rage, a potentially fatal blow is stopped by a demonic Jiemma, which delights Mard Geer; after Jiemma reveals to everyone that he chose to be remade into a Demon, Mard Geer makes a claim that his power far surpasses the Nine Demon Gates' own. Smirking at Jiemma's threat to his life, Mard Geer says that the adjustments to Jiemma's emotions were a failure. As his wounds heal, Mard Geer asks Gray if he believes his newfound power will work when he releases his true form and states that he, like E.N.D., will truly awaken after a long period of time. Entering his Etherious Form, Mard Geer reveals his true name, Mard Geer Tartaros, and states that they can call him the Underworld King; the Definitive Demon. He then tells Natsu and Gray to step forth, calling their battle the final one.

Beginning, Mard Geer spreads his new wings and summons a large number of very thick, dangerous thorns which are immediately burned and frozen by Natsu and Gray, respectively. However, the Underworld King immediately appears above the two Fairy Tail Mages and grabs them by their heads before soaring upwards; as he does so, he grinds the two Mages' faces off of the concrete structures that surround him, telling them that on the other side of

Tartaros lies punishment for those that transgress against Demons, and that he's going to grind everything of theirs (even their emotions) away. However, before long, Gray and Natsu begin to resist and free themselves before ultimately punching Mard Geer into the stone he was trying to kill them with. Mard Geer, however, takes little damage from the attack and recovers swiftly, continuously dodging Gray and Natsu's following attacks and replying with his own. Gray responds by making a tower of ice, and an unsuspecting Mard Geer is then hit full on by Natsu, who was hiding inside; however, Mard Geer once again shrugs the attack off as Gray and Natsu question his incredible strength.

Hearing them, Mard Geer explains that he will always come out on top in terms of ability due to his use of a Curse, which, as an original branch of power from the One Magic, is far superior to Magic. When Natsu refuses to agree, Mard Geer begins to cast a Curse, creating black tendrils of energy that begin to wrap around and paralyze the two Fairy Tail Mages. The Demon tells them that he is going to use his greatest Curse on them: Memento Mori; the very attack he planned to defeat Zeref with. Gray and Natsu are caught up in the Curse as Mard Geer tells them that they will become part of nothing—neither the living nor the dead. With the Curse complete and Natsu and Gray having vanished, Mard Geer returns to his human form and prepares for Face to fire so that E.N.D. can be revived.

Although he smirks at his apparent victory, Mard Geer quickly becomes furious at the two Slayers' survival, calling it impossible and pondering if they survived because of Silver's borrowed power. However, as Gray falls and he is left facing Natsu, Mard Geer's anger takes hold and once again enters his Etherious Form and rushes at his Dragon Slayer foe, though he is punched away rather quickly.

Wondering what power Natsu is using as he is repeatedly beaten around, Mard Geer expresses utter shock when he realizes that Natsu has entered Dragon Force and his hit by the young man's Crimson Lotus: Phoenix Blade; he survives, albeit wounded, and angrily tells Natsu that he needs to do better to kill him before attempting to do the same back to him. As this occurs, Gray rises and hits Mard Geer with his own Ice Devil's Zeroth Destruction Bow and critically wounds him. Falling, defeated, Mard Geer telepathically communicates with Kyôka regarding Face, to which she tells him to not fear, as it has activated and Magic Power is going to disappear from the world.

Forced to exit his Etherious Form upon defeat, Mard Geer falls to the ground, defeated and mortified. Shortly thereafter, after Face activates, Mard Geer regains his composure and tells Gray and Natsu that everything is just the beginning, and that Magic Power will disappear and Curse Power will reign, as well as that when E.N.D. revives, humans will not have the power to resist his will. However, when a heavily wounded Acnologia falls from the sky and Igneel stands upon his body, Mard Geer loses his cool and begins to panic when the Fire Dragon King reveals that more Dragons have arrived and are destroying Face as he speaks. His panic then turns to utter shock as Zeref also arrives on the scene, having come to take back the Book of E.N.D. for himself. Despite still being floored due to his previous fight, Mard Geer begins to plead with Zeref and tries to tell the Dark Mage that he can still help him realize his goals. Albeit praising Mard Geer on almost "reviving" E.N.D., Zeref states that he has no more use for the Demon, and, with a snap of his fingers, sends the crying and pleading Mard Geer back into the book from, which he was summoned before he burns it to ash.

When it was done we were shocked and horrified!

Me: He is pure evil!

Qin: YEAH!

Nico: So we're sending him to the Black Abyss.

Erza: Yes.

Nico: Geez! It didn't think they would be that bad!

Me: Me neither! Tartaros is not gonna get away with this!

Xenia: That is for sure!

The previous group came.

Amora: Can me, Ebon, U-Foes, Vortex, Black Spider, Cluemaster, Gator Ghoul, Oculous, Vanitas and Trumbipular go with you guys?

Nico: Yes you all can come with us.

X Ray: And congrats for completing the Ambassador missions for this year.

Ironclad: You should throw a party!

Me: That's not a bad idea. How about we celebrate it with May's baby shower too.

Nico: I like it. Or we can have that on June 1st.

Me: Whichever sounds good.

Needlenose: Boss, which Gene Slammers do you think you'll meet next?

Vapor: And let's celebrate said party on June 1.

Nico: June 1st is good since it's May's baby shower tomorrow. Also Number 52: Diamond Crab King and Number 51: Finisher the Strong Arm next.

Me: OOH! That will be cool.

Qin: Yep.

Vapor: And J.D. you look incredible! What happened?

Me: You wouldn't believe it Ann. It's an amazing story.

Vapor: We'll have to hear about it.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Baron Dark from Skeleton Warriors, and he's coming to destroy us for what we did to him two years ago. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Baron Dark from Skeleton Warriors, and he's coming to destroy us for what we did to him two years ago.

Selena Sly Cooper: That undead evil skeleton's gonna get it, and he's getting all his powers sucked out of him.

Nico: By Lincoln no doubt, but not after you snatch away some of his loot. Alright, team, let's get going, we got a guild of undead dark mages to stop.

Lincoln: Mard Geer Tartaros, your time is up, you're heading for a place far worse than Hell, and once we get done with him, you're finished, Baron Dark.

Selena Sly Cooper: You made a mistake coming back from the dead, and now, we'll make sure you never rise again.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Fiore to destroy Mard Geer Tartaros and send him to The Black Abyss and send Kyôka, Silver Fullbuster, Jackal, Keyes, Seilah, Tempester, Ezel, Torafuzar, and Franmalth to The M.O.E., and once we get done with Tartaros, Lincoln and Selena Sly Cooper are going to destroy Baron Dark and send him to The Black Abyss.

We were off to Fiore!

We arrived at Fairy Tail Guild.

Me: First we got to gather all the Fairy Tail Mages.

Nico: Right.

Ebon: Lets call Xigbar.

Xigbar was drinking a drink and we saw him.

Xigbar: Oh hey guys.

Me: We were just about to call you. It's Erza's big day after all.

Xigbar: Yes it is and J.D. you look amazing.

Me: I know. Everyone has been saying that about me for the last 45 minutes.

Nico: Yeah.

Me: Okay.

I went over to everyone.

Me: Okay guys! We got big trouble! I'm sorry to be the one to tell you this but Tartaros guild is back!

They gasped!

Mirajane: Oh my! I remember how dangerous they were!

Gajeel: Yeah they were trouble to the Nth Degree!

Laxus: So now we got to destroy that dead dark guild again.

Terrorsaur: We can use diamonds on them

Me: Terrorsaur these are undead mages we're dealing with.

Bridget Branley: He's right. Also they are in every way like NEVER when we battled them on Nuju's day.

Nuju: Right! I remember that!

Camie: Oh man!

Me: Yeah.

Gajeel: That's right. We almost died because of Tartaros. We came so close to death because of them.

Laxus: Yeah! Also they killed almost the entire Magic Council and want to destroy the world with E.N.D.

Camie: That's terrible! What's E.N.D.?

Me: Etherious Natsu Dragneel. Natsu's demonic dragon form corrupted by intense rage and anger and fire.

Natsu: Yeah it's not pretty.

Vortex: They killed all of them?!

Lucy Heartfilia: All except one and that's Mest Gryder. But he goes by Doranbolt.

Mirajane: Yeah. He's one of Fairy Tail's strongest mages.

Me: No doubt they will come after him to finish what they started.

Flywheels: We can't let them kill anyone else!

Me: Don't worry we won't.

Nico: Besides they have to get through us first!

Grey Fullbuster: Not to mention that one of them is my father, Silver Fullbuster.

WE GASPED!

Nico: SAY WHAT!?

NICO OPENED HIS MOUTH SO WIDE THAT HIS SKELETON FELL OUT!

Me: Your father!?

Eli: We were never told about your father Grey!

Cluemaster: To be fair, we never asked.

Grey: Well the love of my father was a complex one.

He told us what happened.

Silver Fullbuster (シルバー・フルバスター Shirubā Furubasutā) was an Ice Devil Slayer, the father of Fairy Tail Mage Gray Fullbuster, and a member of Tartaros' Nine Demon Gates. He died in X774 along with his wife, Mika, but was then resurrected by Keyes, serving as a test subject for his experiments.

Not much is known about Silver's past other than the fact that he supposedly died during Deliora's attack on his village. At one point in time, however, Silver was seen laughing with his son, telling him to become strong. After his death, Silver's corpse was stolen by Keyes for the purpose of experimentation, among the bodies of many others. Keyes' experiment ended up being a success, and for seventeen years, Silver "lived" as a normal human being would. However, Silver then used his new "life" to exact revenge on the Demons that stole his family from him; masquerading as a loyal member of Tartaros, (having been inducted into the Dark Guild's Nine Demon Gates, courtesy of Mard Geer). Silver learned Devil Slayer Magic and covertly killed any and all Demons he came across, all in preparation for his ultimate plan: the destruction of Tartaros. After seeing that his son was alive and well and witnessing Gray's performance at the Grand Magic Games, Silver decided to abandon this plan because he realized that he didn't have the right to fight for Gray and his deceased mother as his own hands were too dirty, presumably from his official missions for Tartaros.

Silver Fullbuster freezes the entire Sun Village along with the Eternal Flame, which held the lingering spirit of its guardian Dragon Atlas Flame, whom he mistook to be a Demon.

Later, in the wreckage of his old town, Silver is seen standing in front of a grave when he is interrupted by a messenger, who informs him that he's being summoned to meet with the rest of the Nine Demon Gates members. Upon noticing that the messenger is trembling in fear just for standing before him, Silver tells him to relax because he won't eat him as he only consumes the souls of Demons.

Arriving back to Tartaros' headquarters, Silver gazes at the castle standing in front of him, expressing his utter displeasure at its architecture. Albeit, he calls it his home. Shortly thereafter, he witnesses Kyôka's arrival, at the same time stating that she looks stunning as always, with several subordinates clad in armor following her steps. He is approached by the demonic woman, who is shocked to see Silver in his human form, only to have Silver claim that his human form appeals him. As Kyôka ponders where the other two members of the Nine Demon Gates are located, Silver stands by her side as they are joined by five other members of the Nine Demon Gates and are told that the other two are out on missions.

As the other Demons talk among themselves, Silver silently looks at the shrine in front of him, with Kyôka claiming that the hammers of Demons will descend upon mankind for the sake of their master: Zeref.

Some time later, an angry Natsu Dragneel breaks into Tartaros' headquarters destructively, earning the notice of Silver . Finding that Franmalth has engaged the intruder, Silver orders him to carry away the unconscious Crawford Seam while he takes over the fight. Once Natsu points out the sudden drop in temperature, Silver asks if he was the one who unfroze the Sun Village and is asked in turn if he froze it. Suddenly, Silver starts laughing, commenting that he froze the village due to a misunderstanding. Taking notice of him, Natsu tells Silver that his scent reminds him of someone. Upon hearing that he reminds him of Gray, Silver instantly freezes Natsu on spot, telling him not to utter that disgusting name. Following Natsu's imprisonment, Silver visits the Dragon Slayer's cell and hands a naked Lisanna, a Fairy Tail Mage captured by Seilah, a piece of clothing. Natsu questions his actions, but Silver rapidly informs him that, although he cannot free them, he will not allow his little "princess" to bear the embarrassment. Walking away as he listens to Natsu questioning his identity, Silver murmurs Natsu's name. Later, when Mard Geer activates Alegria and Cube captures the Fairy Tail Mages, Silver calls Mard's Curse boring and states that "they" won't meet again, addressing an unknown someone. However, at that moment, he senses a certain Magic and it turns out that Lucy Heartfilia has managed to escape the effects of Alegria.

After Lucy summons the Celestial Spirit King and destroys Plutogrim, Silver ponders the sudden quake. After Jackal's defeat at the hands of Lucy, Silver makes a comment regarding the disappearance of Jackal's magical presence and soon appears at the sight of the battle, threatening to freeze Juvia after she intercepts Keyes' attempt at Lucy's life. His ice, however, is cancelled out by Gray's own, and when he spots the young man, Silver smirks in his direction. After Tempester and Natsu arrive as well, Silver stands with his three other Nine Demon Gates compatriots and stares down the group of four Fairy Tail Mages standing in their way. Silver is then seemingly recognized by Gray, while Natsu states that he is the one who froze the Sun Village. Gajeel then notices Silver's smell being similar to that of Gray, however, with a grin on his face, Silver says no word and rushes towards Gray. While the Fairy Tail Mages are surprised, Silver exclaims that he'll take care of Gray and the two vanish.

An exhausted Gray squats on the ground somewhere away from the battlefield as Silver reveals that three thousand Faces will soon awaken. Consecutively, Silver is asked if that was his reasoning behind bringing him here, the former responding negatively; explaining that he hoped to see despair on the enemy's face. Gray contradicts his statement, leading Silver to reveal his true intentions, which relate to killing him. Gray promptly asks Silver if he knows him, the latter responding affirmatively. Silver can only smirk as Gray proclaims that he recognizes his face and his voice, but his identity is shrouded in mystery.

Finally deciding to take pity on Gray, Silver reveals to the Fairy Tail Mage that he is his father. Gray however replies that he watched his father die, and angrily attacks with his Magic. Blocking his blows and sending Gray flying, Silver laughs at Gray's distress, and adds that though he is Gray's father, that isn't exactly his identity, as he is someone much more important who is destined to fight Gray. When Gray questions the statement, Silver lies to Gray, saying his current human body is merely a vessel for his, an Etherious', convenience, and that, due to the body's original owner, it is destiny that he and Gray have been drawn together. Hearing that his father's body is being defiled, Gray screams that Silver has no right to it, and asks why he is seeking to kill him. Smiling maliciously, Silver supposedly reveals his true identity as the Demon who murdered Gray's family and forced Ur to relinquish her life, much to Gray's terror. As the Ice Mage quivers at the memories of what Silver did, Silver baits him by offering to return to his Demon body; Gray responds by flying towards him in a fit of rage.

Sneering at Gray, Silver proceeds to both redirect and parry Gray's attacks, as well as push the boy back; Silver devours Gray's next strike and laughs at him, criticizing him for his use of ice against an ice Slayer Mage, adding that he learned Ice Devil Slayer Magic for the sole purpose of destroying everything to do with Ur. Attacking Gray, Silver relishes in the Ice Mage's pain, exclaiming that he'll kill Lyon when he's through with him, and then move on to his friends. Though an angered Gray attempts to retaliate, Silver once again devours the boy's spell and counters with his Devil Slaying breath attack, further reveling in the pain Gray is being inflicted; in response to Gray's claim that he'll kill the Demon Gate, Silver tells Gray that his chances of winning are zero percent. Chiding Gray for his continued use of ice, Silver is then surprised when Gray creates a cannon with which to fire rubble, and after a barrage of typeless attacks, Silver freezes the entire area with a swipe of his hand to prevent such a thing from occurring again. Gray, however, then redirects Silver's Devil Slaying ice back at the Demon, as he cannot eat ice created by himself to defend himself, just like other Slayer Mages can't, as Gray remembers from a past conversation with Natsu; Silver emerges from the assault without much further injury whilst stating that regardless of where it comes from, ice is still ineffective against him. Moving forward, Silver asks Gray if he's remembered the true terror that Deliora can bring.

Silver continues to torment Gray, reviving the fear Deliora engraved upon him as a child. Overpowering Gray completely, he claims that humans will never be a match against Demons. Albeit, his opponent continues to arise, informing him that he will be victorious no matter the cost. Silver reminds Gray that ice has no effect on him, only to be taken aback when the latter assumes the position to cast Iced Shell. Regardless, Silver seemingly negates the attack by freezing Gray's Ice Dummies and canceling out his Iced Shell. However, the real Gray appears behind Silver, subsequently creating a weapon of ice to dramatically boost his throwing power, utilizing it to throw a steel ball, which he obtains from the surroundings which were supposed to have been frozen by Silver, revealing that it was he who had unfrozen the Eternal Flame in the Sun Village, in Silver's direction. The ball rips a hole through Silver's chest, enough to cause Silver to collapse on the ground. As he lies on the ground, Gray reveals that he is aware of his father's presence, leading Silver to display a disoriented expression.

Lying on the ground, Silver expresses his desire for Gray to kill him before explaining that he was Gray's father, but adds that he is now no longer human nor Demon, and that he has been dead for seventeen years. Informing Gray that Keyes revived him for the purpose of experimentation, Silver tells him that he used his new life to exact revenge on all Demons for taking his family away from him, until, that is, he discovered that Gray was alive. Ultimately deciding to forsake his plan for vengeance as he realizes that he has no right to do so because of his own crimes, Silver goes on to tell Gray that he can forget about him, as he is merely a dead man; when Gray calls him his father, Silver rebuts this, saying that no father would hurt their son. Begging to return him to his wife's side, Silver begs Gray to kill him and sheds tears when his son finds himself unable to do so. Getting up and embracing his son, Silver tells Gray that he has become a good man and that he and his mother are proud of him. After the fact, using Telepathy, Silver contacts Juvia and tells her to defeat Keyes so that the revived chairman can be stopped from activating Face, knowing full well that he, too, will disappear. In order to stop her from refusing, he tells her that it's for Gray's sake. Upon Keyes' defeat by Juvia, Silver praises and thanks Juvia for freeing his soul, telling her to take care of Gray. Before he departs to the afterlife, Silver passes on his Ice Devil Slayer Magic to his son and leaves him with the task of defeating E.N.D.

We were shocked!

Me: Oh man! Gray I'm so sorry!

Qin: Yeah no kidding! That was terrible!

Nico put his skeleton back.

Nico: Oh man!

Spinister: Geez! That is harsh!

Camie: No kidding.

Me: Yeah. It's like battling the Reanimations of Many Ninjas all over again in 150,000 years.

Eli: Yeah.

Me: Well lets head out guys!

Nico: YEAH! Are you all with us?

Everyone agreed!

Me: All right lets go!

Natsu: I know where Tartaros Guild is! Follow me!

We were off.

We were flying.

Oculous: Are we getting close?

Natsu: We're already here.

We saw that we were in front of a huge floating cube shaped island. Tartaros guild was on top of it.

Me: Whoa!

Xenia: It's on a giant cube-shaped island.

Me: And this island is like a box to hold all of the demons? It's like Pandora's Box.

Nico: It honestly looks weird.

Me: It sure does.

Lucy Heartfilia: I agree there.

Me: I was expecting them to be in an evil looking castle or something.

Lola: Me too.

Nico: Beggers can't be choosers

Lincoln: Yeah. We're gonna have to approach this very carefully.

We landed in front of the castle on top of the cube.

Me: They will come shortly.

Lincoln: Oh man. I just had a view on the Akuma we're going to face. It's Erza's Akuma, Shadow Armor Mage. The Hypothetical Akuma of Erza Scarlett and a deadly and powerful swordmaster and master of dark magic. She was made because of Laxus Dreyar killing all her friends in Fairy Tail and vowed to make that evil monster pay!

WE GASPED!

Laxus: Oh man!

He showed a sketch of her and she looked like a girl with black hair and black clothes and black angel wings and sword and had a purple and black aura.

Billy Gilbert: Jesus!

Laxus: (groans) And here I thought I put my past behind me.

Cycloid: That's right. You were evil before.

Laxus: Yeah before I joined up with you guys I wasn't always a nice guy. I was an absolute asshole. I was like an evil Sasuke.

Me: Yikes.

Qin: Yeah.

Nico: At least you got better

Laxus: True.

Me: Yep.

Eli: Look!

We saw a figure come and it was SHADOW ARMOR MAGE!

Me: WHOA!

Shadow Armor Mage: So you all are here.

Me: My god. Dark Angel looks amazing for you Erza.

Trumbipular: Erza? Is that you?

Shadow Armor Mage: Yes Trumbipular. It's me and Natsu you are still a whiny crybaby.

Natsu: That's her alright.

Me: Erza be nice. I'm guessing you won't rest till Laxus from your world is dead.

Shadow Armor Mage: That's right. And I won't calm down till he is.

Xigbar: Getting you to calm down is out of the question then.

Me: (Sees something) I think I can do just that for you.

ZING!

I went so fast and slashed and killed her worlds version of Laxus in an instant and banished him to the Black Abyss and took his powers and made them my own!

Nico: WHOA MAN! I Didn't even see J.D. move!

Lola: Me neither! That was fast!

Xigbar: Now, will you calm down?

Shadow Armor Mage: First let me do this.

She cried and then went and hugged me and cried hard in my chest.

Me: It's okay. It's okay. Let it all out.

Nico: She's really broken.

Xigbar: Poor girl.

Camie: Yeah.

She cried hard for 20 minutes.

Me: There. Feel better?

Shadow Armor Mage: Yes. Thank you.

Me: Good. Sorry we have to fight like this.

Shadow Armor Mage: It's okay. Come at me.

Me: Okay.

I teleported back.

Me: Here we go.

I fired a blast of light and blasted her with intense power.

Nico: WHOA! That was powerful!

Xigbar fired arrow blasts and blasted her.

Shadow Armor Mage: My turn.

She unsheathed her sword and me and her clashed ferociously and sparks flew all over the place.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

My speed was even more intense and more! I then kicked her and knocked her down and out!

Me: Yeah!

Klaus Von Herzon: And now for what we came here to do.

Sirenoid: There has to be a few guards around here.

Me: We'll be ready for anything.

Camie: This is gonna be good.

We heard the demonic laughter of Mard Geer Tartaros and he, Kyôka, Silver Fullbuster, Jackal, Keyes, Seilah, Tempester, Ezel, Torafuzar, and Franmalth are inside the castle.

Me: That fucking bastard.

Nico: That monster and his minions are so dead, literally.

Lincoln: I've got this.

Lincoln got out his Twelve Celestial Spirit Gate Keys, Silver Keys, Black Key, and The Phoenix Key, Dragon Key, Turtle Key, and Tiger Key that were now on a specialized key ring. Then, The Phoenix Key and The Aries Celestial Zodiac Key went into Lincoln's left Bracer of The Champions of The Universe, and he was surrounded by an intense fire aura.

Me: Whoa, now that's really hot!

Lincoln: Watch this.

Then, Lincoln fired a massive stream of intense fire which hit Mard Geer Tartaros, Kyôka, Silver Fullbuster, Jackal, Keyes, Seilah, Tempester, Ezel, Torafuzar, and Franmalth and they got burned badly.

Suddenly, the spirits of The Fairy Tail Guild appeared and they attacked Tartaros and they really thrashed them all over the place showing him no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

A massive explosion erupted as a Thunderbird Screech, Wolf Howl, and Phoenix Cry was heard and we appeared, and that pissed them off.

Mard Geer Tartaros: Team Loud Phoenix Storm?! Here?! (GROWLS) This won't stop us, we will resurrect E.N.D. and the entire world will be reduced to ashes!

Me: Not happening, you wannabe King of The Underworld!

Nico: The Fairy Tail Guild told us everything, you piece of shit. What you did is unforgiveable, your members are getting taken down immediately, but as for you, you're heading for a place far worse than Hell.

Lincoln: That's right.

Mard Geer Tartaros: Damn you all! GET THEM!

Kyôka, Silver Fullbuster, Jackal, Keyes, Seilah, Tempester, Ezel, Torafuzar, and Franmalth went after us.

I slashed them all over with intense and incredible speed and teleported and slashed Mard and kicked him with intense and powerful speed.

Nico punched Jackal and knocked him out with one punch!

Vanitas: Have some of this!

He slashed Tempester with his keyblade.

Varie blasted Seilah all over with water!

May blasted Ezel with her ice ray.

I slashed Mard all over the place left and right with intense speed and more!

I slashed off Mard's wings and cut him good!

Octopunch: At least we have multiple targets!

Qin: Too true!

Qin fired waves of lightning and fire and blasted Torafuzer all over.

Gray saw his father Silver again.

Gray: Father!

Gator Ghoul: Well, fuck

Silver Fullbuster: Hello son.

Gloria Fullbuster: Hey dad.

Silver Fullbuster: Hey Gloria. I'm so sorry for everything I did.

Gray: It's not your fault dad.

Nico snapped his fingers and resurrected Silver!

Bludgeon: Is it crowded here? Or is it just me?!

Nico: It's not just you. I feel the same way.

Black Spider: In that case, lets make it less crowded.

Sapphire was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with Necrolai

Sapphire Starstrike: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Gothitelle and Mismagius and they transformed and blasted Mard all over!

Me: YEAH!

I ran fast and fired rainbow helix blasts and blasted him intensely! The rainbow blasts made him scream in intense agony!

Nico: Take that!

Eli: WOW! That transformation REALLY made bro's powers more amazing than ever!

Me: Don't even think of ordering them around!

Grizzly: WOW! J.D. you can do that now?

Me: I just got new powers. You wouldn't believe what happened to me.

Dark Don: I think it has something to do with the Earth's size increasing.

Dark Leo: That must be it.

Me: Yeah it is.

Gearhead: Either way, this battle's really been good.

Grizzly: And it's about to be better.

Thor: Thou can use the carriages here.

Gearhead: Perfect.

Thor: Thou wouldn't believe what Renee's family is like. They are rich and did amazing bunch of science finds.

Tennessee Kid Cooper: Yeah you wouldn't believe the things they did for the world. They are paleontologists and we found out that Renee's parents are colleagues of Nicole's and they are really good geologists too.

Uta: They sure are. Nico told them all about what went down and completely understood about the situation back then.

Twilight Sparkle: Yeah no kidding. Also we battled Don Armage and we found out that it was Dark Chase Young that brought him back to try and kill us!

Grizzly: What was it?

Sunset Shimmer: Well it was raining outside and me and J.D. went to the grocery store and as we were walking home we saw 3 girls: A 15 year old girl and her sisters, one was 4 and the other was a baby. But the oldest sister had bandages on her eyes like she got hurt and the eldest fell through a manhole and we helped them out and brought them to the estate and took them to the infirmary and gave them food and water. They looked like they hadn't eaten in days.

Grizzly: Oh those poor girls! Are they okay?

Sunset Shimmer: They will be fine. Their names were Natalia and her sisters Vicky and Lori. They were thrown out of their house with nothing but the clothes on their backs 5 days ago because their mother was completely insane! Hawkeye: It was REALLY INTENSE! You should have seen it.

Abra Kadabra: What is the Swirlpool Starlight?

Hawkeye: It's a special ritual that the Breezies in Bridlewood do. Once every 10 years they use their magic to form a special magical view into the future and the Secrets of the Universe show their future and they show what is in store for them!

Abra Kadabra: Wow! That is amazing!

Hawkeye: It sure is! And J.D. saw all the accomplishments he did and it showed him that he was destined for making not just Earth but the entire universe and the Multiverse a much better and safer place for many eons and generations to come and then an amazing and incredible transformation happened to not just him but the Earth as well!

Suddenly, the 12'9" massive, wide, double-edged gold blade of Lincoln's massive greatsword was surrounded by a rainbow blade, and with just one swipe of his massive greatsword, Lincoln took all of Tartaros' Magic, Curses, and Abilities: Thorn Curse, Thorns, Explosion, Prison Flower, Dea Yggdrasil, Alegria, Memento Mori, Telepathy, Flight, Sensor, Expert Hand-to-Hand Combatant, Enhanced Strength, Enhanced Speed, and Immense Durability, and he made them his own.

Lincoln moved so fast that we didn't even see him move, and he completely destroyed Mard Geer Tartaros like he was nothing, and he was sent to The Black Abyss forever.

We cheered as we holstered our weapons and powered down, and Erza Scarlet's new body, clothes, weapons, jewelry, Third Eye, one-hundred massive and long scarlet red wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded scarlet red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded scarlet red gems behind the gold rings behind her head, one-hundred large blue planets orbiting around her legs, one-hundred smaller scarlet red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized scarlet red planets orbiting around her wrists and ankles, and massive scarlet red angel wings and ninety-nine sets of large scarlet red angel wings underneath her massive scarlet red angel wings are permanent, and Wendy Marvell's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large blue planets orbiting around her legs, one-hundred smaller dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized dark blue planets orbiting around her wrists and ankles, and massive dark blue angel wings and ninety-nine sets of large dark blue angel wings underneath her massive dark blue angel wings are permanent.

Nico: And that's it for one of the three dangerous dark guilds that make up the Belam Alliance.

Me: That's for sure.

Lincoln's massive purple angel wings and 104 sets of large purple angel wings underneath his massive purple angel wings changed back to white with aurora and orange tips and colored tips and his long wild purple hair going down to the upper part of his back changed back to rainbow with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair.

Lincoln: This'll send a warning to the other two dark guilds that we're coming for them. Alright, now there's one last thing to do and one last loose end to tie up: Baron Dark.

We then turned our attention to Baron Dark, who busted out of the ice prison.

Baron Dark: That's it, I'll end every last one of you! I don't care if you are Gods among men, any who defy me will die!

Lincoln formed a massive and indestructible diamond barrier infused with light energy that protected all of us from Baron Dark who tried to attack us, but the light burned him, and Lincoln fired a blast of energy that hit him and sent him flying into a tree.

Selena Sly Cooper: Okay, that's it, you walking pile of bones. Now, you're gonna get it!

Lincoln, Selena Sly Cooper, Nico, and I went after Baron Dark and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Baron Dark, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Selena Sly Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Selena Sly Cooper, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Baron Dark even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Baron Dark and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Baron Dark and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln then fired a blast of rainbow energy that sucked out Baron Dark's Intelligence, Leadership, Regeneration & Immortality, and Transformation, and finally, Tara Toonamine and Lincoln fired a massive rainbow energy beam with elements at Baron Dark, and the blasts sent him flying out into space, and...!

KRABOOM!

THE BEAM EXPLODED OUT INTO SPACE AND BARON DARK WAS KILLED IN THE EXPLOSION AND HE WAS SENT TO THE BLACK ABYSS!

We cheered wildly as we holstered our weapons and powered down and Selena Sly Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Selena Sly Cooper: It's over for you, Baron Dark, and to this we say adieu. Thanks for helping me get rid of Baron Dark, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Selena.

Me and Nico: Our pleasure, Selena.

Suddenly, Selena Sly Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selena Sly Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Selena Sly Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Selena, you transformed and you guys really let that undead skeleton have it.

Me: That's for sure, he didn't stand a chance. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Mayakashi Duel Monsters appear in the sky with a Gashadokuro.

Lincoln: Oh man, the symbol of The Mayakashi Duel Monsters appear in the sky with a Gashadokuro.

Akane Minazuki: (Japanese Accent) The Gashadokuro. There's only one person who matches that all too well: Keiko Kageyama, Avatar and Gene-Slammer of Gashadokuro, the Skeletal Mayakashi, and you guys are going to like her, Keiko Kageyama, Avatar and Gene-Slammer of Gashadokuro, the Skeletal Mayakashi, is Lincoln's Guardian Angel from Japan and she's a powerful master of Cosmic Umbrakinesis, darkness, dark magic, black magic, necromancy, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Gashadokuro, and Gashadokuro, The Skeletal Mayakashi. She's the Darkness Undead Skeleton Master of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Keiko Kageyama came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, necromancy, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Gashadokuro, and Gashadokuro, The Skeletal Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Umbrakinesis, Omnipotence, Omniscience, Cosmic Awareness, darkness, dark magic, black magic, necromancy, the powers of the Gashadokuro, and Gashadokuro, The Skeletal Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful kimono, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion, and she swore to kill her and bring her skeleton back and turn her into her undead slave for eternity.

Nico: Lynn, for shame!

Me: Knowing the filthy animal in her, she did something that pissed her off.

Lincoln: Yep, and Keiko scared her big time and sent her running on all fours to her room.

Shade: That's it for him

Ragdoll: He won't be bringing people back.

Top: No, he won't.

Me: Tartaros Guild is now a forgotten memory. That leaves Grimoire Heart and Oración Seis left.

Xenia: Yep.

Me: We'll bring them down later in the future.

Sapphra: I have a lot of catching up to do with my sister too.

Me: I can tell.

Trapster: What now?

Swordsman: We celebrate at the Guild.

Me: Yep.

Nico: And J.D. well done to you because of your newfound power. That was amazing!

Me: It sure was! Wow! And don't worry everyone. The growth our underwent won't affect our planets gravity or climate or anything like that. The spirit of harmony assured me that everything will remain the same.

Nico: That's a relief.

Qin: No kidding.

Lola: Yeah.

Erza Scarlet: Thank goodness. (To the viewers) That's one Dark Guild down and 2 to go.

Me: Yep.

We went back to the Guild for a good time.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to Lincoln's room.

Erza: It's finally over for Tartaros, and now, only the Oración Seis and the Grimoire Heart remain. It's only a matter of time.

Lincoln: But we'll be ready for them.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there lying on top of the massive extra-extra-extra large never-ending expanding bed for Lincoln and his expanding harem was Lincoln in his underwear and lying on the bed in a seductive pose, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln who then stripped them of their clothes leaving them in their bras and panties and Erza was on top of Lincoln as they kissed passionately, and he did the same with his entire harem.

Erza: (Rubs Lincoln's massive pecs) Something tells me seeing me transformed really aroused you and riled you up big time. (Seductive Voice) And you're more than ready for another night of getting wild. You ready you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Erza Scarlet's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his underwear about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alright, and now, for tomorrow, the match-up scene is for Rhiannon Ann Cooper, The Triangle of The Welsh Storm of The International Clan of The Coopers, and she and Lincoln are going to destroy Gorr the God Butcher and Desak the God Slayer who've come back for revenge.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to New York, and we got a special guest we're going to meet: her name is Regina Fessterox, Gene-Slammer of B.E.S. Tetran, she's an ally of Lincoln and his Guardian Angels, she's the scientist and serum maker in charge of making tons of serums and potions that helped Lincoln. But, here's a shocker: her father is none other than Nico's old enemy, Dr. Camilo Fessterox, the mad scientist that wanted to make the Perfect Gene-Slammer that was a combination of all 13,000 Duel Monsters, All MTG Cards, all Pokemon, All Digimon, All Monster Rancher Monsters, the Shadow Dragons, Z-Fighters, all of our enemies and friends, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, and Aliens, and so much more.

She swore to put a permanent end to her father's madness, especially when she found out he'd been employed by that bitch, Elise Moonscar Elexton, and she pissed him off by stealing his plans and research into his Perfect Gene-Slammer project, but as she read the files, she found out exactly who he was going to target for this Perfect Gene-

Slammer Project: Lincoln Loud. She was extremely furious at him, and so, she disowned her father forever and swore that if he ever showed up, she was gonna kill him and she gave the info to Lincoln's Guardian Angels and issued bounties on that son of a bitch. So, she contacted us and wants to meet with us at her lab in New York, and we're going to find out not only her history, but we're also going to find out she stole her evil father's research and created her own Perfect Gene-Slammer serum, but this would turn the person into The Perfect Gene-Slammer of All 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, All Skylanders, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more, but she also added in her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, and even more.

She's going to administer her Perfect Gene-Slammer serum into Lincoln, and once that's done, we're then going after our main target: Harper Emerson, Amelia Emerson's psychopathic, murderous, hate-filled sister who's back for revenge, but this time, we're going to get rid of her for good and send her to The Black Abyss for eternity.

And we're going to meet the next Mayakashi Avatar and Gene-Slammer, her name is Keiko Kageyama, Avatar and Gene-Slammer of Gashadokuro, the Skeletal Mayakashi, she's Lincoln's Guardian Angel from Japan and she's a powerful master of Cosmic Umbrakinesis, darkness, dark magic, black magic, necromancy, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Gashadokuro, and Gashadokuro, The Skeletal Mayakashi. She's the Darkness Undead Skeleton Master of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Next is Lisa Simpson's day to shine and Quimby is going to pay for his crimes as we disgrace him in front of the world and beyond and send him to prison forever!

See you all next time.

End of Springfield's Corruption

Mayor Quimby is Dead Meat

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem. Suddenly, his phone rang, and he got up to answer it.

Lincoln: Hello?

Female Voice: Lincoln, it's Regina Fessterox. Listen, I want you guys to meet me at my lab in New York in the morning after Nico's rescue, I got a lot to talk to you guys about.

Lincoln: I understand, Regina. We'll see you in the morning.

Lincoln hung up, and his harem and kids woke up.

Erza: Who was that on the phone?

Lincoln: That was another of our allies, Regina Fessterox.

Anna Anyanova: Oh man, I knew it was her. Regina Fessterox is the Gene-Slammer of B.E.S. Tetran and another ally of Lincoln and his Guardian Angels, she's the scientist and serum maker in charge of making tons of serums and potions that helped Lincoln. But, here's the shocker: her father is none other than Nico's old enemy, Dr. Camilo Fessterox, the mad scientist that wanted to make the Perfect Gene-Slammer that was a combination of all 13,000+ Duel Monsters, All MTG Cards, all Pokemon, All Digimon, All Monster Rancher Monsters, the Shadow Dragons, Z-Fighters, all of our enemies and friends, all mythological creatures, Twilight and Friends, All Huntik

Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, and Aliens, and so much more.

Lily the Mermaid: Yikes! If Nico hears about that revelation, he'll freak!

Eman Reynolds: But, not too much, she's not like her father.

Anna Anyanova: That's right, she swore to put an end to her father's madness, especially when she found out he'd been employed by that bitch, Elise Moonscar Elexton, the leader of Dark Gale and she pissed him off by stealing his plans and research into his Perfect Gene-Slammer project.

Girl Jordan: That's amazing.

Anna Flores: But as she read the files, she found out exactly who he was going to target for this Perfect Gene-Slammer Project: it was Lincoln.

The rest of Lincoln's harem were pissed.

Rarity: That rotten no good...!

Anna Anyanova: My words exactly, Rarity. When she found out he made Lincoln the subject for his Perfect Gene-Slammer project, she was extremely furious at him, and she disowned her father for good and swore that if he ever showed up, she was gonna kill him and she gave the info to us and we issued bounties on that son of a bitch.

Twilight Sparkle: I think she might be too late to kill her own father. When Emullia got freed, she bit him and he turned to stone.

Lincoln: Uh, we'll be sure to tell that to Regina in the morning when we meet her on my rescue, and I got the address: 1548 West 74th Street, Apartment Suite 405, Manhattan, New York, 100581.

Camie Nicholetta: Ah, that's in the upper east side of Manhattan.

Lincoln: Though I got a feeling that Caleb knows that address all too well, and it might bring back yet another dark memory of his past, so we got be very careful.

Lincoln and his harem and kids went back to sleep. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something you should know. Last night, I got a call from yet another of our allies.

Then, after Lincoln got done explaining, we were shocked.

Me: Whoa! Oh man!

Nico: I had no idea that Dr. Fessterox had a daughter, but she's not like him, and she's another one of your allies.

Anna Anyanova: Yep, she's the scientist and serum maker in charge of making tons of serums and potions that helped Lincoln, and she made everything: her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, and even more, such as testosterone growth serums and potions and virility growth serums and potions.

Eli: Let me guess, she administered all of them into Lincoln, didn't she?

Eman Reynolds: Yep, and here's her dossier on Lincoln.

Eman Reynolds got out a detailed notebook with the title: Lab Report - Lincoln Loud of Royal Woods, Michigan. Inside, she wrote a detailed record on Lincoln.

Me: I met Lincoln Loud when he was only sixteen years old, but when I met him, he'd changed a lot from the skinny little kid into a tall imposing and full-blown ripped bodybuilder and at sixteen years old. I did tons of medical exams on him. I'd gotten access to his medical records, and what I'd found was indeed quite astonishing. After he'd gotten his powers from Hinon in addition to being born with the powers of Amaterasu, The Sun Goddess, along with immortality and invincibility and after he became a True Alpha Werewolf-Vampire Hybrid, Lincoln had increasingly powerful growth hormones that went into overdrive when he started going to the gym and started working out along with being put on the diet plan by his Guardian Angels. I noticed that all the hormones that would've been wasted on acne led to an acceleration of more desirable traits, I found out that he'd developed hyperpuberty, and because of that, Lincoln began growing even taller in height and his muscle mass and testosterone exploded to infinite levels, and thanks to constant bodybuilding and working out with heavy weights in the gym, Lincoln gained the body of all the professional super heavyweight bodybuilders in the world, the male warriors of myth, and the male Gods combined and his body became extremely muscular and the increase in height, muscle mass, and testosterone is going to continue growing like crazy, and the structure of his face also changed to that of a man in his early 20s: another sign that he went from a boy to a manly hunk and he was going to continue to grow, change, and evolve even more, and when I looked into his family genes, I found out he has infinite sex drive levels as well, and they're greater than his father and his entire family combined.

Nico: Wow, this is quite the detailed record she made on Lincoln, and some of the stuff she had also added in...!

Amara Roshansa: Which also explains why he's also quite the virile stud.

Natasha Istrebitellezviy: (Russian Accent) And quite a ladies man and woman pleaser.

Lincoln's cheeks and muzzle turned red with embarrassment, and Nico and I snickered.

Lynn Sr.: Anyways, did she say where she is?

Lincoln: Yeah, I got the address last night: 1548 West 74th Street, Apartment Suite 405, Manhattan, New York, 100581.

When Caleb heard the address, he had a cold chill run down his spine.

Caleb Maxwell: That address, that apartment...!

Nico: Whoa, Caleb, what's up?

Jack Howard: That address Lincoln told us, that apartment was once the headquarters and meeting place of The Syndicate.

We gasped.

Lincoln: Oh man.

Cage Blunt: Caleb's avoided that part of Manhattan for a reason, it was where his father and brother were at: the apartment where they looked out at the city.

Travis Tackett: And where they kept a close watch over their operations, and where Drake found yet another attempt to kill Caleb. Now, your ally has gotten ownership of the apartment and is using it for her lab and home.

Lincoln: Looks like it.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was none other than Zoldeo.

Lincoln: So, you've finally shown up, Zoldeo. I knew this day would come, you're gonna pay for killing Brandish's mom, Grammi, and leaving her all alone.

Nico: Uh oh.

Me: This is gonna end in blood.

Lincoln: Damn straight. Alright, now let's finish breakfast so we can head out for May's baby shower and finally kill Zoldeo.

Nico: Right.

Lisa Simpson woke up to see Mega Celebi staring at her

Lisa Simpson: Oh morning Mega Celebi.

Mega Celebi: Morning Lisa! Time for breakfast!

Lisa went and got dressed and went to the table and she was having fruit for breakfast.

We finished breakfast and we headed out to the Boardtrot for May's baby shower, and after that, we're gonna help Rockhoof unlock his Rainbow Power and send Zoldeo to The Black Abyss for killing Grammi and leaving Brandish all alone.

Camie: Me too.

Qin: So fun!

Varie: Yeah!

Lola: It sure is fun.

Zipp Storm: I'll say!

Me: Yep.

Nico: Spark Mandrill I want to thank you and Zutho and your teams for coming.

Spark Mandrill: Ah no problem Nico. This is gonna be fun.

Athena Lorelai: I'm ready to kick some butt.

Nico: Athena, are you happy to be with Layla again?

Athena: I sure am. And it's awesome to be back together with everyone.

Layla Williams: It sure is awesome.

Me: Yep. I can't wait to see how Lex Luthor will react to seeing you Athena.

Athena Lorelai: Yeah no kidding there.

Camie: That was awesome how you left your mark on him.

Nico: And you helped against Royal Pain.

Athena: I Sure did. That was fun.

Nico: Yep.

I got some ice cream and it was orange pineapple flavor.

Me: Boy that was fun.

Ymir: It sure was!

Nico: Seriously, Stitches went down in one hit!

Athena: I know!

Me: He sure did.

Lola: That was awesome!

Qin: It sure was.

Me: Yeah. Man yesterday was wild. We destroyed Tartaros Guild.

Camie: Boy did we ever.

Nico: Talk about night of the living dead!

Me: I know! They were dead mages and responsible for killing most of the Magic Council!

Lucy Heartfilia: Yeah no kidding!

Erza: But now they are gone for good.

Me: Mard is but the rest are in the M.O.E. And Gray and Gloria have so much catching up to do with their dad.

Tsuyu: They sure do.

Nico: Xigbar blew Mard's brains out!

Me: He sure did! That was an awesome shot.

Lola: You got that right.

Nico: And J.D. your newfound powers were intensely awesome.

Me: I'll say! The Swirlpool Starlight made me unlock my ultimate potential and also made Earth bigger than ever.

Qin: So awesome!

Lola: Yeah!

Fluttershy: To be honest, I had no idea that the Breezies were capable of doing that.

Me: Me neither Fluttershy.

Discord: I thought it was really amazing myself.

Me: Me too.

Nico: Now we just need to discuss who faces Gulper tomorrow.

Me: Okay. How about one of the core 310, neo core members, One of the Trap Team Skylanders, and one of the basic Skylanders and one of the Robot Masters? They can go as a group?

Nico: Okay. Example?

Me: Like me, Jared, Snap Shot, Gill Grunt and Splash Woman.

Nico: That works. But let's increase the number when tomorrow gets close

Me: It was the best I could come up with so far. But okay.

Lola: This is gonna be so fun!

Qin: It sure is!

Gulper: Gulper excited for this to see what adventures were like.

Me: You said it.

I went over to May and she was heavy but Manaphy was hugging May's belly.

Me: How are you feeling May?

May: Heavy but excited.

Manaphy hissed to make us back off

May: Manaphy they are just checking up on me to make sure I'm doing fine.

Manaphy: Oh sorry.

May: But I'm doing fine.

Me: Can we get you anything?

May: Some chum covered salmon with brussels sprouts.

YUCK!

Me: Yuck! Okay.

I gave her some and she ate it.

Me: Okay I know it's natural but that is gross.

Manaphy didn't let go.

Poromon: Manaphy you must be excited to meet your new siblings.

Manaphy: I sure am.

Videl Chan: I am excited too.

Vegeta: You must be very proud of yourself Bokrua.

Nico: I am very proud Vegeta.

Goku: (LAUGHS) We're all excited for you and May, Nico.

Nico: I am really excited Kakarot.

Me: We all are excited for him Master Goku.

Manaphy kissed May's belly

Twilight Sparkle and Friends: Awwwww!

Me: So adorable.

Lincoln: It sure is.

Me: Yep. Brandish are you fully caught up with your mom?

Brandish: I sure am.

Me: Awesome. Now we can start on the main part of the mission.

Lincoln: Okay, guys, we're in for one intense battle, we're here to help Rockhoof unlock his Rainbow Power, and just as we saw this morning, we're here to kill Zoldeo and send him to The Black Abyss for killing Grammi and leaving Brandish all alone.

The rest of the team's with us.

Me: We both made a promise to get Brandish justice for her mom's murder, Lincoln, and as men of our word, we're going to fulfill that.

Nico: Yep, and I only have this to say: make that motherfucking bastard bleed and make him beg for mercy only for you to coldly reject it and cut his head off.

Lincoln: You got it.

We got out of our special clothes and got into our normal clothes.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive

levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us,

now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Zoldeo) AHA! There you are, you bastard! I just spotted Zoldeo, he's 20 yards away, but he's on his way here to kill Brandish.

Nico: Then, let's get going and tear him apart!

Tom heard a Pokemon cry.

Tom: Look guys.

We saw a Fezandipiti

Me: A Fezandipiti? Whoa that one is cool.

Camie: It sure is.

Fezandipiti: Indeed. Got any ice cream here?

Me: Plenty.

Tom gave her orange pineapple ice cream.

Fezandipiti: Thank you.

She ate it.

Fezandipiti: Delicious.

Me: Glad you like it.

Tom Major: Want to come with us?

Fezandipiti: I would be honored.

Nico: Great!

Me: Awesome!

Then jumping out of the water in Maria's arms was a Chinchou.

Maria: Whoa a Chinchou!

Horsea: Hey little guy.

Me: A Chinchou. That is cool.

But then...

ZZZZZZZZAAAAAAAAAAAAAAAAAAAAPPPPP!

Maria screamed as she was electrocuted!

Ed: Zappity Zap Zap!

Me: OUCH!

Horsea: Maria!

Me: GEEZ!

Maria: (Dazed) Mommy you read me a bedtime story?

FWOMP!

She fainted!

Punk Shock: Really electrically shocking! Lets see.

She used Telepathy and gasped!

Punk Shock: Oh man! It's my awesome friend Aria Sirenia! She has all my awesome powers and skills and also can use my electrified tail and water.

Me: WHOA! That is cool Punk Shock! Lets go help her.

Punk Shock: AMP IT UP!

We went over.

Punk Shock: Aria it's okay. It's me Punk Shock.

She tried zapping us.

I blocked the lightning and it went at Horsea who had a clone block it and it electrocuted the clone.

Me: She sure is a SHOCKING one.

Punk Shock: She sure is. Okay then.

Me and Punk Shock fired lightning and blasted her.

Then I snapped my fingers and she reverted back. She was a girl with aqua blue hair and blue eyes and had blue angel wings and had a sea dragon tail with intense lightning surging through it and she had Chinchou on her forehead and had a sea dragon with a lightning bolt on her arm as a cutie mark.

I wrapped her in a blanket and we brought her over to a bench.

Me: Wow she is electrifying.

She woke up and saw Horsea's smiling face.

Aria Sirenia: (Groans) Huh? A Horsea?

Horsea: You hit my clone!

Maria: But you electrocuted me!

Punk Shock: Easy guys.

Aria Sirenia: Punk Shock!

They hugged.

Aria Sirenia: I'm so happy to see you.

Punk Shock: Same here!

Me: You were turned into a Chinchou by Dark Gale and you electrocuted Maria here.

Aria Sirenia: (GASP) Oh man! I remember!

She was in a yellow suit and injected and in a flash of lightning she turned into Chinchou! She electrocuted all the men in Dark Gale and then jumped into the toilet in the bathroom and flushed herself. She went out the sewer!

FLASHBACK ENDS

Aria Sirenia: Oh man that was crazy.

Me: You flushed yourself down the toilet?

Aria Sirenia: That was a stupid move.

Me: (Sniffs) UCH! You smell like shit.

Rarity: Lets get you a much needed bath.

Nicole: Good idea.

The Fashion Brigade got the cleaning station ready and she was being cleaned.

Horsea: Toilets are icky!

Aria Sirenia: You're telling me!

Lana: I know the feeling. But Toilets are what I like cleaning and repairing.

Me: That's Lana for you.

Aria Sirenia: I know. Also I work as the Lightning Dragon Master of the team and I electrocute our enemies with lightning. Outside the team I train and master my skills with Punk Shock to bring down Kaos and his forces.

Me: Cool!

Punk Shock: One time we helped bring down his forces over at the Winter Keep.

Whirlwind: That was where I helped the Frost Elves give them courage by using my power to light their path in an intense blizzard.

Punk Shock: That's right.

Me: Wow!

Punk Shock: Yep. Also That was an awesome adventure.

Aria Sirenia: It sure was.

We then took off into the air to help Rockhoof unlock his Rainbow Power and send Zoldeo to The Black Abyss for killing Grammi and leaving Brandish all alone.

We were flying in the air, and then, we saw our target: Grammi, and he was out to kill Brandish.

Nico: There he is!

Me: Let me and Lincoln do the honors.

Lincoln and I fired rainbow energy blasts that exploded like atomic bombs as they hit Zoldeo!

Eli: Whoa!

Suddenly, the spirits of The Fairy Tail Guild appeared and they attacked Zoldeo, and then, the spirits converged, and a massive explosion erupted, and a Thunderbird Screech, Phoenix Cry, and Wolf Howl were heard as we appeared.

Lincoln: You sick twisted no-good lousy murderer!

Me: Wow!

Avril: (Scottish Accent) Ach those were fun times now.

Me: I can tell.

Aria then came out wearing an aqua blue outfit and had a sea trident.

Aria Sirenia: I look amazing.

Me: You sure do.

Nico: Lets keep going.

We then took off into the air to help Rockhoof unlock his Rainbow Power and send Zoldeo to The Black Abyss for killing Grammi and leaving Brandish all alone.

We were flying in the air, and then, we saw our target: Grammi, and he was out to kill Brandish.

Nico: There he is!

Me: Let me and Lincoln do the honors.

Lincoln and I fired rainbow energy blasts that exploded like atomic bombs as they hit Zoldeo!

Eli: Whoa!

Suddenly, the spirits of The Fairy Tail Guild appeared and they attacked Zoldeo, and then, the spirits converged, and a massive explosion erupted, and a Thunderbird Screech, Phoenix Cry, and Wolf Howl were heard as we appeared.

Lincoln: You sick twisted no-good lousy murderer!

Me: YEAH!

Brandish: You lied to me Zoldeo! You lied to me!

Qin: YEAH!

Layla Heartfilia: Let me say a few words to him before you rip him apart.

Me: Certainly.

Zoldeo: L-Layla?!

Layla Heartfilia: I should've known you'd show up here, Zoldeo, and you've already pissed us all off big time. But, before I throw you into the lion's den, I need to know one thing. Why did you kill Grammi and pin this all on Lucy? You made Brandish hate her and she wanted nothing more than to kill her!

Suddenly, Zoldeo went completely crazy and started laughing like an unhinged maniac.

Zoldeo: WHY! YOU WANT TO KNOW WHY! (POINTS ANGRILY TO LUCY HEARTFILIA) IT'S ALL BECAUSE OF THIS BITCH! SHE'S THE REASON YOU DIED, MASTER! AND BECAUSE OF IT, I KILLED GRAMMI IN GRIEF AFTER YOUR DEATH! SO, YES, I PINNED HER DEATH ON THE BITCH AND LIED TO BRANDISH ABOUT IT! I WANTED TO SEE MASTER'S BITCH OF A DAUGHTER DIE A BLOODY DEATH! THIS IS WHAT SHE GETS FOR KILLING YOU, MASTER! (LAUGHING LIKE A TOTAL UNHINGED MANIAC)

WE WERE ABSOLUTELY PISSED OFF: NOW, HE REALLY CROSSED IT!

Me: You...YOU DAMN!

Lincoln: You rotten blackhearted scumbag!

THEN...!

KRACKOW! DING!

LINCOLN KICKED ZOLDEO HARD IN THE BALLS AND DESTROYED HIS CROTCH!

WE WINCED!

Me: OOH! Ouch!

Lincoln: I don't believe this! So, you blamed Lucy for her mother's death! That was not her fault, it was that damn bastard, Jude Heartfilia, he poisoned Layla and it killed her! But, you...! Your devotion to Layla completely twisted your brain and your heart, and because she died, you wound up killing Grammi! Don't you dare say that it was because of grief, you went mad and I know it to be true! And on top of that, how dare you lie to one of my future wives and say Lucy was responsible for her own mother's death! Layla loved her daughter with all her heart, same with Grammi who loved Brandish! You know nothing about love, all you are is nothing more than a seething pile of hatred and madness!

Nico: That's right!

Eli: People like you make me sick!

Me: It was Jude that killed Layla! He poisoned her!

POW!

I punched him in his face!

Me: You have no idea the kind of Hell that Lucy went through because of Jude! Lucy was physically and verbally abused by Jude and she HATED HER DAD because of that! Layla was murdered by Jude!

Ymir: Lucy did all that happen!?

Lucy Heartfilia: Yes it did.

Arixam: And he killed me before!

Ymir: WHAT!? Oh man!

Me: Yeah it was a while back.

Maria: Yeah.

I punched Zoldeo ferociously in his stomach with intense fury and a massive flurry of punches at incredible speed and he belched up a huge amount of blood!

HE WAS REALLY PISSED NOW!

Zoldeo: I WILL KILL BOTH THOSE BITCHES AND SERVE LAYLA FOREVER!

Layla Heartfilia: Consider yourself fired!

Zoldeo: YOU CAN'T FIRE ME! I LIVE TO SERVE YOU!

Me: Her decision is forever final asshole!

Zoldeo: IF I CAN'T HAVE LAYLA, NO ONE CAN!

POW!

I punched him in his face!

Fezandipiti charged at him and blasted him all over.

Xenia fired arrows and skewered him.

May fired ice fire blasts and froze him.

Me: Feel the lightning! LIGHTNING DRAGON ROAR!

I fired a blast of lightning magic from my hands and electrocuted him brutally!

Me: Laxus the reason your magic with Lightning Dragon Slayer magic was unstable was because you had too much difficulty controling it.

Gajeel: That could be the reason why you were such an asshole.

Laxus: With that being said, let me have a shot!

He fired a blast of lightning and electrocuted Zoldeo and kicked and punched him all over.

Laxus: WOW! That does help a lot.

Me: No problem!

Poromon pecked him

POINK POINK POINK POINK!

Poromon: YOU WANNA SEE SOMETHING SCARY?! SCARIER THAN KILLING KIDS!? Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Everyone: LET'S GET HIM!

Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Ricky, Henry, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Sherlock Hound, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us went after Zoldeo, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, colored, white, golden yellow, and blue energy, colored energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Zoldeo and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Zoldeo even angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit

Zoldeo, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Zoldeo, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide,

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Zoldeo hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Zoldeo was on his last legs and he was really really mangled.

Brandish: Before you deliver the final blow, Lincoln, Mom and I should torture and mame Zoldeo.

Grammi: Understood. Let's do this.

Lincoln had Zoldeo's wrists and ankles chained, and then Brandish and Grammi began torturing Zoldeo. First, Brandish began slicing off his flesh slowly with a hot knife, and he screamed in absolute pain, then Grammi ripped out his ears and broke all of his fingers. Then, Grammi began pulling flesh off his body with red hot pincers and Zoldeo let out more screams of pain.

Chunk: OH GEEZ! I Think I'm gonna hurl!

Slab: HOLD IT IN PAL!

Slab held in Chunk's vomit!

Eli: Yikes, this is getting ugly fast!

But, it got uglier when Lincoln joined in and yanked out Zoldeo's eyes with his left hand blinding him forever!

Luan: You just had to open your mouth.

A few minutes later, most of Zoldeo's flesh was sliced and pulled off exposing his heart and other organs. Then, Lincoln went up to Zoldeo, and he grabbed Zoldeo's heart and ripped it out of his chest and devoured it, and that killed him for good and he was sent to The Black Abyss, and that didn't end there. Next, Lincoln devoured all of Zoldeo's organs and muscle tissue and he sucked in all of his blood into his body, and finally, he set the dead carcass on fire by firing a blast of intense rainbow fire that burned it completely to ashes.

We cheered as we holstered our weapons and powered down.

Brandish: It's...it's finally over. (Voice Breaking) At last.

Lincoln hugged Brandish as she finally broke down and cried.

Nico: Zoldeo really is nothing more than absolute scum of the earth.

Me: No fooling. What he did, that was so disgusting.

Lincoln: He deserved it, the scumbag.

Lucy Heartfilia: I knew he hated me because I was Mom's daughter, but this! What a loser!

Layla Heartfilia: And for him to murder Grammi as well and pin it on you, Lucy, he deserved to die.

Eli: We got justice for Brandish, that's all that matters.

Lincoln: That's true, she lost her mom because of that unhinged loser, and Jude's poisoning of Layla also played a role in that. Those two both deserved to be sent to The Black Abyss.

Nico: Manaphy. have you been hanging onto May's belly the whole time?

Manaphy: Yes I was. Got to keep her safe.

Me: Awesome.

Qin: Yep.

Fezandipiti: That is for sure there.

Qin: Yep.

Nico: Nice job, Fezandipiti.

Fezandipiti: Thanks Nico. Got any beer?

Poromon: Yay! Here.

She got a bottle and drank it.

Fezandipiti: Ahh! (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the club! (BELCH)

She got drunk.

Fezandipiti: (To Nico) (Slurred Speech) Hey Nico, you're a stupid moron with an ugly face and a big butt and your butt smells and you like to kiss your own butt!

Moe and Barney, Lenny, Carl, Homer and friends laughed hysterically!

Nico: (Offended) HEY!

I reverted her back.

Me: That was more funny with Moe.

Moe: Yeah.

Me: Sorry Moe more used to it happening to you.

Poromon: Can we play a board game later?

Me: Ooh sure! What do you want to play?

Poromon: Flying Dutchmans Treasure Hunt.

Patrick: Based on a real treasure map!

Me: Yep.

Lily: (In her head) I think I'll go find that treasure myself too.

Nico: Boy that is gonna be a fun treasure hunt game.

Nicole: It sure is.

Nico: Oh, Spark Mandrill, what do you like to do in your free time?

Spark Mandrill: Oh I work as an electric power plant manager. Me and Solar Man make Solar Powered Electric power plants.

Me: Very clean and awesome.

Xenia: Yep.

Lola: Cool.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Lisa Simpson.

Lisa Simpson: Another Me? Wow. But, that means...!

Lincoln: We'll find out who we'll be facing later on today. (Thinking) Though, if it's who I think it is, we are gonna have to launch our plan as soon as the premonition comes in.

Me: Lets see. We got Another Zutho (Tarzan), Sayu, Lightning Fist, McWolf (Tex Avery Northwest Hounded Police), Dark Tara and Bone Killer.

Nico: Yep.

Qin: That means Spark Mandrill, Athena Lorelai, Candice Catnipp, Katniss (Hunger Games), Natalia Thunder and Aalish Nephthys are up.

Lola: That's right.

Nico: There they are!

We saw Another Sayu, Lightning Fist, McWolf (Tex Avery Northwest Hounded Police), Dark Tara and Bone Killer!

Me: WHOA! This will be fun.

Another Sayu: It sure will be.

She reverted back and was the gene-slammer of Siegelus!

Nico: Sylvia Siegella!

Me: WHOA! Siegelus's gene-slammer!

Sylvia Siegella: That's right. Awesome to see you Nico.

Nico: Same here.

Me: By the way a the rest of the Anothers friendly or hostile?

Sylvia Siegella: Friendly but the Another Lisa is really crying.

Me: Uh oh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait

Me: We don't have to wait long!

We saw Another Zutho and Lisa Simpson!

Me: Whoa this will be good.

Another Zutho: (In a girls voice) It sure will.

She reverted back and was the gene-slammer of Big Tusked Mammoth.

Nico: Maria Mammothus!

Me: Big Tusked Mammoth's gene-slammer!

Maria Mammothus: That's right! Good to see you Nico.

Nico: You too.

Maria Mammothus: I have all the powers of a million mammoths and also have intense lightning powers.

Spark Mandrill: Like me! Nice.

Another Lisa: (Crying hard)

Me: Oh man are you okay?

She reverted back and was a blue hair version of Lisa and was crying hard.

Lisa Simpson: (GASP) Leah!

She went and hugged her.

Leah cried hard.

Leah: Oh Lisa I've missed you!

Lisa Simpson: Oh Leah. I've missed you too.

Me: Your sister between Maggie and you?

Lisa Simpson: Yeah I found her in an old album. Mom sent her far before Springfield was destroyed.

Me: Oh man!

Zocks: (gets out Donbrothers' gear) Did Swartz promise you anything?

Kaito: (Gets out Zenkaiju gear) Because we can grant it instead. Zenkaiju Gear!

They got weapons from said teams.

Maria Mammothus: No he didn't. Because I sent a massive herd of mammoths and they trampled him and we ran.

Sakura Knudson: Geez! That explains why I found him with every single bone in his body smashed to dust!

Nico: YIKES!

Sougo: (gets out Zenkaiger ridewatch) Marge probably sent you away for your protection

Geiz: (gets out Donbrothers Ridewatch) I don't blame her

Sougo got ZenkaizerArmor while Geiz got DonMomotaroArmor.

Me: Because Springfield was a town full of corrupt douchebags and megalomanic assholes.

Lisa Simpson: It's true.

Leah: Oh man.

Me: Yeah. Lets separate you first.

We did so.

Me: Lets dance.

Nico: (Gets out Zutho's ridewatch) I am ready baby!

May: (Gets out Lightning Fist's ridewatch) Time for the lightning!

Universe 666 May: (Gets out McWolf (Tex Avery Northwest Hounded Police) Ridewatch) Gracious! It's McPoodle of the Mounted!

Maria: (Gets out Dark Tara's ridewatch) I WILL FUCKING SMASH YOU INTO DUST!

Athena: (Gets out Sayu's ridewatch) This will be dazzling!

They used the powers of Zutho (Tarzan), Sayu, Lightning Fist, McWolf (Tex Avery Northwest Hounded Police), Dark Tara and Bone Killer and blasted the Anothers and smashed them all over.

Me: YEAH!

Then Porcupuffer, Tongue Monster, Robotnik, Scratch, Grounder and Coconuts, Angry Unikitty, The Doot Da Doot Da-Doo-Doo's and Bl'Izz'Zrd came.

Me: WHOA!

Nico: Nice team Porcupuffer!

Porcupuffer: Thanks Nico!

Me: That means Spitter and his team are up.

Spitter: Yep.

Sonya Sonic Everton: ROBUTTNIK!

Dr. Robotnik: SONYA!

They went and glared at each other and growled ferociously in Each others faces!

Dr. Robotnik: I HATE YOU SONYA!

Her aura flared up intense power!

Sonya Sonic Everton: I HATE YOU EGGBELLIED LARD BUTT!

Nico: Geez!

Sonic: Yeah they hate each other and they are not shy about expressing it.

Nico: (GULP)

But then diamond crystals grew out of the ground and then NUMEROUS PUNCHES HIT NICO ALL OVER THE PLACE!

Out came Number 52: Diamond Crab King and Number 51: Finisher the Strong Arm.

Me: WHOA! Number 52: Diamond Crab King and Number 51: Finisher the Strong Arm.

Nico: OW! HEY WHAT'S THE BIG IDEA!?

Number 52: (In a girls voice) Now is that any way to greet a lady Nico?

Number 51: (In a girls voice) Sorry Nico.

Nico: Bianca Diamond and Rhonda Rory! Wow!

They reverted back. Bianca was a girl with blue hair and blue eyes and a blue dress and had blue sparkling angel wings and had Number 52: Diamond Crab King on her forehead and shirt and skirt and had a Diamond with a dollar sign behind it on her arm as a cutie mark and she had a crystal sword.

Rhonda had red hair and red eyes and red sports clothes and red angel wings and had Number 51: Finisher the Strong Arm on her forehead and shirt and shorts and had a face being punched in by a boxing glove and blood on her arm as a cutie mark.

Rhonda Rory: Good to see you Nico.

Bianca Diamond: You too hun. We got this. 52 DIAMONDS OF DAZZLING MIGHT!

Rhonda Rory: 51 PUNCHES OF DOOM!

They fired waves of diamonds and punches and smashed the anothers and I caught the Anothers and purified them.

Me: YEAH!

Nico: Nice job!

Bianca Diamond: Thank you Nico hun. Boy things have gotten amazing.

Rarity: They have and I love your amazing outfit!

Bianca Diamond: Why thank you very much darling.

Athena: Do you girls have any good memories of Nico?

Bianca Diamond: Indeed we do darling. Mine is where me and Nico went to my amazing mansion and I showed him all of my amazing fashions and clothes for my latest lines.

Nico: Bianca makes absolutely amazing clothes worth a fortune.

Me: WOW! An awesome fashionista. Looks like you and Rarity are going to have a lot of competition.

Rhonda Rory: And mine is where me and Nico punched a bully and we knocked his head clear off.

Me: WHOA! Powerful!

Rhonda Rory: I know.

Nico hugged them both.

Nico: I've missed you girls.

Bianca Diamond: We did too Nico.

We went back home.

Tetran, she's an ally of Lincoln and his Guardian Angels, she's the scientist and serum maker in charge of making tons of serums and potions that helped Lincoln. But, here's a shocker: her father is none other than Nico's old enemy, Dr. Camilo Fessterox, the mad scientist that wanted to make the Perfect Gene-Slammer that was a combination of all 13,000 Duel Monsters, All MTG Cards, all Pokemon, All Digimon, All Monster Rancher Monsters, the Shadow Dragons, Z-Fighters, all of our enemies and friends, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, and Aliens, and so much more.

She swore to put a permanent end to her father's madness, especially when she found out he'd been employed by that bitch, Elise Moonscar Elexton, and she pissed him off by stealing his plans and research into his Perfect Gene-Slammer project, but as she read the files, she found out exactly who he was going to target for this Perfect Gene-

Slammer Project: Lincoln Loud. She was extremely furious at him, and so, she disowned her father forever and swore that if he ever showed up, she was gonna kill him and she gave the info to Lincoln's Guardian Angels and issued bounties on that son of a bitch. So, she contacted us and wants to meet with us at her lab in New York, and we're going to find out not only her history, but we're also going to find out she stole her evil father's research and created her own Perfect Gene-Slammer serum, but this would turn the person into The Perfect Gene-Slammer of All 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, All Skylanders, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more, but she also added in her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, and even more.

She's going to administer her Perfect Gene-Slammer serum into Lincoln, and once that's done, we're then going after our main target: Harper Emerson, Amelia Emerson's psychopathic, murderous, hate-filled sister who's back for revenge, but this time, we're going to get rid of her for good and send her to The Black Abyss for eternity.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Manhattan, New York, and I know what we're going to do here, not only am I going to rescue the thirteen girls here, but we're going to meet Regina Fessterox, Gene-Slammer of B.E.S. Tetran.

Me: Yep.

Nico: After everything you guys told us about her, we now know she's nothing like her insane father.

Spark Mandrill: That's for sure. Now, let's go find her apartment.

We then flew around Manhattan, and we found our destination: 1548 West 74th Street, Apartment Suite 405, Manhattan, New York, 100581, it was a fancy penthouse, a place for a rich businessman of New York would be, but not in Caleb's case.

As we landed, Caleb's mind flashed back to seeing the place long ago, long before it became Regina Fessterox's home and base of operations and lab, this apartment was once the headquarters of The Syndicate, and it was where their reign began so long ago, but when Caleb was killed in 1985 and Drake and the four senior members were expelled, The Big Claw Gang rose and seized all their operations and Marcus Maxwell was forced to abandon the apartment.

The flashback ended.

Caleb Maxwell: I never thought I'd step foot into this place, I have always avoided it and most of the upper part of Manhattan since it was Syndicate territory when I was alive. But, after everything I'd heard of The Syndicate's fall, the upper part of Manhattan is now safe.

We went inside, and then, we were greeted by a red haired girl with blue eyes, white coat, white dress shirt, blue jeans, black knee-high boots with butterfly buckles, and B.E.S. Tetran on her forehead and right coat sleeve, angel wings, and light sword in hand.

Regina Fessterox: Lincoln, everyone, you made it.

Lincoln: We did, Regina.

Anna Anyanova: Didn't think your lab and base of operations would be here.

Allie Maxwell: Especially, since this place held bad memories for my brother.

We then went upstairs to the 50th Floor, and we saw her room and lab, it was full of tech and potions and serums.

Lisa: Sweet Einstein.

Me: Wow, this is quite the lab.

Regina Fessterox: I had this place set up after purchasing the apartment. Now, there's a reason why I called Lincoln last night, and why I wanted you all here. Anna explained to you guys that my father wanted to make the Perfect Gene-Slammer that was a combination of all 13,000+ Duel Monsters, All MTG Cards, all Pokemon, All Digimon, All Monster Rancher Monsters, the Shadow Dragons, Z-Fighters, all of your enemies and friends, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, and Aliens, and so much more.

Me: We did, and you swore to put a permanent end to your father's madness, especially when you found out he'd been employed by that bitch, Elise Moonscar Elexton, and you'd pissed him off by stealing his plans and research into his Perfect Gene-Slammer project.

Nico: And as you read the files, you found out exactly who he was going to target for this Perfect Gene-Slammer

Project: Lincoln Loud.

Regina Fessterox: And I know of what your friend did to him. Now, I got something to show you.

Regina Fessterox typed in a code on her computer, and then, we saw six massive glass jars come down from the ceiling, and inside the glass jars were gallons of rainbow-colored liquid.

Nico: What on Earth is that?!

Anna Anyanova: (GASPS) Regina, did you...?

Regina Fessterox: Yes, I did, Anna. I used the notes of my father's research and I've created my own Perfect Gene-Slammer serum, but this would turn the person into The Perfect Gene-Slammer of All 13,000+ Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more, but I also added in my patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions, and even more. My father wanted to turn Lincoln into a Perfect Gene-Slammer, but only to cause terror and havoc. I'm not like my father at all, and there's a reason why: I know Dark Chase Young's going to return one day, so we got to be ready.

Girl Jordan: So, that's why you stole your father's research.

Lincoln walked up to the platform and the tubes were then attached to his shoulders, forearms, back, thighs, pecs, and stomach, as Regina Fessterox began typing, and then, she lifted the glass lid over a red button .

Regina Fessterox: Ready, Lincoln?

Lincoln: Ready!

Regina Fessterox pressed the red button, and the Perfect Gene-Slammer serum began pumping into Lincoln's body, and he felt the serum being pumped into him and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power and intelligence boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels so good! RRGH!

To our surprise, Lincoln reigned in the immense power and abilities of all 13,000+ Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more, and Regina's patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions, and even more were really pumping him up!

When the process was done, all of the serum was pumped into Lincoln as he removed the tubes.

Me: Lincoln, how do you feel?

Lincoln felt it for himself.

Lincoln: I feel...incredible. (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Oh man, it feels like I've been working out in the gym all my life, and my brain has gotten bigger and I've also grown even smarter.

Nico: Oh man, Dark Chase Young's in deep shit now! And so are any dumb thug who tries to fight you.

Lincoln: That's for sure. (Smirks) And since I also absorbed all that serum into me, I can also recreate it as well. J.D., hold still.

Then, Lincoln went up to and bit me on the right trapezius, and his fangs injected the cocktail of all 13,000+ Duel

Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more, and Regina's patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions into my body.

And I felt it take effect: my rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as I gained an extremely astronomically huge and massive power and intelligence boost, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my massive rainbow fire angel wings and forty-nine sets of large rainbow fire angel wings underneath his massive rainbow fire angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings on my fifty massive and long brown wolf tails and rainbow sun and moon tattoo on my chest glowed.

Me: (GROWLS) Oh man, this feels so good! RRGH!

To our surprise, I also reigned in the immense power and abilities of all 13,000+ Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more, and Regina's patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions, and even more were really pumping me up!

Me: Whoa! Oh man, that was a wild rush. (GROWLS) Uh oh, I feel something about to happen to me!

Lincoln: It's about to happen!

Suddenly, I let out a growl as my abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth remained the same, my massive rainbow fire angel wings and forty-nine other sets of large white angel wings underneath his massive white angel wings remained the same, my fifty massive and long brown wolf tails and large brown wolf ears remained the same, my long wild rainbow hair going down to my upper back with multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of my hair and rainbow highlights in the bangs of my long rainbow hair became wilder and my large gold halo with four large orbiting gold rings orbiting the corners behind his head remained the same along with the Yata no Kagami mirror behind the large gold halo behind my head and the four Yata no Kagami mirrors behind the four large orbiting gold rings, and I let out a loud howl!

Lincoln: Alright, now we're moving onto our next part: now, we're going after our main target, Harper Emerson, Amelia Emerson's psychopathic, murderous, hate-filled sister who's back for revenge again, but this time, we're going to get rid of her for good and send her to The Black Abyss for eternity.

We then got a move on to go after our main target: Harper Emerson, Amelia Emerson's psychotic, murderous, hate-filled sister who's back for revenge again, but this time, we're going to get rid of her for good and send her to The Black Abyss for eternity.

We then spotted Harper Emerson trashing Manhattan and screaming and roaring like a monster!

Caleb Maxwell and Allie Maxwell: What the?! She's trashing Manhattan! YOU'RE DEAD, YOU BEADY EYED RAMPAGING BITCH!

Caleb Maxwell and Allie Maxwell charged down and they pummeled Harper Emerson and they kicked her into a tree, and she screamed with rage at them, but we landed.

Amelia Emerson: Should've known you'd show up, Harper. As if Amara showing up wasn't enough, now we got to deal with the filthy little rampaging monster who tried to kill me and Linky all those years ago.

Lincoln: But, it's gonna end all the same!

Lincoln, Ricky, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Von Lycaon, and Sly Cooper went after Harper Emerson, and they fired extremely powerful blasts of rainbow, royal blue, black and blood red, red and yellow, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, raccoons, devil hounds, demons, devils, phoenixes, and angels at her, and they exploded with incredible power as they hit her. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked her with their greaves and he got hit hard, and Red Savarin slashed at her with his massive greatsword and shot her with bullets and stun blasts and Sly Cooper whacked her hard with his new cane, same with Ricky when he hit her on the head with a swing of his staff.

Then, Skippy balanced himself on his tail and delivered a hard kick to her stomach, and Harper Emerson screamed in agonizing pain.

Adrian Morrigan went after Harper Emerson, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit her. Then, he also attacked her by flashing the Strobulb in her face and blinded her, and the ring of Boos around the flashlight's head fired purple energy beams at Harper Emerson which hit her hard.

Lincoln continued smashing Harper Emerson hard with his extremely massive godly superhuman strength, and she was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering her and he even attacked her using the immense power and abilities of all 13,000+ Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more, and I did the same as well.

We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate, and we moved Regina's lab and apartment to here.

Me: Well, that was an awesome rescue.

Nico: You said it. Plus, we met another of your allies, Lincoln.

Lincoln: And she administered her own Perfect Gene-Slammer serum into me that turned me The Perfect Gene-Slammer of All 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, All Skylanders, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more, but she also added in her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions, and even more.

Me: And you did the same to me, and we reigned that power in.

Suddenly, I got jumped on by my harem who kissed me all over the place: face, muzzle, arms, pecs, twelve-pack abs, thigs, and lips. When they were done, I had steam whistle out my large wolf ears and I had a love drunk look in my eyes and I was on Cloud 9 in love!

Me: (In Heaven) WHOO! So...awesome!

?: (Japanese Accent) Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair with purple streaks and purple flower in her hair, purple eyes, massive black angel wings, she has the Mayakashi symbol on her forehead, beautiful purple kimono, white gloves, sandals, long white long-sleeved trenchcoat with stars, darkness, skeletons, phoenixes, and angels on the coattails, and on the back is Gashadokuro, the Skeletal Mayakashi, and with her are the thirteen girls.

Lincoln: (GASPS) Keiko Kageyama, Avatar and Gene-Slammer of Gashadokuro, the Skeletal Mayakashi.

Keiko Kageyama: (Japanese Accent) That's right, and I got the girls away from that unpleasant monster.

Me: She tried to kill them to spite Lincoln and Amelia.

Nico: That's definitely the case.

Lincoln: Well, she got what she deserved. (To Keiko Kageyama) And it's so good to see you again, Keiko.

Keiko Kageyama: (Japanese Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Keiko Kageyama had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Keiko Kageyama was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Keiko Kageyama: (Japanese Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Keiko Kageyama's waist and hugged her, and Keiko Kageyama is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666

Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Keiko Kageyama: (Japanese Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Akane Minazuki: (Japanese Accent) And so do we, this is Keiko Kageyama, Avatar and Gene-Slammer of Gashadokuro, the Skeletal Mayakashi, she's Lincoln's Guardian Angel from Japan and she's a powerful master of Cosmic Umbrakinesis, darkness, dark magic, black magic, necromancy, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Gashadokuro, and Gashadokuro, The Skeletal Mayakashi. She's the Darkness Undead Skeleton Master of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Keiko Kageyama came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, necromancy, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Gashadokuro, and Gashadokuro, The Skeletal Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Umbrakinesis, Omnipotence, Omniscience, Cosmic Awareness, darkness, dark magic, black magic, necromancy, the powers of the Gashadokuro, and Gashadokuro, The Skeletal Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful kimono, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion, and she swore to kill her and bring her skeleton back and turn her into her undead slave for eternity.

Me: Lincoln told us everything. You're definitely an awesome force of darkness, the undead, and skeletons.

Akane Minazuki: (Japanese Accent) And she's also good friends with Lucy and her friends.

Lincoln: You should see what she did in summoning skeletons and that impressed Lucy and her friends, and now that you're here, Keiko.

Lincoln with his massive muscular arms still wrapped around Keiko Kageyama's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Keiko Kageyama: (Japanese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Keiko Kageyama with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on

her neck and rainbow Thunderbird wedding ring on her left pinkie.

Keiko Kageyama: (Japanese Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Keiko Kageyama.

Keiko Kageyama had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Keiko Kageyama's waist, and he leaned down to her face and kissed her on the lips, and with Keiko Kageyama's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Keiko Kageyama had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Keiko Kageyama: (Japanese Accent)(In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The thirteen girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the thirteen girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the thirteen girls are Al Azif, Chiaki, Elsa, Etheldreda, Hazuki, Leica Crusade, Makoto, Allison, Nero, Ruri Hadou, and Sonya from Demonbane and Shera and Sana Aikawa from Shera My Witch.

Nicole: So, those were the girls Keiko saved, and these girls are really cute and beautiful.

Lincoln: Keiko did the right thing getting them away from that psycho, Harper was always a monster and she never listens to reason. Are you girls okay?

Rena Tomoe: Yes, we're okay thanks to you.

Then, Al Azif and the other twelve girls saw who it was that saved them from Harper Emerson, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with May: And we met another of your allies, and she's one awesome scientist and potion and serum maker.

Lincoln: Yep, that's Regina, alright.

Nico: And she created her own Perfect Gene-Slammer serum, and once she pumped you full of that serum, you became The Perfect Gene-Slammer of All 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, All Skylanders, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, The Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more, and you easily reigned that power in.

Me: Yeah, I was impressed, and when you injected that serum into me when you bit me, I also became the same as well.

Eli: And you also transformed as well.

Regina Fessterox: That's right, and I also put in my patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions as well for extra strength and potency. My father's work is now used in the service of good.

Anna Anyanova: Your insane father got what he deserved, but wait, did we make sure he got banished to The Black Abyss?

Lincoln: (Deep sapphire eyes glowed) I already did just that, Anna.

Me: Wow, that was awesome.

After Lincoln and all of us met Regina Fessterox and he and all of us killed Harper Emerson and sent her to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing

900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Keiko Kageyama saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Keiko Kageyama: (Japanese Accent) My God, I was right that Lincoln's really grown into a 19-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white

angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Keiko, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Keiko Kageyama: (Japanese Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Keiko Kageyama: (Japanese Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with his massive rainbow angel wings and 104 sets of large rainbow angel wings underneath his massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Crash Bandicoot: And speaking of our planned Skylanders adventures, I'm also coming as well, I can't wait to try out some new tricks I got up my sleeves. My transformations had caused me to evolve as well. In addition to Life, I now have the powers of Fire, Water, Earth, Air, Tech, Magic, Light, Dark, and Undead.

Gaia Twilight: It's not just that, but you also now have the powers of every last Skylander from the games.

Nicole: Oh boy, that means he now has the powers of The Giants, The Swap Force, The Trap Team, The SuperChargers, and The Imaginators.

Lincoln: This is gonna be awesome.

Then, Jack Howard got out a videotape.

Me: Whoa, what's that tape, Jack?

Jack Howard: This tape I have here, this is from 1994 a year after Caleb's return from the dead, Allie was walking home after another day at college, but then, some of Drake's girlfriends...

Allie Maxwell: Whom I call sluts in shitty clothes reeking of booze and drugs!

Jack Howard: Tried to attack her on Drake's orders again, she ran from them, but that led her to where Caleb went to in 1984 years after the incident at LaGuardia High School. It was right there that she like her older brother all those years ago would find out about the world of the vampires: the world she and her brother belong to.

Jack Howard put the tape in and it played on the big screen, and it showed New York in the afternoon hours in 1994, it'd been a year after Caleb's return from the dead and Allie was walking home after another day at college.

Past Allie Maxwell: What a day. But, this needs to be done. My first year in NYU may be hard, but I have to do it. Caleb had his life destroyed and he lost his life, now I got to succeed where Caleb failed. None of it was his fault, but Drake's actions not only cost Caleb his life, but also cost him his future and The Syndicate fell and The Big Claw Gang rose to become the most powerful crime organization in New York. But, even after their fall, Drake is still trying to kill me, what a bitch.

?: HEY, THERE'S THE BITCH! LET'S GET HER!

Suddenly, Allie Maxwell saw a bunch of girls dressed in 90s punk clothes and reeking of booze and drugs.

Past Allie Maxwell: That asshole now sent his bitches to kill me again? Damn him! I need to run.

Allie Maxwell ran to avoid Drake's sluts, but what she hadn't known was she was running in the direction that led to The Supreme Yuridia Authority. As soon as she got there, she ran inside its doors and closed them. They tried banging on the doors, but then, Allie heard nothing but screams that died down.

Past Allie Maxwell: W-what was that? And what is this place?

Allie Maxwell walked around the place, and immediately, her brother's memory of running to Yuridia with his friends after the incident at LaGuardia High in 1984 played through her head.

Past Allie Maxwell: This is the place Caleb and the others went to back in 1984.

Allie Maxwell continued walking through Yuridia, but what she didn't know was that her presence has attracted the vampires especially two of them who are in the shadows.

Female Vampire: That's Allie Maxwell, Caleb's little sister.

Male Vampire: Like brother like sister, she too found her way to Yuridia. Drake's sluts reeked of booze and drugs, and their blood was just disgusting.

Female Vampire: For Allie to run here to Yuridia, this is quite the honor. But, she doesn't know that a year ago, her brother returned from the dead. We'll tell her that once we get her to the elders. Right now, let's continue observing.

Allie Maxwell saw the portraits.

Past Allie Maxwell: The building said it was founded in 1796, but the portraits here, they're older than that.

But, then, she wandered to a place where only some of the vampires know about: The Pits. Then, she saw two dead-looking bodies, they were Cage Blunt and Travis Tackett, their chests were cut open. Suddenly, the memories of Caleb's run-ins with them in 1985 played through her head.

Past Allie Maxwell: I-it's them, the two guys whom Caleb ran into back 1985. He said they're vampires?!

Allie Maxwell fell to her butt and was panicking, and she got back up, but just as she was about to run, two figures came out: one was a male vampire with long auburn hair, auburn tail, light orange fur, orange muzzle, and dressed in a fancy suit and the other was a female vampire with long black hair, light grey fur, grey muzzle, long black tail, and dressed in a dress from the 1930s.

Allie started to panic, but then, the male vampire placed his left hand on Allie's left shoulder.

Past Marcus Mackenzie: There is no need for you to panic.

Past Viola: We apologize for scaring you, dear. Please, come with us.

Past Allie Maxwell: Okay...

Allie was reluctant at first, but the calm mannerism of the male vampire and female vampire helped her relax. She followed them to a room where they sat.

Past Marcus Mackenzie: You aren't the first one to step foot here in Yuridia, since this is the heart of the world of the vampires.

Past Allie Maxwell: The first human to set foot into a world of vampires? What do you mean? Did someone set foot here before?

Past Viola: Yes, in 1984, a young man came here to Yuridia, and a year later, he would find out the truth that he's been a part of our world since 1945 ever since your mother's grandparents saved one of our own from your dad's relatives.

Past Allie Maxwell: That person who set foot here..., was he...my brother, Caleb Maxwell?

Past Marcus Mackenzie: Yes, that is correct, and we know who you are as well..., Allie Maxwell. The day before he was killed in 1985, your brother had asked our Watchers to keep an eye on you and your mother.

Past Viola: He feared Drake would kill you and your mother, and he didn't want anything to happen to you both nor his family on your mother's side. He confessed everything to Marcus here about the dark premonition he had of his final night before he was killed.

Past Allie Maxwell: So, all this time, we were still being targeted by Drake, and you all were watching us...? Oh..., Caleb...

Viola took Allie's hands.

Past Viola: Your brother still cared about you, your mother, and his entire family even before he died, that kind of love still lived on even after his death nine years later.

Past Allie Maxwell: Caleb..., just why...? Why did you have to die like this? Nothing I do will bring him back, nothing will. He's lost everything he held dear, and for what, because Drake was just a violent nutcase. I swore to become a police officer to not only protect New York's citizens, but I also want to avenge Caleb's death, so he can finally rest in peace. His spirit still haunts the streets at night even now.

Suddenly, the vampire elders came in.

Past Vampire Elder: Not so, Allie Maxwell. While true your brother's spirit haunted New York in the years since his death in 1985, I'm afraid we have something to show you.

They brought in a videotape.

Past Marcus Mackenzie: One of the Watchers had the tape showing of what happened a year ago in 1993, what you're going to see will shock you.

The tape was played and it showed what happened in 1993, as a rainbow energy wave had passed through the city, and right to the cemetery where Caleb was put to rest. Suddenly, the ground began to stir as a hand rose out of the ground, and a figure slowly rose from the ground. Allie recognized the dark brown hair immediately: it was Caleb Maxwell as he let out a painful scream that shook the streets.

Past Allie Maxwell: Oh God..., is that...Caleb? But, how?

Past Viola: This rainbow energy wave that passed through New York last year caused your brother's return from the dead and restored him to life. But, he wasn't the same as before, he lost most of his memories and he had nowhere left to go.

Past Marcus Mackenzie: But, then, a vampire by the name of James Blunt met your brother, and he soon found out about the mark on his right arm and his connection to us. He took him in to help him recover, and two months in, and most of his memories returned. But, it also includes the memories that haunted him. Our contacts told him of Caleb's tragic past and the dark hatred he now harbored towards Drake, and James also fed on Caleb's blood, and in turn, he fed your brother his blood which gave him immortality.

Past Allie Maxwell: Oh no...!

Past Viola: There is no need to worry. You see, you, Caleb, your mother, and the rest of your relatives on your mother's side don't turn into vampires, you have all of our powers and abilities, but none of the weaknesses nor the thirst for blood. But, that also meant you don't have our immortality. That could only be done through the blood exchange between the vampire and the person he's feeding on.

Past Allie Maxwell: I see. I..., I want to do the blood exchange. My brother had returned a year ago and he missed out on nine years because of Drake's villainy. Please, I have to do this.

They saw Allie's determination.

Past Marcus Mackenzie: Understood.

Marcus Mackenzie then bit Allie Maxwell and he fed on her blood, and then, he bit his right arm and drew blood, and he let Allie feed on his blood, and just like Caleb, Allie had gained immortality, the final gift in addition to being born with their powers and abilities but no weaknesses nor the thirst for blood.

The video ends.

Me: Whoa, so like your brother before you, you also found your way to Yuridia.

Nico: And you found out about your family's connection to the vampires, along with finding out about his resurrection a year ago.

Lincoln: There's no doubt you also told your mom.

Marlene Maxwell: She did, and when I saw the video, I was shocked. Caleb did return from the dead, but without his memories. Drake went too far back in 1985, and Caleb lost his future and his life.

Allie Maxwell: And left him with only revenge and hatred in his heart.

We got a shower, and then, Lincoln, Billie, Emily, and Akane Ryuuku are heading to Seaside Hill, and joining them are GLaDOS and Wheatley.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Billie, Emily, and Akane Ryuuku were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Billie, Emily, and Akane Ryuuku had feelings for Lincoln, and he also had feelings for her, and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Emily (Hazbin Hotel): Wow, so this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Emily, and it's perfect for our first date. Shall we?

Lincoln, Billie, Emily, and Akane Ryuuku dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Billie, Emily, and Akane Ryuuku also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Billie, Emily, and Akane Ryuuku a deep tissue massage, and when he was done with that, Billie, Emily, and Akane Ryuuku was relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Billie, Emily, and Akane Ryuuku got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift 107 massive 999 Septillion ton barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Akane Ryuuku: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and they went up to Billie, Emily, and Akane Ryuuku and they hugged them in their abnormally massive and powerful muscular arms, and they placed their hands on the massive hairy pecs of Lincoln and his clones, but he wasn't done. Then, they had them lying down on a beach towel with him on top of her.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit her. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Billie, Emily, and Akane Ryuuku with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Billie, Emily, and Akane Ryuuku are in your harem, Linky.

Billie, Emily, and Akane Ryuuku showed the marks Lincoln made on the right side of their trapezius.

Charlie Morningstar: Now, that is so cute! You and Lincoln are now together, Emily!

Jenna: You had no trouble at all.

Akane Ryuuku: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he certainly had us swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

May was really bloated.

Nico had a hand on May's belly and smiled.

Homer: So what's this game about?

Poromon: It's called The Flying Dutchman's Treasure Hunt.

Poliwag: It's where you hunt for the treasure of the Flying Dutchman. It's based on an actual treasure map.

Homer: Cool!

Lisa Simpson: I hope it isn't like that Eels and Escalators game

Me: Don't worry Lisa it's fun.

I took a bite from a Zap Apple...

LOUD CRUNCH!

MAY SCREAMED!

Me: HMM!

We saw Water on the floor and that can mean only one thing!

May: Nico! It's time!

Me: Uh oh!

Nico: Lets go guys! Lets get her to the hospital!

Ratchet: Load her up boss!

We loaded her into ratchet and we were off!

We went into the hospital and May and Nico went into the Delivery Room.

I stayed with the mascot to play.

Me: This will be fun.

We got to playing.

Poromon: Yippee! I'm rich! Look, Poliwag, eight gold doubloons!

Me: Wanna play with us Mr. Krabs?

Mr. Krabs: Ha ha ha. All right, lads. Looks like you've shanghaied me.

Me: Awesome!

Poliwag: My turn. [rolls the dice] 5. [makes a raspberry noise while moving piece, then reads a card] "One of your shipmates has been a bad pirate! Send him to the brig!" Hmmm. [Poromon turns his eyes toward Mr. Krabs] It's off to jail for you, Mr. Krabs.

Mr. Krabs: Poliwag, you're fired!

Poliwag: But I don't even work at the Krusty Krab and SpongeBob is the boss now.

Mr. Krabs: Oh yeah sorry lad.

Me: My turn. My turn. [rolls the dice] 1, 2, 3, 4. [picks up the card and reads it] "Look for the Deacon's Goose thru the fork in the old tree and head that way." [looks through the hole in the tree] Well, I see Mr. Krabs' zipper is undone.

Mr. Krabs: [gasps] Shiver me timbers!

Me: [laughs] Just kidding, Mr. Krabs. I'm almost to the treasure. Your turn again, Mr. Krabs.

Mr. Krabs: [rolls the dice] Ooh, fish eyes. 1, 2.

Poliwag: [picks up card and reads it] "You are a real pirate. Go straight to the 'X' that marks the spot." You get to dig for treasure, Mr. Krabs!

Mr. Krabs: Treasure? [digs with a small toy shovel and a mini plastic treasure chest appears] There it is! It's the

Flying Dutchman's Treasure! Gold, gold, gold! Mine, mine, mine, mine, mine! [starts sweating profusely]

Me: See how it works Homer?

Homer: That is fun.

Acid Storm: This is your last chance, Poromon. Because if you roll something bad again, you lose,

Me: Acid Storm this is not like Eels and Escalators.

Poromon: Yeah.

Acid Storm: Oh sorry.

We played again and this time Poromon won and found the treasure!

We laughed!

MAY SCREAMED!

May: (SCREAMS IN PAIN) IT HURTS! NICO IF YOU EVER GET ME PREGNANT AGAIN I AM GOING TO RIP OUT YOUR FUCKING INTESTINES AND SHOVE THEM SO FAR DOWN YOUR THROAT THAT YOU WILL BE PEEING AND SHITING IN YOUR OWN STOMACH AND THEN I WILL RIP YOUR HEART AND BRAIN OUT AND SHOVE THOSE SO FAR UP YOUR ASS THAT YOU WILL POOP THEM OUT OF YOUR MOUTH AND THEN I WILL MAKE YOU EAT YOUR LUNGS AND THEN MAKE YOU EAT CHUM FOR THE REST OF YOUR LIFE THROUGH A STRAW!

WE GASPED!

Me, Laney, Maria, Lana, Lola, Lisa and Eli fainted!

FWOMP!

Qin used smelling salts to revive us.

Me: WHOA! Man Nico would have blown his brains out if he heard that!

Poromon: No kidding!

Laney: That was frightening!

Poromon won again!

Poromon: I win again! That's 17 times in a row!

Slingshot:… congrats, Poromon! You win!

Me: It sure is!

Horsea: Yep. Hey J.D. you got a little friend with you.

I looked and saw that it was a Rowlet.

Me: Hey a Rowlet.

I picked it up.

Me: You're a cute little guy.

Maria: How did that get here?

Me: Must be one of Dark Gale's work.

Stealth Elf: Lets see.

She used Telepathy and gasped!

Stealth Elf: It's my friend Hisui Sycamore. She is a great friend and has all the powers of all the Life Skylanders and has Nature Powers that are cool.

Me: Whoa! That is amazing.

Horsea: Wow!

SpongeBob: What moves does Rowlet know?

Me: Well they ae Grass Flying Pokemon so they know Razor Leaf.

It then used said move and the leaves went at Horsea and she blocked the leaves with the clone. It slashed the clone all over.

Me: I had to open my big mouth. Stealth Elf lets help her.

Stealth Elf: SILENT BUT DEADLY!

We went and blasted her all over.

Then I snapped my fingers and she reverted back. she was a girl with green hair and green eyes and had green leaf angel wings and had Rowlet on her forehead and on her arm was a Silver Maple Leaf with an Emerald Diamond with the Life Skylanders Symbol in the middle.

We wrapped her in a blanket and put her on a seat in the room.

Me: There we go.

She woke up to see Horsea's smiling face

HIsui Sycamore: (Groans) What? A Horsea?

Horsea: You hit my clone!

Hisui Sycamore: What the? What happened?

Stealth Elf: Glad to have you back Hisui.

Hisui Sycamore: Stealth Elf!

They hugged.

Hisui Sycamore: I'm happy to see you. What happened? Where am I?

Me: You are in Gotham Royal York Hospital. You were turned into a Rowlet by Dark Gale.

Hisui Sycamore: (GASP) I Remember!

She was in a green suit and injected and turned into Rowlet and she flew out.

FLASHBACK ENDS

Hisui Sycamore: It was awful.

Me: I know but we destroyed Dark Gale.

Hisui Sycamore: Good. I work as the nature master of Sonya's team. Outside the team I am a full time Skylander and help Stealth Elf defend Skylands from Kaos and his forces.

Stealth Elf: We defended the Ancient Tree Spirit from the Fire Trolls with their Evilized Fire.

Me: Whoa!

Horsea: Nice!

Me: That is cool!

Hisui Sycamore: It sure is. But why are we in the hospital?

Then the doors opened and out came May and Nico and they had 4 baby girls in their arms.

Me: Oh Nico they are so adorable!

Nico: Yep.

Nico had a bit of stubble on his face from lack of sleep.

May: (Weakly) These are our new baby girls.

Nico: Meet our 4 new daughters Casslea, Devvron, Leakkeo and Marjoorra.

Me: They are so adorable.

Vegeta: Those are perfect Saiyan Names for them Bokrua.

Ymir: Really?

Me: It's part of a Saiyan Tradition they have. They pick Saiyan Names.

Nico: Yes.

We got a good picture with them.

Rarity: Now Hisui lets get you some new clothes darling.

The Fashion Brigade gave her new green clothes and a nature sword.

Hisui Sycamore: I look amazing.

Me: You sure do.

RD Lisa: This is the part where the losers of the game scream out profanity.

Manaphy: Not this time Lisa.

Horsea: We don't want to do it in front of the new babies.

Hisui Sycamore: Good idea.

Me: Nico, lets get you and May home to rest up. And May your Universe 666 self can fill in for you during the monster battle in the usual battles today.

May: Thanks guys.

We went back home.

We got May to the Nursery to rest.

Poliwag: I could scream out profanity since I lost

Me: Poliwag shh.

I pointed to Nico taking a nap.

Poliwag: Oh sorry.

Me: Hold on.

We went down to the surface and in a silencing bubble so no one could hear it, the mascots let out profanities!

Except for Poromon.

Poromon: In your faces!

I plugged my ears

THEN HORSEA, MANAPHY AND POLIWAG YELLED NASTY WORDS! THANKFULLY NO ONE HEARD THEM.

Me: Feel better?

They nodded.

Me: Good.

Poromon did a victory dance.

It was called the Waffles Victory Dance

DO YOU LIKE WAFFLES!? YEAH WE LIKE WAFFLES!

DO YOU LIKE PANCAKES!? YEAH WE LIKE PANCAKES!

DO YOU LIKE FRENCH TOAST!? YEAH WE LIKE FRENCH TOAST!

DO DO DO DO CAN'T WAIT TO GET A MOUTHFUL!

WAFFLES!

WE LAUGHED!

Poromon: Take that!

Me: Okay that's enough.

Poromon: Sorry.

We went back to the estate.

Nico was sleeping.

Me: (Whispering) He had a really tiring day so far.

The mascots nodded.

French Narrator: (French Accent) 2 hours later

Nico woke up.

Nico: (Yawns) Ahh.

Me: Hey sleeping beauty.

Nico: I needed that nap.

Poromon flew on top of his head.

Me: After a big day like today you needed it.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up

even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Quimby, Springfield's corrupt mayor, and he's back in the crater that was once Springfield. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: OH HELL NO! YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Quimby, Springfield's corrupt mayor, and he's back in the crater that was once Springfield.

EVERYONE GASPED!

Lisa Simpson: Quimby's back? Not good.

Lincoln: Girls, it's time!

Anna Anyanova: On it.

Lincoln's Guardian Angels sent the signal to head down to the local news station

Anna Anyanova: Good afternoon, Gotham Royal York and the entire US, this is Anna Anyanova. We have serious news: our old enemy, Diamond Joe Quimby, Springfield, Oregon's corrupt mayor has returned. He was among those responsible for Springfield being made into the most hated town in the world and beyond for over 30 years.

Then, they got out the files on him from Silica Geode, and they broadcasted all of Quimby's crimes and corruption in Springfield, and we were watching it all on TV, and needless to say, all the people of The US were beyond pissed!

Anna Anyanova: Are we going to stand here and let him get away with his crimes?!

The US: OH, HELL NO!

Anna Anyanova: Then, gather your weapons, pitchforks, torches, and all sorts of weapons and head for The World Tree Estate, and we shall lead the charge against him! Tonight, The Corruption of Joe Quimby shall be brought to an end!

The broadcast ended, and Lincoln's Guardian Angels came back to The World Tree Estate, and just in time too. Suddenly, an angry mob of people from all over The US with weapons, pitchforks, torches, and weapons of all sorts arrived in front of The World Tree Estate.

Male: We're here, Team Loud Phoenix Storm, and we're ready to attack Quimby!

We were amazed!

Lincoln: Girls, you did so awesome! Everyone all over The US has gathered!

Nico: No fooling! Wow! So, what's the plan? We sending him to The Black Abyss?

Lincoln: No, Quimby isn't a dangerous threat, the real dangerous threat is Burns. I've already got a plan for him, we're taking him down and then, we're taking him to trial at The Gotham Royal York courthouse, and with our evidence on his crimes, the court will find him guilty, and here's the first part: I'll put The Gessius Flores Vengeance Curse on him, so we can get him to pay an extremely massive amount of restitution, and after that, we're taking him to our new prison.

Lincoln formed an orb-sized planet.

Lincoln: This is my newly built Pandora Moon Prison for Corrupt Officials, it's a prison I'd built on Pandora, one of Saturn's moons, and it's a prison meant for corrupt officials, and the security there is very tight, the guards and the prison officials and the warden are very tough law-abiding officers and they can't be corrupted by their bribes, and the security protocols are very tough complete with laser grids and pressure sensors, hi-tech security camera, and infrared security beams, and escape is impossible, and the corrupt officials will stay there until death.

Me: WHOA!

Nico: You know, we don't have a prison for corrupt officials because we kill them. But, since Quimby is no dangerous threat, this prison's perfect for him. Awesome plan, Lincoln. Alright, team, let's get going, it's time to end Springfield's corruption for good.

Lincoln: Quimby, your time here is up. Time to trade your mayor outfit for prison orange.

Me: Okay then!

The previous group came.

Grizzly: Can me, Gearhead, Dark Turtles, Hawkeye, Shade, Batroc the Leaper, Ragdoll, Top, Trapster and Swordsman go with you guys?

Dark Mikey: Those babies look cute!

Nico: They sure do and yes you guys can come with.

Qin: Quimby is back.

Grizzly: We saw the news report before we came. Now we can give that speech impaired douchebag a piece of our minds.

Me: Yep and this time the whole country is out for blood.

Wallflower: Nico, which Gene Slammers do you think you'll meet next?

Dark Don: Probably strong ones.

Nico: Number 50: Blackship of Corn and Number 49: Fortune Tune next.

Me: Whoa nice.

Qin: Cool!

Me: Well we better get moving. Vypra is also going to be wanting some payback on him to for Double-Crossing her. Carter just remember this, NO ONE and I mean NO ONE double-crosses Vypra!

Carter: You got that right!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white

angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Gorr the God Butcher and Desak the God Slayer, and they're coming to destroy us for what we did to them last year. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Gorr the God Butcher and Desak the God Slayer, and they're coming to destroy us for what we did to them last year.

Rhiannon Ann Cooper: Those two God-slaying monsters are gonna get it, and they're getting absorbed by Lincoln.

Nico: Along with their weapons. Alright, team, let's get going, Quimby's time is up.

Lincoln: This is where we end Springfield's corruption once and for all, and once we get done with him, you're finished, Gorr the God Butcher and Desak the God Slayer.

Rhiannon Ann Cooper: You two God-slaying monsters made a mistake coming back from the dead, and now, we'll make sure you never rise again.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to the crater that was once Springfield followed by an all out America-angry mob to take down Quimby and send him to prison, and once we get done with him, Lincoln and Rhiannon Ann Cooper are going to destroy Gorr the God Butcher and Desak the God Slayer and send them to The Black Abyss.

We were off to the Springfield Radioactive Crater.

We arrived and saw the crater. We were hiding in the forests near the crater.

Dark Leo: Still as abandoned as ever.

Me: And it's going to stay that way.

Abra Kadabra: Let's call Cantwell.

Me: Good idea. We might as well call all the angry citizens of Springfield as well.

Camie: Good idea.

Nico: Awesome.

Cantwell, Wiggum and all the Springfield Citizens came.

Me: Perfect.

Koichi: Let's use a Bass Guitar on him

Me: Ooh bash him with music.

Lisa Simpson: That is cool.

Me: It sure is.

Batroc: I'll go prepare the next usual battles.

Nico: Roger that.

He went and did so.

Me: We better get ready for this.

I then sat down and then...

SPLASH!

Me: What the?

I saw my butt wet from water coming out of the crater?

Me: What the?

I flew and saw THE ENTIRE CRATER FILLED UP TO THE BRIM! It was a lake!

Me: Nico come here! Look!

We saw the crater now a crater lake!

RD Lucy: Gasp. I didn't see this coming

Me: Did it rain here?

Lisa Loud: Negative, according to my meteorlogical reports it hasn't rained here at all like this.

Me: Hmm.

Lincoln: I think I know what it is. It's the work of Lisa Simpson's Akuma, Crybaby Loser Hypothetical Akuma of Lisa Simpson and she is ALWAYS Crying and she cries so much that she can fill up an entire desert with tears. She was made because of Springfield looking down on her and ignoring her talents and more. And she vowed to flood the entire town away

WE GASPED!

He showed us a sketch of her and she a little girl that was REALLY CRYING HER EYES OUT And flooding everything in a sea of tears.

Me: Geez she is a really sad girl. Poor thing.

Nico: No kidding.

Deadpool: Well Lisa has always been ignored because of her talents.

Jamesdean5842: He's right on that. Ever since 1989 Lisa's talents have always been ridiculed and ignored by all the citizens of Springfield and she was really made a public outcast from it.

Nico: Oh man.

Lisa Simpson: Yeah no one understood my talents. I am talented in a lot of things and many people all over Springfield viewed me as a lousy loser.

Me: We don't think that at all Lisa. Also Squidward not to sound like you but the people of Springfield before it was destroyed have always been nothing more than a bunch of brainless stooges!

Squidward: (LAUGHS) You're right on that. But I call them brainless morons.

Nico: You know what? You're right about that.

Ms. Krabappel: HA! Yeah we were so stupid back then.

Me: And I can name a few people to blame for all that. That's why I made a new motto for Springfield. Springfield, the stupid town that doesn't care about anything except their own stupidity in America's buttcrack that smells like moose poop.

EVERYONE THEN BURSTED INTO HYSTERICAL LAUGHTER FROM THAT!

Nico: (LAUGHS) That was a good one!

Me: Thanks.

Nico: It was called the Meanest Town in America before. Which also fits it.

Me: That is true. Now it's The Most HATED and DESPISED Town in America.

Nico: Yep because of a bunch of people.

Me: Yep.

Nico: (to Edna) But you were still cool

Ms. Krabappel: HA! Yes I sure am.

Me: Yep.

Gearhead: Yes she is. Any vehicles I can use around here?

Me: No cars are pretty much left here. But I do have one.

I gave him a tank.

Gearhead: Ah thanks.

Me: Lets not fight in a pool of tears though.

I then saw a drain plug on the ground.

Me: Convenient.

I pulled it

POP!

And then there was a rumble and out came a huge jet of water and the tears drained.

Qin: Ooh Tear lake go down the hole.

Nico: There it goes!

Me: Yep.

Qin: Yeah.

Then we heard REALLY LOUD CRYING AND WAILING!

Me: Look.

We saw Crybaby Loser Sadsack! SHE WAS REALLY CRYING HARD AND WAILING!

Me: Oh poor girl.

I went over to her.

Me: Oh poor thing.

I gave her a hug and she was really crying hard.

(GOODBYE RODNEY PLAYS)

Top: Lisa? Is that you?

Crybaby Loser Sadsack: (WAILING) YES IT'S ME! (WAILING AND CRYING!)

Me: Oh it's okay Lisa. There there.

Lisa Simpson: Man I don't think I've EVER cried that much.

Qin: I don't think anyone can.

Top: Geez! And I thought Lou Gubrious was a big crybaby.

Gru: Lisa! Look!

Gru pulled Bart's pants down

Bart: Hello Lisa. I'm Dr. Cheeks.

Crybaby Loser Sadsack was still crying!

SpongeBob: I've never seen her so broken up.

Crybaby Loser Sadsack is literally in pieces, crying.

Lola: Let me try!

Lola cut Homer's pants off!

Homer: WHY YOU LITTLE!

Homer strangled Bart!

[Crybaby Loser Sadsack is crying while sucking her feet.]

GEEZ WHAT A BABY!

Eli: How about this then?

Eli grabbed Nico's face and farted in it!

LOUD NASTY HORRIBLE FART!

Nico coughed and gagged!

[Crybaby Loser Sadsack continues weeping as she pours tears into her mouth.]

Squidward: For Pete's sake, Lisa, suck it up!

[Crybaby Loser Sadsack's eyes inflate then squirt out tears.]

ENOUGH WITH THE WATERWORKS ALREADY!

Varie: How about this?

Varie bashed her face in with a frying pan!

BLANG BLANG BLANG BLANG!

Varie was dazed and silly stupid!

[Crybaby Loser Sadsack is wailing, and pouring her tears like a fountain.]

Pinkie Pie made a bunch of REALLY FUNNY FACES!

But none of them worked!

[Crybaby Loser Sadsack is sobbing like a faucet]

Me: 30 plus years of ridicule and ignorance really shattered her.

Jimbo: Poor girl went through a lot.

Swordsman: Any other ideas?!

Gatomon poured salt on Mevya.

Mevya: HEY!

BLANG!

Mevya bashed Gatomon on her head with a frying pan!

Mevya: Don't eat me!

Me: Maybe this...

BONK!

I bashed Eustace on his head with a Rolling Pin!

Eustace: OW! What did I do!?

Ed puts his feet against my shoulders. His big toe has a face painted on it.

Ed: "Hello, I am Stinky. And I am Clammy." [He laughs.] Hello, Lisa. Why are you such a sad sack? 'Cuz she keeps on crying. Oh, pardon me." [Laughs] "I should be in show business." [Eddy snickers at this.]

RD Carol: Any other ideas?!

Jake pulled down his pants and made a face on his butt.

Jake: Hey there Lisa! I'm Dr. Buttdragon! Hug me!

Crybaby Loser Sadsack saw it.

Me: Hmm. I know! Wait here!

I teleported and came back with BURNS!? But he was all tied up and gagged.

Me: Okay Lisa watch this!

I used all kinds of pranks on him and bashed him with coconuts, hit him with everything including the kitchen sink, shoved dynamite up his butt and more and then Crybaby Loser Sadsack bursted into hysterical laughter!

Trapster: Finally, she's laughing!

Nico: Good thinking J.D.

Burns: So, I guess this is the part where you send me to the Warp?

Spiderman 2099: Not today. We have to take down your buddy, Quimby. So you get to go free. For now. But when we DO take you down, I intend to make you pay for how your ancestor got Kron mutated!

Me: YEAH! Just remember this you old vulture, YOUR DAYS OF LIVING ARE NUMBERED!

I teleported him back to his lair.

Me: There. Feel better?

Crybaby Loser Sadsack: Much better. Thank you!

Me: Boy all it took was Mr. Burns being thrashed by me. Now (To the Springfield Citizens) I think it's time for you all to do the right thing. You owe her a much needed apology.

The people of Springfield knew it was long overdue.

Cantwell: First, I would like to apologize first, Lisa. I guess me being your archenemy made me feel better about you. But you know you still need to calm down.

Crybaby Loser Sadsack: I know. And I'm happy you think I'm pretty.

Me: I remember hearing about that ages ago.

Cantwell: I know. I'm sorry Lisa. I was so jealous of you.

Everyone in Springfield came forward and apologized to her. They all realized now that she is very talented in many things and because of Quimby and everything that happened they were blinded by it.

Crybaby Loser Sadsack forgave them and so did Lisa.

Me: Awesome.

Jake Spidermonkey: I did my part before in Charles Darwin.

Adam Lyon: (LAUGHS) I Remember that.

Me: Anyway shall we?

Crybaby Loser Sadsack: Lets shall!

She fired energy blasts and we dodged them.

I fired waves of lightning and blasted her all over.

Cantwell fired waves of energy and smashed her all over.

Crybaby Loser Sadsack: My turn!

She fired waves of water and Maria absorbed it all like a sponge and got stronger!

She fired a blast of water and smashed her down!

Me: YEAH!

She was knocked out.

RD Lynn (to Jake): Can I see said part?

Jake Spidermonkey: Oh, why not? We have time

Jake used his tail and dipped it in red paint and made a funny face with it.

Jake: What are you looking at!

IT WAS HYSTERICALLY FUNNY!

Adam Lyon: That's right. Take a good look and laugh!

Ragdoll: We ARE doing that!

WE LAUGHED HYSTERICALLY!

Me: OKAY THAT WAS FUNNY!

Nico: YEAH!

Windsor: We once had a comedy show with that and Jake did a performance with that.

Me: Really?

Lola: Wow!

Jake Spidermonkey: Okie dokie!

Azula (laughs): Now that's funny!

WE LAUGHED MORE!

Me: (LAUGHS) Okay stop it guys! I'm going to bust an artery.

Nico: That was funny though.

Jake Spidermonkey: Yeah that was funny.

Nico: We needed that. Anyway we got a job to do.

We went to the rim of the crater and saw Quimby crawl out of a hole all covered in mud.

Nico: There's that corrupt fatass.

Max (Sam & Max): (Robert Tinkler Voice) In that case,...DEATH FROM ABOVE!

Max charged in and started blasting Quimby all over the place with explosives, bombs, rockets, and bullets!

Sam (Sam & Max): (Harvey Atkin Voice) You crack me up, little buddy.

Me: Damn, he's one loose cannon. But, in any case, let's join in!

Suddenly, the spirits of The Simpsons appeared and they attacked Quimby and they really thrashed him all over the place showing him no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive fiery explosion erupted out above him as a Thunderbird Screech, Wolf Howl, and Phoenix Cry was heard and we appeared, along with our massive All-Out America Angry Mob!

Nico: You got some nerve showing up here once again, Quimby!

Me: As much as you deserve to die once again, afraid we got better plans for you.

Lincoln: Yep.

Me: Long time no punch jerk!

POW BIFF WHAM!

I punched him in his face and stomach and nose!

Nico: Let's take him down!

Shade: Okie dokie!

Nico: (sighs) That's enough of that.

Shade: Sorry, that just slipped out

Bart kicked Quimby in the crotch!

CRUNCH!

Bart: That was for turning me into the awesome prankster I am today!

Ymir: (Confused) What?

Me: Quimby smashed a bottle of champagne on a newly built battleship and Marge accidentally had some of that stuff while she was pregnant with Bart and it made him into the awesome and funny prankster we all know and love.

Ymir: Oh man!

Air Man: You're going to tell us all your crimes!

Quimby: Well, I did, Um...

Nico: (groans) You know what? Nevermind! You squealing would come out wrong!

Me: Besides we don't need him to say a word and getting him to talk is not necessary. Anna and Lincoln's guardian angels already took care of that for us.

Anna Anyanova: That's right. GET HIM GUYS!

ALL OF AMERICA CAME OUT AND THEY WERE PISSED!

THEY CHANTED KILL DIAMOND JOE QUIMBY!

Me: It's over Quimby! All of America and the World knows about everything! The corruption, the lies, the embezzlements, the adultery, the number of women you slept with, the list goes on! You are the worst scumbag mayor ever known!

Nico: YEAH!

Dark Raph: Oh, I am gonna mess you up real bad!

Me: After we rough you up, we're going to make sure you get brought to New York City to be tried for everything you did to Springfield and to the Country in general!

Quimby: Er um I didn't do anything!

Me: I know this line is used a lot but tell it to the judge!

I punched him all over!

Billy Gilbert: It wouldn't matter if you didn't squeal or not!

Cycloid: We have other ways of getting the truth from you!

Nico: Billy that's not needed. We have Lincoln's Guardian Angels with all the evidence.

Billy Gilbert: Oh right.

I punched Quimby in the face and in his stomach and kicked him in his crotch!

Me: Springfield Mafia?

Fat Tony: We're going to make you sleep with the Fishes!

Louie: You're going to be drinking chum through a straw!

They punched and bashed him all over the place!

Gearhead drove his tank.

Gearhead: (smokes cigar) Target locked on!

He fired waves of energy and blasted him.

Me: Time to go Crackhouse Mickey Mouse on this fucking douchebag!

I punched and smashed and kicked him brutally and REALLY MANGLED HIS FUCKING ASS BIG TIME!

Mega Celebi charged at him and blasted him with energy balls.

Me: Take that jerk!

I punched him all over!

Qin: YEAH!

I punched him and smashed his face in!

Thor and Odin charged at him and blasted him with lightning.

Thor and Odin: ASGARD THUNDERSTRIKE BLAST!

They fired waves of lightning and electrocuted him all over.

Camie fired waves of Aurora energy and blasted him all over.

Mayor Quimby's wife Martha went up to him and then...

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

SHE SLAPPED HIM ALL OVER HIS FACE NUMEROUS TIMES FEROCIOUSLY!

Me: You know what they say Quimby, Hell Hath No Fury like a Woman Scorned!

Xenia: Or in this case A LOT OF WOMEN Scorned!

Iron Man and Falcon charged at him and flew and slashed him all over.

Iron Man and Falcon: FLYING IRON BLAST!

They fired waves of energy and blasted him all over!

Hulk and Red Hulk charged at him and smashed and pulverized him.

Hulk and Red Hulk: SMASHING HULK BASHERS!

They bashed him all over!

Me: Also your wife Martha would have made a MUCH BETTER Mayor than you! Also that cool pool you built with all that money you stole? We moved it to the estate and it's now part of my indoor pool!

Nico: Really?

Me: It was long ago.

Black Widow and Captain Britain charged at him and kicked him all over the place.

Black Widow and Captain Britain: RED WHITE AND BLUE BARRAGE!

They fired waves of red, white and blue energy and blasted him all over the place!

Hawkeye and Karolina Dean charged at him and blasted him with arrows and energy.

Hawkeye and Karolina Dead: LIGHT ARROW BARRAGE!

They fired arrows and light beams.

Captain America and Bardock charged at him and blasted him brutally.

Captain America and Bardock: BLASTING RIOT STORM BLAST!

They fired waves of energy and blasted him brutally!

War Machine and Lego Thanos charged at him and blasted him with energy.

War Machine and Lego Thanos: INFINITE BLAST STORM!

They fired waves of energy and blasted him brutally.

Ant Man and Lego Carnage charged at him and blasted him all over.

Ant Man and Lego Carnage: SMASHING CARNAGE STOMP!

They smashed and stomped him.

Me: Try this on! My Radioactive Polythermal Syrup Launcher!

I fired a wave of syrup and drenched Quimby and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

HE EXPLODED!

Nico: WHOA! Waffle Woman's powers?

Me: And MANY More.

Lincoln: You have Regina Fessterox to thank for that.

Regina Fessterox: I gave J.D., Eli, Ymir, and Camie the Perfect Gene-slammer Serum and they got TONS of amazing new abilities.

Rocket and Lego Thor charged at him and blasted him with energy and lightning.

Rocket and Lego Thor: LIGHTNING BLAST BARRAGE!

They fired numerous blasts of lightning and energy and smashed Quimby all over.

Me: Take that!

Captain Marvel and Lego Captain Marvel charged at him and blasted him with energy.

Captain Marvel and Lego Captain Marvel: BLASTING STARBURST!

They fired waves of energy and blasted him all over.

Stealth Elf: Lets get him!

Hisui Syramore: With pleasure!

Stealth Elf and Hisui: SILENT BUT DEADLY! EXPLODING FRUIT BLAST!

They fired fruit bombs and blasted him intensely all over.

Then, Lincoln took the air and he snapped his left hand's fingers and five massive orbiting balls of fire appeared orbiting around Quimby, and then, they collided and they exploded as they hit Quimby, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16.

Nicole: Jeez, he's tearing him apart!

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into ruin once more. Joe Quimby, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Lincoln, Lisa Simpson, Nico, and I and the rest of us went after Quimby and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and

SHE REALLY MASHED THE STUFFING OUT OF HIM!

Lincoln and his harem: Now, for the grand finale. We've had it up to hear with you to last a lifetime, Quimby, now say hello to an eternity in prison! JAZZ FINAL SMASH: JAZZ BLAST!

Lincoln and his harem fired Ki blasts based on jazz music instruments at Quimby which explode on contact, but he didn't die from the explosion he'll just get really big boo-boos.

Sam (Sam & Max): (Harvey Atkin Voice) We Freelance Police draw the line when it comes to your corruption ruining the future of our nation's youth. Now, you're about to spend eternity in prison.

Sam put the cuffs on Quimby.

We cheered as we holstered our weapons and powered down.

Sam (Sam & Max): (Harvey Atkin Voice) Let's get to the courthouse.

Lincoln: Already on it.

We returned home, and we got to The Gotham Royal York Courthouse, and the trial of the century began. Lincoln's Guardian Angels got out the files on him from Silica Geode and they detailed all of Quimby's crimes and corruption since 1989, and the jury was disgusted.

The jury came back less than ten minutes after deliberating.

Katie Rockell: Has the jury reached a verdict?

Foreman: We have, Your Honor. We find the defendant, Joe Quimby, guilty on all charges.

It was finally over: Quimby was found guilty, and outside the courthouse and across the US, everyone cheered wildly: Quimby was going down!

Katie Rockell: This is truly one of the worst cases of corruption in the world of politics during the late 1980s. Joe Quimby, your acts of corruption not only ruined the lives of the children and adults who weren't roped in by your corruption and Burns' schemes, but it also caused Springfield to become the most hated town in the world and beyond. It is with the judgement of this court that I sentence you to spend eternity in the newly built Pandora Moon Prison for Corrupt Officials, but first, you are to pay restitution for all of your crimes.

Lincoln got the signal as the gavel banged, and he put the Gessius Flores' Vengeance Curse on Quimby, and we all piled on and we literally beat the shit out of him, and the All-Out America Angry Mob also joined in beating Quimby down like crazy, and septillion tons of gold, jewels, coins, gems, and many other currencies exploded out of Quimby: this was more than enough restitution.

Then, Lincoln removed the curse, tied Quimby up, and had him beamed to his cell in the Pandora Moon Prison for Corrupt Officials, and he put into Supermax Solitary Confinement.

Nico: And that's it for Quimby.

Me: That's for sure.

Lincoln's massive golden yellow angel wings and 104 sets of large golden yellow angel wings underneath his massive golden yellow angel wings changed back to white with aurora and orange tips and colored tips and his long wild golden yellow hair going down to the upper part of his back changed back to rainbow with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair.

Lincoln: This'll send a warning to Burns that we're coming for him, and he's already cut his ties with Quimby. Alright, now there's one last thing to do and one last loose end to tie up: Gorr the God Butcher and Desak the God Slayer.

We then turned our attention to Gorr the God Butcher and Desak the God Slayer, who busted out of the ice prison.

Gorr the God Butcher and Desak the God Slayer: That's it, we'll destroy every last one of you! I don't care if you are Gods among men, you will all die!

Lincoln, Rhiannon Ann Cooper, Nico, and I went after Gorr the God Butcher and Desak the God Slayer and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Gorr the God Butcher and Desak the God Slayer, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Rhiannon Ann Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Rhiannon Ann Cooper, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Gorr the God Butcher and Desak the God Slayer even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Gorr the God Butcher and Desak the God Slayer and we all found ourselves not only in Heaven, but also, in space.

Then, when Lincoln was done and the stingers changed back, nothing was left of Gorr the God Butcher and Desak the God Slayer except for Desak the God Slayer's bladed weapons that Lincoln's massive greatsword absorbed and Desak's Amulet of Power that merged with Lincoln's Elemental Thunderbird Necklace of Eternal Love and gave

him Godlike Conditioning, Transformation, Super Strength, Invulnerability, Super Speed & reflexes, Enhanced Stamina, Permanent Age Negation, Self-Sustenance, Divine Power Negation, Flight, Cosmic Awareness, Intuitive Perception, Divine Siphoning, Divine Slaying, Divine Force Manipulation, Optic Blasts, Force Absorption and Redirection, Simulated Telekinesis, Concussive Force, Energy Infusion, Armament Fabrication and Combat Fatigue Amalgamation, Shield, Sword, Axe, Knife, and The Destroyer, and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered wildly as we holstered our weapons and powered down and Rhiannon Ann Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Rhiannon Ann Cooper: It's over for you, Gorr the God Butcher and Desak the God Slayer, and to this we say good riddance. Thanks for helping me get rid of those two god-slaying heretics, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Rhiannon Ann.

Me and Nico: Our pleasure, Rhiannon Ann.

Suddenly, Rhiannon Ann Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rhiannon Ann Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Rhiannon Ann Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Rhiannon Ann, you transformed and you guys really let those two god-slaying heretics have it.

Me: That's for sure, he didn't stand a chance. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Mayakashi Duel Monsters appear in the sky with a Tengu.

Lincoln: Oh man, the symbol of The Mayakashi Duel Monsters appear in the sky with a Tengu.

Akane Minazuki: (Japanese Accent) The Tengu. There's only one person who matches that all too well: Himari Kazahaya, Avatar and Gene-Slammer of Tengu, the Winged Mayakashi, and you guys are going to like her, Himari Kazahaya, Avatar and Gene-Slammer of Tengu, the Winged Mayakashi, is Lincoln's Guardian Angel from Japan and she's a powerful master of Cosmic Aerokinesis, wind, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Tengu, and Tengu, The Winged Mayakashi. She's the Graceful Wind Tengu Master of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Himari Kazahaya came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Aerokinesis, wind, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Tengu, and Tengu, The Winged Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Aerokinesis, Omnipotence, Omniscience, Cosmic Awareness, wind, the powers of the Tengu, and Tengu, The Winged Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful kimono, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lola with a blazing passion, and she swore to have her blown away with the fury of an F5 tornado.

Nico: Lola, for shame!

Me: Knowing that evil sociopathic witch in her, she did something that pissed her off.

Lincoln: Yep, and Himari summoned the winds to blow her right back to her room.

Shendu: That's what Quimby gets.

Iceage: No one betrays Mistress Vypra!

Me: And lives to tell about it.

Whirlin: Exactly!

Stonedozer: Let's celebrate.

Larxene: Preferably away from here.

Me: Well we're already back home.

Larxene: Oh nevermind then.

Nico: Great job though everyone.

Me: One of Springfield's big baddies dealt with.

Homer: Yep.

Lisa Simpson: (To the viewers) Now Quimby is where he truly belongs.

Me: In prison forever.

We went to Lynn's Table or some grub and it was fun.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to Lincoln's room.

Anna Anyanova: We did it, Quimby is now in prison forever, and we also met up with Regina Fessterox who turned Lincoln, J.D., Nico, Eli, Ymir, and Camie into Perfect Gene-Slammers of All 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Girl Jordan: Now, they're more than ready for Dark Chase Young, same with all of us.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there lying on top of the massive extra-extra-extra large never-ending expanding bed for Lincoln and his expanding harem was Lincoln in his underwear and lying on the bed in a seductive pose, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln who then stripped them of their clothes leaving them in their bras and panties and Girl Jordan was on top of Lincoln as they kissed passionately, and he did the same with his entire harem.

Girl Jordan: (Rubs Lincoln's massive pecs) (Seductive Voice) Uh oh, something tells me getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Erza Scarlet's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his underwear about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Next up is Homer Simpson's day to shine and we're going to battle his so-called Father Abraham.

See you all next time.

Locking up a Bad Grandpa

Homer's so-Called Father is going down

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem, and he had a dream as it took him to The East Bronx, but as he was flying, he saw a man out there, and Lincoln recognized him from Andre Lupescu's past: it was Devin Sanders, the New York gangster and crime lord whom Andre's parents arrested and thrown into prison fourteen years ago, he was back from Hell and he wanted revenge for his son's death. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: We got big trouble in The East Bronx.

Lincoln explained everything, and when he was done, they were shocked.

Anna Anyanova: Oh crap. Devin Sanders has returned from Hell to get revenge.

Eman Reynolds: This is just like what happened last year when Frank D'Amico came back from Hell to get revenge on us for killing his son, Chris D'Amico.

Diana Darkus: When Andre Lupescu hears about this in the morning, he's gonna finish what began so long ago.

Lincoln: That's for sure. He already avenged his parents' death when he killed Damian Sanders, now he'll end what his parents began 14 years ago and send that crime lord to join his son in The Black Abyss forever.

Lincoln and his harem and kids went back to sleep. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something you should know. Last night, I had a dream that took me to The East Bronx.

Then, as soon as Lincoln was done explaining, we were pissed.

Andre Lupescu: I don't believe it. The man who raised that scumbag, Damian Sanders, has returned from Hell after fourteen years of being dead? That piece of...! Mom, Dad, you don't need to worry, you've already done your part in taking him down long ago, now I'm going to make sure he dies for good, and he'll join his son in The Black Abyss forever.

Me: Whoa, he's serious.

The Geek: His parents did their part fourteen years ago in taking Devin down.

Sam (Sam & Max): (Harvey Atkin Voice) Now, it's Andre's turn to make sure his parents can finally rest in peace.

Max: (Sam & Max) (Robert Tinkler Voice) And the only way to make sure is to get rid of Devin for good. We're gonna need some heavy weaponry for this!

Andre Lupescu: That's for sure. It's the only way to close that chapter of my life, this time, forever. It all began with the arrest of Devin Sanders fourteen years ago, and now, this is where it ends for good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was none other than Mr. Krabs from Bikini Bottom Horror, he's come back from the dead.

Nico: What the Hell?! Was that...?

Lincoln: Mr. Krabs from Bikini Bottom Horror. He's back from the dead, and he's in Bikini Bottom.

Me: So, he's back again for more.

Nico: I'm gonna splatter him all over Bikini Bottom before we turn him into a King Crab dinner!

Lincoln: We'll do just that. Alright, now let's finish breakfast so we can head to Bikini Bottom and kill him.

Nico: He'll never terrorize Bikini Bottom ever again!

Master Eon then appeared.

Me: Master Eon.

Master Eon: Greetings J.D. I have some interesting news for you. When you unlocked your new powers and transformation, it merged all of Skylands with Earth.

WE GASPED!

Me: So Skylands is now part of Earth? How awesome is that!

Master Eon: It sure is and I have 4 people here for you to meet.

Out came 4 girls and they were the Cloudbreak Sisters!

Master Eon introduced us to The Cloudbreak Sisters also as The Sisters of the Ancient Elementals of The Cloudbreak Islands of Skylands, they' allies of Lincoln's Guardian Angels and a powerful force of justice and good that bring good and love to all of Skylands. They're four girls who are the Avatars and Embodiments of the Elementals of Skylands, and they represent the powers of the Elementals. They're also very close to the Chieftess of The Cloudbreak Islands and are also like sisters to Tessa and friends. Their names are

Sirenia Cloudbreak - Embodiment and Avatar of the Ancient Flashfin and a master of Water and the magic of the seas. She is a powerful force of the sea and the ocean.

Terra Cloudbreak - Embodiment and Avatar of the Ancient Terrasquid and a master of Fire and the magic of the Mountains of and Volcanoes. She is a powerful force of the Volcanic Landscapes

Windy Cloudbreak - Embodiment and Avatar of the Ancient Frosthound and a master of Wind and the magic of the Ice and Cold Landscapes. She is a powerful force of the Icy Mountains and Cold of the Sky

Gaea Cloudbreak - Embodiment and Avatar of the Ancient Tree Spirit and a master of the Earth and the magic of the Forests, Nature, Life and grass and animals. She is a powerful force of the Forests and landscapes of the land and the earth.

They're powerful friends of all of Skylands and beyond. When Earth became Earth Omega, The Skylands had merged with the Earth and Humans and Skylanders all can live together as one World. Now they are united as one and are doing all kinds of good for everyone, and Lincoln and the Skylanders and all of us will be there to help everyone and protect them because there is no doubt The Darkness is planning to return once again to seek revenge on us.

Me: WHOA! It's a pleasure to meet you girls.

Sirenia Cloudbreak: Same to you J.D.

Terra Cloudbreak: We are honored.

Me: You too. And now that Skylands are part of the Earth, Humans and Skylanders can unite as one to have all kinds of amazing adventures to protect them.

Nico: They sure can.

Master Eon: Indeed and it will be a magnificent adventure.

Me: It sure will.

Homer was sleeping.

Homer strangled him!

Homer: Ooh! Donuts! Mmm Donuts.

Squirtle: Uh Homer you can let go of Bart now. We only did that to wake you up for breakfast.

Homer: Oh sorry boy.

He let him go.

Homer got dressed and went to the table and we gave him lots of donuts.

Me: Morning Homer. We made a lot of donuts for you.

Spitter: Good idea.

Nico: Spitter, I want to thank you, Porcupuffer, and your teams for coming

Nico: Hey Squidward!

SpongeBob: Usuals?

Nico: You know it SpongeBob.

SpongeBob: Coming right up!

Nico gave them a huge sack of money and we got our tables.

Lickitung: I'm really excited for this too.

Nico: Lickitung, who do you belong to right now?

Lickitung: Well I belong to Sally Stomach. She and I do a lot together and it's fun.

Sally Stomach: Me and Lickitung like to fight crime.

Lickitung: I grab criminals with my long tongue and bash them around.

Sally Stomach: And I sit on bad guys faces and fart in them and knock them out.

WE LAUGHED!

Me: That is a funny way to fight bad guys.

Lickitung: Yeah but it puts cheese and bread on the table.

Nico: Do you also like licking random people?

Lickitung: No way. I lick criminals as my way to Lick UP Crime!

WE LAUGHED!

Luan: (LAUGHS) Good one!

Eddy: (LAUGHS) That was a good one!

Me: Yeah!

Ymir: That is cool.

Me: It sure is.

Ymir: I'm confused though.

Me: What is it?

Ymir: What is the deal with this version of Mr. Krabs?

Me: Oh. Well he is responsible for the creation of an Abomination.

Ymir: Is it the Blood and Honey versions of Pooh and friends?

Poromon: No we wish.

Me: It's actually a horrible version of Patrick.

Nico: Show her the comic.

Me: Oh right.

I pulled out the Comic for Bikini Bottom Horror!

Ymir: Bikini Bottom Horror?

Me: It's a comic I found and printed off of the internet. But it has a dark story to it.

Nico: READ ALL OF IT ALOUD!

Ymir: Okay.

She read it. It was about The Tortured One who is PATRICK GONE MAD BECAUSE OF ONE CERTAIN CRUSTACEAN'S GREED GONE WAY TOO FAR!

Patrick Star, or more specifically, his clone the Tortured One, is the main antagonist of the SpongeBob fan webcomic The Bikini Bottom Horror.

He is a more competent yet murderous version of his cartoon counterpart, being able to become a monstrous beast that can grab people and dissolve them into fluids that he then dines on. He is also able to clone into multiple Patricks due to his ability to regenerate his body from severed limbs and vice versa.

The story starts with SpongeBob asking Patrick if he wants to go jellyfishing with him, only for Patrick to ask him if he knows how starfish feed. He then proceeds to eat SpongeBob as he explains, apologizing to SpongeBob after he injects him with enzymes and seemingly kills him. Sandy, after learning this, leaps out to avenge him by slicing Patrick in half. However, this just results in the two halves regenerating to become two Patricks, both of which attempt to eat her. As this happens, Barnacle Boy notices the chaos that the Patricks are causing throughout Bikini Bottom and announces to Mermaid Man that there's evil afoot, only for the starfish on Mermaid Man's nose to turn out to be another Patrick clone, who promptly jumps off his face, ripping it off and causing him to bleed to death.

Sandy manages to make it to the Krusty Krab, where she explains to Mr. Krabs that SpongeBob has been eaten by Patrick and that they need to board up the restaurant before they are too. However, a Patrick sticks a large tendril into the building, smashing a hole through the boards, and grabs Sandy with it, dragging her through the hole. Then the Patrick prepares to kill Krabs, who shifts into his giant crab form to try to kill him. After tearing the Patrick's head off, though, the sea star tells him about how he knows about Krabs cutting off one of his arms and using it to generate a clone, which he tormented for years as he used it to make Krabby Patty meat.

As the Patrick finishes his backstory, a group of Patricks grab Krabs's legs and tear them off. Later, Sandy and Squidward enter the Krusty Krab and see Mr. Krabs overturned, with his legs and claws lying around him in pools of blood. He explains how a Patrick forced him to eat a raw Krabby Patty before a small starfish bursts out of his chest, killing him once and for all. A lone Patrick emerges and Squidward tries to put him to sleep with a song. This Patrick covers his ears and rips them off before turning into his monster form, breaking Squidward's clarinet and knocking him down onto the floor.

This Patrick then turns back into his normal form, now scarred by the bullets fired at him by Sandy and the spaces where his ears used to be. A group of Patricks then surround the two, preparing to kill them both. However, Squidward turns into his monster/Kraken form, killing all of the clones around them. Sandy then decides to shoot the one that killed Krabs, only for Plankton to appear and tell her not to shoot, explaining that she'll want to see where the clone is going. They follow it underneath the Krusty Krab, where a machine hangs from the ceiling.

Plankton explains that the machine is what the tortured clone was hooked up to, injecting it with growth hormones and allowing Krabs to take pieces of the clone's body and turn them into patty meat. Sandy is so disgusted by the revelation that she winds up puking in her suit. Plankton then shows her something even more disturbing: a cult of Patrick clones. The small Patrick clone tugs on a Patrick's robe and says that he has returned. The Patrick responds by telling him that he is too small and unready to rejoin with the Tortured One, and that he must feed some more before returning again. Then a much larger Patrick enters the area, saying that he is ready to rejoin and that the souls that he once fed would now be fed to him.

The other cultists shout "Rejoice" as he leaps into and falls toward the bottom of the pit. Then a Patrick throws Sandy over the edge of the balcony she's standing on, revealing that Plankton had tricked her into going there so that he would be spared by them. After he leaves, a Patrick absorbs her gun and then holds her above the pit, where she sees a large, outer-space-like vortex, which opens up and reveals SpongeBob's face, who tells her to join him and become a part of something beautiful. Beneath the vortex, it is shown that there is actually a large pool of acid, which some grinning Patricks are being dissolved by.

She seemingly considers joining him before wriggling out of the Patrick's grasp and tossing him into the pit, causing him to dissolve in the acid at the bottom. The other cultists are grabbed by dozens of clawed hands that suddenly break through out of the ground, tearing them apart as they happily watch Sandy get grabbed by the hands, which attempt to tear her apart as well. However, she manages to get free by unzipping her suit and escaping with just her helmet. However, more hands grow from the walls of the tunnel she runs through as a crack forms and begins growing in the earth above. When Squidward flies up to get an aerial view of the crack, he sees that there are actually five of them, all forming the shape of a star. At the center of the cracks is the Krusty Krab, which is destroyed as a huge starfish arm breaks through the ground and lands on Larry.

Larry is then torn apart and killed by the tiny appendages of the colossal starfish, which then eats him and stands up above the wreckage of the Krusty Krab, revealing itself to be the tortured clone that Krabs had been using as his source for Krabby Patty meat for years, now also combined with many Patricks. It uses another arm to break through the roof of a building where some survivors hide out, eating Bubble Bass and a few other unfortunate fish. It then attempts to eat a mother and her child, but Squidward grabs the arm with a rope and yanks it out before it's able to grab them, saying to it that its fight is with him.

They engage in a battle, with Squidward tossing the Tortured One down onto the ocean floor, ordering it to stay down. It responds by lifting itself up and causing Squidward to fly into his house, destroying it in the process. In response, Squidward lifts up SpongeBob's pineapple and tosses it straight into the mouth of the Tortured One, causing it to bleed and begin choking as Squidward flies up to finish it off. Meanwhile, a Patrick that had learned about the secret formula's true amount of secrecy and became heartbroken over the realization finds Gary, who nuzzles against the clone's leg. The clone responds with a promise to redeem himself for his wrongdoing and make things right.

Squidward tries to shove the pineapple further down the Tortured One's throat, only for the pineapple to break into multiple pieces and cause Squidward to nearly be pushed into the TO's stomach. When Squidward looks into it, he sees what look like the ghosts of Larry and SpongeBob that try to convince him to give up and let go. The latter also holds a clarinet that he tells Squidward to play so he can let go and join them. As he holds it out, both the ghosts suddenly begin disintegrating and melting away. Suddenly, Squidward sees the vision of a large audience of rotting and disintegrating sea-dwellers eaten by the monster, including Bubble Bass and Squilliam Fancyson, all telling him to let go and play them a final song to bring him peace. Before Squidward can make a decision, though, Sandy shows up to break him out of his trance and hit the Tortured One with a rocket launcher.

Plankton and Karen then show up in a giant mech, the former wishing to redeem himself for what he did to Sandy. He cuts off one of the Tortured One's limbs and burns its wound to keep the limb from regenerating. However, the small Patrick appears behind him to grab him with its stomach and eat him, killing him after his head explodes. Sandy kills the clone, but the Tortured One's limb begins to grow into a new monster and Karen, without Plankton, is unable to go over to burn it completely. So Sandy and Squidward push her over and allow her to self-destruct atop the limb. It attempts to grab hold of Squidward before Karen blows up, but Sandy shoots off the tentacle that it grabs onto and they quickly fly away before they get caught in the explosion.

Chapter 16 reveals that a Patrick had gone over to Squidward's house to attempt to consume him, but it was foiled after Squidward stuck his clarinet into one of its eyes. Outside, he saw the destruction that the Patricks were causing, including the clothes and the dissolved body of SpongeBob, which Squidward lamented over and which triggered his apology for not being a better friend. After the flashback, the Patricks attempt to kill Squidward by eating their way to his brain, but stop when Good Patrick shows up and berates the Tortured One for his supposed ignorance, explaining how nobody besides Mr. Krabs knew that Krabby Patties were made out of starfish meat, which causes Squidward to jaw-drop in shock and horror. Good Patrick then asks the Tortured One why everyone should be punished for something they never knew about, to which it responds by saying that they never asked and tries to kill the good Patrick by smashing it.

Squidward finally blasts off the Patricks attached to him with ink and prepares to take down the Tortured One once and for all, only to see SpongeBob holding on to the arm that attempted to squish Good Patrick. After SpongeBob reveals that he was able to come back to life because of his ability to regenerate via a single cell, he fuses with all of the cells covering all the Patricks and becomes Porifera. After devouring all of the Patricks (except for Good Patrick), he prepares to go to battle with the Tortured One, explaining how what it did was far more monstrous than what was done to it before finally delivering the first punch, officially starting the battle between the two. They both manage to tear pieces of each other apart. As a result, the Tortured One releases its stomach in an attempt to consume him, causing Porifera's skin to melt as he comes into contact with it.

After Barnacle Boy sacrifices himself to make Mt. Bikini Bottom erupt, Sandy (now Mermaid Squirrel) and Squidward attempt to push the Tortured One into the resulting crack in the earth. Sandy tries to save SpongeBob, but Squidward says that it's too late, with most of his skin having been melted off of his body. Inside of the Tortured One's mindscape, SpongeBob (not appearing as Porifera) sees the TO, being hoisted by a machine similar to the one in the Krusty Krab. He explains to SpongeBob his plans to consume everything in the ocean indiscriminately, not caring whether or not anyone he eats had anything to do with his torment. He then grabs SpongeBob with multiple hooks and stretches him out, intending to torment and eventually kill SpongeBob.

However, Gary, finding his way into the mindscape, slithers up his body and bites him, while in the real world, TO's stomach pops open. When Squidward realizes he can save SpongeBob/Porifera, he goes up to him and manages to snap him out of his trance. Porifera, now mostly a large skeleton, lifts up the Tortured One and throws it into the magma-filled crevice, finally killing it once and for all. Porifera nearly goes down with it as the ground where he stands collapses, but Patrick, Sandy, and Squidward manage to grab a small chunk of him before he falls in, which turns into SpongeBob in his normal form and hugs the group.

When she was done she was shocked and horrified!

Poliwag: Wasn't it a happy story?

Me: That's something Bizarro would say.

Poliwag: I know.

Ymir: That is crazy! And All because Mr. Krabs took a piece of Patrick to make Krabby Patties!?

Me: Yeah but no the Krabby Patties are NOT made of Patrick. This takes place in an alternate universe.

Mr. Krabs: Yeah and I confirmed it all to ye lads. I don't have ANY of that equipment here and Patrick here is all good.

Patrick: It's true.

Plankton: I'm just glad the Krabby Patty Formula isn't that.

Lily: We are too.

Me: I showed that comic to SpongeBob and friends and man was it terrifying for them.

Sandy: It sure was.

Squidward: I looked ripped there.

SpongeBob: (From the kitchen window) And I looked scary and cool as a kaiju too.

Me: Yeah.

Patrick: I can't believe I would become like that because of Mr. Krabs's greed.

Mr. Krabs: Yeah no kidding. I was a murderous monster.

Me: Yeah no kidding. But there were so many casualties in that world.

Nico: Yeah thousands killed and slaughtered because of it.

Ymir: My god. And all because of Mr. Krabs in that world.

Mermaid Man: I was killed there!

Barnacle Boy: Many people were killed there.

Me: Yeah.

Ymir: Oh man.

Me: No kidding. We fought the Tortured One during the War with Grandfather for the first time and he was intense.

Nico: He was.

Lola: Yeah.

Ymir: Wow. But are starfish herbivores?

Heidi: No they are carnivores. They eat coral, shellfish and Sponges.

Patrick: I would never eat my best friend!

Me: Thank goodness.

SpongeBob: Order up!

We got our food.

Me: Thanks SpongeBob.

Plankton: At least I sacrificed myself for the greater good

Me: You sure did.

We got to eating.

Me: (Eating) Mmm! Delicious!

Ymir: (Eating) It sure is! I don't taste any starfish in it.

Me: See? That's good.

Ymir: It sure is.

Plankton: Yeah.

Squidward: I used to hate Krabby Patties before. But not anymore.

Lola: That's good.

Me: Man yesterday was BRUTAL and full of retribution for the country.

Nico: Yeah we brought down Quimby's reign of evil and terror and lies.

Maria: The speech impaired idiot had it coming

Me: He sure did.

Camie: (Eating) Mmm!

Lola: Yeah! For all the crimes he did against the country.

Lisa was eating a salad.

Lisa Simpson: (Eating salad) Mmm! He sure did.

Ymir: Lisa is not eating a Krabby Patty?

Me: Oh she's a vegetarian so we got a salad for her.

Lisa Simpson: Yeah I just don't like eating meat.

Me: Yeah. Man Lisa your Akuma really was crying hard!

Nico: Man I don't think I've ever seen anyone cry that hard.

Jake Spidermonkey: I brought back an old favorite on her

Adam Lyon: (LAUGHS) Yeah you sure did! That butt face gag with your tail.

Me: That was funny. But it was me beating up Burns that helped.

Lisa Simpson: That was awesome.

Me: Yeah.

Jake Spidermonkey: That was really awesome.

Nico: Yep. That's one of the Springfield buttfaces down.

Me: Yep. And Quimby is now in prison where he belongs forever.

Lincoln: That is for sure.

Maria: Mom really threw the book at him.

Lola: That is for sure.

Jake showed us his act he did.

Jake Spidermonkey: What are you looking at? Okie Dokey!

WE LAUGHED HYSTERICALLY!

Me: (LAUGHS) Jake not while we're eating.

Jake Spidermonkey: Sorry.

Me: But that sure was funny as-

Just then, I saw Burns outside grinning evilly at me.

Me: (shocked(Is that-

I went outside only to see nothing there.

Nico: (follows me outside) Something wrong?

Me: Nothing. It's nothing.

We went back inside.

We went to eat again.

Me: I could have sworn I saw Burns outside looking at me.

Nico: Really? Wonder why?

Me: No idea. But I have a feeling he is up to something.

Lincoln: I'll have to put my Guardian Angels on alert for him if he is.

Plankton: You're probably just seeing things because we just saw my former boss yesterday. Just relax and enjoy the food.

Me: You're right.

Eli: (Concentrates) I don't sense anything out there.

Me: Yeah it's my imagination. I need to focus on big matters at hand now.

Nico: Good idea.

I got to eating.

Nico: Too bad Pearl was barely in that comic

Me: I know!

Pearl: And I wanted revenge for my dad? Yikes!

Me: I know.

We got finished up.

Lincoln: Okay, guys, we're in for one intense battle, we're here in Bikini Bottom to help Mistmane unlock her Rainbow Power and kill Mr. Krabs from Bikini Bottom Horror and send him to The Black Abyss.

The rest of the team's with us.

Me: I never thought we'd deal with him again, but this time, we're gonna kill him for good, and make sure he never comes back.

Nico: That's for sure. We'll make sure of that.

Lincoln: Yep.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red.

Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Krabs from Bikini Bottom Horror) AHA! There you are, you greedy crustacean! I just spotted Krabs from Bikini Bottom Horror, he's 20 yards away. For this one, let's use Queen Cheapskate and King Cheapskate's powers to suck away all the money he has on him.

Me: Good idea, Lincoln.

Nico: Hey, now that's not bad, you swipe away all his money and we end him. But, what are we going to do with all that money you swipe from him?

Lincoln: I'm gonna use it for the construction of a facility for kids who lost their parents at an early age that's being built in the south of the city. That facility has everything they'll need along with food, clothing, restrooms, classrooms, you name it, along with open opportunities for education and healthcare.

Applejack: Now, that's not only an honest generous thing, but we also saw too many kids who were left as orphans, and Lincoln planned to change that.

Me: And he intends to build his facility to help them, now that's a good idea.

Kimiko heard a Pokémon cry

Kimiko: Look guys.

We saw a Seviper.

Me: Cool a Seviper!

Jessie: Wow! Just like the one I have.

Me: Yep.

Seviper: Man am I starving.

Kimiko gave it apples.

Seviper ate them.

Seviper: Thanks.

Kimiko: You're welcome. Wanna come with me?

Seviper: Sure.

Poromon: YAY!

Nico: Dark Chase Young's demise is guaranteed now

Me: That is for sure!

I then thought I saw Burns again.

Me: Huh? (SHAKES HEAD) I saw Burns again. Wait a second. I have a feeling I know what is happening to me. I got fear poison in me.

Eli: Bro's right. I sense it.

Me: No worries.

I concentrated and then flared up my power and shattered the illusion!

Me: Yeah! (Groans) Whoa. What a headache.

Nico: How'd that get here?

Me: It must be one of Dark Gale's work.

Spyro: Lets see here.

He used telepathy and gasped!

Spyro: WHOA! It's Cerea Alakazam!

Terra Cloudbreak: WHOA! I remember her! She and you helped save the Ancient Terrasquid from that Fire Viper.

Spyro: That's right. That was so cool!

Me: WOW! Lets go help her.

Spyro: ALL FIRED UP!

We went to face her.

Spyro: Cerea it's me Spyro!

She used Confusion on Horsea but she put her clone in front of her.

The clone then squirted ink into my face!

Me: HEY!

I got it out of my eyes.

Me: Yuck! (Sees something)

I saw Burns again! But I got more poison out of me.

Me: Whew!

Nico: Saw Burns again?

Me: Yeah.

Nico: Oh boy. I think you have been poisoned J.D.

Ino: How about I explain what might be happening during the main mission?

Me: Actually Ino I could use an answer right now. I'm starting to lose it. I don't know if it's stress or lack of sleep or I have been poisoned.

Ino: Okay.

Me: Eli can you take over for me?

Eli: Sure bro.

Nico: Relax. Whatever's going on, we'll help you through it. Let's not make assumptions just yet

Me: Sorry but please I need help with this.

Nico: Okay okay.

Me: Yeah.

Nico snapped his fingers.

Nico: That should hold whatever this is off for about 24 hours.

Me: Thanks.

I saw nothing.

Me: Thanks Nico.

I went to help.

Me: Okay then.

I fired waves of energy and blasted the Alakazam.

Then I snapped my fingers and she reverted back and was a girl with purple hair and purple eyes and purple angel wings and had Alakazam on her forehead and had a crescent moon with the Triple Goddess and Pentagram and Unicursal Hexagram symbol on her arm as a cutie mark.

We we wrapped her in a blanket and put her on a bench.

Me: There.

She woke up to see Horsea's smiling face

Cerea: (Groans) Huh a Horsea? Wait am I underwater?

Horsea: Yes you are and you attacked my clone!

Spyro: Are you okay Cerea?

Cerea: Spyro!

She hugged him.

Cerea: Oh thank goodness and I'm so glad to see you!

Spyro: Same here.

Me: You were turned into an Alakazam by Dark Gale.

Cerea: (GASP) I remember!

She was in a purple suit and injected and then turned into ALAKAZAM! She teleported out of there.

FLASHBACK ENDS

Cerea: It was awful.

Me: I know but we destroyed Dark Gale.

Cerea: Good. Whoa J.D. you don't look very good. I sense strange brainwave patterns in you.

Me: Really?

Cerea: Yeah they aren't yours like your mind is being altered.

Eli: It's not Dark Orb Contamination. That issue is over. The Anti-Monitor Orbs aren't corrupting us either.

Ino: Relax. By the time of the main mission, I'll have this figured out. But for now, there shouldn't be any problems.

Cerea: I know. I was just telling him that. I can sense something going on.

Ino: Really?

Cerea: Yeah.

Spyro: Cerea has psychic powers and omnipotent powers over the elements. She has psychic and elemental powers that are so strong and powerful that she can do anything.

Me: WHOA!

Ino: Wow that is amazing. That explains why your psychic energy is so strong.

Cerea: Yeah it sure is.

Me: I'll hold on as long as I can.

Nico: Good.

Cerea: Also I'm the Omniforce power of Sonya's team. I ues my powers to bring down our enemies. Outside the team I help all the Skylanders bring down the forces of Kaos.

Me: Wow that is cool.

Horsea: And you know which one of me is real, right?

Cerea: That's right. You are the real one and that clone with the goofy face is the clone.

Horsea: She is good.

Horsea Clone: No. I'm the original!

Nico: (sighs) It was either this or Horsea keeps getting attacked.

Horsea: True.

Me: Yeah.

Yost Spiderman was thinking.

Yost Spiderman: (Thinking) Where have I seen this before?

Nico: Let's keep going.

Rarity: First lets get some new clothes for you darling.

The fashion brigade gave her new purple clothes and a new magical sword.

Cerea: I look awesome!

Me: You sure do.

We then took off into the air to help Mistmane unlock her Rainbow Power and kill Mr. Krabs from Bikini Bottom Horror and send him to The Black Abyss.

We were flying in the air, and then, we saw our target: Mr. Krabs from Bikini Bottom Horror.

Nico: There's that greedy cheapskate.

Lincoln: Okay, then, time to suck out all his money.

Lincoln, Nico, Eli, Ymir, Camie, and I fired massive waves of gold energy using the powers of Queen Cheapskate and King Cheapskate, and they hit Mr. Krabs from Bikini Bottom

Horror, and we began sucking out all of the money that cheapskate has gotten, and all of it went into a massive jar Lincoln has gotten out.

When we were done, the jar was not only full, but I did a count and the total amount of money that cheapskate had was over $999 quadrillion dollars!

Nico: Holy cow! That's over $999 quadrillion dollars!

Me: More than enough for the building of that new facility.

Lincoln sent the money to the construction crew, and almost immediately, they began building the facility, and once it was all done, it would be revealed as a massive thirty-foot tall building with tons of rooms and restrooms and bathrooms, and it had a massive kitchen complex and everything the orphaned kids need.

Nico: Okay, now that he's dirt poor, let's trash him!

Suddenly, the spirits of Bikini Bottom's citizens appeared and they attacked Krabs from Bikini Bottom Horror, and then, the spirits converged, and a massive explosion erupted, and a Thunderbird Screech, Phoenix Cry, Dragon Roar, and Wolf Howl were heard as we appeared.

Nico: You got some fucking nerve showing up here again, Krabs!

Me: That's for sure.

Lincoln: This time, we'll make sure you stay dead and gone forever, you salty barnacle-crusted sea dog! You're about to take a one-way trip to Davy Jones' Locker!

Bikini Bottom Horror Krabs: WHY YOU!

Nico: YOU ARE GOING TO PAY FOR UNLEASHING THAT HORRIBLE ABOMINATION!

Bikini Bottom Horror Krabs: You know how little that narrows it down?

Nico: YOU KNOW WHO I'M TALKING ABOUT YOU CRUSTACEOUS FATASS CHEAPSKATE!

Bikini Bottom Horror Krabs: WHAT DID YOU JUST CALL ME!?

Nico: YOU HEARD ME! YOU ARE A FATASSED CRUSTACEOUS CHEAPSKATE!

Bikini Bottom Horror Krabs: See if you call me a fatass now!

HE TURNED INTO HIS SUPER FORM WHICH LOOKED MORE LIKE A HUGE REALISTIC CRAB!

Nico: WHOA!

Lola: That is a big crab!

Nico: The Tortured One didn't take long to beat this form! Today won't be any different!

Me: I know what I'm going to have for dinner tonight!

I fired waves of energy and blasted him.

Nico did the same.

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him.

Poliwag: We're having crabs tonight!

Poliwag blasted him with energy.

Fasha, Camie, Cernumon, Steelix, Rusty Spokes, Candy Apple, Bolt, Maria Santiago, Daphne Blake and Milhouse Blasted him with the powers of their Vistamps and blasted him all over.

Mrs. Puff: And I had to go back to watching Daytime Televiion! (SHUDDERS)

We blasted him all over!

Cerea: Lets get him!

Spyro: ALL FIRED UP!

Cerea and Spyro: MAGICAL DRAGON BLAST STORM!

They fired waves of energy and magic and elements and blasted him.

Plankton: Congrats, Krabs. You pretty much crossed a line even I wouldn't cross in the old days!

Me: And that is resorting to cannibalism to satisfy your greed!

Bikini Bottom Horror Krabs: NO! YOU WILL NOT GET ME MONEY!

Plankton: Money? MONEY! YOU PRETTY MUCH CAUSED THE DEATHS OF MILLIONS WHERE YOU COME FROM AND ALL YOU THINK ABOUT IS MONEY?! WHAT'S THE POINT OF A RESTAURANT IF YOU'VE KILLED EVERYONE?!

Bikini Bottom Horror Krabs: I DON'T CARE ABOUT THE PEOPLE YOU ONE EYED MALIGNERANT MICROBE! I ONLY CARE ABOUT THE MONEY! THEY CAN DIE IN DAVY JONES LOCKER!

JUST WHEN HE THOUGHT HE COULDN'T SINK ANY LOWER!

Plankton: (solemnly) I see. Then thank you.

Bikini Bottom Horror Krabs: For what?

Plankton: For making what I'm about to let happen a lot more easier!

Bikini Bottom Horror Krabs: What do you mean?

Me: And that is DESTROY YOU!

I fired waves of energy and blasted him!

Horsea squirted ink and blinded him.

I blasted him all over.

Qin fired waves of energy and blasted him all over.

Seviper fired waves of fire and blasted him.

Suddenly, we saw a massive army of Incubi coming at us.

Me: What the?

Nico: Uh oh.

Nicole: Incubi from Hell?! Oh boy.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of Incubi, and he began absorbing them and he assimilated the Incubi army's Dreamwalking, Soul Consumption, Immortality, Superhuman Strength, Superhuman Speed, Kiss of Death, Superhuman Stamina, Demonic Possession, Lust Empowerment, Shapeshifting, Telepathy, Supernatural Beauty, Sexual Inducement, Seduction, Flight, and Healing Factor and turning their weaknesses into power for him, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of Incubi and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed

with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Bikini Bottom Horror Krabs, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Bikini Bottom Horror Krabs.

Nico: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Almighty Universal Cosmos Rainbow Redemption True Eternal Celestial Cosmic Saiyan Pride Dragon Ultimate Harmony Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Almighty Universal Cosmos Rainbow Redemption True Eternal Celestial Cosmic Saiyan Pride Dragon Ultimate Harmony Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've done something so horrible and so vile, you don't deserve to be born again in this life or the next!

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Zoldeo, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Bikini Bottom Horror Krabs hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Bikini Bottom Horror Krabs was on his last legs and he was really really mangled.

Then, Lincoln fired massive waves of mega super intense fire using the powers of all the fire heroes, villains, and creatures, and they hit Bikini Bottom Horror Krabs, and he was turned into grilled King Krab legs with seasonings and lemon juice Lincoln put on him and we ate him up, and we belched out his spirit and sent him to The Black Abyss.

We cheered as we holstered our weapons and powered down.

Nico: Now, that's what I call an awesome King Krab feast.

Me: No fooling. (BELCHES)

Nicole: (BELCHES) You even put some Cajun seasonings and lemon juice on him. Nice touch.

Lincoln: Thanks.

Eli: I don't know what Anti-Monitor was thinking, but he made the mistake of sending him after us.

Lincoln: Yep, but he got what he deserved.

Plankton: I gotta say. Doing a heroic speech felt good

Me: You did really great Plankton.

Karen: I'm proud of my big man.

Mr. Krabs: (LAUGHS) Yeah that's me pal.

Me: What that version of you Mr. Krabs did was absolutely heartless!

Nico: YEAH! Valuing money over lives is absolutely sick!

Seviper: It sure is!

Nico: Nice job, Seviper

Seviper: Thanks Nico. It was fun.

Poromon: Want some beer?

Seviper: No thanks. I don't drink sorry.

Poromon: Okay.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Seviper: Yeah and the Puppy eyes don't work on me. Nice try pipsqueak.

Poliwag: HEY!

Nico: Later, we'll have that Ambassador mission party that was promised.

Me: Cool!

I then saw Burns from what I thought. But I just brushed it off.

Nico: Oh, Spitter, what do you like to do in your free time?

Spitter: I take care of frogs in the zoo and they like me.

Me: Cool! Spheroids have a big love for all frogs.

Nico: Yep.

Shanan: They sure do.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Homer Simpson.

Homer Simpson: Uh oh, I don't know who it is, but...

Lincoln: We'll find out soon enough.

Qin: So we got Another Porcupuffer, Tongue Monster, Robotnik, Scratch, Grounder and Coconuts, Angry Unikitty, The Doot Da Doot Da-Doo-Doo's and Bl'Izz'Zrd

Nico: Yep.

Me: So Spitter, Lickitung, Kelly Krupp, Carrie Lexxington, Česká the Mosquito and Varya Blood are up.

Suddenly, Lincoln wound up getting a major nosebleed and was almost sent flying!

Me: WHOA! Lincoln, you okay? Uh oh, that usually happens when a Hot Bikini Akuma is involved.

Lincoln: It's not, I also sensed Footsoldier Akumas, and two of them are two voluptuous girls I know, one of them is dressed in a red two-piece bikini, but the other one is...a nudist!

WE GASPED!

Nicole: WHAT?!

Cage Blunt: Uh, J.D., do you have more blind man sunglasses?

I got them out and we all put them on.

Then, two Footsoldier Anothers appeared.

Nicole: They're here, and you are?

Footsoldier Another 1: Someone whom Linky knew from many modeling jobs.

Then, the first Footsoldier Another changed into a beautiful girl who was tall at 7'0" in height, she has the voluptuous body of a goddess and large breasts, long red hair, blue eyes, massive red angel wings, and she was dressed in a red two piece bikini that showed off her voluptuous figure.

Lincoln: (GASPS) Anna Westbrook, I knew that was you.

Me: You know her?

Anna Anyanova: He does, and so do we, everyone, this is Anna Westbrook, she's Lincoln's Guardian Angel and a famous swimsuit model from Miami, Florida, and she's pretty famous in the modeling world. She was featured in many magazines and has worked as a model and she's also one voluptuous angel. She met Lincoln two years ago and she also knew of him being featured in many magazines ranging from modeling to bodybuilding, and she fell head over heels in love with him. This one time, she and Lincoln were called in to be featured on the cover of a teen magazine with Anna in a red two-piece bikini and Lincoln in an orange speedo, and many had called them one hot couple. After that, they went to the beach and they shared a deep and intense passionate kiss as the sun set, and Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem, and although she got along with everyone, there were two people she hated: the first obviously was that stupid parrot, Sergio, because he tried to extort money from her by blackmailing her with a photo of her and Lincoln being together, and he threatened to expose this to the tabloids unless he gave her nine million dollars, but his scheme was exposed because Anna had a wire on, and when the news hit Lincoln and his Guardian Angels, they went down and beat the shit out of Sergio, and the second person was none other than Dark Chase Young because she found out about all of the shit he'd done not only to Lincoln and his family, but to every single person he'd crossed, and she swore to help Lincoln end him.

Me: (GASPS) That stupid monster jerk and that rotten to the core feather duster!

Lincoln: Yep, and you'll be glad to know that rotten to the core feather duster, Sergio, bit the dust along with Kurata and was sent to The Black Abyss.

Anna Westbrook: Good riddance.

Nico: But, we still got Dark Chase Young to take care of, and when we do face him, you can tear him apart, and who's your friend?

Footsoldier Another 2: Someone whom Linky knew intimately and has made love to many times over.

Then, the second Footsoldier Another changed into a beautiful girl who was tall at 7'0" in height, she has the voluptuous body of a goddess and large breasts, long red hair, blue eyes, massive red angel wings, and she only had on a red bikini bottom and no top, and she was ONE SEXY VOLUPTUOUS NUDE BOMBSHELL!

Lincoln: (GASPS) Oh no, I recognize that seductive voice from anywhere, I knew it was you, Aphrodite Carrington.

Suddenly, she walked up to Lincoln and she pressed her large breasts and chest against Lincoln's massive pecs and her stomach against his twelve-pack abs, and that alone caused Lincoln's Mark of The Incubi on his left thigh to glow with intense red light, and Lincoln had gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Me: We're also not looking for fear of Nicole kicking our asses, but you know her too, Lincoln?

Lincoln: I do as well, J.D.

Anna Anyanova: And so do we, this is Aphrodite Carrington, she's Lincoln's Guardian Angel from Hawaii, and she, like Ai Sapphire, is a nudist and she's a very voluptuous, smoking hot, and extremely sexy angel with the powers of light, seduction, and beauty. She met Lincoln two years ago, and let's just say that when he met her, he wound up getting a nosebleed launch, and she fell in love with him, and she too also got a nosebleed launch upon seeing him, and Lincoln also swore that when he comes of age, he'll marry her along with the rest of his harem, and he'll protect Aphrodite from not only perverts, but especially from extremely evil, black-hearted, psychopathic, monstrous, deranged, unhinged, bloodthirsty, sadistic, loathesome monsters, bastards, assholes, and bitches.

Aphrodite Carrington: And I knew of what kind of person Lincoln is: sweet, kind, caring, thoughtful, mature, brave, strong, and courageous, and a real gentleman. (Rubs Lincoln's massive pecs) And you've grown even more into a 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, and you're also quite the virile stud, ladies man, and ladies pleaser. (Seductive Voice) Hope you're still just as good in bed as you were when you were making love to me in our private grotto.

Suddenly, Lincoln wrapped his abnormally massive and powerful muscular arms around Aphrodite Carrington's waist and brought her even closer to him as her huge breasts and chest were pressed harder onto Lincoln's massive pecs and her stomach pressed harder onto his twelve-pack abs as he hugged her and she placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her pinned down on to the sea bed floor with him on top of her, and he leaned his head down to her face and they kissed deeply, intensely, and passionately.

Then, Lincoln leaned his head down unto her right trapezius and he slowly sank his fangs into her right trapezius and he began feeding on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Aphrodite Carrington with red gems on the gold lightning bolt links and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Then, he turned his attention to Anna Westbrook.

Lincoln: (Seductive Beastly Voice) Now, it's your turn, Anna.

Suddenly, Lincoln wrapped his abnormally massive and powerful muscular arms around Anna Westbrook's waist and brought her even closer to him as her huge breasts and chest were pressed harder onto Lincoln's massive pecs and her stomach pressed harder onto his twelve-pack abs as he hugged her and she placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her pinned down on to the sea bed floor with him on top of her, and he leaned his head down to her face and they kissed deeply, intensely, and passionately.

Then, he helped both of them up.

Aphrodite Carrington: (In Heaven) Now, that...was...so...hot. You're still the same dominant Alpha and wild beast when it comes to our...intimate moments.

Caleb Maxwell: You two save the lovey dovey stuff for tonight, we still got business to take care of. And guys, if I see you so much as take off your sunglasses, you're getting a boot to the ass and there is the off-chance your ass is gonna be branded!

WE GASPED!

Allie Maxwell: Still want to consider putting my brother in The Anti-Pervert Patrol?

Nicole: Oh Hell no! Even though I know that many of the guys hate perverts, your brother's hatred of perverts tends to add in the potential chance that it'll end in murder.

Nico: YEAH! Oh there they are!

We saw Another Tongue Monster, Robotnik, Scratch, Grounder and Coconuts, Angry Unikitty, The Doot Da Doot Da-Doo-Doo's and Bl'Izz'Zrd

Nico: Whoa!

Qin: This will be cool.

Another Tongue Monster: (In a girls voice) Yeah it will!

She reverted back and was the gene-slammer of Division!

Nico: Carly Division!

Carly Division: Good to see you Nico. (PROJECTILE VOMITS)

She vomited up blood and it drenched Girl Jordan and May in rotten foul smelling blood!

Me: OH SICK! What the fuck did you eat girl?

Girl Jordan and May screamed and threw up horribly from the stench!

Nico: She can't help it.

Me: Oh. By the way a the rest of the Anothers friendly or hostile?

Carly Cardia: Friendly and Hostile. You aren't going to like who the Another Homer is.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: (TURNS DIAL) HYENA FURY 6!

She summoned Zutho (Tarzan), Sayu, Lightning Fist, McWolf (Tex Avery Northwest Hounded Police), Dark Tara and Bone Killer.

May: OH MAN! This is gross!

Stacy: Welcome to my Akuma's world.

Carly Cardia: Sorry.

Nico: And now, We wait.

Me: Yep.

Poromon: We won't have to wait for long!

We saw Another Porcupuffer and Homer! The Another Homer looked at me ready to tear my head off!

Another Porcupuffer: (In a girls voice) Looks like the fun started.

She reverted back and the gene-slammer of Satellite Cannon!

Nico: Xarra Satellite!

Xarra Satellite: Good to see you Nico. Sorry you have to see me with this jerk but it's because all of Homer's relatives are with you.

Nico: Really?

Me: Oh boy.

Xarra Satellite: I know. I also have all of Porcupuffer's powers too.

Me: Wow! Fishy. Especially here underwater.

Another Homer: (In a familiar voice) Hello J.D. (INSANE LAUGHTER)

Me: (GASP) Mr. WERTZ!

He reverted back and it was MR. WERTZ!

I went and grabbed him by his neck and held him up to my face.

Me: YOU DISGUSTING PIECE OF DIRT! YOU HAVE A LOT OF NERVE SHOWING YOURSELF! ESPECIALLY AFTER TRYING TO PASS OFF A DOCUMENT THAT WAS REALLY AN EXPIRED COUPON FOR PIZZA!

Nico then had a thought and started tugging at his face.

Mr. Wertz: Hey, watch it!

Me: Just checking if you're real!

Mr. Wertz: Of course I'm real! After all, your moronic friends can see me, can they?!

Me: Well of course it's the real you dunce!

I saw the scar on his back from when I pulled out the Anti-Monitor Orb.

Me: The scar on your back where I pulled out the Anti-Monitor Orb is there so you are the real deal!

Nico: Yep he's real.

Kaito (gets out Ninninger gear): Did Swartz promise you anything?

Zocks (Gets out Zyuohger gear): Because we can grant it instead.

They got weapons from said teams.

Xarra Satellite: No he didn't. I blasted him with laser blasts and blew him in half and ran.

Sakura Knudson: That explains why I found him bisected.

Me: Too bad it didn't kill him.

Mr. Wertz: Well you deserve...

POW!

I punched him in his mouth!

Me: You shut up Wertz. Nico you must have something to say to him right?

Wertz: Oh, don't you morons see? We've already won. You just don't know it yet!

Nico: Because you have Graveyard Fire in your ranks now, right? Well, I got news for you. They're all gone. I killed them all. That means no more of your preferred backup. And that means when it's Kevin's day, you're in for Hell!

Me: And it's going to hurt really bad! And you are nothing but a liar Wertz! Everyone knows he truth about you and you are nothing more than a spineless weak useless fucked up and pathetic piece of dirt! You don't care about anyone! You are just like Kurata!

Sougo (gets out Ninja Steel Ridewatch): We never did like you, Wertz. But we're reasonable people.

Geiz (Gets out Zyuohger Ridewatch): If you had just used your teaching position for good purposes, we could've lived together in peace. Instead, you used it for evil. So you've gotta go to the Warp.

Sougo got RedNinjaSteelArmor while Geiz got ZyuohEagleArmor

Me: Just consider this our last act of mercy!

We separated Xarra.

Me: Lets dance

Nico: (Gets out Porcupuffer's ridewatch) I will poke your brain!

Eddy: (In a haunted voice) MR. WERTZ! LET ME POKE YOUR BRAIN! (EVIL LAUGH)

May: (Gets out Robotnik, Scratch, Grounder and Coconuts Ridewatch) I HATE THAT HEDGEHOG!

Universe 666 May: Master Frown get me angry.

Master Frown: I see where this is going. Being nice is just a corny, pointless, SHAM!

Universe 666 May: (Get out Angry Unikitty's ridewatch) (EXPLOSIVELY ENRAGED!) BEING NICE IS THE BEST! (EXPLODES LIKE A NUCLEAR EXPLOSION!) I WILL FUCKING KILL YOU MOTHERFUCKER!

Maria: (Gets out The Doot Da Doot Da-Doo-Doo's Ridewatch) We the The Doot Da Doot Da-Doo-Doo's shall rain on your parade because (HAWKS) (SPITS) We're the spit!

Lickitung: (Gets out the Tongue Monster's ridewatch) I WILL LICK YOU TO DEATH!

They used the powers of Porcupuffer, Tongue Monster, Robotnik, Scratch, Grounder and Coconuts, Angry Unikitty, The Doot Da Doot Da-Doo-Doo's and Bl'Izz'Zrd and blasted the anothers and Wertz all over!

Lickitung then licked Wertz!

SPLAT! SLURP!

Wertz: YUCK! Say it don't spray it!

Then Crushing Buffalo Raider, Krakalaken (Metal Hero Series), Dash Bowman, Granmorg the Rock Monarch, Scatam and Universe 666 John Kramer came.

Me: WHOA!

Nico: Nice team Crushing Buffalo Raider!

Crushing Buffalo Raider: Thanks Nico.

Me: Wait a second! I remember you! You are one of Aruto's enemies and also you were a flower shop clerk!

Aruto: I remember that too!

Crushing Buffalo Raider: Yeah I know. Also thanks for destroying Arc.

Me: My computer virus did him in and that was awesome.

Flora: It sure was.

Me: That means Blizzard Buffalo and his team are up next.

Blizzard Buffalo: That's right.

Me: Cool!

Number 50: Blackship of Corn and Number 49: Fortune Tune came.

Me: Number 50 and 49!

Nico: Cool!

Number 50: (In a girls voice) (Iowa Accent) Looks like the fun is going to start!

Number 49: (In a girls voice) It sure is.

Nico: Summer Hayfield and Kallie Karma!

They reverted back. Summer was a girl with blond hair and yellow yes and had a cowboy had and orange angel wings and had yellow clothes and had Number 50: Blackship of Corn on her forehead, shirt and skirt and had the Iowa Hawkeyes Symbol and corn on her arm and had a yellow corn scythe.

Kallie had blue hair and blue eyes and had blue clothes and wings and had Number 49: Fortune Tune on her forehead, shirt and skirt and had the symbol of Karma with a Bird of Paradise on her arm a cutie mark and had a dagger on her hip and had a sword in her hand. Then a black Bird of Paradise with aqua green spots flew in and landed on her finger.

Kallie Karma: Good to see you Nico.

Summer Hayfield: YEEHAW! We got this. 50 CORNS OF DOOM!

Kallie Karma: 49 KARMIC BURSTS!

They fired waves of energy and blasted the two of them and Wertz was REALLY FEELING KARMA'S WRATH AND WAS BLASTED INTO THE WARP! I caught the ridewatches and purified them!

Me: YEAH!

Kallie Karma: I may be a bitch but NO ONE messes with me!

Me: Wait you're the embodiment of Karma!? Oh wow!

Kallie Karma: Yep that's right. I bring good rewards to all those that earned it and punish all those that do bad.

Me: Wow!

Syd: Wow! Is that bird a Lophorinas Bird of Paradise?

Kallie Karma: That's right Syd. Her name is Taomi and she is my friend. We met over in Papua New Guinea.

Me: That's one of my favorite birds.

Kallie Karma: That is awesome.

Nico: Nice job!

Summer: YEEHAW! That was as fun as an Iowa harvest.

Me: It sure was.

Lickitung: Do you girls have any favorite memories of Nico?

Summer: We sure do. Mine is where me and Nico were harvesting corn and we found an amazing treasure in our corn field that belonged to my ancestors. It was a book on how to magically grow corn with my hands.

Me: Wow!

Nicole: That's the Book of Zea Mays. I've been trying to find that book for years!

Summer: That is amazing.

Kallie: I agree. Mine is where me and Nico went to Japan and we brought down an evil empire of evil rich people with the power of Karma through me. We made them broke and homeless and threw them in jail in minutes.

Me: They say that you are a bitch but you do a VERY THOROUGH job of bringing down bad people.

Kallie Karma: That is too true.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Summer: We missed y'all too Nico.

I then saw Burns again and shook my head.

We went back home.

New York gangster and crime lord, Devin Sanders, has returned from Hell, and he wants revenge on Andre Lupescu for what he did in killing his son, Damian "The Demon Wolf" Sanders. Andre Lupescu is going to end what his parents began 14 years ago as he transforms and sends that crime lord to join his son in The Black Abyss forever.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in the East Bronx in New York, and I know what we're going to do here, not only am I going to rescue the thirteen girls here, but just as we found out, Devin Sanders, New York gangster and crime lord, has returned from Hell, and he wants revenge on Andre Lupescu for what he did in killing his son, Damian "The Demon Wolf" Sanders. Andre Lupescu is going to end what his parents began 14 years ago as he transforms and sends that crime lord to join his son in The Black Abyss forever.

Andre Lupescu: I already got rid of Damian who was responsible for murdering my parents to begin with, but it all began when my parents arrested Devin Sanders fourteen years ago, and now, this is where it all ends.

Nico: Just like what you did to that bastard's son a month ago, now you're gonna do the same to his father.

Me: He doesn't have any of his men, does he?

The Geek: No, all of them died in prison.

Sam (Sam & Max): (Harvey Atkin Voice) It wasn't a pretty death, I can tell you that.

Max (Sam & Max): (Robert Tinkler Voice) But, it was still pretty gruesome.

Spitter: Right...! Anyways, we'd better find him.

Lincoln: He's not that far, he's hiding at an old apartment. Let's go.

Andre Lupescu got on his motorcycle, Sam and Max got in The DeSoto, and we took to the air and we headed for the East Bronx. Minutes later, we arrived at the East Bronx and we went in an apartment in the East Bronx and we went to the door.

Sam (Sam & Max): (Harvey Atkin Voice) This is it. Devin Sanders' room. You guys ready?

Max (Sam & Max): (Robert Tinkler Voice) Ready.

Nico and I got near the door.

Sam (Sam & Max): (Harvey Atkin Voice) Okay, on my signal. Three...two...(Gets out his trusty gun) OPEN THE DOOR RIGHT NOW!

We busted the door down!

Max (Sam & Max): (Robert Tinkler Voice) (Gets out his gun) CHILL, LOWLIFE!

Sam (Sam & Max): (Harvey Atkin Voice) FREEZE, DIRTBAG!

Then, we got in the room and it was dirty as Hell, but then, we saw our target: Devin Sanders, and he definitely looked like a crime lord. He was a man with slicked black hair, black eyes, and dressed in the clothes of a businessman.

Devin Sanders: WHAT THE?!

Me: We're your guides to Hell, dirtbag!

Nico: And speaking of, say hello to an old friend from fourteen years ago.

Then, Andre Lupescu walked up.

Devin Sanders: Who are you?

Andre Lupescu: I'm the son of the parents who got you arrested and sentenced to death fourteen years ago.

When Devin Sanders heard it, he was pissed!

Devin Sanders: YOU! You're the...!

Andre Lupescu: Now, you remember. But, I was only four years old the day you were sentenced to death.

Suddenly, Andre Lupescu's dark blue eyes turned neon dark blue, and he was surrounded by a dark blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, moonlight, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels, he unholstered his massive Andre Lupescu's True Cosmic Eternal Harmony Universal Eternal

Andre Lupescu: But, your son committed the darkest of sins that can never be forgiven. Not long after you were sentenced to death, your evil son murdered my parents and left me alone in the world until Sam and Max took me in when my relatives also abandoned me as well to die on the streets. I already killed your son, and now, it's your turn, Devin Sanders.

Then, Andre Lupeau went at Devin Sanders who charged at us one last time, and then...!

SLASH! SQUELCH!

ANDRE LUPEAU SLASHED DEVIN SANDERS' STOMACH WIDE OPEN AND SPILLED HIS GUTS AND HE FELL TO HIS KNEES!

You've had this coming for fourteen years.

Devin Sanders: (Coughs up more blood) You think...this...fixes your grudge against us...! Your parents are still dead, and your relatives still want you to die...! (LAUGHING MANIACALLY) I WIN!

Sam (Sam & Max): (Harvey Atkin Voice) No, you still lose. Despite Daciana and Adrian Lupescu's murders because of Damian, Andre was given a new family with me and Max when we took him in, but he hadn't forgotten what your son did. Now, your son's dead, and soon, you'll drop dead as well. You've had it coming, Devin.

Devin Sanders angry that he still lost finally fell to the ground and died and Lincoln banished him to The Black Abyss. Then, Andre Lupescu turned to face the dead body.

Andre Lupescu: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Darkness Night Arctic Ice Snow Storm Fury Wolf Warrior Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Darkness Night Arctic Ice Snow Storm Fury Wolf Warrior Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Sam was right to say that. Despite what you said, you still lost in the end, and now, you are gone forever. Say hi to your son in The Black Abyss, Devin.

Andre Lupescu swung his massive greatsword two times and wiped the blood off and he holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, Third Eye, 28th Century backpack, large gold halo and large gold Yata no Kagami mirror behind the large gold halo behind his head and four large orbiting gold rings on each corner and four large gold Yata no Kagami mirrors behind the four large orbiting gold rings, large 105 dark blue planets orbiting around his legs, 105 smaller dark blue planets orbiting around his waist, smaller planets orbiting his fingers, medium sized dark blue planets orbiting around his wrists and ankles, and massive dark brown angel wings with dark blue tips and 104 sets of large dark brown angel wings with dark blue tips underneath his massive dark brown angel wings are permanent.

Andre Lupescu: It's finally over..., at last.

Suddenly, Andre Lupescu fell to his knees overcome by the feeling of an enormous weight falling off of his shoulders as tears began falling from his eyes.

Nico: Whoa! Andre, are you...?

Sam (Sam & Max): (Harvey Atkin Voice) He's finally done it, the chapter of his life that began with the arrest of Devin Sanders and the murder of his parents by Damian Sanders has been closed.

Max (Sam & Max): (Robert Tinkler Voice) Yeah, but that still means the pain he's carried with him has lifted off him, and he's shedding tears once more.

Sam (Sam & Max): (Harvey Atkin Voice) Those are tears of peace, Max. His fourteen year nightmare is over. But, he still needs a shoulder to cry on, just like when he was four.

Sam went to Andre Lupescu and he hugged him, as he cried on Sam's shoulder.

Sam (Sam & Max): (Harvey Atkin Voice) It's okay, Andre, it's all over now.

The Geek: Andre was haunted by his parents' murder when he was four. With this chapter of his life closed, he can finally move on.

Nico: That's for sure. He and Bruce Wayne both lost their parents when they were kids, and they became heroes not only to protect innocent people, but to also prevent the same kind of pain to happen to others.

Lincoln: That's true. They both rose from tragedy and became heroes to help others in need.

?: (Japanese Accent) Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair with green streaks and green flower in her hair, green eyes, massive green angel wings, she has the Mayakashi symbol on her forehead, beautiful green kimono, white gloves, sandals, long white long-sleeved trenchcoat with stars, winds, birds, phoenixes, and angels on the coattails, and on the back is Tengu, the Winged Mayakashi, and with her are the thirteen girls.

Lincoln: (GASPS) Himari Kazahaya, Avatar and Gene-Slammer of Tengu, the Winged Mayakashi.

Himari Kazahaya: (Japanese Accent) That's right, and I got the girls away from that unpleasant monster.

Me: That's definitely the action of a heartless gangster.

Nico: That's definitely the case.

Lincoln: Well, he got what he deserved. (To Himari Kazahaya) And it's so good to see you again, Himari.

Himari Kazahaya: (Japanese Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Himari Kazahaya had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Himari Kazahaya was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Himari Kazahaya: (Japanese Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Himari Kazahaya's waist and hugged her, and Keiko Kageyama is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Himari Kazahaya: (Japanese Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Akane Minazuki: (Japanese Accent) And so do we, this is Himari Kazahaya, Avatar and Gene-Slammer of Tengu, the Winged Mayakashi, she's Lincoln's Guardian Angel from Japan and she's a powerful master of Cosmic Aerokinesis, wind, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Tengu, and Tengu, The Winged Mayakashi. She's the Graceful Wind Tengu Master of Japan's Defenders of The Sun Goddess, a group of girls who were appointed by the Japanese Gods and Goddesses to protect Lincoln, The Reincarnation of Amaterasu, for he is the one person who can destroy Dark Chase Young and put an end to his 1,500-year reign of terror. Himari Kazahaya came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Aerokinesis, wind, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of the Tengu, and Tengu, The Winged Mayakashi, and over time, Lincoln gained omnipotent power and the powers of Cosmic Aerokinesis, Omnipotence, Omniscience, Cosmic Awareness, wind, the powers of the Tengu, and Tengu, The Winged Mayakashi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful kimono, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lola with a blazing passion, and she swore to have her blown away with the fury of an F5 tornado.

Me: Lincoln told us everything, and I hate to find out what Lola did.

Aphrodite Carrington: Lola tried to stab Lincoln with a pair of scissors in the same way she stabbed Lana in the arm with them and right in front of Himari.

WE GASPED!

Luna: The voluptuous nudist angel's right, dude. Himari was so mad, she blew her away and sent her flying away to her room.

Lincoln: When Himari told Mom and Dad of what Lola tried to do, needless to say, she got grounded for two weeks and cut off from dessert, but before she threatened us, Himari countered saying she crosses us one more time, all the documents and videos of her cruelty go out to the public.

Nico: In other words, she beat her at her own blackmail game.

Lincoln: And Lola was forced to slink back to her room in shame, and now that you're here, Himari.

Lincoln with his massive muscular arms still wrapped around Himari Kazahaya's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Himari Kazahaya: (Japanese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Himari Kazahaya with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on

her neck and rainbow Thunderbird wedding ring on her left pinkie.

Himari Kazahaya: (Japanese Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Himari Kazahaya.

Himari Kazahaya had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Himari Kazahaya's waist, and he leaned down to her face and kissed her on the lips, and with Himari Kazahaya's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Himari Kazahaya had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Himari Kazahaya: (Japanese Accent)(In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The thirteen girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the thirteen girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the thirteen girls are Marika, Lady, Droyes, Satome, and Zeviantes from Chillin' in My 30s After Getting Fired from the Demon King's Army and Princess Elizabeth Klyrode, Balirossa, Belano, Blossom, Byleri, Damalynas, Fenrys, and Hiya from Chillin' in Another World with Level 2 Super Cheat Powers.

Lincoln: Oh whoa, it's Marika, Lady, Droyes, Satome, and Zeviantes from Chillin' in My 30s After Getting Fired from the Demon King's Army and Princess Elizabeth Klyrode, Balirossa, Belano, Blossom, Byleri, Damalynas, Fenrys, and Hiya from Chillin' in Another World with Level 2 Super Cheat Powers.

Nicole: So, those were the girls Himari saved, and Travis and Red were right telling the others to run to their rooms: they're beautiful and...

Lincoln: Easy prey to perverts and bastards with a desire to kill them, but they'll regret that. Are you girls okay?

Marika: Yes, we're okay thanks to you.

Then, Marika and the other twelve girls saw who it was that saved them from Devin Sanders, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of

Fenrys: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Fenrys: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Marika, Lady, Droyes, Satome, Zeviantes, Princess Elizabeth Klyrode, Balirossa, Belano, Blossom, Byleri, Damalynas, Fenrys, and Hiya with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one rescue that brought an end to the dark chapter in Andre's life.

May: That's for sure.

Lincoln: Andre can finally move on after this dark chapter was finally closed.

Nico: That's for sure. He deserved it.

Me: He went through loss and betrayal, and now, he has finally moved on.

Caleb Maxwell: Loss and betrayal aren't that easy to move on from in my case, it stayed with me even now, and it was a wound that still festered in me. I've tried to move on, but what I went through, it was like a curse that still haunts me to this day.

We feared Caleb's words were true, and little did we know: tomorrow, for Lincoln's rescue, we'd have to break said curse that haunted Caleb, and it was a familiar curse that haunted Darren Devereaux.

After Lincoln and all of us destroyed Devin Sanders and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Himari Kazahaya saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel

wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Himari Kazahaya: (Japanese Accent) My God, I was right that Lincoln's really grown into a 19-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Himari, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Himari Kazahaya: (Japanese Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Himari Kazahaya: (Japanese Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with his massive rainbow angel wings and 104 sets of large rainbow angel wings underneath his massive rainbow angel

wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Jack Howard got out a videotape.

Me: Whoa, what's that tape, Jack?

Jack Howard: This tape I have here, this is from October 25th, 1985, six days before The Hallowshade Bloodbath, and this incident is what scarred Caleb big time. Not only was he running from Cage and Travis again, but that parasite, Drake Maxwell, and his thugs also showed up to kill him.

Nico: Oh no.

Jack Howard: But, here's where it gets ugly, all the heartless betrayal from his so-called friends, the constant physical attacks from Drake, the tragic losses of his true friends, the constant running from two drunk bloodthirsty vampires, and closing out his own heart caused Caleb to snap and he went mad driven by bloodlust and revenge.

Captain Whitten: And he did something so horrendous to Drake, that ultimately would seal his fate and The Syndicate's six days later.

Jack Howard put the tape in as it played on the big screen and it showed New York in the late afternoon hours of October 25th, 1985, six days before The Hallowshade Bloodbath, and Caleb was running to get back to his family's apartment.

Past Caleb Maxwell: I got to hurry back to the apartment, it's only a matter of time before Drake Maxwell shows his ugly face along with his thugs, and it's only a matter of time before those two show up too. I should be lucky I'm not running into The Big Claw Gang, but...!

Caleb's thoughts were cut off by the sounds of gunshots, and he saw Drake Maxwell and his thugs in his black car.

Past Drake Maxwell: Let's go, boys, by night's end, my stupid older brother will be dead and New York will forever be under our rule! (LAUGHING WILDLY)

Past Caleb Maxwell: Ah man, you've got to be kidding!

Caleb had to put the pedal to the metal: Drake's decided to strike early. But, it would soon be too late, he saw the sun about to set.

Past Caleb Maxwell: No...! No, it can't just set like this! No, this isn't supposed to happen! Damn it!

Caleb now had to run for his life: now the sun has set and he'd be dealing with Cage and Travis yet again. He managed to get to a nearby apartment building, but he wouldn't be safe for long.

Past Caleb Maxwell: Damn it...! I'm nowhere near the apartment, and Drake and his thugs are close, those shitheads! And it's only a matter of time before they get here and I wind up catching the smell of blood in the air, it's almost like cologne to them!

?: Hey, that was a little rude of you to say that.

Suddenly, Caleb's mark reacted and blood came pouring out of his right arm, and he looked up at the roof of the apartment, and he saw Cage Blunt and Travis Tackett.

Past Caleb Maxwell: No...!

They descended as Caleb Maxwell began backing away, but then, he saw bright lights from a car, and he saw Drake Maxwell and his thugs, and Caleb went into a full-blown panic as he clutched his head with his hands and his fingers bended in clawed-up position.

Past Drake Maxwell: We got you, Caleb!

Then, Drake Maxwell got out his gun!

Past Drake Maxwell: DIE, BITCH! (LAUGHING MANIACALLY)
